Students feedback report (2023)

Total 614 responses

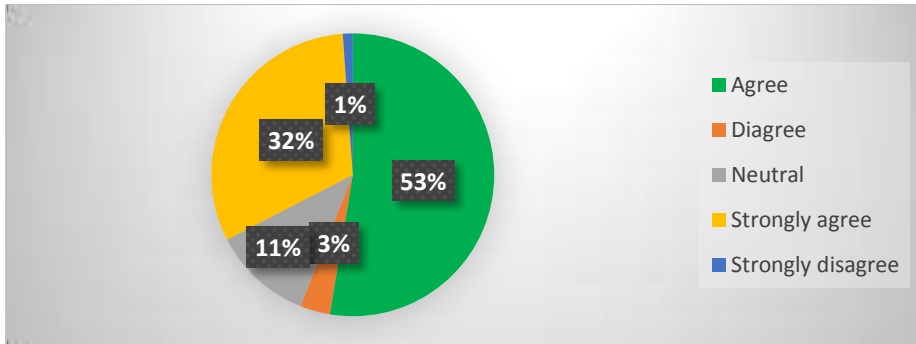

1. Are the goals of the course curriculum clearly & explicitly stated?

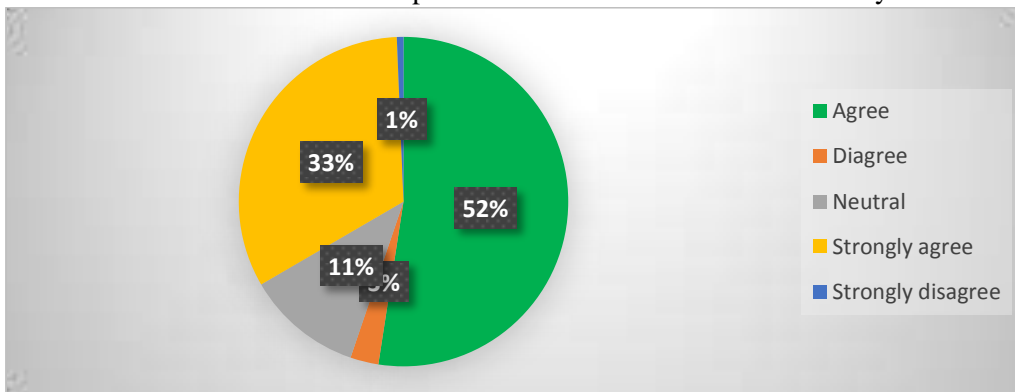

2. Could you readily access the curriculum for your reference?

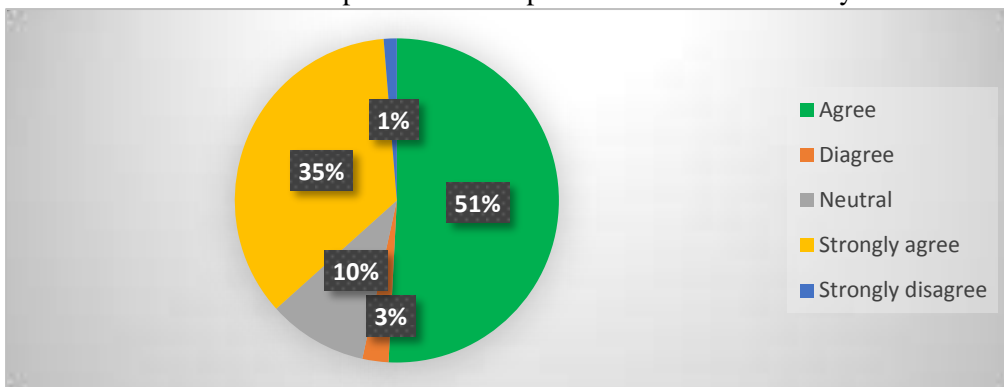

3. Do the instructional methods adopted by the teacher's help to learn the current knowledge about the course?

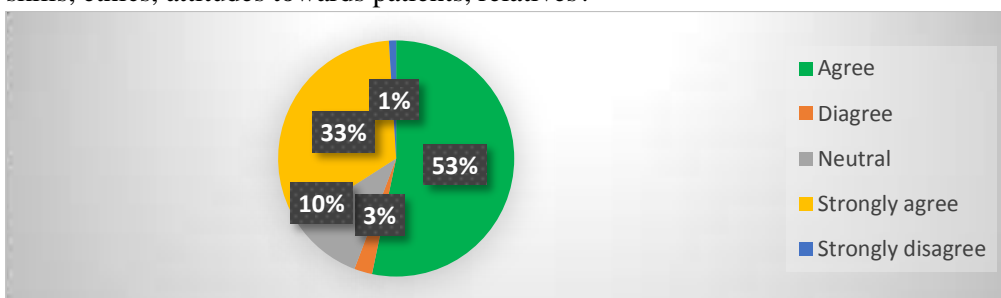

4. Do the teachers allocate time/ complete the curricula within the academic year?

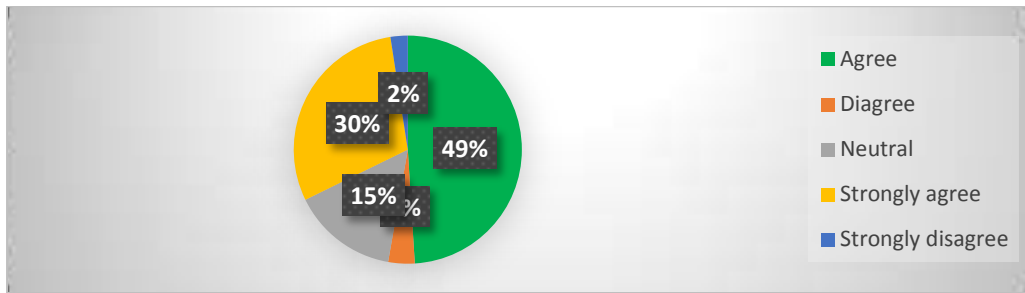

5. Does the current curriculum promote development of clinical/laboratory skills?

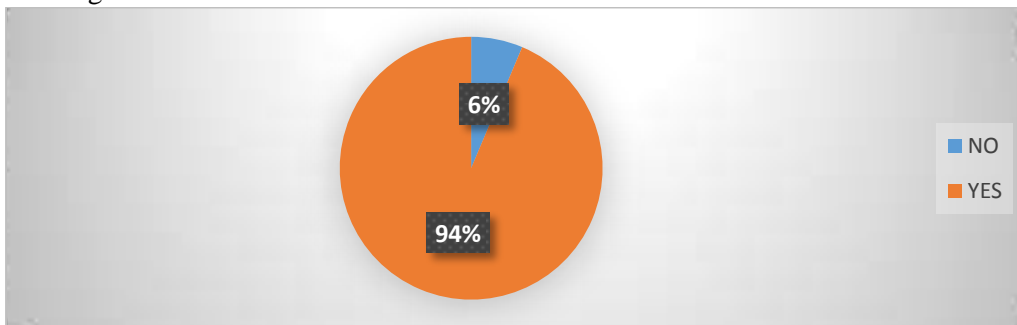

6. Does the current curriculum promote interaction with peer/development of communication skills, ethics, attitudes towards patients, relatives?

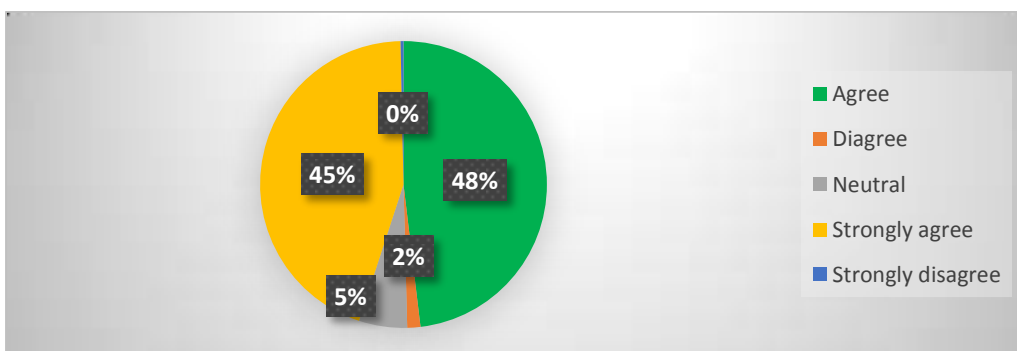

7. Does the current curriculum promote leadership/teamwork qualities?

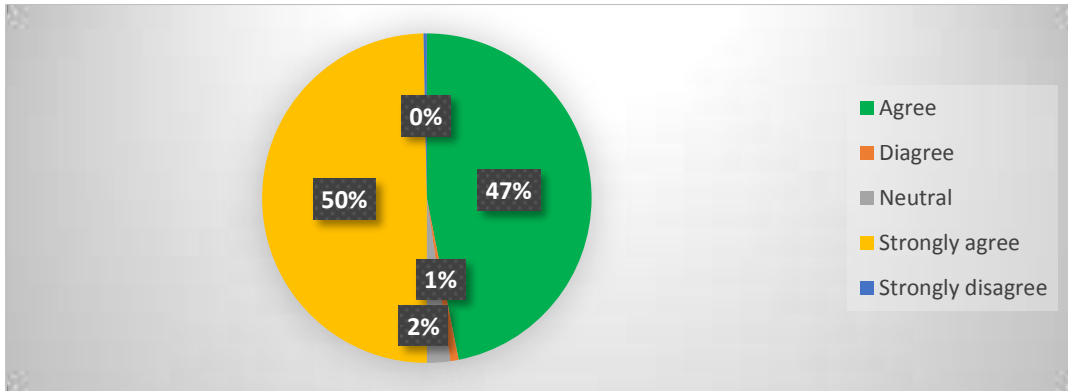

8. Does the curriculum suggest appropriate instructional materials, assessment processes and learning resources?

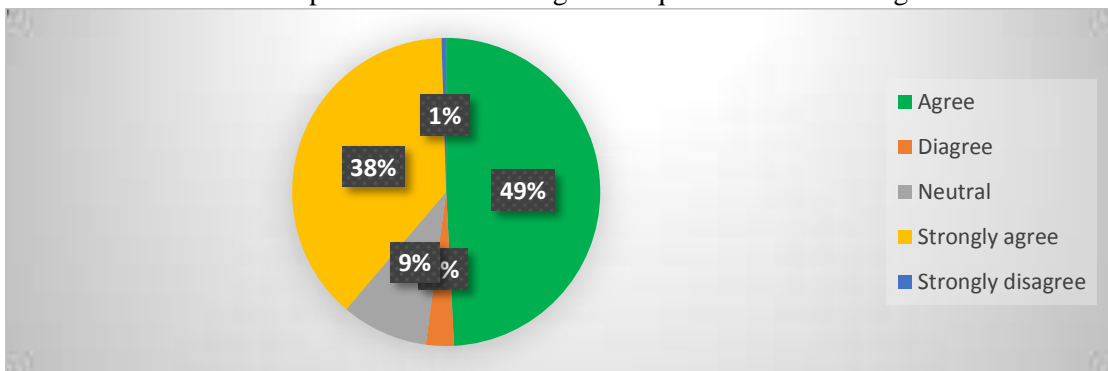

9. Formative (Internal Exams) and Summative (Annual exams) Examinations are conducted as per the course curriculum

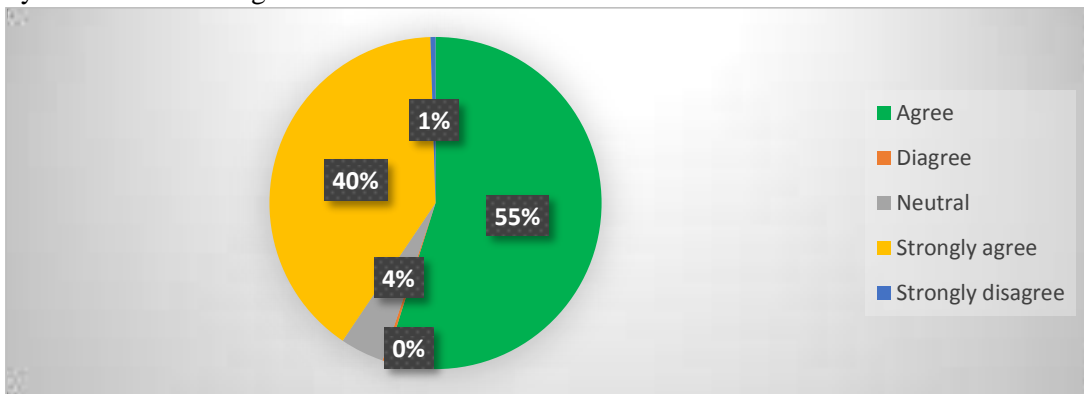

10. Internal Examinations are conducted regularly?

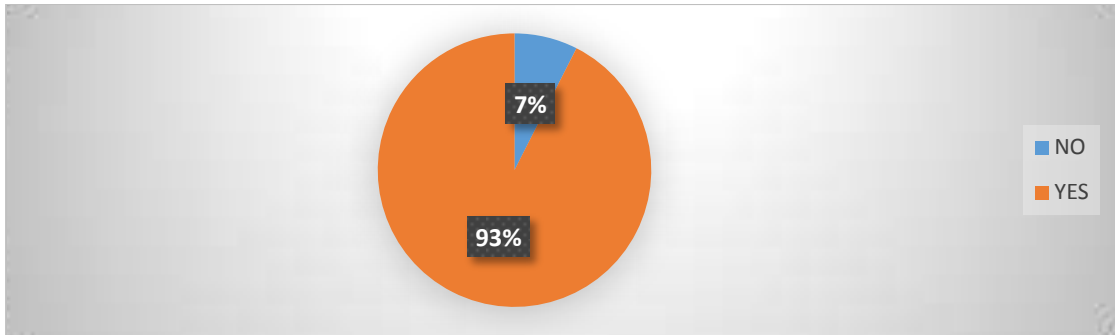

11. Internal Examinations help in effective learning and acquisition of knowledge & skills?

12. Summative/University Examinations are able to assess overall knowledge and skills acquired by the students during the course

13. Were you made aware of the syllabus planning/course syllabus prior at the beginning of the academic year?

Analysis report:

Maximum number of students (80-96%) agree that the goals of the curriculum is clear and explicitly stated. Teaching, learning and assessment is done as per the guidelines and they help in acquiring knowledge, skills and communication.

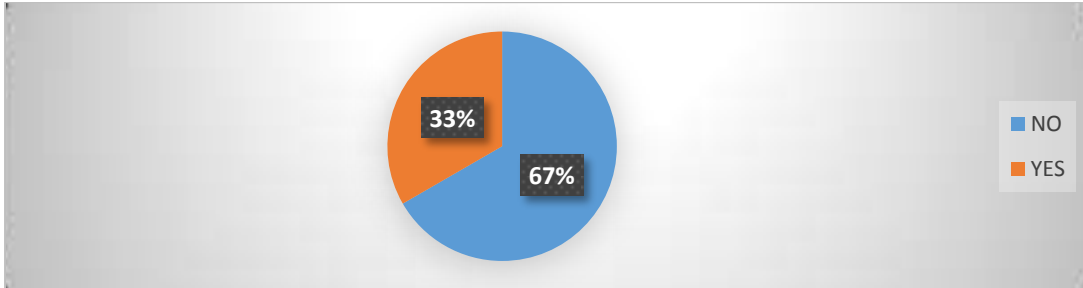

Hence will continue the quality education.

JNMC

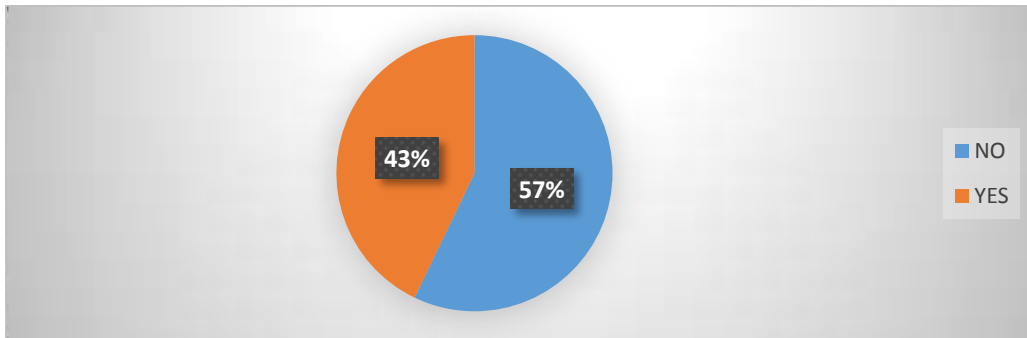

Faculty feedback 2023

Total feedbacks received 96

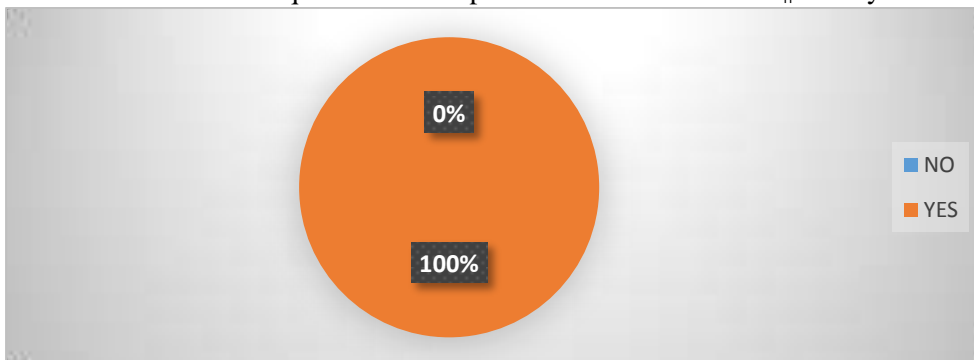

1. Is the infrastructure adequate for the implementation of the course||Advanced equipments for Teaching-Learning

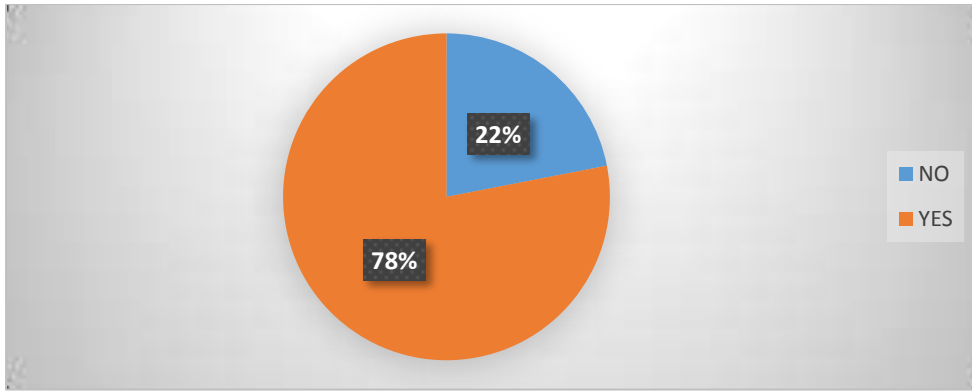

2. Is the infrastructure adequate for the implementation of the course||Facility for online teaching

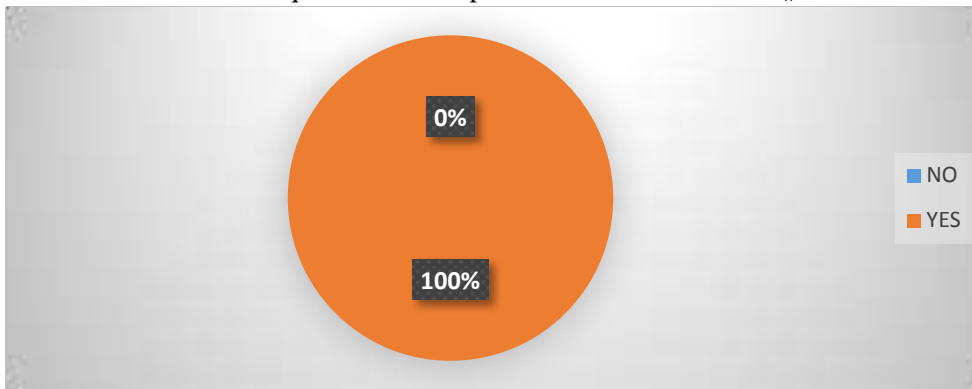

3. Is the infrastructure adequate for the implementation of the course||Library

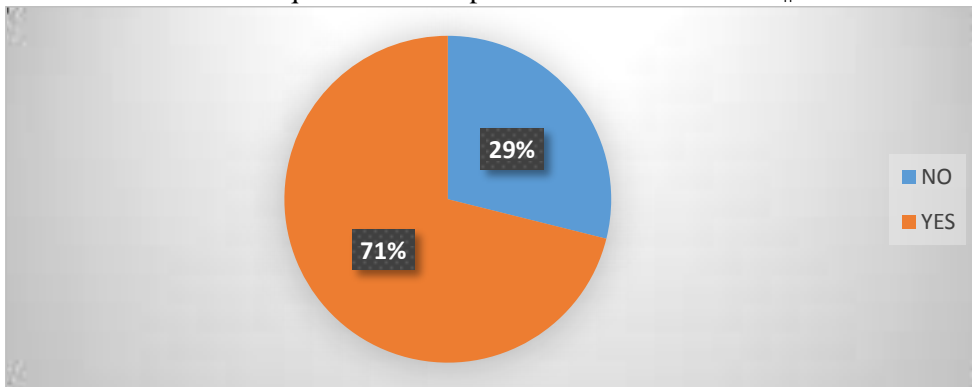

4. Is the infrastructure adequate for the implementation of the course||Mannequins

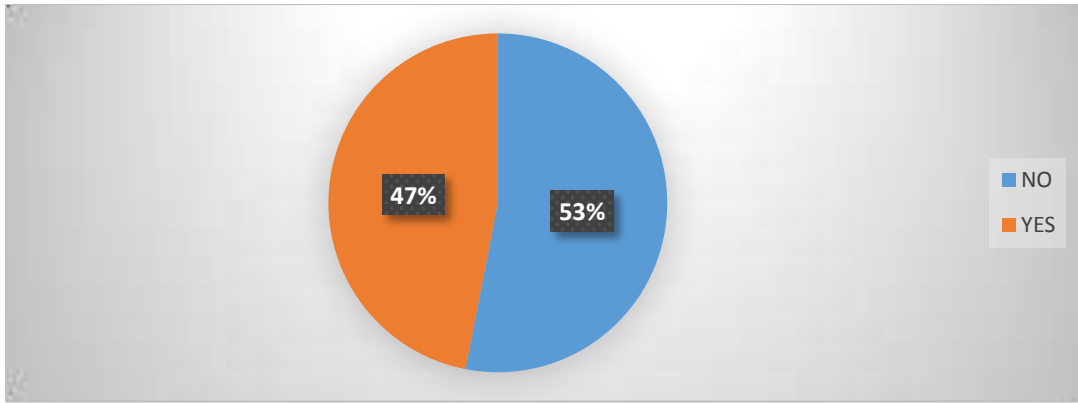

5. Is the infrastructure adequate for the implementation of the course||Practical halls/labs

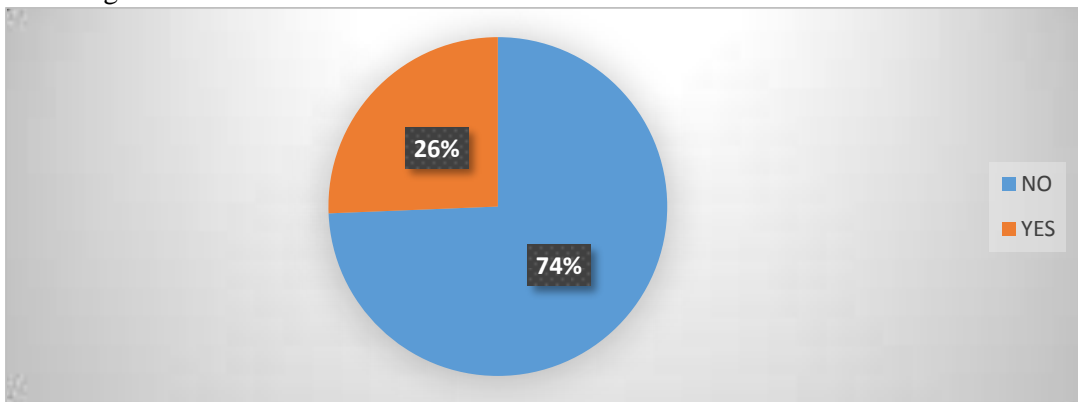

6. Is the infrastructure adequate for the implementation of the course||Simulation lab

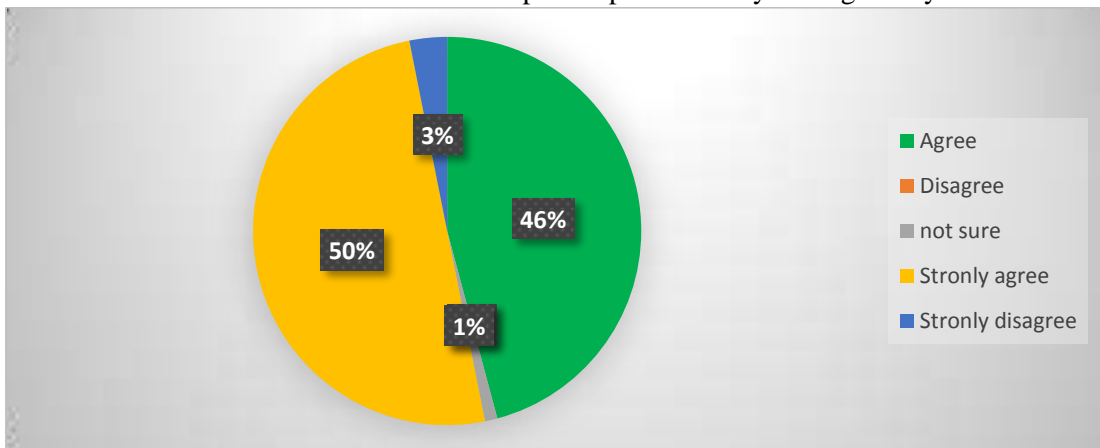

7. Is the infrastructure adequate for the implementation of the course||Software™s for lecture capturing and sharing

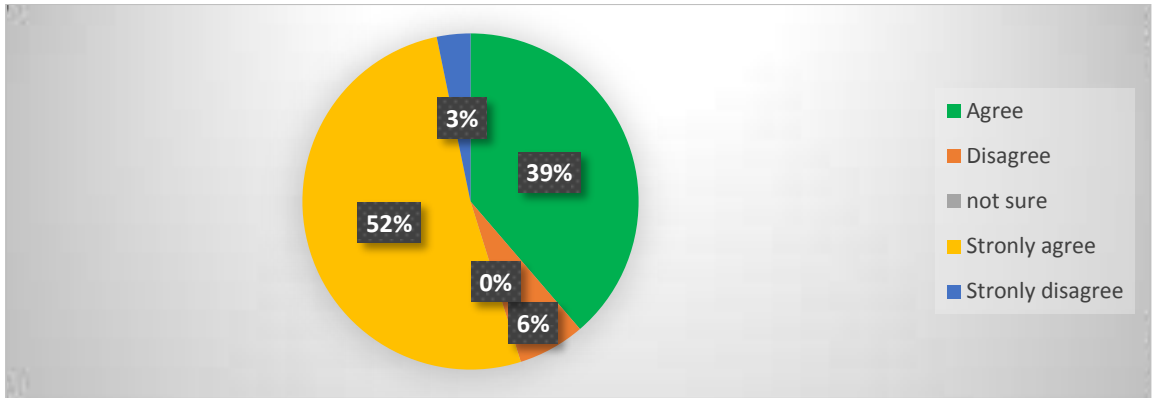

8. Is the infrastructure adequate for the implementation of the course||Studio for lecture recording

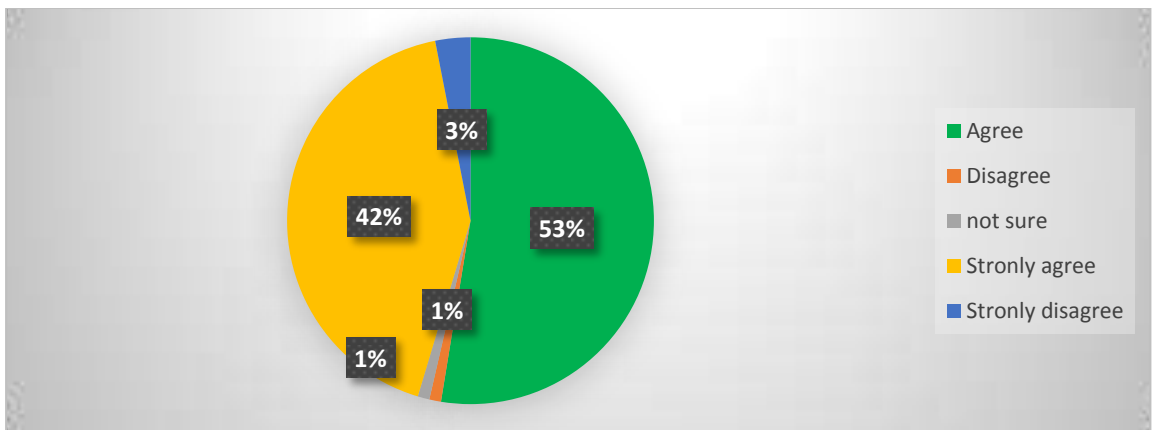

8. The content of the course included all the topics as prescribed by the regulatory bodies

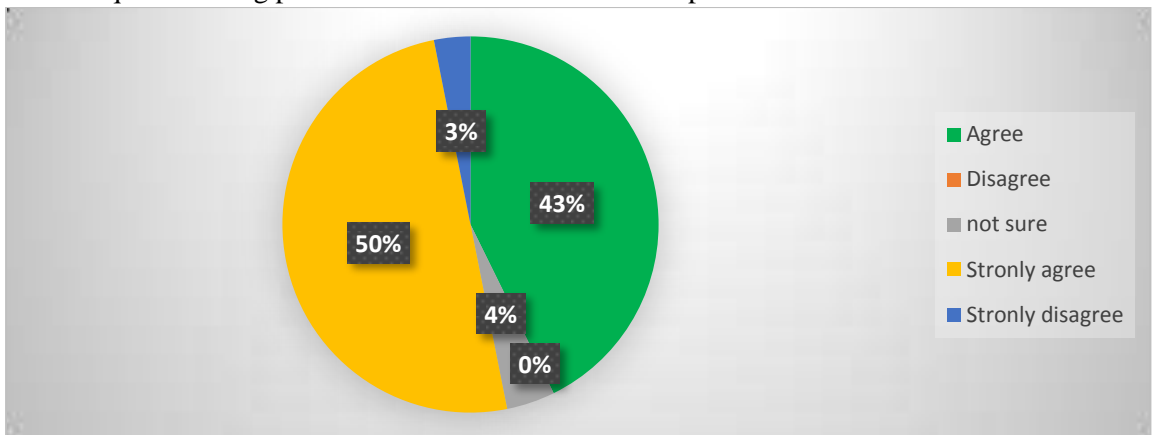

9. The course content is subdivided into must to know ,nice to know, good to know categories

10. The topics covered during the course helped the students to keep themselves updated with recent advances

11. Was adequate training provided in terms of curriculum implementation/review?

Summary

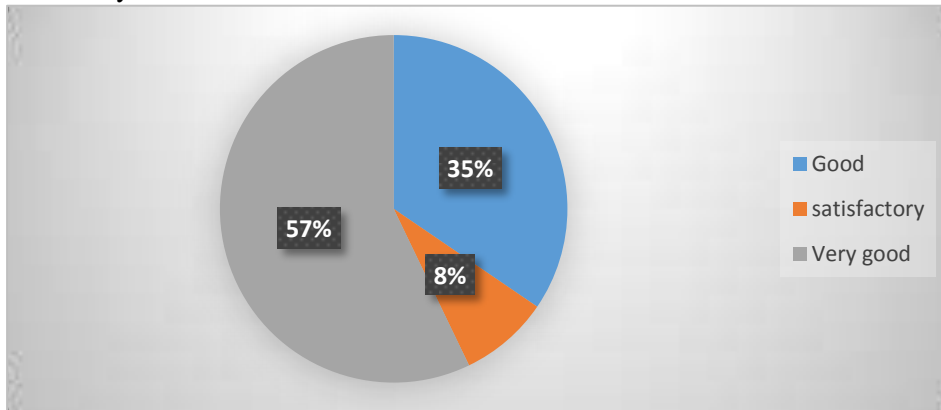

Faculty felt that they should be trained in using LMS so as to improve ICT enabled teaching learning and assessment (blended learning, flipped class etc.)

Faculty agree that present curriculum changes done by the regulatory bodies help in acquiring adequate knowledge, skill and communication etc

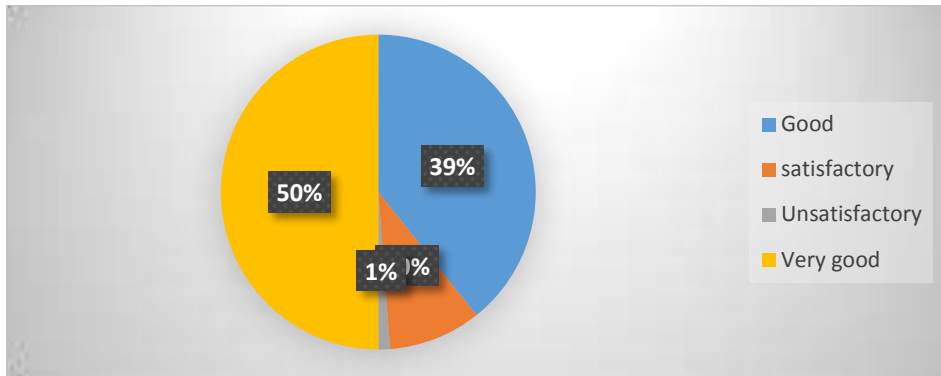

Availability of library, skill labs, practical hall and simulation lab (availability of mannequins); faculty felt is adequate to carry out teaching learning activities

JNMC
Professionals 2023
Total responses:84

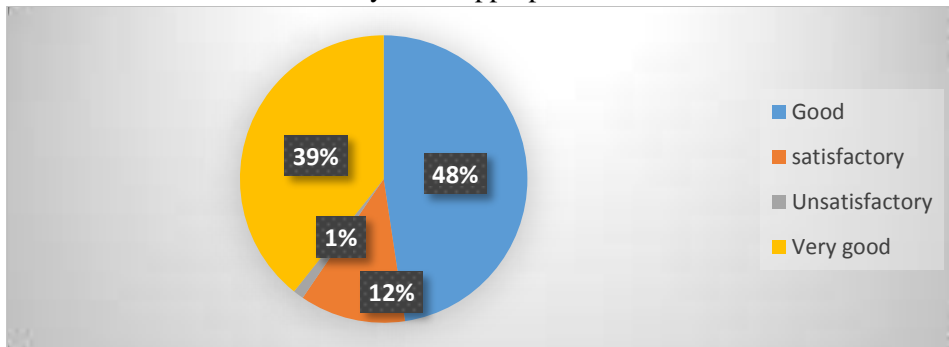

1. How did you find curriculum design for MBBS program curriculum under KLE University

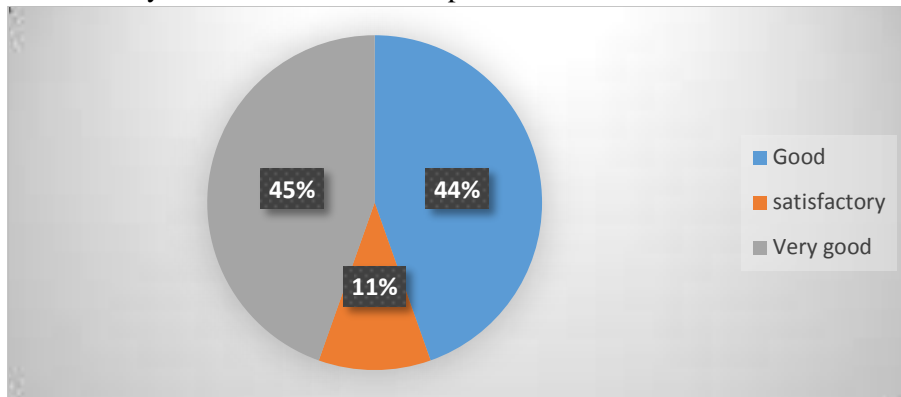

2. Are the contents of the syllabus adequate to give sufficient insight as per the recent advances

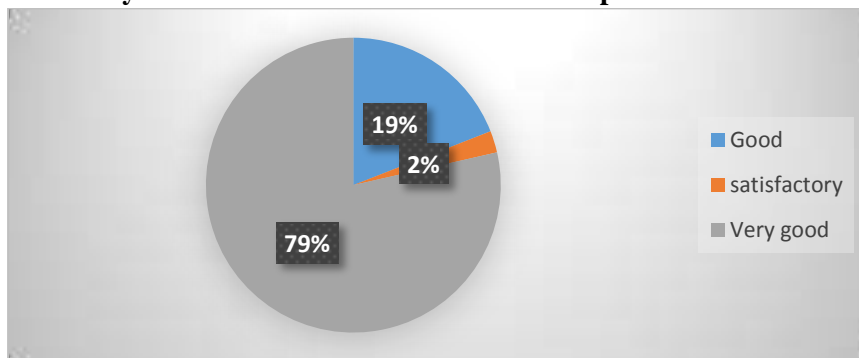

3. Is the modular distribution of syllabus appropriate

4. How did you find the examination pattern?

4. How did you find the infrastructure in our campus?

5. Any other suggestions:

JNMC is a model Medical College in terms of academic excellence. Teaching and Training of Medical UGs and PGs is of high standard.

Its time to include integrated questions in the exams

Excellent infrastructure and classroom teaching

Keep up the good standard of education

Excellent art of campus, nice curriculum well disciplined institute

Very good university

Definitely needs more hands on training and clinical exposure.

Excellent campus with great teaching faculty and amenities

Interuniversity exchange programmes for students

Everything is systematically arranged

Good innovative teaching and Research activity.

Selection of examiners must be non biased

Excellent Academic activities ,Infrastructure and patient care

Overall good but scope to make it excellent

More objective based syllabus rather than theoretical needed.

Exam pattern is very good , but I felt exam can be simplified for UGs

Make exams more strict. Failing students who dont reach the qualifying standards should be made more strict.

All is as it is good.

Summary

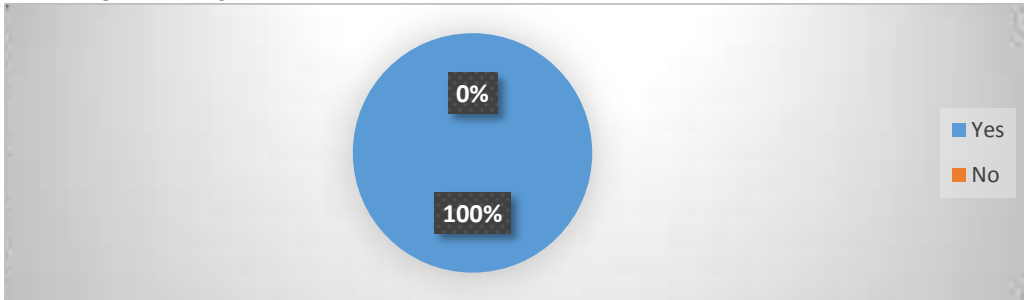

Professionals agree that curriculum is as per the guidelines of regulatory bodies and is well implemented with trained faculty and good infrastructure and support from higher authorities .

STUDENT FEEDBACK ANALYSIS ON CURRICULUM 2023

Program: B.Pharm and M.Pharm and Pharm D (Total 352)

Academic year: 2022-23

1. Are the goals of the course curriculum clearly & explicitly stated

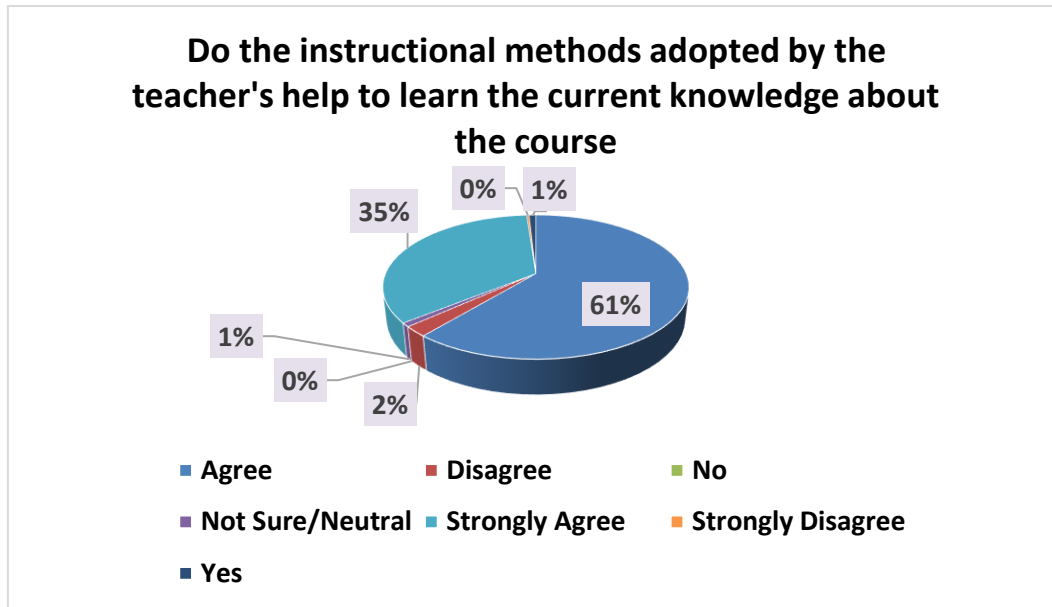

2. Could you readily access the curriculum for your reference

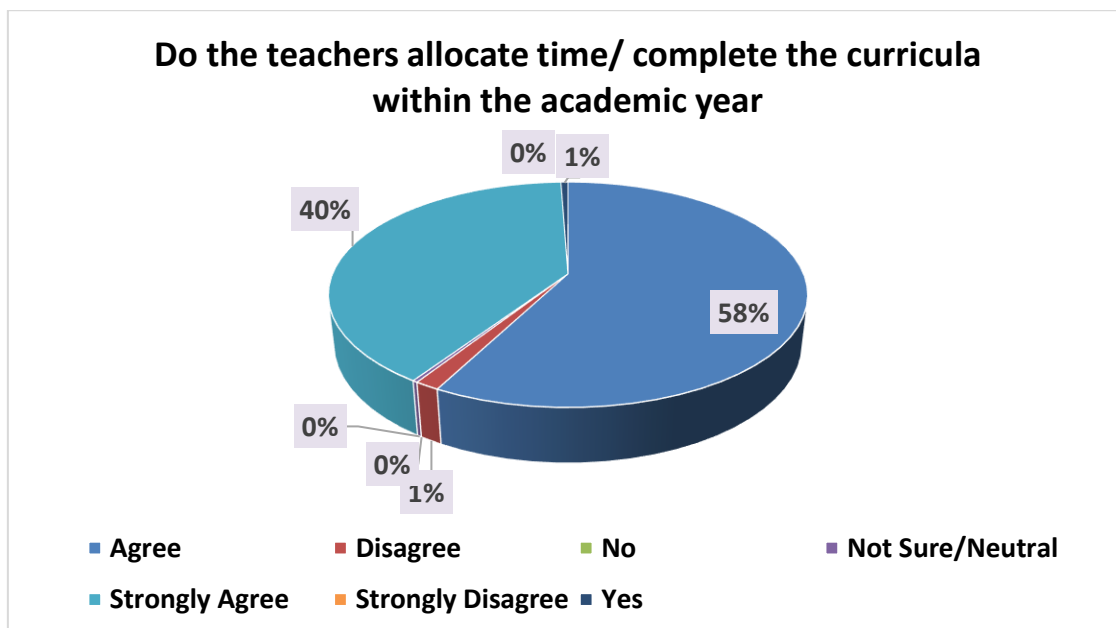

Ref. No. : _____

Date : _____

3. Do the instructional methods adopted by the teacher's help to learn the current knowledge about the course

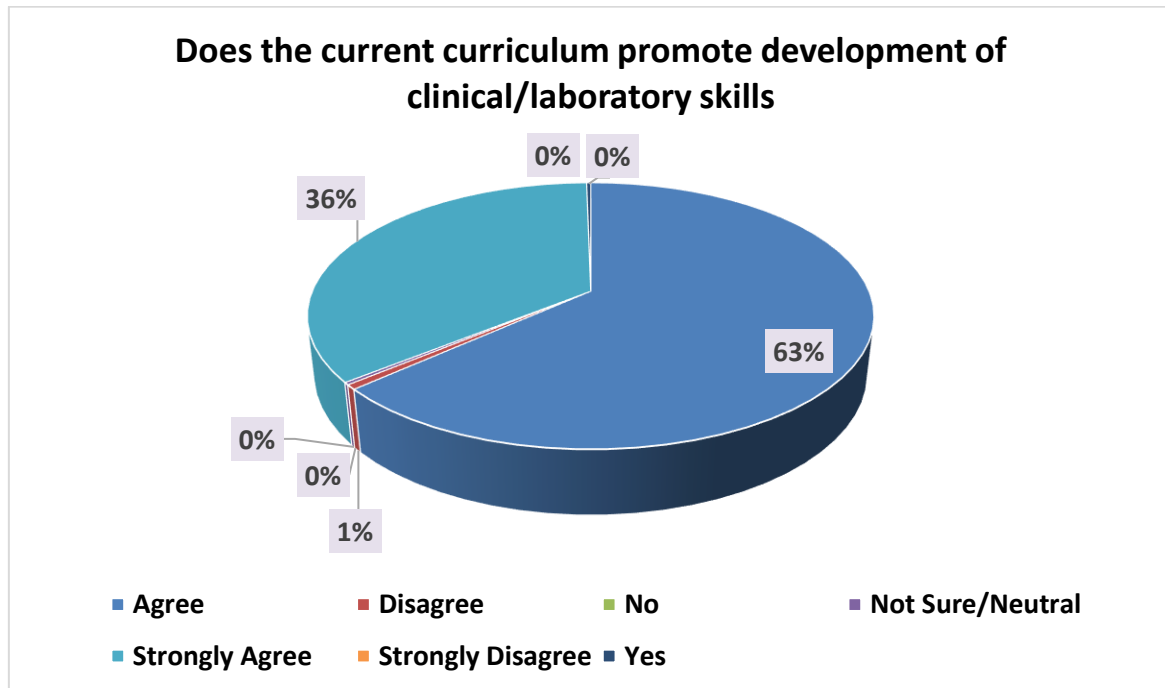

4. Do the teachers allocate time/ complete the curricula within the academic year

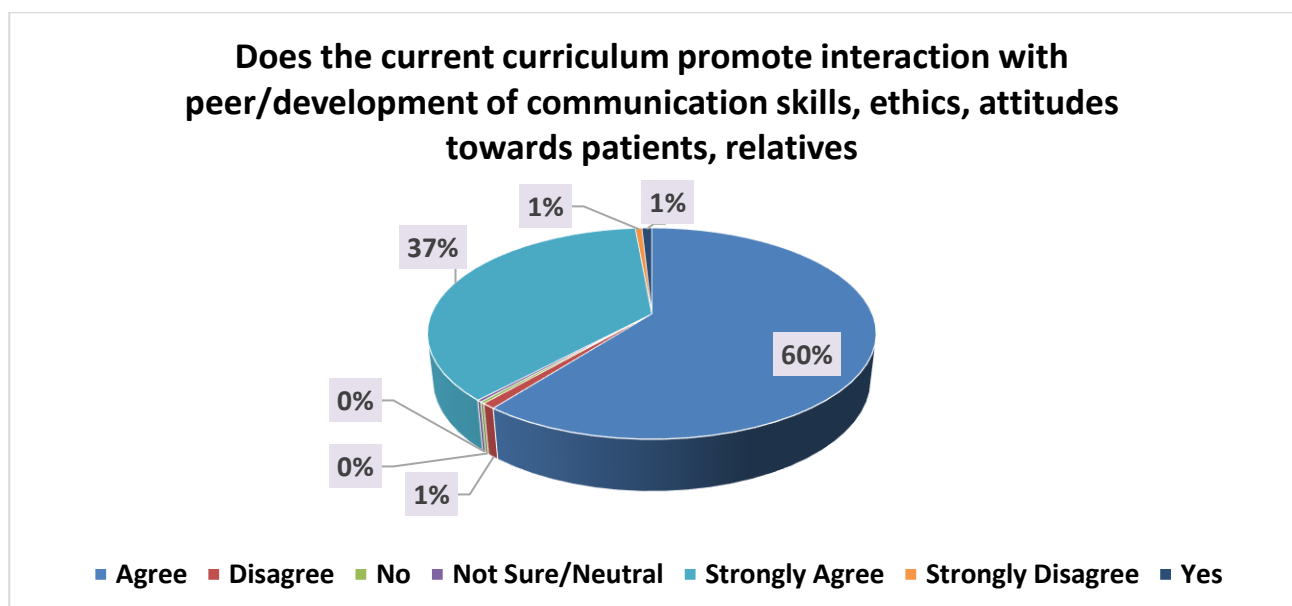

Ref. No. : _____

Date : _____

5. Does the current curriculum promote development of clinical/laboratory skills

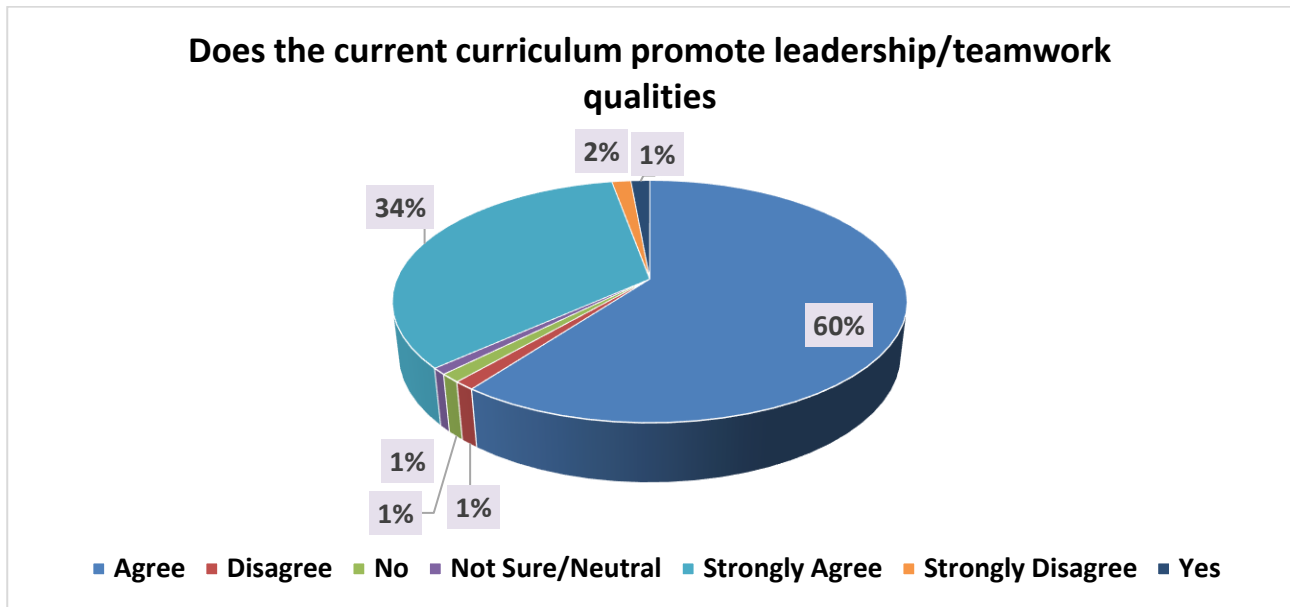

6. Does the current curriculum promote interaction with peer/development of communication skills, ethics, attitudes towards patients, relatives

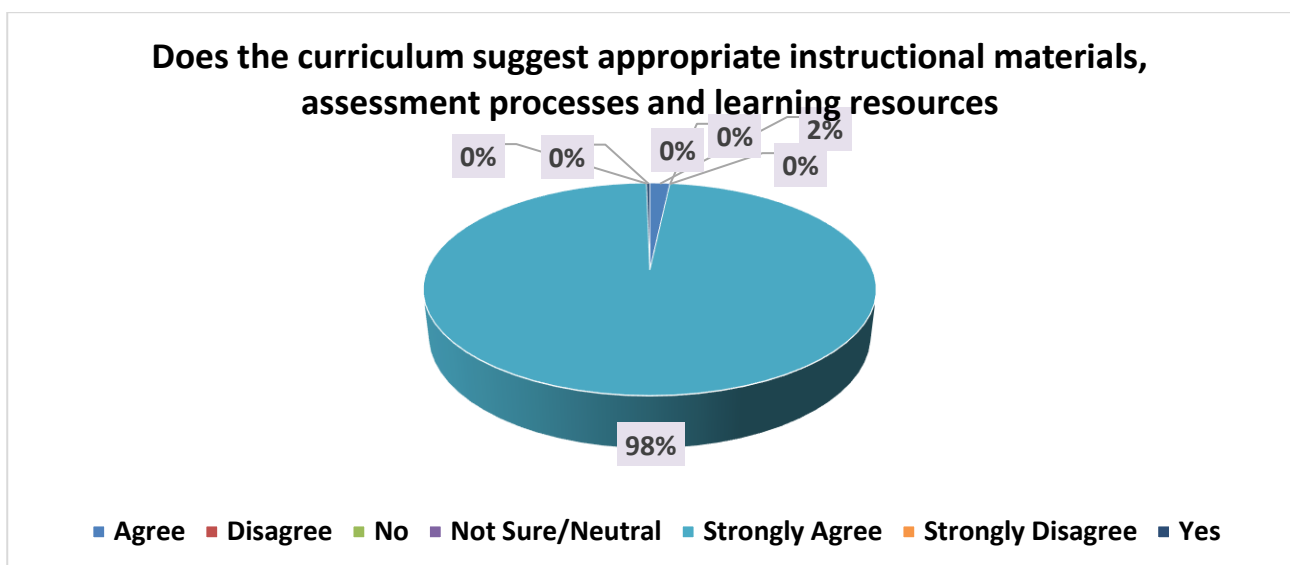

Ref. No. : _____

Date : _____

7. Does the current curriculum promote leadership/teamwork qualities

8. Does the curriculum suggest appropriate instructional materials, assessment processes and learning resources

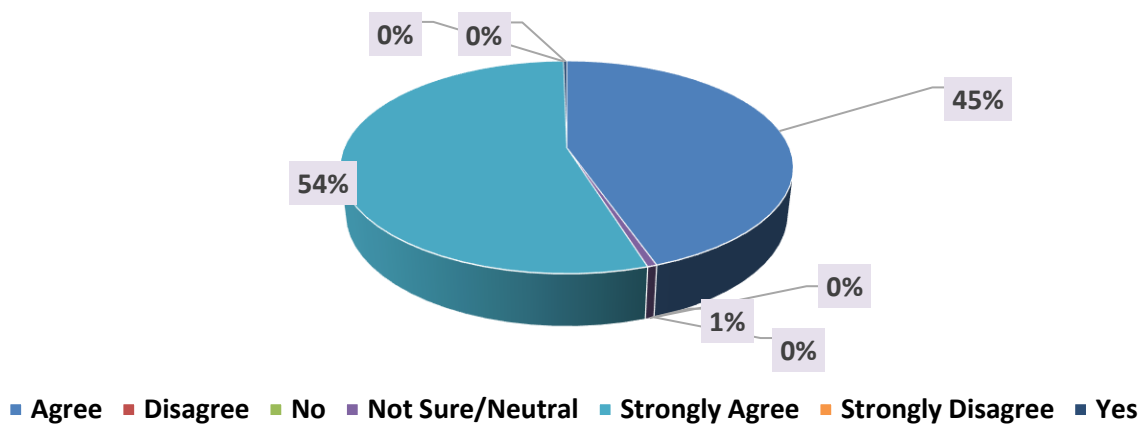

Ref. No. : _____

Date : _____

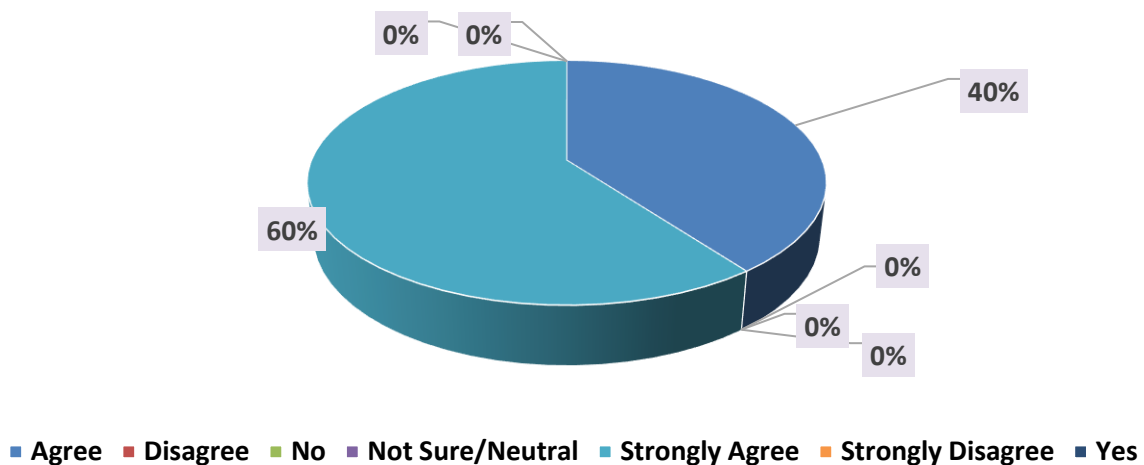

9. Formative (Internal Exams) and Summative (Annual exams) Examinations are conducted as per the course curriculum

Formative (Internal Exams) and Summative (Annual exams) Examinations are conducted as per the course curriculum

10. Internal Examinations are conducted regularly

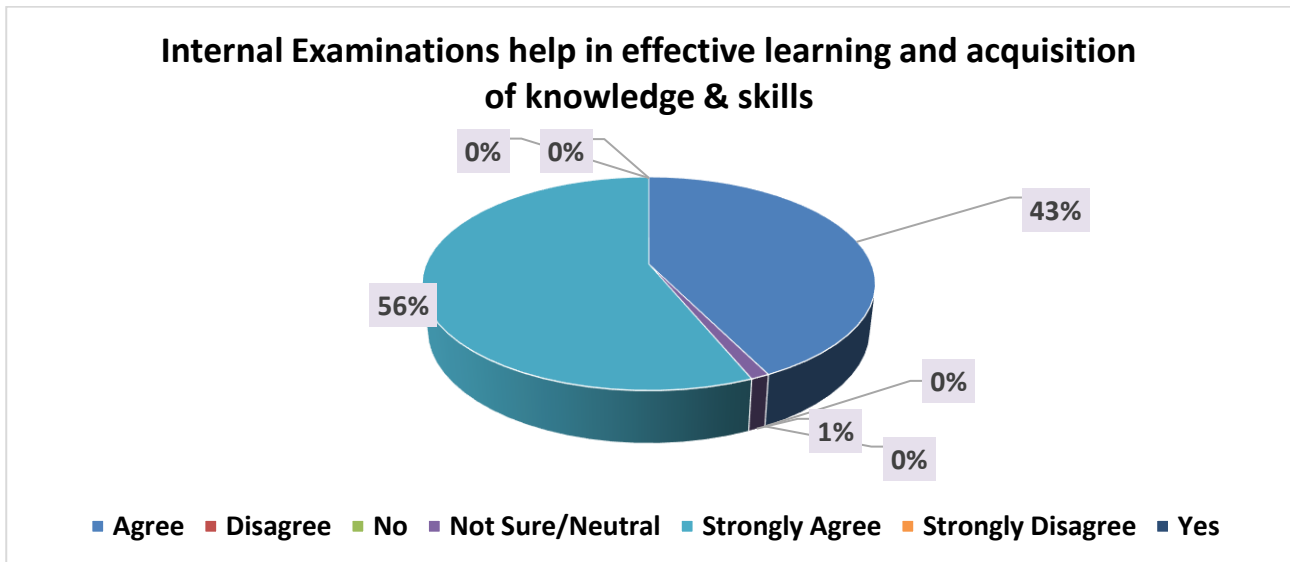

Internal Examinations are conducted regularly

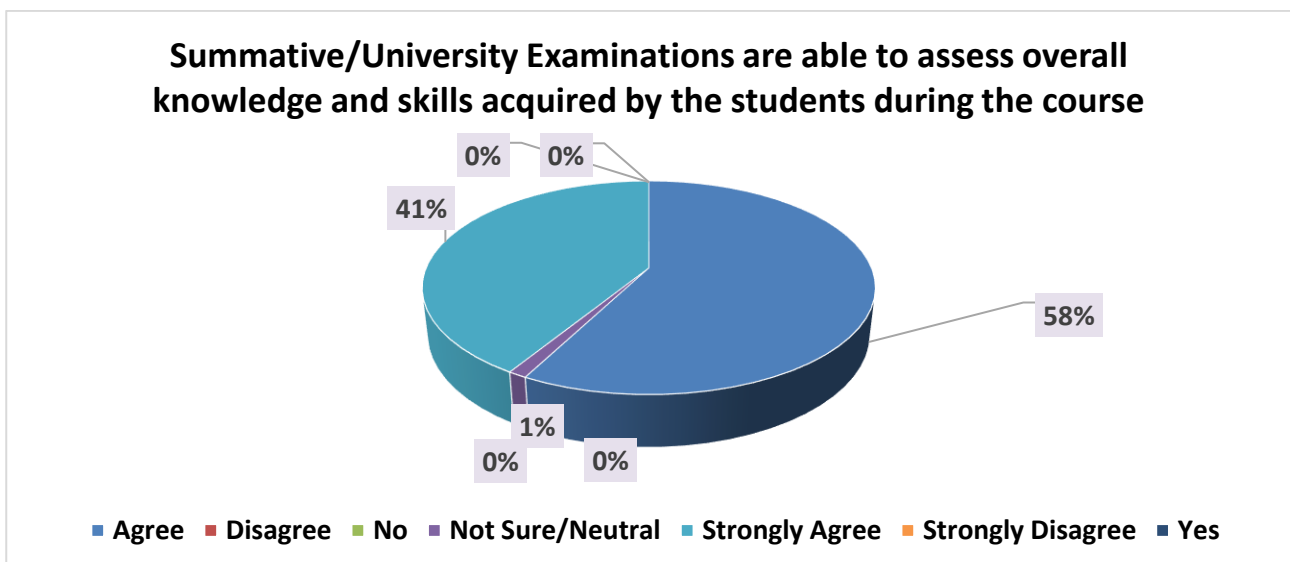

Ref. No. : _____

Date : _____

11. Internal Examinations help in effective learning and acquisition of knowledge & skills

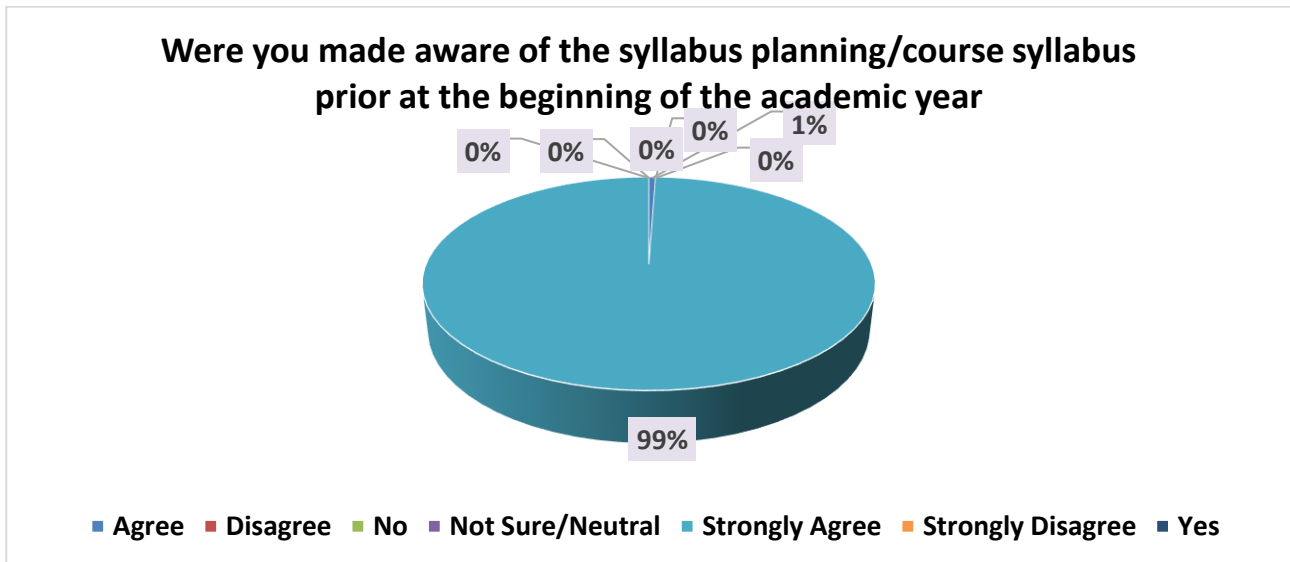

12. Internal Examinations help in effective learning and acquisition of knowledge & skills

Ref. No. : _____

Date : _____

13. Internal Examinations help in effective learning and acquisition of knowledge & skills

1. The best part of the course you appreciate /enjoyed till now

- College has very good teaching and learning environment
- We learn variety of new techniques in the drug development
- Very good mentorship program
- The study materials and resources provided in good manner at good time
- Job based teaching methods
- The use of good technology and good use of equipment's in practical
- Good research environment
- Good research grant support
- Very good travel grant facility to attend conferences outside college
- One of the best teachers in the college
- Practicals helping us very much
- Teaching is excellent.
- All subject teachers give good notes which help us in exams
- Very good library speciality
- Good motivation by teachers for higher education and job
- Assignments are helping us to get good score in sessional and final exams
- Good sports and cultural activities

The above analysis was found satisfactory and will be discussed in forthcoming BOS Meeting.

UG Student feedback: 2023: Analysis and points to consider

1. The goals of the curriculum are clear and explicit. Students are well aware of the goals and have access to the course curriculum for reference. Curriculum time-table for teaching and assessment schedules are available for students well in advance at the beginning of the academic year for reference. Several interactive teaching learning are already in place to promote effective learning. Frequent well-structured assessments are conducted
2. Focus on additional interactive teaching -learning methods tailored to meet the students' needs and curriculum goals.
3. Emphasis would be laid on team-work and leadership building activities within the framework of curriculum
4. Implementation of more ICT-enabled teaching -learning methods
5. Focus on more efficient use of clinical and skill lab for effective learning and acquisition of knowledge, attitude and skills
6. Sensitizing students regarding time-management
7. Emphasis on more frequent formative assessment for improved learning

Faculty feedback: 2023: Analysis and points to consider

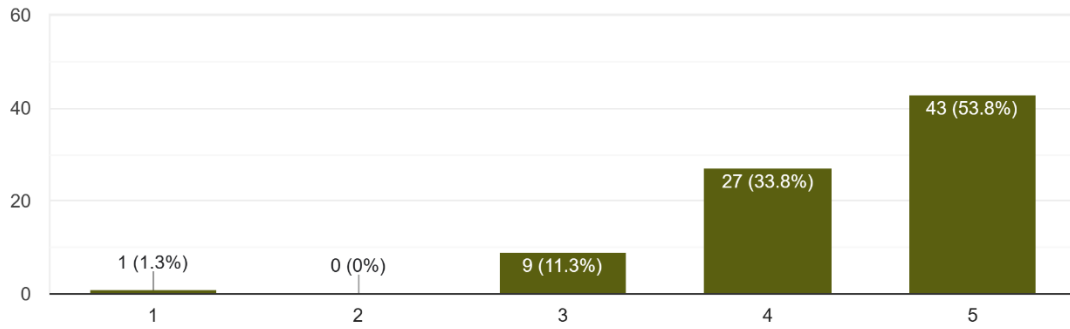

1. The faculty felt the content of the course covered all the topics prescribed by the regulatory bodies and helped the students to acquire knowledge, attitude and skills.
2. The course content is divided into must to know, good to know and nice to know categories. The faculty felt the topics covered in the course is inclusive of recent advances that help the students to stay updated. Faculty felt adequate training programmes are provided in terms of curriculum implementation/review
3. The faculty felt the infrastructure was adequate in terms of library, mannequins and practical halls/laboratories for implementation of the course
4. Based on faculty feedback, emphasis should be laid on adequate infrastructure for simulation lab and advance equipment for more effective teaching learning methods.
5. As per the faculty feedback there is a need for facility for online teaching modality, studio for lecture -recording and software for lecture capturing and sharing.

Parents feedback: 2023: Analysis and points to consider

1. Parents feedback about the program curriculum, quality of teaching and transparency of evaluation was positive (significant rating of 4 and 5)
2. Many parents are aware about the mentorship programme. Emphasis would be laid on further improving the awareness of the programme, effective communication with the parents and timely update regarding mentorship program
3. Parents felt the ease of communicability with institution: administrative office, hostel and teachers was good. Scope for further improvement to ease the communicability will be considered
4. Many parents felt they would recommend the institute to others
