INTRODUCTION

KLE SOCIETY, BELAGAVI

(Sponsoring Society of the KLE University)

KLE Society was established more than 100 years ago in the year 1916 by seven dedicated Teachers (aptly called as Saptarshis) and three Patrons, which has transformed the educational backward region of Northern Karnataka into a fertile land of education. Presently, the KLE Society is an empire of more than

240 institutions in the field of Health- are (Medical, Dental, Pharmacy, Ayurved, Physiotherapy and Nursing Science), Information Technology, Law and many more conventional and non-conventional disciplines

SAPTARSHIS FOUNDER & PATRONS

BIRTH OF THE KLE UNIVERSITY

The great visionary efforts of Dr. Prabhakar Kore, MP Chairman KLE Society since 1985 have been pivotal in deciding to march ahead into a new millennium as an autonomous University, thereby opening up the unexpected horizon in the field of education.

The KLE University was established on 13th April, 2006 as per the Ministry of Human Resource Development, Government of India, Notification No.F.9-19/2000-U-3(A) dated 13th April, 2006, on the advice of the University Grants Commission.

Today, the KLE University after its inception has many glorious credentials in the form of its meritorious students; faculty looked upon as peer and much international collaboration because of the dedication and the unending quest for excellence true to the essence of KLE University.

The University offers various Undergraduate, the Postgraduate, Post-doctoral, Fellowship and Certificate programs in the Faculties of Medicine, Dentistry, Pharmacy, Ayurveda, Physiotherapy and Nursing. The campus is very rich and vibrant in terms of having impressive infrastructure, renowned and extensively experienced teaching faculty, state-of-the-art teaching hospitals and medical research center, with 2400 out of which 1200 beds are entirely free for teaching facilities and top notch diagnostic facilities under one roof. The Wi-Fi and digital library, e-learning and other facilities are at par with best campuses of the country and abroad. The University is among very few institutions of the country to boast of the entire campus having Wi-Fi solution for internet access. Another milestone achieved is the collaboration with MedRC and establishment of SmartTeach server for students to access the high quality E-curricular content so that students can learn at their own pace as supplementary measure to the excellent classroom teaching.

Ever since the establishment of the University, there has been constant growth in exploring new areas in education e.g. the establishment of the Department of Public Health, Department of Clinical Research, School of Music starting need based fellowship programs in various specialties and the commencement of Ph.D programs in health science discipline

and inter disciplinary research are the new endeavors of the University in the short span of five years of its existence. The existing curriculum is strengthened by integrating Information and Communication Technology (ICT) to meet the changing global demands. The University has also incorporated teaching of Indian Constitution and Environmental Studies to Undergraduate students for making them responsible global citizens. To match the concept of Global village of the present era the KLE University has signed Memorandum of Understandings (MoUs) incorporating academic collaboration/ inputs with ICMR, World Health Organization and several Universities in USA and also in South East Asia.

The University takes a very strict view against any kind of ragging activity and the entire campus is under strict vigil to prevent any ragging activity. The students in the campus are from different countries and different cultures and all the efforts are taken for smooth induction of the students into the campus and for that purpose student orientation programs, language classes for enabling the students to interact with local patients are regularly conducted. Facilities like Bank, Post-Office, Pharmacy, Gym and Indoor Stadium, Internet access, Café, Department store, Travel booking facilities etc are provided in the campus itself.

Calendar of Events delineating the date of examination schedule, and other important curricular events are provided to every student at the beginning of academic session, thus enabling the students to plan and pace their studies well in advance.

Remedial measures in the form of feedback from the students, bridge courses for slow learners are regular feature of the constituent units of the KLE University.

The KLE University follows the Goals set in the form of "VISION 2020" document, which aspires to take the KLE University to far greater heights.

OVERVIEW

Chancellor's Message

Dr. Prabhakar Kore, MP
Hon. Chancellor

It is a great pleasure to present the Annual Report of KLE University for the year 2015-16.

It is indeed a matter of great pride for the KLE University that it has been accredited with 'A' Grade by National Assessment and Accreditation Council (NAAC) in the 2nd Cycle for a period of five years w.e.f. 19th January 2016.

It is also a momentous occasion for the KLE University for completion of 10 years existence with notable achievements and also for the sponsoring society viz. KLE Society for commemorating centenary year for the cause of imparting education and health care services across the country.

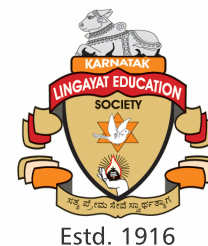

The KLE University continues its commitment to equity, quality teaching and learning, to produce work-ready graduates, innovators and entrepreneurs, together with cutting edge research and innovation We have also continued to expand our international outreach in both education and research.

Today, the University has a proud record of evolving efficient, confident and highly knowledgeable doctors, Nurses, pharmacists technocrats, and entrepreneurs with global thinking and futuristic mind-set that will contribute to nation building with a strong adherence to corporate ethics.

I hope all the stakeholders of the KLE University will contribute for the cause of education, teaching-learning, research and health-care services in the years to come.

Medical care at our hospital is in the reach of every section of the society and having many facilities under one roof or under its ambit. I appreciate the commitment of my KLE University colleagues, our Vice-Chancellor and his executive staff, Faculty members, students, alumni, and collaborators who have all contributed to our success this year.

The KLE University is undergoing a major transformation into an entity equipped to meet the challenges of operating in an increasingly globally competitive environment.

Vice Chancellor's Message

Prof. (Dr.) Chandrakant K. Kokate
Vice Chancellor

I am happy to note that the Annual Report of the KLE University for the year 2015-16 is being presented. The year has witnessed achievements and accomplishments by the staff and students, departments and institutions in the field of academics, research, administration, research, collaborative efforts, etc. for year.

I am happy to share that the KLE University has been accredited with 'A' Grade with CGPA of 3.34 by National Assessment and Accreditation Council (NAAC) in the 2nd Cycle which reflects on the sincere efforts put in by all the stake-holders of the University for enhancement of quality of teaching and research.

The University is committed to quality research in addition to starting of new / innovative academic programs / courses keeping in view the societal needs. The University is also committed to impart quality education and serve the community at large in health-care services. The University has signed Memorandum of Understanding with various national and international universities / institutions for academic inputs, research, etc.

The efforts of the University for the cause of quality teaching, research, curricular and co-curricular activities have been well acknowledged and appreciated by national and international institutions. The faculty members of the University and its constituents are encouraged to conduct the quality research which is the main focus of the KLE University which has resulted into voluminous publications in journals of national and international repute.

The sponsoring society viz. KLE Society is celebrating its centenary year and on this occasion a number of community-oriented programs including mega health-check up camps, health-awareness programs, dental check-up campus, cultural programs, etc. are being organized by inviting the luminaries in their respective fields.

I hope that all the stakeholders of the University will continue to devote and commit for the cause of quality education and research in the years to come.

From the Registrar's Pen

Prof. (Dr.) V.D. Patil
Registrar

I have great pleasure in presenting the Annual Report of the KLE University for the year 2015-2016 Annual Report.

The Annual Report showcases the spectrum of activities which include academic, research, curricular, co-curricular, etc. conducted by the University and its constituent units during the year. The activities reported reveal the perseverance and pursuit for excellence in the field of academics, research, administration and other key areas of functioning of the University.

The KLE University, under the dynamic leadership of visionary Chancellor Dr. Prabhakar Kore and able administrator Dr. Chandrakant Kokate, Vice-Chancellor, has been able to reach the new horizons and earn the reputation of being one of the leading Universities in the country.

The sponsoring society viz. KLE Society is celebrating its centenary year in 2015-16. A number of community-oriented programs including mega health check-up camps, dental check-up camps, free surgeries, health awareness programs, etc. covering a population of more than 1,00,000 for medical and more than 1.25 lacks patients were examined in dental check up camps have been conducted. These camps have been conducted mainly for the benefit of the public at large.

The University has been recognized with a unique identity in academic and research and has set the high standards. The University has Basic Science Research Laboratory equipped with state-of-facilities in the disciplines of Medical, Dental, Ayurveda, Pharmacy and Inter-disciplinary Research to facilitate the Post-Graduate students and Research Scholars to conduct research activities.

The sponsoring society viz. KLE Society focuses on our accomplishments over the past year, our collaborative efforts and accomplishments. As a service organization for the University, the Office of the Registrar has the fortunate opportunity to be involved in many facets of University life. I hope you will find this Annual Report informative.

The University provides world-class campuses and highly trained faculty, which are transforming the life of students and preparing them to meet any challenges which they come across in their professional development. The faculty members of the University are being encouraged to conduct research activities and also publish research articles by extending necessary financial grant from the University. They are also being encouraged with financial grant for attending state / national / international conferences to make scientific presentations and also update their professional skills.

I hope the faculty members and stakeholders will continue to extend similar co-operation to create vibrant future of this University in the years to come.

Insignia of our emblem

The Emblem of the KLE University is a Symbolic of its Philosophy

The Emblem...

A close look at the emblem unveils a pillar, a symbol of the 'Academy of Excellence' built on strong values and principles.

The Palm & the Seven Stars ...

The Palm is the palm of the teacher - the hand that acts, promises and guides the students to reach for the Seven Stars.....

The Seven Stars signify the 'SaptarshisGyanamandal', the Great Bear - a constellation made of seven stars in the sky, each signifying a particular Knowledge Domain. Our culture says - The True objective of human birth is to Master these Knowledge Domains.

The Seven Stars also represent the Saptarshis, the founders of KLE Society whose selfless service and intense desire for 'GyanaDasoha' laid the foundation for creating the knowledge kingdom called KLE Society.

Hence, another significant of the raised Palm is our tribute to these great Souls for making this deemed university a possibility.

Empowering Professionals....

'Empowering Professionals', the inscription at the base of the Emblem conveys that our Organisation with its strength, maturity and wisdom will forever strive to empower the student's community to become globally competent professionals. It has been a guiding force for the many student generators in the past and will continue to inspire many forthcoming generations to come.

VISION – 2020

(Development Plan of the University
with a long term perspective)

An explicit Vision is quite essential for the growth and development of any University. The Vision statement of the University must stir the imagination and motivate all the stake holders to a greater effort. It is an essential step in building an academic consensus on a broad development strategy. The Vision must identify the potential risks and bottle necks and their possible solutions in order to mobilize efforts in a focused manner.

Keeping this in view, this Vision 2020 document of the University has been prepared, based on the Vision, Mission & Objectives of the University and also the changing needs of the society in the years to come (2006-2020). The developmental plan for the accomplishment of the targeted goals by 2020 have been categorized into 'Immediate goals', 'Short-term goals' and 'Long-term goals' for the ease of planning and implementation. It is quite essential that to achieve the objectives of the University, the Vision statement has to operate at several levels of generality and specificity and must attract whole-hearted contribution from every one.

The University shall strive hard to implement the plans and programs projected in the aforesaid Vision-2020 Document and ensure quality education, research, infrastructure and entrepreneurship, international academic standards using State-of-the-Art technology, distinguished faculty and ultra-modern and eco-friendly campus. Development of an excellent academic and research network of International standard to collectively position - GLOBAL KLE.

Government Notification

Shastri Bhawan, New Delhi,
Dated the 20th February, 2009.

Whereas the Central Government is empowered under Section 3 of the University Grants Commission (UGC) Act, 1956 to declare, on the advice of the UGC, an institution of higher learning as a deemed-to-be-university;

2. And whereas, on the advice of the UGC, K.L.E. Academy of Higher Education and Research, Belgaum, Karnataka, comprising (i) K.L.E. Society's Jawaharlal Nehru Medical College, Belgaum and (ii) K.L.E. Society's Institute of Dental Sciences, Belgaum, as an 'Institution Deemed-to-be-University', for the purposes of the aforesaid Act, provisionally for a period of five years, vide this Ministry's notification No.9-19/2000-U.3(A) dated the 13th April, 2006, subject *inter alia* to a review by the UGC;

3. And further whereas, the Institution "Deemed-to-be-University" had submitted a proposal in August 2006, for inclusion of seven institutions located in different places in the State of Karnataka, under its ambit;

4. And whereas, the UGC vide its communication bearing No.F.6-44/2004(CPP-I/DU) dated the 18th March, 2008 has recommended to the Ministry of Human Resource Development that the following institutions may be included under the ambit of K.L.E. Academy of Higher Education and Research, Institution Deemed-to-be-University, Belgaum, subject *inter alia* to the conditions that (i) the inclusion of K.L.E.'s Institute of Dental Sciences, Bangalore will be subject to fulfillment of requirement of faculty as per DCI (Dental Council of India) norms and (ii) the overall performance of these institutions shall be monitored annually, initially for three years, and subsequently after every five years by the UGC:

- (i) K.L.E.'s Institute of Dental Sciences, Bangalore
- (ii) K.L.E.'s College of Pharmacy, Bangalore
- (iii) K.L.E.'s College of Pharmacy, Hubli
- (iv) K.L.E.'s College of Pharmacy, Belgaum
- (v) K.L.E.'s Institute of Nursing Science, Belgaum
- (vi) K.L.E.'s Institute of Physiotherapy, Belgaum
- (vii) B.M. Kankanwadi Ayurved Mahavidyalaya, Belgaum;

Government Notification

5. Now, therefore, in exercise of the powers conferred by Section 3 of the UGC Act, 1956, the Central Government, on the advice of the UGC, do hereby include the under-mentioned six institutions under the ambit of K.L.E. Academy of Higher Education and Research, Institution Deemed-to-be-University, Belgaum, as the latter's constituent teaching units, for the purposes of the aforesaid Act, subject to the conditions that (i) the declaration of these institutions as the constituent units of the Institution Deemed-to-be-University shall take effect from the date of their disaffiliation from their affiliating university, namely, Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore, (ii) K.L.E. Academy of Higher Education and Research shall admit students to the academic courses/programmes of the following institutions, under its enrolment, only with effect from the academic year 2009-2010; and that (ii) the overall performance of these institutions shall be monitored by the UGC, annually, through an Expert Review Committee, initially for three years, and subsequently after every five years:

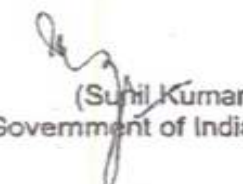

- (i) K.L.E. Society's College of Pharmacy, Bangalore (Off-campus centre)
- (ii) K.L.E. Society's College of Pharmacy, Hubli (Off-campus centre)
- (iii) K.L.E. Society's College of Pharmacy, Belgaum
- (iv) K.L.E. Society's Institute of Nursing Science, Belgaum
- (v) K.L.E. Society's Institute of Physiotherapy, Belgaum
- (vi) Shri B.M. Kankanwadi Ayurved Mahavidyalaya, Belgaum (Off-campus centre);

The directions that shall be given by the UGC upon such 'reviews' in the matter of management, academic development and improvement shall be binding on both the 'Institution Deemed-to-be-University' and its constituent teaching units.

6. The K.L.E. Society's Institute of Dental Sciences, Bangalore, is not included under the ambit of K.L.E. Academy of Higher Education and Research, Belgaum, through this notification, due to the deficiencies reported by the Expert Committee of the UGC including that of non-compliance of the norms of the Dental Council of India (DCI) pertaining to faculty position at this institute (dental as well as medical teaching staff);

7. The declaration as made in Para 5 above is further subject to fulfillment of the conditions mentioned at Sr. No.9 of the endorsement to this notification;

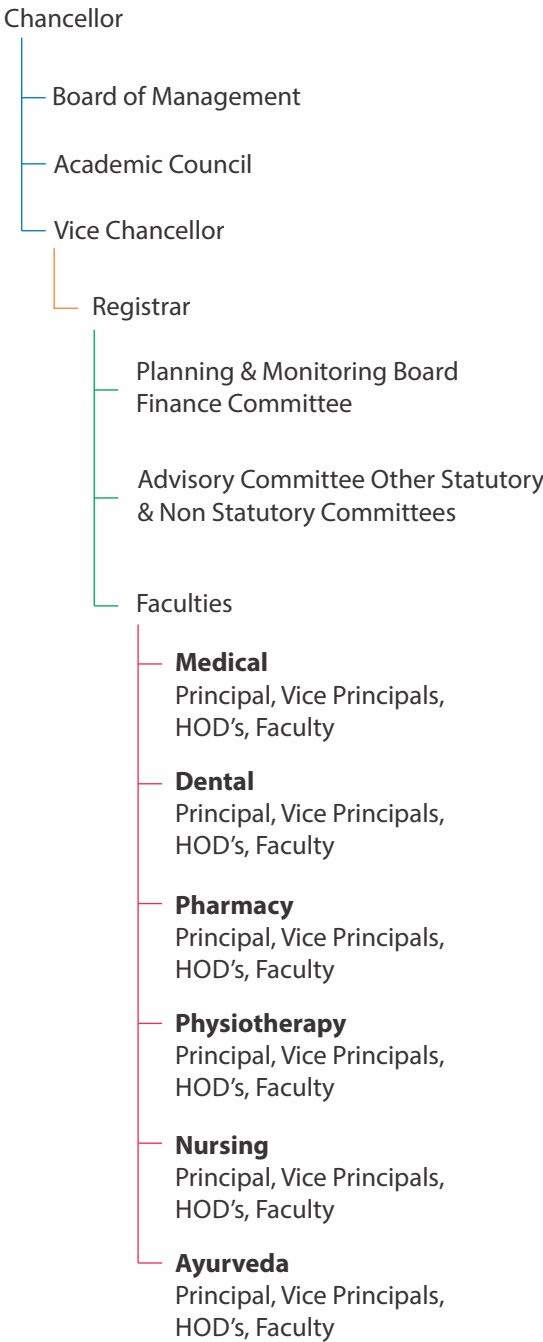

8. Neither the Government of India nor the UGC shall provide any Plan or Non-Plan grant-in-aid to K.L.E. Academy of Higher Education and Research or any of its constituent teaching units.

SL.No.	Title	Investigator/Sub I/ CRC	Status
1.	Protocol Title: Evaluation of efficacy, safety and tolerability of a combination therapy with chlorzoxazone and ibuprofen compared to ibuprofen alone in the symptomatic treatment of Acute Low Back Pain (LBP): An open lable, prospective, observational study	Dr. R.B.Uppin-PI	Approved by EC on 01/08/2016
2.	PROTOCOL TITLE: An Open Label, Randomized, Multicenter study to Evaluate and Compare the Immunogenicity and Reactogenicity of DTwP-Hib-IPV vaccine (EasyfourPol™, Panacea Biotec Ltd.) with Quadrovax™ (Tetavalent DTwP/Hib Vaccine, Serum Institute of India Ltd.) Co administered with Imovax Polio® (Salk Based inactivated Polio Vaccine, Sanofi Pasteur India Pvt. Ltd.) in Healthy Infants.	Dr. (Mrs.) N.S. Mahantashetti -PI	Approved by EC on 27/07/2016
3.	Protocol Title: A Multi-Center, Open-Label, Randomized, Crossover, Aqueous Humor Bioequivalence Study of LoteprednolEtabonate Ophthalmic Suspension 0.5% (Sun Pharmaceutical Industries, Ltd.) and Lotemax® (LoteprednolEtabonate Ophthalmic Suspension 0.5%; Bausch & Lomb, Inc.) in Subjects With Indicated Bilateral Cataract Surgery.	Dr.Rekha mudhol-PI	Approved by EC on 20/06/2016
4.	Protocol: Prospective, Multi-centric, Double-blind, Comparative, Clinical Study to Compare the Efficacy and Safety of Intravenous Ulinastatin versus Placebo Adjunct To Standard Supportive Care In Subjects With Severe Sepsis, A Phase IV Study.	Dr. Pournima Patil-PI	Approved by EC on 20/06/2016
5.	Protocol Title "A Randomized, Open-Label, Two Period, Two-Treatment, Two Sequence, Single-Dose, Crossover, Bioequivalence Study of Paclitaxel Protein-bound Particles for Injectable Suspension (albumin-bound) of Panacea Biotec, India with ABRAXANE® (Paclitaxel Protein-bound Particles for Injectable Suspension) (albumin-bound) manufactured for Celgene Corporation, Summit, NJ in Patients with Metastatic Breast Cancer under Fasting Conditions".	Dr. Rohan bhise-PI	Approved by EC on 20/06/2016
7.	Protocol Title: A randomized double-blind, placebo-controlled, Phase-3 study to assess the safety and efficacy of ART-123 in subject with severe sepsis and coagulopathy.	Dr.Jayprakash Appajigol – PI	Approved by EC on 17/03/2016
8.	Protocol: VRL/CSE-1034/05/2012. "A Randomized, Double-blind, Double-dummy, Active-controlled, Multi-centre Trial to compare the Efficacy and Safety of CSE-1034 (Ceftriaxone+Sulbactam+ EDTA) with Meropenem in Infections Caused by Lactamase (ESBL and MBL) producing Gram Negative Bacteria."	Dr. Madhav Prabhu – PI	Approved by EC on 15/04/2016

SL.No.	Title	Investigator/Sub I/ CRC	Status
9.	Protocol: BBIL/ROTA5C/III/2014: "A seamless, sequential phase III, multicenter, Randomized, single-blind study, to evaluate immunogenicity, reactogenicity and safety of ROTAVAC 5C new formulation of the live attenuated rotavirus vaccine as a 3 dose series when compared with existing ROTAVAC in healthy infants.	Dr. N.S.Mahanshetti -PI	Approved by EC on 1/04/2016
10.	BBIL/ROTA5C/III/2014: "A seamless, sequential phase III, multicenter, Randomized, single-blind study, to evaluate immunogenicity, reactogenicity and safety of ROTAVAC 5C new formulation of the live attenuated rotavirus vaccine as a 3 dose series when compared with existing ROTAVAC in healthy infants " "Ranbaxy"	Dr.(Mrs)N.S.Mahantshetti - PI	Approved by EC on 19/02/2015
11.	Protocol Number: EFC11570:"A Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Study to Evaluate the Effect of Alirocumab (SAR236553/REGN727) on the Occurrence of Cardiovascular Events in Patients Who Have Recently Experienced an Acute Coronary Syndrome" "Sanofi"	Dr.Sanjay Porwal-PI	Approved by EC on 19/02/2015
12.	Protocol Title: I4V-MC-JADY(C): A Phase 3, Multicenter Study to Evaluate the Long-Term Safety and Efficacy of Baricitinib in Patients with Rheumatoid Arthritis. "Eli Lilly"	Dr.Udapudi-PI	Approved by EC on 17/10/2014
13.	Protocol Title: Comparative Efficacy, Safety and Tolerability of Minocycline Extended Release Tablets (45 and 65 mg) and Minocycline Modified Release Capsules (100 mg) in the Treatment of Moderate to Severe Acne Vulgaris - An Open-Label Study (Study Number: R2014001).	Dr.Shiv Kumar-PI	Approved by EC on 07/08/2014 Status-Inactive
14.	Protocol no.: Effects of a Yoga-based cardiac rehabilitation programme (Yoga-Care) on cardiovascular health: a clinical trial (India) and mechanistic study (UK).	Dr.Sanjay Porwal-PI	Approved by EC on 30/06/2014 Status-Active
15.	A Phase IV, Randomized, factorial assigned, Open labelled, study to evaluate the non- interference in immune response of Typhoid Vi Capsular Polysaccharide - Tetanus Toxoid Conjugate Vaccine (Tybbar-TCV) administered to children at 9 months, to measles vaccine given concomitantly. "Bharat Biotech"	Dr.(Mrs)N.S.Mahantshetti - PI	Approved by EC on 30/06/2014 Status-active
16.	Protocol Title: "A Multicenter, Double-Blind, Vehicle Controlled, Parallel-Group Study Comparing a Generic Diclofenac Sodium Topical Gel, 1% in the Treatment of subjects with Osteoarthritis of the Knee".	Dr.Rajendra.Bhandankar-PI	Approved by EC on 15/04/2014 Status-Inactive
17.	Protocol SB2-G31-RA: A Randomized, Double-blind, Parallel Group, Multicentre Clinical Study to Evaluate the Efficacy, Safety, Pharmacokinetics and Immunogenicity of SB2 Compared to Remicade® in Subjects with Moderate to Severe Rheumatoid Arthritis despite Methotrexate Therapy. Clinigene International Ltd	Dr.Rajendra.Bhandankar-PI Dr. Sudheer Yadwad - Sub I	Approved by EC on 07/11/2013 Status-Inactive
18.	Protocol Title: Protocol I4V-MC-JADZ- A Randomized, Double-Blind, Active-Controlled, Phase 3 Study to Evaluate the Efficacy and Safety of Baricitinib (LY3009104) in Patients with Moderately to Severely Active Rheumatoid Arthritis Who Have had Limited or No Treatment with Disease Modifying Antirheumatic Drugs. "Eli Lilly"	Dr.Udapudi-PI	Approved by EC on 07/11/2013 Status-Inactive

SL.No.	Title	Investigator/Sub I/ CRC	Status
19.	Protocol No: ZYH 1.12.001.01 PROT: "A Multicenter, prospective, randomized, open label Phase IV clinical study to evaluate the safety and efficacy of Saroglitaz (ZYH1) as compared to fenofibrate in patients with dyslipidemia".	Dr. Jayaprakash Appajigol-PI	Approved by EC on 29/07/2013 Status-Inactive
20.	Protocol Title: A demonstration Project to Evaluate the effectiveness and Acceptability of the Joint Diabetes Evaluation (JADE) & DIAbetes MONitoring Database(DIAMOND) Programs in Type 2 Diabetes Patients in India ("JADE Diamond")---	Dr. M.V. Jali -PI	Approved by EC on 17/09/2013 Status-Inactive
21.	Protocol No:CLR_10_22:"Efficacy and safety of SPIL's Lubriprostone capsule, 24 mcg Lubriprostone in subjects with Chronic Idiopathic Constipation :A Randomized, Double blind, Parallel group, Active and Placebo Controlled, Clinical Endpoint Bioequivalence Study".	Dr.Santosh Hajare-PI	Approved by EC on 12/03/2013 Status-Inactive
22.	Protocol Title: "A proof of concept, parallel design, single treatment, double arm trial of 50 mg quick dissolve tablets containing freeze dried Lactobacillus delbrueckii subsp. bulgaricus lysate (GenCixTM) from FraXon technologies Inc., USA, conducted on treatment naïve chronic hepatitis C positive patients in one arm and treatment naïve chronic hepatitis C positive patients on dialysis in the other arm"	Dr. V. A. Kothiwale - PI Dr. Aditya. Kulkarni-Sub-I Dr. M S Ganachari-CRC Bhupendra Parihar- CRC Disha Khoda- CRC	Approved by EC On 20th January, 2013. DCGI approval dated On 20/01/2012 Status-Active Screening - 08
23.	Protocol No: 20110118:"A Double-blind, Randomized, Placebo-controlled, Multicenter Study Assessing the impact of Additional LDL-Cholesterol Reduction on Major Cardiovascular Events When AMG 145 is used in Combination with Statin Therapy in Patients with Clinically Evident Cardiovascular Disease".	Dr. V. A. Kothiwale - PI Dr. M S Ganachari- CRC Tarang Shah - CRC	Approved by EC On 24/01/2013 Status-Inactive
24.	Protocol Number: P2202/47/10:A Phase II, Randomized, Double-Blind, Placebo-Controlled, Dose-Ranging, Two-Staged, Fixed Design Study to Evaluate the Efficacy, Safety, Tolerability and Pharmacokinetics of P2202 in Overweight/Obese Patients of Type 2 Diabetes Mellitus Inadequately Controlled on Metformin, Sulphonylurea, or Both. Submitted by - Dr M.V. Jali, Principal Investigator, M.D. & CEO KLE's Prabhakar Kore Hospital and Medical Research Center, Belgaum.	Dr. M.V. Jali -PI	Approved by EC On 03/10/2012 Status-Inactive
25.	Protocol Number: CV181169 :A Multicentre, Randomised, Double-Blind, Active-Controlled, Parallel Group, Phase 3 Trial to Evaluate the Safety of Add-On Therapy with Saxagliptin and Dapagliflozin added to Metformin compared to Add-On Therapy with Saxagliptin in combination with Metformin or Dapagliflozin in combination with Metformin in Subjects with Type 2 Diabetes who have Inadequate Glycemic Control on Metformin Alone.	Dr. M.V. Jali -PI	Approved by EC On 16/07/2012 Status-Inactive
26.	Protocol Number TRI08888 GARFIELD: "Prospective, multicentre, international registry of male and female patients newly diagnosed with atrial fibrillation". "Thrombosis Research Institute"	Dr. V. A. Kothiwale - PI Dr. M. S. Ganachari -CRC Khoremand Bhatthana-CRC Atul. Aggrawal-CRC	Approved by EC on 26/06/2012 Status: Active
27.	Protocol Title -"A phase II/III randomized, single blinded, active controlled study to evaluate the immunogenicity and safety of inactivated Japanese encephalitis vaccine in healthy volunteers".	Dr.N.S.Mahantshetti-PI Dr. Joshi- Sub-I	Approved by EC On 05/05/2012 Status-Inactive

SL.No.	Title	Investigator /Sub I/ CRC	Status
28.	Protocol Number: AMR-01-01-0019: "A Multicenter, prospective, randomized, double blind, placebo-controlled, parallel-group study to evaluate the effect of AMR101 on cardiovascular health and mortality in hypertriglyceridemic patients with cardiovascular diseases or at high risk for cardiovascular diseases: REDUCE-IT (Reduction of Cardiovascular Events with EPA – Intervention Trial)	Dr.V.A.Kothiwale - PI Dr.Aditya.Kulkarni-Sub-I Dr.M S Ganachari- CRC Tarang Shah - CRC Disha Khoda – CRC Sonam Lodi– CRC	Approved by EC on 12th March 2012. 29.	Protocol Number: GPL-CT/2011I011/III "A Phase III, Randomized, Open Label, Non- Inferiority, Active-Controlled Comparative, Parallel Group, Multicentric Study of Fixed Dose Combination of Formoterol 12 g Plus Fluticasone 250 g as DPI (Test Drug) with the commercially available Fixed Dose Combination of Salmeterol 50 g and Fluticasone250 g (SeretideTMAccuhalerTM 50/250 g) as DPI in a 12-week Treatment Period of Adolescent and Adult Subjects With Moderate-Severe Stable Persistent Asthma"	Dr. Gajanan.S.Gaude – PI Dr.V.A.Kothiwale –Sub-I	Approved by EC on 20/12/2011 Status-Inactive DCGI approval Pending
30.	Trial No: BECT/JEV-PII-III/018, Protocol No: BECT018/JEV-PII-III/CTP-02 "A Multicentric, Open Label Randomized Controlled Phase II/III Study to Evaluate the Safety and Immunogenicity of BE's Inactivated JE Vaccine in Healthy ≥ 1 to <3 year Old Indian Children" "Biological E. Limited" - Company	Dr. V.D.Patil - PI Dr. Preeti Amarkhed-Sub I Dr.M S Ganachari - CRC	Approved by EC On 16/02/2011 Status-Inactive Submitted to EC on 05/02/11
31.	Protocol Title: A phase II, Randomized, Open Label, Single Subcutaneous dose study of Polysialylated Erythropoietin to assess safety, pharmacodynamic & Pharmacokinetics in chronic kidney disease patients not on dialysis.	Dr. M. Khanpet – PI Dr. Vinayak Ekbot – Sub I Dr. M S Ganachari - CRC	Status: Active Screened - 11 Randomized – 09 Approved from 20/01/2010 to till date

Completed Trials:

SL.No.	Title	Investigator /Sub I/ CRC	Status
1.	Protocol Title: A multicentric randomized , comparative clinical trial to assess the immunogenicity and reactogenicity of DPTw [meat free] vaccine with standard commercially available DPTw [routine] vaccine both manufactured by serum institute of India Ltd, pune in Indian children aged 6 –14 weeks". Serum Institute	Dr.V.D.Patil- PI Dr. Girija Ashtagi-Sub-I Dr. Arun - CRC	Approved Completed
2.	Protocol Title: To Study the safety and efficacy of R-TPR –001 (Retepase- Recombinant plasminogen activator) in patients with acute myocardial infarction and ST segment elevation". Reliance	Dr. V.A. Kothiwale- PI Prof: M S Ganachari - CRC	Approved Completed
3.	Protocol Title: EX 1000-1919: A multicentre, multinational, randomized, open labeled, two armed, parallel group trial with a 24 week treatment period comparing the efficacy and safety of two concentrations of Mixtard 30 (333IU/mL) or Mixtard 30 (1000IU/mL)". Novonordisk	Dr. M.V. Jali- PI Prof: M S Ganachari - CRC	Approved Completed

SL.No.	Title	Investigator /Sub I/ CRC	Status
4.	Protocol Title: A Phase III , Multicenter, Randomized , Double – Blind Study To Evaluate The Efficacy And Safety Of Sitagliptin Versus Glipizide In Patients With Type 2 Diabetes Mellitus And Chronic Renal Insufficiency Who Have Inadequate Glycemic Control" SMO India.	Dr. M. V. Jali- PI	Approved Completed
5.	Protocol Title: "CRASH-2" a large randomized placebo controlled trial among trauma patients with, or at risk of, significant hemorrhage of the effects of antifibrinolytic treatment on death and transfusion requirement "WHO".	Dr. Ashok Pangi- PI	Approved Completed
6.	Protocol Title: "A multicentric, randomized comparative clinical trial to assess the immunogenicity and tactogenicity of DTPw Hib (absorbed0 vaccine (PRP>10MG). "Serum Institute of India, Pune".	Dr. V.D.Patil- PI	Approved Completed
7.	Protocol Title: "F1K-MC-EVDP, Efficacy and safety of Drotrecogin Alfa [activated] in adult patients with septic shock". Parexell	Dr. V.A. Kothiwale - PI Prof: M S Ganachari - CRC	Approved Completed
8.	Protocol Title: A Phase IV Multicentric, Randomized, comparative clinical trial to assess the immunogenicity and Reactogenicity of two different lots of DTwPHB+Hib (Pentavac) vaccine manufactured by "Serum Institute of India Ltd., Pune"	Dr. V.D.Patil- PI	Approved Completed
9.	Protocol Title: "Multi-Center, Double Blind, Randomized, Controlled, Parallel Comparison of Efficacy and Safety of Fixed Doses of Two Formulations of Botulinum Toxin Type A in Treatment of Moderate to Severe Cervical Dystonia (BOTOX-200 Units and DYSPORT 500 Units)–	Dr. G.M. Wali- PI	Approved Completed
10.	Protocol Title: To study the safety and efficacy of R-HSC-001 in patients with Spinal Cord Injury Reliance	Dr. Raviraj Ghorpade- PI Prof: M S Ganachari - CRC	Approved Completed
11.	Protocol Title: Comparison of measurement of arterial blood pressure by L&T NIBP module with Invasive arterial blood pressure in neonates	Dr. (M r s .) M a n i s h a Bhandankar- PI	Approved Completed
12.	Protocol Title: A randomized, Multicentric, double blind, comparative, phase III study to evaluate the safety and immunogenicity of BBIL's Monovalent poliomyelitis vaccine type 3 live (oral) Vs reference vaccine in healthy neonates.(Non-Inferiority trial) "Bharat Biotech"	Dr. (Mrs.) N.S. Mahantshetti - PI	Approved Completed
13.	Protocol Title: A randomized, Multicentric, double blind, comparative phase III study to evaluate the safety and immunogenicity of BBIL's Bivalent poliomyelitis vaccine type 1 & 3 live (oral) Vs reference vaccine in healthy neonates. (Non-Inferiority trial)	Dr. (Mrs.) N.S. Mahantshetti - PI	Approved Completed
14.			

SL.No.	Title	Investigator/Sub I/ CRC	Status
	Protocol Title: BBIL/POL/04/2007 "A Randomized, Multi Center, Double Blind, Comparative Phase III study to evaluate the Safety and immunogenicity of BBIL's Monovalent Type 1 Oral Polio Vaccine Vs Pre-qualified Trivalent Oral Polio Vaccine in healthy Neonates. (Non- Inferiority Trial)" "Bharat Biotech"	Dr. (Mrs) N.S. Mahantshetti- PI	Approved Completed
15	Protocol Title: To study the safety and efficacy of ReliDerm®DT in patients with chronic diabetic foot ulcer (Reliance)	Dr. V. A. Kothiwale -PI Prof: M S Ganachari -CRC	Approved Completed
16.	Protocol No: 28431754DIA3008 "A randomized, double-blind, parallel, placebo-controlled, multicenter study of the effects of JNJ-28431754 on cardiovascular outcomes in adult subjects with type 2 diabetes mellitus. The CANVAS trial (CANagliflozin Cardiovascular Assessment Study)". "George Institute"	Dr. V. A. Kothiwale -PI Prof: M S Ganachari -CRC	Approved Completed
17.	Protocol Title: "International, multi-center, randomized, double blind study to compare the overall mortality in acutely ill medical patients treated with enoxaparin versus placebo in addition to Graduated Elastic Stockings" Reliance	Dr. Rekha Patil - PI Dr. B. Shrinivas – Sub I Dr Jayaprakash A – Sub I	Approved Completed
18.	Protocol No. MK-0431-229-00: A Phase III Randomized Clinical Trial to Evaluate the Safety and Efficacy of the Addition of Sitagliptin 100mg in Patients With Type 2 Diabetes Mellitus Who Have Inadequate Glycemic Control on a Sulfonylurea in Combination with Metformin "Merck & Co" - Company	Dr. M.V. Jali - PI Dr.Sanjay kambar– Sub I Dr. Sujata Jali - CRC	Approved Completed
19.	Protocol Title: "A Phase III, randomized, multicenter, controlled study to evaluate the immunogenicity and safety of BBIL's Typhoid Vi Capsular Polysaccharide – Tetanus Toxoid protein conjugate vaccine Vs reference vaccine in healthy subjects". "Bharat Biotech" – Company.	Dr.N.S.Mahantshetti- PI	Approved Completed
20.	Protocol Title: A Multicentric double blind single arm randomized phase IV study to evaluate the safety, reactogenicity and lot consistency of three production lots of BE's combined liquid Pentavalent DTwP-rHepB-HIB vaccine administered at 6-10-14 weeks schedule to 6-8 week old healthy Indian infants. "Biological E. Limited" - Company	Dr.V.D.Patil - PI Dr R. M Wali - Sub I	Approved Completed
21.	Protocol No: GLP114130: "A randomized, double-blind, active-controlled, parallel group, multicenter study to determine the efficacy and safety of Albiglutide as compared with Sitagliptin in subjects with type 2 diabetes mellitus with renal impairment" SMO India - CRO	Dr M.V. Jali - PI Dr.Sanjay Kambar– Sub I Dr. Prashant - CRC	Approved Completed
22.			

SL.No.	Title	Investigator/Sub I/ CRC	Status
	Protocol Title: A Prospective Multicenter Observational Study to Characterize the Patient Population with Cholestasis in Chronic Liver Disease due to Non-Alcoholic Liver Disease Receiving Heptral in India[P13-163] (Abbott)	Dr. Santosh Hajare-PI Dr.Prakash– Sub-I Dr. M S Ganachari- CRC Tarang Shah - CRC Disha Khoda - CRC	Approved Completed
23.	Protocol Number: PBL/CR/0032008/CT "A randomized, multicenter, open label, comparative study to evaluate the Immunogenicity and Reactogenicity of a new fully liquid Pentavalent DTwP-Hib-IPV vaccine (EasyfourPol™, Panacea Biotec Ltd) with tetravalent DTwP/Hib vaccine (TetrAct-Hib™), co-administered with Imovax Polio® (Salk Based Inactivated Polio Vaccine) of Sanofi Pasteur India Pvt. Ltd. In Healthy Infants. Panacea" – Company	Dr. SM Dhaded - PI Dr. Preeti Amarkhes -Sub I Mr. Tarun Wadhwa - CRC	Approved Completed
24.	Protocol No: MB102073: "A Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel group, Phase III Trial to evaluate the Safety and Efficacy of Dapagliflozin in subjects with Type 2 Diabetes with inadequately controlled Hypertension on an Angiotensin-Converting Enzyme Inhibitor (ACEI) or Angiotensin Receptor Blocker". "ICON" - Company	Dr. Rekha. Patil - PI Dr. Jayaprakash A – Sub I Dr. M S Ganachari - CRC	Approved Completed
25.	Protocol No: MB102077: A Multicentre, Randomized, Double-Blind, Placebo-Controlled, Parallel Group, Phase III trial to Evaluate the Safety and Efficacy of Dapagliflozin in subjects with Type @ Diabetes with Inadequately Controlled Hypertension treated with an Angiotensin-Converting Enzyme Inhibitor (ACEI) or Angiotensin Receptor Blocker (ARB) and an Additional Antihypertensive Medication "ICON" - Company	Dr. Jayaprakash. A -PI Dr. Rekha. Patil – Sub I Dr. M S Ganachari – CRC Mustafa– CRC	Approved Completed
26.	Protocol Number: MK-0822: Phase III Randomized, Placebo –Controlled Clinical Trial to Assess the Safety and Efficacy of Odanacatib (MK-0822) to Reduce the Risk of Fracture in Osteoporotic Post menopausal Women Treated With Vitamin D and Calcium. Clinigene International Ltd	Dr. Rajendra.Bhandankar- PI Dr. Sudheer Yadwad – Sub I Dr. Ashwini Hiroji – CRC	Approved Completed
27.	Protocol Title: "A Multicentre, Comparative, Controlled, Open Label, Randomized, Parallel Group, Phase III Study to Evaluate the Safety and Efficacy of Fixed Dose Combination Containing Rosuvastatin Calcium with Amlodipine Besylate versus Monotherapy for Stage 1 and Stage 2 Hypertension in Dyslipidemic patients".G7 study (BIOCON)	Dr .V. A. Kothiwale - PI Dr.Varun– Sub-I Dr. M S Ganachari-CRC Bhupendra Parihar-CRC Mustafa Rohekar-CRC	Approved Completed

KLE University's Women's and Children's Health Research Unit

The National Institute of Child Health and Human Development of the National Institute of Health, USA for the first time ever formed a Global Network for Women's & Children's Health Research in the year 2001. The objective of the global network is to implement community based research studies to improve maternal, neonatal, infant and early childhood health and accelerate the achievement of Millennium Development Goals 4 and 5 (of reducing maternal and newborn mortality) in low and middle income countries across Asia, Africa and Latin America. JNMC has the unique distinction of being selected as one of the sites of the research network. For realizing the Global Network mandate, JNMC established a Women's and Children's Health Research Unit in 2001. In fulfilling its mission, the JNMC Research Unit has forged a strong Public Private Partnership with the Public sector health care system. Building on the expanded research capacity emanation Global Network participation, JNMC has forged collaborations with nine Universities of the USA and two from Canada as well as other international not-for-profit organizations.

Over the past fifteen years, JNMC multi-disciplinary research team has conducted a number of community based research projects with support from World Health Organization,

Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD) Global Network for Women's and Children's Health Research, other NIH agencies, Bill and Melinda Gates foundation, American Academy of Pediatrics, Gynuity Health Projects, Thrasher Research Fund and the UK Medical Research Council. The research areas relate to: Postpartum Hemorrhage; Active Management of Third Stage Labour; Skilled Birth Attendance; home-to-hospital continuum Emergency Obstetric and Newborn Care; factors influencing adverse pregnancy outcomes including hypertensive disorders of pregnancy and preterm birth, Preconception Maternal Nutrition; and fetal growth; HPV-HIV association in cervical cancer; management of birth asphyxia; infant nutrition and early home based education for optimizing childhood growth and development. It has also implemented a population based Maternal Newborn Health Registry to monitor mortality/morbidity trends over time. The overarching intent of these research projects is to develop sustainable service delivery models for informing policy that could be scaled up programmatically by countries to meet MDGs 4 and 5. The results of these insightful research studies have had a profound impact at national and international levels in shaping public health policies.

Dr. Prabhakar Kore Basic Science Research Laboratory (BSRC)

Dr. Prabhakar Kore Basic Science Research Centre, Belgaum with a built up area of 10,000 sq ft. was established with an aim to be a centre of excellence both in the basic research and training in turn to bring up our enthusiastic and talented young men and women faculty and students involved, as a multidisciplinary research team for tomorrow. The centre is dedicated to basic research and educational activities in various fields of health science disciplines at national and international level. Presently, it is involved mainly in Biopharmaceutics and Pharmaceutical Analysis, Microbiology, Molecular Biology, Cell Culture and

Natural Product Research. Through technical knowledge acquired from vastly experienced and dedicated staff; the research centre is set with most modern equipments, where you will find the opportunities to be exceptional. Our strong commitment to “quality” is evident in our state of art infrastructure. There has been a positive momentum in collaborative research and improved efficiency by integrating processes and programs that connect researchers with a continuum of resources, training, and funding opportunities.

KLEU's Department of Public Health

BRIEF WRITE-UP

In support of National Rural Health Mission, in 2007 KLE University established the Department of Public Health that offers Master of Public Health Program (MPH). The department since its inception has strived to expand the horizons of Public Health. The Vision of the Department is "To be a Premier Public Health Department for Quality Education, Research and Leadership" and objective is Train and Create a Cadre for Public Health Leadership, Promote Positive Health Across the Population and Ensure Collective Commitment to Quality Research

We are staffed with trained, competent and committed faculty members. Our faculty included those with Ph. D qualification other International and National certificate. The faculty members are actively involved in student teaching counseling, research and administrative activities of the Department. We have a strong academic and scientifically based teaching

programme that covers the subject totally. Modern teaching methods are practiced. We enforce problem based learning and field postings as learning procedures. We have a student laboratory where informal and advanced teaching takes place. Slow learners are identified and counseled individually with performance being documented throughout the year by various assessing tools.

78 International students from Ethiopia, Burundi, Somalia, Kenya, and Nepal and 138 National students have enrolled for the program in past 9 years. All are well placed in International & National NGO's and also Government sectors as District Epidemiologist, Tobacco State Consultant, UNICEF program office etc,. While others have found placement in Academia and Research. For the last 9 years the dept. has Published in more 70 journals and conducted international and National Research Projects.

8. Brief description :

The KLE Institute of Dental Sciences, Belgaum was set up in August, 1985, under the dynamic and visionary leadership of Dr. PrabhakarKore, Chairman KLE society. Ever since the inception, the Institute has progressed in leaps and bounds in a short span. The Institute has full-fledged infrastructure and has earned credibility at the State, National, and at International level as well. It is proud of its experienced faculty and Post-graduate courses in all the 09 specialties with an intake of 42 Post Graduate students and 100 Under-graduate students. Continuing the trend of imparting quality education and feeling the need for scientifically structured program, the Institute thought of propagating certificate courses like Oral and Maxillofacial Implantology, Excellence in Esthetics, Orthodontic appliances, Orthognathic Surgeries, Maxillofacial Prosthesis, Perio-Esthetic and Periodontal Plastic Surgery and Diploma courses in Dental Mechanics and Dental Hygienists.

Dentistry has progressed over years. The latest equipment's and materials are made available not only for patient care but also for research. All the 14 Laboratories and 09 clinics are spacious, well-furnished and have state of the art equipment's and gadgets, both indigenous and imported to facilitate an excellent environment that is conducive for learning and patient care.

This socially active Institute communicates through a multitude of mobile dental clinics and educational aids to render dental care in the remotest of rural areas. The motto behind our academic training for undergraduate and postgraduate students is to mold them in all aspects of Oral health needs and services. The students are encouraged to understand the needs for Oral Care, to be proactive in solving oral health problems, to conduct research, measure oral diseases at individual and community level.

Today, the Institute boasts of 109 accomplished faculty and 110 non –teaching members. There are 600 students studying in a magnanimous, 1 lakh 40sq. feet building with 385 dental chairs and units, audiovisual enabled five classrooms, mini auditorium, Wi-Fi system and networking in all departments. There is a rich collection of learning resources like Departmental Library and Central Digital Library with more than 6000 books and 75 journals.

1. About College

K.L.E. Society's College of Pharmacy was established in 1968 in the pleasant environs of J. N. Medical College, Belagavi, with the aim of providing quality education in pharmaceutical sciences. The courses started with, Diploma in Pharmacy (1968) followed by B. Pharm (1975), M. Pharm (1988), the Ph. D Programmes (2000), M. Sc. In Clinical Pharmacy (2013) and eventually Pharm. D (2014). The College of Pharmacy is run in a spacious well-equipped building of its own with hostel, library and sports facilities. The pharmacy curriculum is approved by, Pharmacy Council of India (PCI), All India Council for Technical Education (AICTE) and the UG programme is accredited by the NBA (National Board of Accreditation), AICTE, New Delhi up to December 2014. The institution is the constituent unit of KLE University, Belagavi, which is accredited by NAAC “A” grade by UGC, Since January 2016.

Research programmes are in progress in the disciplines of Pharmaceutics, Pharmaceutical Chemistry, Pharmacognosy, Pharmacology, Pharmacy Practice, Pharmaceutical Quality Assurance and Pharmaceutical Biotechnology. College is adequately supported by well-qualified and well trained staff in every department. Every year notable contributions are made in the above fields by the institution and during the last 45 years, more than 500 research papers have been published and presented at various national and international conferences. The faculty members of the college have received more than 25 research grants and many research awards.

The college has hosted four international conferences and more than 40 workshops, seminars and symposia. In the process, the college is now recognized as a quality improvement programme (QIP) center by AICTE. Workshops are conducted annually for pharmaceutical science teachers from the regions of Karnataka, Goa, Maharashtra, Tamil Nadu, Andhra Pradesh and other states of India.

The college has signed an MOU with Rhodes University South Africa, University of Illinois (UIC) and University of Missouri (UM) at Columbia, The College has put in sustained efforts in adopting the best- available technologies to enhance the quality of the education. The College is regularly receiving grants from different government funding agencies such as UGC, AICTE, ICMR, CSIR, VGST etc.

The Pharmacy College has its own library with more than 90 pharmaceutical journals including e-journals and more than 8000 books related to pharmaceutical sciences. A fully equipped computer center with internet facility is available. As part of its future plans, the institution is working towards international accreditation. A state-of-the-art Cell and Molecular Biology Lab, Bio-Informatics division, is envisaged to enhance the college to be on par with other international institutions.

Brief Write-up about the achievements of the Institution by the Principal:

During this academic period College had 234 students on roll comprising of 105 boys and 129 girls. Three of our B.Pharm. students have qualified Graduate Aptitude Test (GPAT) national level examination conducted by AICTE, New Delhi. College secured 2nd rank in B.Pharm. and second rank in M.Pharm. examination conducted by KLE University. Our students have won two medals in sports activities (HUMBO), three medals in TRINITY – 16 Centennaire Fiesta organized by KLE University. Three students have participated in NSS National Integration camps and one student participated in 6th Indian student parliament organized by MAEER's MIT, Pune. College has arranged students placement drive (02 in campus and 03 off campus) out of which 11 students have been selected in reputed Pharmaceutical Organizations.

During this period College received Rs.10.00 lakhs grant from VGST, Government of Karnataka under CISE research scheme. One faculty was awarded Ph.D. degree by KLE University and six faculty members were invited as Resource Persons for seminars and workshops conducted by reputed organizations. Faculty members published research articles, three in International and four in national journals and presented six papers in national conferences. Faculty members have undertaken various extension activities to bring awareness about safe use of medicines, anti-drug abuse and ill effects of tobacco chewing.

j. List of ten best events organized by the Institution during the year:

New paradigm in pharmaceutical Processing technology: special emphasis on HME and FBP

Objective: To introduce the basics and process variables of HME and FBP and Technology, polymer portfolio and formulation aspects.
Target Audience: Faculty, Post-Graduate Students and Research Scholars of Pharmaceutics Department.
Outcome: Workshop was more informative and useful. Delegates learnt various concepts and skills.

Effective Teaching & Assessment of Practical Skills in Pharmaceutical Sciences

Objective: A major objectives of this workshop is to explore multiple forms of student assessment available and to assist participants with the development and enhancement of knowledge and skills that can be applied to student assessment.
Target Audience: Faculty of KLE University's Health Science Institutes.
Outcome: The delegates felt that the workshop was more informative and useful. Delegates learnt about OSPE which they can apply in student assessment. Talks by all the speakers were most informative and valuable.

Interpretation of Spectra - A Practical Approach

Spectral studies are the identification of organic compounds. In this context, Mass Spectrometry, NMR Spectroscopy and IR Spectroscopy have been widely used as preferred techniques. Post Graduates, Research Scholars and Faculty. Participants learnt analysis of spectra, therefore, identification of molecules. Organic chemists obtain mass spectra of chemical compounds as part of structural elucidation.

NSS Special Annual Camp.

Annual Special Camp was conducted at the adopted village of the college with the main objective to create health awareness and reach the community. The camp observed an extensive array of activities during these seven days. About 40 NSS volunteers actively participated in this camp. The main target group being the primary school children and the village people with the main motive being to make them better citizens. Vitamin A Drops

1. Brief History, Introduction and regular activities being conducted by the constituent unit involving all the Departments:

In 1916, a dedicated group of individuals belonging to the Veerashaiva Community popularly known as Lingayats, embarked on a dream. Their vision-to create a strong educational base in the neglected areas of Karnataka and Maharashtra region of India. Today the KLE Society runs over 242 institutions. The Institute of Physiotherapy established in the year 1994 stands testimony to the high professional standards aimed for and achieved by the K.L.E. Society. Physiotherapy the lifeline for modern health care as it reduces the morbidity in patients, and is indeed a Noble profession. The students at the Institute are oriented to this Noble dictum of service to mankind. The students made aware about their future role and applicability of this profession in modern medicine. Theory and clinical practice are main thrust area during their education in this institute.

In 1994, Bachelor of Physiotherapy course was started at KLE. Society's J.N. Medical College, Belgaum. The Master of Physiotherapy was started in the year 2000. In 2005 Department of Physiotherapy at J.N.M.C. given independent status of an Institute and named as KLE Society's Institute of Physiotherapy Belgaum, affiliated to Rajiv Gandhi University of Health Sciences, Bangalore. In the years 2007, the 2 PG course of Institute of Physiotherapy was inducted in KLE University. 2009-10, undergraduate and remaining postgraduate courses were taken in to the fold of prestigious KLE University.

The Department of Physiotherapy under J.N. Medical College got affiliated to Karnataka University Dharwad in 1994 and Bachelor of Physiotherapy course was started .In 1996 with all Medical institutions of Karnataka state being brought under the purview of RGUHS, the Department of Physiotherapy, J.N. Medical College also got affiliated to RGUHS. In April 2006, KLE University came into existence under the University Grant Commission (UGC) notification. Later in August 2009, the Institute of Physiotherapy became constituent unit of KLE University.
