	c. alumni and employers on the programs offered and how does the department utilize the feedback?	:	Yes. In BOS of the University the feedback from the alumni and employers will be discussed and any specific change / Suggestions are implemented.
43.	List the distinguished alumni of the department (maximum 10) :		
	1. Mr. Gokul : Research scholar at CFTRI [Biochemistry and Nutrition] 2. Mr. Deepak Gupta : Senior Research Fellowship, Jamia Hamdard, Delhi 3. Ms. Nishi Gupta: Associate Scientific Writer, M/s Indgene Life systems, Bangalore		

	<p>4. Mr. Patel Bhavin Pithambar : Associate Scientific Writer, M/s Indgene Life systems, Bangalore</p> <p>5. Mr. Maduri Shashank Rao : Executive-Pharmacovigilance, Micro Labs Ltd., Bangalore</p> <p>6. Mr. Rajpreet Singh : Data Analyst, M/s Cognizant Technology Services, Mumbai</p> <p>7. Mr. Nirlep Gajiwala : Sr. Medical Writer, M/s Medeka Health Pvt. Ltd., Bangalore</p> <p>8. Mr. Vivek Sharma ; Research Associate , M/s Syngene, an affiliate of M/s Biocon, Bangalore</p> <p>9. Ms. Dhanya. N Poulse : Associate Clinical Data Coordinator at M/s Quintiles, Bangalore</p>		
44.	Give details of student enrichment programs (special lectures / workshops / seminar) involving external experts. :	:	As such there is no specific student enrichment programme; however, guest lectures and seminars from experts in the field are held routinely for PG students.
45.	List the teaching methods adopted by the faculty for different programs including clinical teaching.	:	Apart from conventional teaching methods, staff members routinely also make use of PPT.
46.	How does the department ensure that program objectives are constantly met and learning outcomes are monitored?	:	Consistent results in Pharmacology and related subjects at the UG level and PG Level and alumni of the institution being employed in the leading CROs in Bangalore [being selected in campus interview] clearly suggest that the objectives have been met.
47.	Highlight the participation of students and faculty in extension activities.	:	Number of students pursuing B.Pharm course are participating in variety of extension activities including NSS. Some PG students have also participated in extension activities.
48.	Give details of “beyond syllabus scholarly activities” of the department.	:	Undergraduate Students are given small project work from the department every year.
49.	State whether the program/ department is accredited/ graded by other agencies? If yes, give details.	:	The institute is constituent unit of KLE Academy of Higher Education and Research which is accredited ‘A’ grade by NAAC and placed in Category ‘A’ by MHRD, (GoI).

50.	Briefly highlight the contributions of the department in generating new knowledge, basic or applied.	:	As per scholarly publication by PG student and faculty members in the preceding years	
51.	Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department.:
