ABOUT THE DIRECTOR

BE GUIDED BY NOTHING BUT THE BEST IN THE BUSINESS-DAMS

Lead by known innovator & prominent educationist

Dr. Sumer Sethi, MD Radiology
Director, DAMS

Let me introduce myself, I am Sumer Sethi, and I have been a Top ranker in AIPG, AIIMS, PGI examinations before and I have authored more than 10 books for PG entrance including the best selling Review of Radiology, which is a country wide best seller. I am the Director of DAMS, Delhi Academy of Medical Sciences which is by far the most consistent result giver in the last **two decades** or so.

- ❖ With his internet and web 2.0 knowledge, he has taken PG medical education by storm with unique use of FACEBOOK, TWITTER AND DAMS BLOG. DAMS EXCLUSVE CLUB on Facebook is immensely popular amongst students. DAMS is the coaching institute of YOUR GENERATION.
- ❖ His book called Review of Radiology which came out in 2003 was the first Review book in India written by an expert and took the market by storm; many people followed his idea of creating Review book by subject matter experts.
- ❖ To his claim is also India's Premier Teleradiology Firm called as Tele radiology Providers, which is one of the pioneers in India in providing remote radiology reads.
- ❖ He is also credited with the world's first and longest running Radiology Blog, critically acclaimed world over.
- ❖ We have now connected satellite based classes to help students.

Director's Message

Dear Doctor,

It gives me great pleasure to introduce DAMS as the leaders in NEET PG vertical today. We are the largest pan-India footprint medical education company today with 40 plus face-to-face classroom centres country wide, we have now introduced the paradigm shift in medical education with Satellite based classroom programme called DAMS-SKY to take our reach even further. We have already introduced Satellite based interactive classrooms in locations where class room was previously unavailable. Our vision is to make quality PGME test preparation facilities available to every medical student.

With our unique professional yet student friendly approach and accessibility to students via various social media channels particularly facebook, DAMS is the new age youth friendly NEET PG preparation and NEXT-Ready institute and is vastly appreciated and acknowledged in all student events and platforms. In the last few years, almost 90% of students selected in AIIMS PG are DAMSONIANS and we had a record number of selections in NEET PG as well.

Few of our unique offerings include the eMedicoz App for test preparation, in the form of App T & D. The App T & D focuses on High yielding tests and crisp & very effective video discussions with visuals. Our study material is a combination of two kinds of materials- Review series for in-depth knowledge and Last Look Series for revision for our students. We offer special tests on the latest NEET Pattern with attention to visuals and subject distribution. We even have a country wide Computer Based Test which is the only simulating exam closest to the latest NEET pattern in the country, where exam is conducted at computer centres. We give actual match practice.

We are the only institute, ready for latest NEXT pattern licensing and PG Entrance exam giving guidance for practical courses and Lectures for the objective theory exam.

NEXT (National Exit Test)

At this point we all know India is looking at a national level licensing exam which will also serve as a single window for PG entrance and Foreign medical graduates licensing exam under the NMC act (National Medical Commission). Passing this exam is mandatory and even the MBBS curriculum now has a significant element of horizontal and vertical integration. DAMS has been pioneer in the segment of objective based

medical learning and we offer courses for both theory and practical aspects of NEXT exam, and offering the further advantage of being the pioneer in integrated medical education, a sample of which is available in our numerous free integrated learning videos called medicine unplugged on YouTube which is acclaimed worldwide. Under the able leadership of Dr Sumer Sethi, MD Radiology and Dr Deepti Sethi, MS OBGY we represent a unique blend of versatile educators catering to the needs of medical students for last two decades. We assure you of DAMS stamp of quality in education and integrated learning needed for this new challenge for medicos called as NEXT.

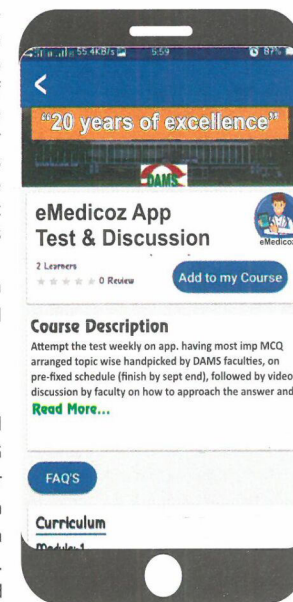

Lets come to the main issue of getting through PG entrance

With DAMS, our vision is to fill up the gaps in your preparation with student friendly programmes. Our uniqueness arises from my own experience as well as collective experience offered by over 100 highly experienced faculty members across India who are teachers, mentors and friends for medical students.

Further, ours is the only institute which is run by people who actually cracked PG entrance themselves, we are backed by our faculty of people who are from the MCQ generation and according to various surveys last year: DAMS has the best people teaching for them across the country.

The most important thing to understand is the value of positive thinking. That sounds very basic, but we insist the first thing for any student of DAMS is positive thinking. I don't want you to say anytime that you can't do it. That's the step number 1.

Second is hardwork in guided fashion. That's the key, you put in hardwork and our team of teachers and motivators guide you at each step. We are the only institute which conducts special sessions on planning your studies and counselling you at each step. Our dedicated faculty, including myself is always available at the center to individually cater to your problems. We have **two decades** old legacy with lakhs

of students having fulfilled their PG dream with us, but still we have somehow maintained our USP to give personal attention to our students and push them to give their best. In our classroom series we have the best faculty drawn from AIIMS, MAMC, LHMC, KEM and other major colleges. Most of them are popular authors and extremely high yielding teachers. With us being the pioneers in the Regular course and Test and discussion concept, we are a natural choice for students preparing for PG entrance. We conduct periodic seminars on USMLE and Australian medical council for our students as well.

Third is to devise a strategy to use your time effectively. We understand you don't have enough time now to read textbooks like Harrison's:-) (particularly if you didn't do so in your medical school). And we provide authentic notes specially prepared by our faculty basing them on standard books like Harrison's, Schwartz, Williams, Robbin's and Ganong. Any senior of yours will vouch for our notes being comprehensive yet brief. We take out the juice from the text books and give it as fast food solution for our students. We further provide our students with notes on new drugs, notes on oncology, Harrison updates and PSM recent data every year. In short, our notes are a condensed version of the highest order books. Like our medicine is based on Harrison's, Surgery is an amalgamation of Schwartz, Sabiston and Bailey & Scott, Obstetrics from Williams and Pediatrics from Nelson.

Fourth is testing yourselves. Our all India Grand Tests are held on the 3rd Sunday of every month. Our Grand Tests have an exclusive feature of new questions. We don't copy and paste from USMLE question banks, we make new questions. The joke in the PG entrance business is that only DAMS and AIIMS make new questions. We provide authentic references to Grand tests which is not so in any other coaching. Further, in addition to All India Ranking of the students which is displayed on our websites and sent via sms to students, we also display subject-wise distribution of each test on our site so that you can identify your weak topics. Another important thing to be done for NEET is repeat questions. DAMSONians have an edge because our teachers predict the patterns perfectly. Our teachers enjoy the challenge of predicting the patterns and questions for the upcoming years which no other institute can do.

Finally our publications! Many of the previous years' toppers will vouch for our books on AIIMS and NEET; particularly for NEET the make or break idea was to read DAMS AIIMS Buster. We come out with our own solutions of all AIIMS and NEET exams and books are available throughout the country. We bet anyone who doesn't read our review books before AIIMS and NEET is at a loss. It provides you with cutting edge facts and authentic questions, along with references you can trust. Unlike some of our competitors we don't modify questions. We have our team of dedicated students who help us create an authentic recall.

We also have Subject-wise Tests and Explanation Series country wide, with detailed questions and answers to all subjects.

Further to add another feather in our cap, we have Postal courses, Tablet based courses, and Online courses, Android based test series, following our motto "if you can't come to DAMS, DAMS will come to you". The latest gift for DAMSONians is the eMedicoz app which provides exclusive videos, MCQs, updates & various courses. It can be downloaded on Play Store & App Store.

Wishing you all the best for your examinations and we are proud to be partners in success with so many PG aspirants for last two decades now.

WE ARE DELIVERING CONSISTENT RESULTS SINCE LAST TWO DECADES!

Sumer Sethi, MD Radiology

Director, DAMS and topper in AIPG, AIIMS and PGI previously.
Author of Review of Radiology and many more books for PG entrance.
Faculty of National and International fame.

WHAT OUR STUDENTS HAVE TO SAY

Dr. Aishwarya S. Durgad
NEET PG Rank-4, Jan-2019

I started my DAMS Journey as a regular batch student from March 2018, and I am now here having

secured rank 4 in NEET 2019 (with improvement from rank 38,000 in NEET 2018). I can't express in words how much I enjoyed the classes and the DVT session.

DAMS faculty is the best. Thank you for all the motivation you gave us, especially Sumer Sir, Deepti Ma'am and Sachin Arora Sir.

I was an exclusive DAMS Student I am proud to say that I am a DAMSONIAN.

Dr. Rajath R. G.
NEET PG Rank-5, Jan-2019

I feel very good. I had joined T&D course at Mysore centre during my Internship. The quality of papers is very good. DAMS has been a guiding force throughout my internship days. The notes, images, facebook club posts, DVT Slides & sessions taken by various faculties have been of great help. Thank you so much all DAMS Faculties. I want to especially thank Dr. Sumer Sethi Sir and Dr. Deepti Bahl Ma'am for their constant motivation.

Dr. Sree Vandana. G.
NEET PG Rank-10, Jan-2019

I did my regular course in DAMS Chennai. All classes at DAMS were extremely informative and DAMS

notes are concise enough and such as an awesome package for PG preparation. DAMS teachers are super dedicated and the notes are a very valuable source of knowledge and make the preparation of any PG aspirant a cakewalk!

Thank You DAMS!

Dr. Bhavesh M.
AIIMS Rank-1, May-2019
PGI Rank-1, May-2019
JIPMER Rank-5, May 2019

I Joined Bangalore regular batch in

March 2019 and it has been a great experience being associated with DAMS. The things that helped me the most were:

eMedicoz - AIIMS Capsule

- PGI Previous Papers

- AIIMS Previous Papers

- FB DAMS Club

- AIIMS CBT

I owe my success to DAMS, Thank you for all the motivation.

Dr. Ranjan Kumar Sahoo
AIIMS Rank-2, May-2019

I take this opportunity to thank all faculty members of DAMS. T&D sessions of DAMS were very very helpful for giving that extra edge.

The questions were spot on with all the updates and predictions because of which I could clear PGI and JIPMER with such ease. Special mention for Dr. Deepti Bahl Ma'am, Dr. Saurabh Dixit Sir, Dr. Sachin Arora Sir. I really enjoyed your classes. Thank You.

Dr. Ashok Dudhwal
AIIMS Rank-3, May-2019

I joined DAMS during my 6th Sem. As a foundation student I attended find proff subjects during 6th & 7th Sem. Then I continued to attend

first and second proff subjects during my 8th Sem. I did DAMS T&D during Internship. DAMS classes are good and the notes made there are really relevant from exam point of view. I added things from standard textbooks to DAMS notes and those notes were really useful for final revision. Thank you so much all DAMS Faculties.

Dr. Hemant Amardeep
AIIMS Rank-5, May-2019
PGI Rank-3, May-2019
JIPMER Rank-8, May 2019

I had joined DAMS in the foundation course and really enjoyed the classes by various faculty whose notes helped me in both my professional exams & Entrance exams.

T&D whose was helped in sticking to a schedule during PG preparation to complete this vast syllabus. They also simulate the environment of the actual exam which help in reducing stress levels.

Dr. Deepak Garg
PGI Rank-4, May-2019

DAMS is the best institute in the country for PG Preparation. I have joined 3years foundation

course in DAMS. I heartily thank the amazing mentor Dr. Sumer Sethi Sir, & Dr. Deepti Bahl Ma'am. DAMS has provided me very useful resources for my PG preparation like CRS, MCQs, Facebook updates, eMedicoz app, Online Grand test series, Online Subject wise test series, all of which were very helpful for my PG preparation.

Dr. Iftekhar Khan
PGI Rank-6, May-2019

I am extremely indebted to DAMS for helping me in the journey of PG entrance examinations.

I have been a foundation (2016) & T&D (2018) student @DAMS. All the class notes were gold standard & formed the foundation of my preparation. DVT has been a roller coaster ride & DAMS has surely been an integral part of it.

8

Dr. Praveen Kumar
JIPMER Rank-1, May-2019

I am from Coimbatore Medical College 2012 batch. I had joined DAMS test series on May 2018.

It was very useful. I have attended all the grand tests. The quality of Questions are very good. The video solutions were excellent. Thank you so much all DAMS Faculties.

Dr. Darshan Patel
JIPMER Rank-2, May-2019

I would like to thank the whole DAMS family for their support and guidance. DAMS CBT has been a great experience and very helpful for my PG preparation. I wish DAMS all the best and thanks to faculty members for helping us at our crucial times.

Dr. Nikhil Vojjala
JIPMER Rank-3, May-2019

I Joined DAMS CBT & NIMHANS Crash Course in January 2019 and it has been a great experience associated with DAMS.

The things that have helped me are

- NIMHANS Crash Course
- NIMHANS Modules
- DAMS NEET CBT

Dr. Mohamed Ilyas
JIPMER Rank-4, May-2019

I am deeply indebted to all the faculty members of DAMS for helping me achieve my dream. All the teachers of DAMS are really great.

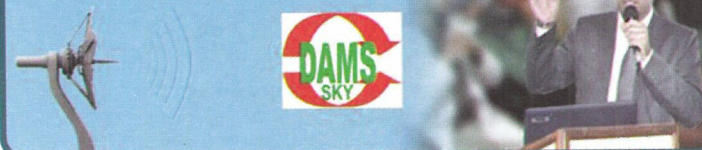

DAMS has provided us very useful resources for PG preparation like CRS, MCQs, Facebook club, eMedicoz app, Online test series, CBT. In DVT, image based questions are very helpful that helps us understand what type of questions can come in the exam. Never settle for less, be ambitious.

DAMS-SKY

Best teachers at your doorstep

India's First Satellite Based PG Medical Classes

India's First Satellite Based PG Medical Classes

Ancient times' Guru shishya pranaali of imparting education was by the Guru at Guru's premises /Ashrams. Ages passed, social patterns changed, villages turned into towns, towns to cities & metros. Civilization progressed with "Education". For good education, students had to migrate to better places. Now technology development removed these constraints and barriers. Today, the best education of metros is available in-house anywhere including the remote areas. Quality education with teaching by the renowned professors and faculty is available at recipient's facilities. Best education in the environment of your choice.

Medical Tele-Education is the Brain Child of Dr. Sumer Sethi, our director, widely known for his vision and innovations in the field of PG Medical Education vertical. He is also one of the pioneers in the field of Teleradiology & Tablet based learning programme called as iDAMS.

Concept of Satellite Classes

One acute problem faced by the coaching class industry is paucity of competent faculty. This constraint imposes limitations on expansion beyond geographical boundaries. Satellite learning Programme addresses this problem effectively without losing the quality of coaching. An out of the box learning experience, Satellite Learning Program has two-way audio-video facilities consisting of three major elements:

1. Teaching End
2. Remote Learning Centers called "Classrooms" and
3. The Satellite

Number 1 Technology being offered by DAMS-SKY classes

Studio transmissions are at high bandwidth rates of approx 1000 Kbps. This leads to superior audio and video quality. DAMS-SKY system is two-way interactive for voice, video and data, wherein several classes are visible in full clarity to the Faculty at the same time. The Faculty can zoom into any classroom and see the students clearly, and talk to them. Each Center has two additional voice lines which can be used by Center/Students to communicate with the studio or faculty. Through the Smart Assessment System, students' attendance, MCQ-response and text messages reach the faculty instantly.

9

Separate "Live Classes" for Different Batches

- Regular Course- Weekend course for final MBBS, Interns & Post Interns- Detailed Classes, Exclusive Study material, Online Grant Test Series & Subject wise Series & Famous DAMS Exclusive Club on Facebook.
- Special course for 1st MBBS students.
- Special course for 2nd MBBS students.
- Special course for 3rd MBBS students.
- Special course for final MBBS students.
- Crash Course- Starts in July every year.
- Test & Discussion Course

Our Courses at DAMS-SKY

DAMS which is widely recognized today as the leader and number one academic institution in PGME vertical, has helped lakhs of students to realize their dreams over the last two decades. And now we want to bring the same DAMS advantage via technology to students in cities where classroom courses are not available.

MCI SCREENING COURSES

DAMS has arrived in style in this segment.

MCI screening passing rates were generally believed to be low, before we started exploring this side. Our focused efforts have consistently given high percentage selection in MCI screening. Nowadays MCI screening exam has been showing a variance in trend with trickier MCQs and PGME like questions, which need proper coaching. DAMS, being a consortium of more than 100 post graduate specialist teachers, has the knack of predicting MCQs & helping FMGs achieve their dreams.

MCI COURSES:

The Foreign Medical Graduates will soon have to appear for NEXT which will be The Licensing Exam as well as the exam for entry into Post Graduation.

So, our request to MCI Screening aspirants is to choose the leaders in Medical Education, who are in PG Medical Exam segment for the last **two decades** and have presence across India and are most adapted to the changing pattern. Special Practical Courses for clearing The Licensing Exam are also available for Foreign Medical Exam.

❖ REGULAR COURSE

❖ SEMI-REGULAR COURSE

DAMS USMLE EDGE

USMLE or Unites States Medical Licensing examination is an exam taken by Medical Graduates anywhere in the world to be able to undergo a residency in USA. USMLE is taken in 3 Steps **Step-1, Step-2 Ck, Step-2 CS**

The USMLE assesses a physician's ability to apply knowledge, concepts and principles and to demonstrate fundamental patient-centered skills, that are important in health and disease and that constitute the basis of safe and effective patient care.

DAMS is conducting USMLE Step-1 Live Classes in Delhi and V-Sat Classes all over India.

DAMS PACKAGES FOR USMLE

- 20 weeks classroom face to face live lectures, 24 weeks V-sat program for USMLE Step 1
- 3-4 days of the week
- Online Q bank , topic wise and subject wise For Step 1 and Step2 Ck
- Complete academic and application Counseling
- Mentorship and assistance for USMLE Applications and academic support
- Residency Application Help
- Visa counseling , Travel/Relocation Information
- Over 400 lecture hours
- 4-6 hours per class
- Full length exams
- Help with paper work for Electives / Observership
- Help with Observership and Clerkships

Get started by requesting your complimentary personal consultation and counseling.
Online app based Test & Discussion for USMLE Step - 2 CK available on (eMedicoz).

iDAMS - Award Winning

TABLET BASED LEARNING PROGRAMME

Another Pioneering Effort by the Number 1 Institution in the Country

iDAMS Program is a tablet based complete distance product that combines the best of classroom learning and self-study. iDAMS program gives access to real time lectures along with test papers to test your skills.

DAMS RESIDENT TRAINING PROGRAM (DRTP) AVAILABLE ON eMEDICOZ

EVOLUTION OF THE PROGRAM CONCEPT

We at DAMS are the leaders in PG teaching but the question to be answered is what's next. The answer was simple: to start a program for the residents. Now the question was, which subject do we start with, we wanted to cater not one but all streams, the answer was a clear one which was for all the students: Research.

RATIONALE OF THE PROGRAM

Research in India is still lagging behind at the global front, the reason is not lack of opportunity (example as noble prize for economics 2015 was awarded to Angus Deaton, a Scottish- American researcher with his entire research work in India) it is about the the vision, the orientation and the attitude. This is where we at DAMS will harness your potential by mentoring and guiding you about all aspects of research.

(Go to Courses Section and click on 'Research Methodology')

BLS/ACLS

BLS/ACLS COURSES IN DELHI CENTER

DAMS now offers American Heart Association certified BLS/ACLS courses at Delhi center. This is part of DAMS vision to be a one stop center for all your needs as a medical student.

Basic life support (BLS) is a level of medical care which is used for victims of life- threatening illnesses or injuries until they can be given full medical care at a hospital.

Advanced cardiac life support or advanced cardiovascular life support (ACLS) refers to a set of clinical interventions for the urgent treatment of cardiac arrest, stroke and other life-threatening medical emergencies, as well as the knowledge and skills to deploy those interventions.

BLS/ACLS COURSES FEATURES

- BLS is one day course.
- ACLS is two days course.
- It will be done by trainer on dummy with the batch and then American Heart association certification will be provided.

Note :- ACLS can be done only if you have done BLS before.

Grand Test on 3rd Sunday of Every Month

MDS Quest

About DAMS MDS Quest

DAMS MDS Quest has become, in a very short span of time, a well established name in the field of Dental PG Entrance Education under the able the guidance of Dr. Sumer Sethi and Dr. Gaurav Ram Chandani --both of whom are renowned and well known personalities in the medical and dental fields respectively. The main aim was to strengthen the foundation of and lend a competitive edge to the MDS aspirants of this nation which has been lacking since the past decade. Here at DAMS we let the students do the talking; first via their ranks in various competitive exams and second by their rave reviews about the kind of guidance provided.

With an experience of over two decades in medical field and top notch ranks in various nationwide competitive exams we have a very good understanding of students' expectations from our lectures. Thorough understanding of each subject in a manner that helps students to face even the trickiest multiple choice questions, requires not merely a few hours per subject, but rather 4-5 days. Our faculties are well trained and experienced in the face of changing examination pattern. Ours is the only coaching academy of the nation that encourages the students to talk to our previous batch rankers before joining. We believe in fair means to provide quality and best coaching. Students across India are currently pursuing our regular and V-SAT lectures at multiple centres. We let our students do the talking.

Words of wisdom- Trust only those who have cracked multiple entrance exams and are active in this field passionately.

COURSES OFFERED

Dental Regular Course

This is the premier course offered by DAMS, with detailed classes of both medical and dental subjects in DAMS Delhi & Jaipur Centers. Our main asset for this course is our faculty which is a mix of young MDS toppers and experienced faculty members who will mentor you for success in MDS entrance examination.

Dental Postal Course

We are the only academy in India where study material is refined after every session. This is done keeping in mind the changing scenario in exam pattern nowadays. Ours is the only academy whose study material is prepared according to NEET. This material is prepared by our experienced faculty.

Dental Test Series

Do u know why ours is the BEST MATERIAL in terms of test series?

Our test papers are prepared by a separate examination section with faculties of each subject with inputs from the teaching faculty and past and present rankers.

They are well versed with the patterns of both medical and dental exams and questions are prepared accordingly. We use authentic questions which are provided with well versed and concise explanations to cover all the topics and make them understandable. If the students still have doubts, then our faculty members are always available to clarify the doubts/topic.

Dental Regular & TnD via V-sat

V-SAT- A new and emerging concept!!

First of its kind in India where students will be able to attend classes through V-SAT all over India.

Other Features

Last But Not The Least

DAMS MDS Quest Club on FACEBOOK- All subject faculties are available even on Facebook. So once your classes or tests are over and still some doubts persist, you can directly ask the concerned faculty. Regular subject wise updates are also done.

MDS COURSES

DENTAL REGULAR COURSE	Regular Batches Start from Nov/Dec/Jan/Feb/March/April Every Year
COMBO TEST SERIES	Grand Test Series (Full Subject Test) + Subject-wise Test + Mock Test

Memorandum of Understanding

This agreement is between Dr Arvind Kumar (Belgaum Franchise of Delhi Academy of Medical Sciences Private Limited) referred as first party and Principal/management board of Jawaharlal Nehru Medical College, Belgaum referred as second party.

Arvind Kumar

Lessor

Statutory Alert:

1. The authenticity of this Stamp certificate should be verified at 'www.shcilestamp.com' or using e-Stamp Mobile App of Stock Holding. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

Lessee

First party is authorised to run satellite classes of Delhi Academy of Medical Sciences Private Limited in Belgaum city of Karnataka and presently running these classes in 'JNMC' campus Belgaum.

As second party is interested to continue running the satellite classes in JNMC campus and agreed to following logistics and requirements:

1. These satellite classes are conducted 7 days a week and timings ranging from 7 am to 9:30 pm. Therefore, it will need a dedicated space all days (including Sunday) from 7 am to 9:30 pm.

2. These classes offers multiple courses like pre foundation (for first and second year MBBS students, approximate duration 6-7 months), foundation (third and fourth year MBBS students, approximate duration 7-8 months), regular & tnd medical (for interns and post interns MBBS, approximate duration 7-8 months), and tuitions (for first and second year MBBS, variable duration). regular & t&d dental (for BDS students, interns and post interns BDS, approximate duration 7 months), USMLE course (for all MBBS students, approximate duration 7 months). These courses classes are conducted on different days of weeks.

3. To conduct classes projector, screen, amplifier, speakers, desktop, electricity and internet are essential requirement.

4. There are two channels through which satellite classes are relayed. Channel one relays pre-foundation, foundation, medical test & discussion and regular course. Channel two relays dental test & discussion, regular, and USMLE courses. For this two class rooms (seating capacity 150 students) will be needed.

Lessor

Amirul Kumar
Lessee

4.Space of approximately 4 by 4 metres free from any obstruction like trees or buildings required on roof top for installation of disc needed for satellite signals.

5.Two full time executive from first party will be there to do administrative work related to conducting these classes.Their entry should be unrestricted in the college campus.

7.One notice board of at least 4 by 2 feet dimensions will be required to put information regarding classes or administrative work nearby class room.

8.If there is technical fault, engineers from DAMS might need to visit the site.There should be unrestricted entry for them after their verification with ID.

Now both the parties agreed to following terms and conditions

1.This agreement will be valid for five years after signing of this MOU by both parties and will be valid even if Principal JNMC retires or is changed.

2.The first party agrees to give 2% concession to the JNMC students. but sometimes in special cases DAMS also provide concession, during such situations the students should choose only one concession.

3.The first party will pay all the franchise fees to DAMS which is essential to run these classes.

4.The first party will pay the salary of executives who are presently working with the first party.

5.The first party will need that all the MBBS and BDS students must join any one of the courses offered by DAMS, i.e it should be compulsory for all the JNMC students to join the said courses including NRI students.

Lessor

Amit Kumar

Lessee

6.The second party will have no objection-if non-JNMC students join the course.

7.The second party will be responsible for the proper functioning of projector, screen, amplifier, speakers, desktop, electricity and internet.

9.The second party is not eligible for any commission or percentage sharing of revenue or profit.

10.The courses fees to be decided by DAMS head office.

11.The second party will not allow any other coaching or training institute in the JNMC campus offering same or similar courses.

12.The second party is free from bearing the cost of faculty payments,study material or courier charges.

13.The second party will have no objection for promotional activities by first party in the campus like putting posters at appropriate space and face to face meeting with the students.

14.The first party will provide orientation or demo classes to the students in the JNMC campus for which second party will have no objection and will provide suitable help and resources.

15.The second party will allow students to attend classes and free them from duties during class hours.The first party will regularly provide attendance of the students to second party.

Career Guidance to MBBS Students from

Delhi Academy of Medical Sciences Classes Brief Report

DAMS is a pioneer in the segment of objective based medical learning and they offer courses for both theory and practical aspects of NEET and NEXT exam. So to help our JNMC MBBS students in the preparation of NEET and NEXT exam, J N Medical College, Belagavi has entered a Memorandum of Understanding (MOU) with Delhi Academy of Medical Sciences (DAMS) from 28th October 2020 for the period of 5 years. Under this MOU, DAMS runs satellite class for undergraduate MBBS students in JNMC campus for 7 days a week with timings ranging from 7 am to 9.30 pm. It offers multiple courses like Pre Foundation for first and second year MBBS students for 6-7 months, foundation course for third and fourth year MBBS students for 7-8 months and regular classes for interns and post interns for 7-8 months. It also conducts USMLE course for 7 months. Regular exams are also conducted for the students which will help them in preparation for NEET and NEXT exams. DAMS also provides 2% concession in fees for JNMC students.

ABOUT THE DIRECTOR

BE GUIDED BY NOTHING BUT THE BEST IN THE BUSINESS-DAMS

Lead by known innovator & prominent educationist

Dr. Sumer Sethi, MD Radiology
Director, DAMS

Let me introduce myself, I am Sumer Sethi, and I have been a Top ranker in AIPG, AIIMS, PGI examinations before and I have authored more than 10 books for PG entrance including the best selling Review of Radiology, which is a country wide best seller. I am the Director of DAMS, Delhi Academy of Medical Sciences which is by far the most consistent result giver in the last **two decades** or so.

- ❖ With his internet and web 2.0 knowledge, he has taken PG medical education by storm with unique use of FACEBOOK, TWITTER AND DAMS BLOG. DAMS EXCLUSVE CLUB on Facebook is immensely popular amongst students. DAMS is the coaching institute of YOUR GENERATION.
- ❖ His book called Review of Radiology which came out in 2003 was the first Review book in India written by an expert and took the market by storm; many people followed his idea of creating Review book by subject matter experts.
- ❖ To his claim is also India's Premier Teleradiology Firm called as Tele radiology Providers, which is one of the pioneers in India in providing remote radiology reads.
- ❖ He is also credited with the world's first and longest running Radiology Blog, critically acclaimed world over.
- ❖ We have now connected satellite based classes to help students.

Director's Message

Dear Doctor,

It gives me great pleasure to introduce DAMS as the leaders in NEET PG vertical today. We are the largest pan-India footprint medical education company today with 40 plus face-to-face classroom centres country wide, we have now introduced the paradigm shift in medical education with Satellite based classroom programme called DAMS-SKY to take our reach even further. We have already introduced Satellite based interactive classrooms in locations where class room was previously unavailable. Our vision is to make quality PGME test preparation facilities available to every medical student.

With our unique professional yet student friendly approach and accessibility to students via various social media channels particularly facebook, DAMS is the new age youth friendly NEET PG preparation and NEXT-Ready institute and is vastly appreciated and acknowledged in all student events and platforms. In the last few years, almost 90% of students selected in AIIMS PG are DAMSONIANS and we had a record number of selections in NEET PG as well.

Few of our unique offerings include the eMedicoz App for test preparation, in the form of App T & D. The App T & D focuses on High yielding tests and crisp & very effective video discussions with visuals. Our study material is a combination of two kinds of materials- Review series for in-depth knowledge and Last Look Series for revision for our students. We offer special tests on the latest NEET Pattern with attention to visuals and subject distribution. We even have a country wide Computer Based Test which is the only simulating exam closest to the latest NEET pattern in the country, where exam is conducted at computer centres. We give actual match practice.

We are the only institute, ready for latest NEXT pattern licensing and PG Entrance exam giving guidance for practical courses and Lectures for the objective theory exam.

NEXT (National Exit Test)

At this point we all know India is looking at a national level licensing exam which will also serve as a single window for PG entrance and Foreign medical graduates licensing exam under the NMC act (National Medical commission). Passing this exam is mandatory and even the MBBS curriculum now has a significant element of horizontal and vertical integration. DAMS has been pioneer in the segment of objective based

medical learning and we offer courses for both theory and practical aspects of NEXT exam, and offering the further advantage of being the pioneer in integrated medical education, a sample of which is available in our numerous free integrated learning videos called medicine unplugged on YouTube which is acclaimed worldwide. Under the able leadership of Dr Sumer Sethi, MD Radiology and Dr Deepti Sethi, MS OBGY we represent a unique blend of versatile educators catering to the needs of medical students for last two decades. We assure you of DAMS stamp of quality in education and integrated learning needed for this new challenge for medicos called as NEXT.

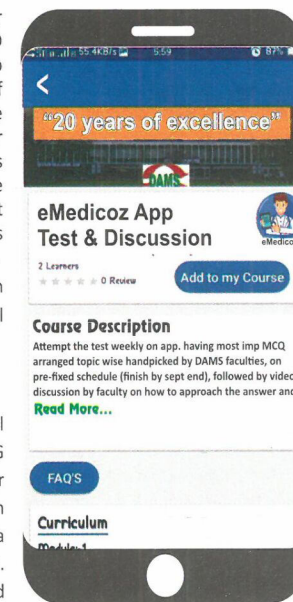

Lets come to the main issue of getting through PG entrance

With DAMS, our vision is to fill up the gaps in your preparation with student friendly programmes. Our uniqueness arises from my own experience as well as collective experience offered by over 100 highly experienced faculty members across India who are teachers, mentors and friends for medical students.

Further, ours is the only institute which is run by people who actually cracked PG entrance themselves, we are backed by our faculty of people who are from the MCQ generation and according to various surveys last year: DAMS has the best people teaching for them across the country.

The most important thing to understand is the value of positive thinking. That sounds very basic, but we insist the first thing for any student of DAMS is positive thinking. I don't want you to say anytime that you can't do it. That's the step number 1.

Second is hardwork in guided fashion. That's the key, you put in hardwork and our team of teachers and motivators guide you at each step. We are the only institute which conducts special sessions on planning your studies and counselling you at each step. Our dedicated faculty, including myself is always available at the center to individually cater to your problems. We have **two decades** old legacy with lakhs

of students having fulfilled their PG dream with us, but still we have somehow maintained our USP to give personal attention to our students and push them to give their best. In our classroom series we have the best faculty drawn from AIIMS, MAMC, LHMC, KEM and other major colleges. Most of them are popular authors and extremely high yielding teachers. With us being the pioneers in the Regular course and Test and discussion concept, we are a natural choice for students preparing for PG entrance. We conduct periodic seminars on USMLE and Australian medical council for our students as well.

Third is to devise a strategy to use your time effectively. We understand you don't have enough time now to read textbooks like Harrison's:-) (particularly if you didn't do so in your medical school). And we provide authentic notes specially prepared by our faculty basing them on standard books like Harrison's, Schwartz, Williams, Robbin's and Ganong. Any senior of yours will vouch for our notes being comprehensive yet brief. We take out the juice from the text books and give it as fast food solution for our students. We further provide our students with notes on new drugs, notes on oncology, Harrison updates and PSM recent data every year. In short, our notes are a condensed version of the highest order books. Like our medicine is based on Harrison's, Surgery is an amalgamation of Schwartz, Sabiston and Bailey & Scott, Obstetrics from Williams and Pediatrics from Nelson.

Fourth is testing yourselves. Our all India Grand Tests are held on the 3rd Sunday of every month. Our Grand Tests have an exclusive feature of new questions. We don't copy and paste from USMLE question banks, we make new questions. The joke in the PG entrance business is that only DAMS and AIIMS make new questions. We provide authentic references to Grand tests which is not so in any other coaching. Further, in addition to All India Ranking of the students which is displayed on our websites and sent via sms to students, we also display subject-wise distribution of each test on our site so that you can identify your weak topics. Another important thing to be done for NEET is repeat questions. DAMSONians have an edge because our teachers predict the patterns perfectly. Our teachers enjoy the challenge of predicting the patterns and questions for the upcoming years which no other institute can do.

Finally our publications! Many of the previous years' toppers will vouch for our books on AIIMS and NEET; particularly for NEET the make or break idea was to read DAMS AIIMS Buster. We come out with our own solutions of all AIIMS and NEET exams and books are available throughout the country. We bet anyone who doesn't read our review books before AIIMS and NEET is at a loss. It provides you with cutting edge facts and authentic questions, along with references you can trust. Unlike some of our competitors we don't modify questions. We have our team of dedicated students who help us create an authentic recall.

We also have Subject-wise Tests and Explanation Series country wide, with detailed questions and answers to all subjects.

Further to add another feather in our cap, we have Postal courses, Tablet based courses, and Online courses, Android based test series, following our motto "if you can't come to DAMS, DAMS will come to you". The latest gift for DAMSONians is the **eMedicoz** app which provides exclusive videos, MCQs, updates & various courses. It can be downloaded on Play Store & App Store.

Wishing you all the best for your examinations and we are proud to be partners in success with so many PG aspirants for last **two decades** now.

WE ARE DELIVERING CONSISTENT RESULTS SINCE LAST TWO DECADES!

Sumer Sethi, MD Radiology

Director, DAMS and topper in AIPG, AIIMS and PGI previously.
Author of Review of Radiology and many more books for PG entrance.
Faculty of National and International fame.

WHAT OUR STUDENTS HAVE TO SAY

Dr. Aishwarya S. Durgad
NEET PG Rank-4, Jan-2019

I started my DAMS Journey as a regular batch student from March 2018, and I am now here having

secured rank 4 in NEET 2019 (with improvement from rank 38,000 in NEET 2018). I can't express in words how much I enjoyed the classes and the DVT session.

DAMS faculty is the best. Thank you for all the motivation you gave us, especially Sumer Sir, Deepti Ma'am and Sachin Arora Sir.

I was an exclusive DAMS Student I am proud to say that I am a DAMSONIAN.

Dr. Rajath R. G.
NEET PG Rank-5, Jan-2019

I feel very good. I had joined T&D course at Mysore centre during my Internship. The quality of papers is very good. DAMS has been a guiding force throughout my internship days. The notes, images, facebook club posts, DVT Slides & sessions taken by various faculties have been of great help. Thank you so much all DAMS Faculties. I want to especially thank Dr. Sumer Sethi Sir and Dr. Deepti Bahl Ma'am for their constant motivation.

Dr. Sree Vandana. G.
NEET PG Rank-10, Jan-2019

I did my regular course in DAMS Chennai. All classes at DAMS were extremely informative and DAMS

notes are concise enough and such as an awesome package for PG preparation. DAMS teachers are super dedicated and the notes are a very valuable source of knowledge and make the preparation of any PG aspirant a cakewalk!
Thank You DAMS!

Dr. Bhavesh M.
AIIMS Rank-1, May-2019
PGI Rank-1, May-2019
JIPMER Rank-5, May 2019

I Joined Bangalore regular batch in

March 2019 and it has been a great experience being associated with DAMS. The things that helped me the most were:

eMedicoz - AIIMS Capsule

- PGI Previous Papers

- AIIMS Previous Papers

- FB DAMS Club

- AIIMS CBT

I owe my success to DAMS, Thank you for all the motivation.

Dr. Ranjan Kumar Sahoo
AIIMS Rank-2, May-2019

I take this opportunity to thank all faculty members of DAMS. T&D sessions of DAMS were very very helpful for giving that extra edge.

The questions were spot on with all the updates and predictions because of which I could clear PGI and JIPMER with such ease. Special mention for Dr. Deepti Bahl Ma'am, Dr. Saurabh Dixit Sir, Dr. Sachin Arora Sir. I really enjoyed your classes. Thank You.

Dr. Ashok Dudhwal
AIIMS Rank-3, May-2019

I joined DAMS during my 6th Sem. As a foundation student I attended find proff subjects during 6th & 7th Sem. Then I continued to attend

first and second proff subjects during my 8th Sem. I did DAMS T&D during Internship. DAMS classes are good and the notes made there are really relevant from exam point of view. I added things from standard textbooks to DAMS notes and those notes were really useful for final revision. Thank you so much all DAMS Faculties.

Dr. Hemant Amardeep
AIIMS Rank-5, May-2019
PGI Rank-3, May-2019
JIPMER Rank-8, May 2019

I had joined DAMS in the foundation course and really enjoyed the classes by various faculty whose notes helped me in both my professional exams & Entrance exams.

T&D whose was helped in sticking to a schedule during PG preparation to complete this vast syllabus. They also simulate the environment of the actual exam which help in reducing stress levels.

Dr. Deepak Garg
PGI Rank-4, May-2019

DAMS is the best institute in the country for PG Preparation. I have joined 3years foundation

course in DAMS. I heartily thank the amazing mentor Dr. Sumer Sethi Sir, & Dr. Deepti Bahl Ma'am. DAMS has provided me very useful resources for my PG preparation like CRS, MCQs, Facebook updates, eMedicoz app, Online Grand test series, Online Subject wise test series, all of which were very helpful for my PG preparation.

Dr. Iftekhar Khan
PGI Rank-6, May-2019

I am extremely indebted to DAMS for helping me in the journey of PG entrance examinations.

I have been a foundation (2016) & T&D (2018) student @DAMS. All the class notes were gold standard & formed the foundation of my preparation. DVT has been a roller coaster ride & DAMS has surely been an integral part of it.

Dr. Praveen Kumar
JIPMER Rank-1, May-2019

I am from Coimbatore Medical College 2012 batch. I had joined DAMS test series on May 2018.

It was very useful. I have attended all the grand tests. The quality of Questions are very good. The video solutions were excellent. Thank you so much all DAMS Faculties.

Dr. Darshan Patel
JIPMER Rank-2, May-2019

I would like to thank the whole DAMS family for their support and guidance. DAMS CBT has been a great experience and very helpful for my PG preparation. I wish DAMS all the best and thanks to faculty members for helping us at our crucial times.

Dr. Nikhil Vojjala
JIPMER Rank-3, May-2019

I Joined DAMS CBT & NIMHANS Crash Course in January 2019 and it has been a great experience associated with DAMS.

The things that have helped me are

- NIMHANS Crash Course
- NIMHANS Modules
- DAMS NEET CBT

Dr. Mohamed Ilyas
JIPMER Rank-4, May-2019

I am deeply indebted to all the faculty members of DAMS for helping me achieve my dream. All the teachers of DAMS are really great.

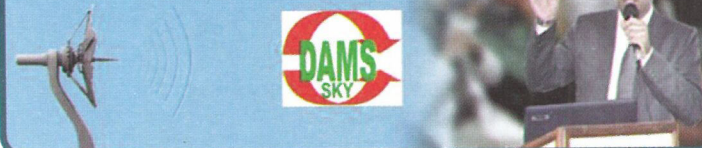

DAMS has provided us very useful resources for PG preparation like CRS, MCQs, Facebook club, eMedicoz app, Online test series, CBT. In DVT, image based questions are very helpful that helps us understand what type of questions can come in the exam. Never settle for less, be ambitious.

DAMS-SKY

Best teachers at your doorstep

India's First Satellite Based PG Medical Classes

India's First Satellite Based PG Medical Classes

Ancient times' Guru shishya pranaali of imparting education was by the Guru at Guru's premises /Ashrams. Ages passed, social patterns changed, villages turned into towns, towns to cities & metros. Civilization progressed with "Education". For good education, students had to migrate to better places. Now technology development removed these constraints and barriers. Today, the best education of metros is available in-house anywhere including the remote areas. Quality education with teaching by the renowned professors and faculty is available at recipient's facilities. Best education in the environment of your choice.

Medical Tele-Education is the Brain Child of Dr. Sumer Sethi, our director, widely known for his vision and innovations in the field of PG Medical Education vertical. He is also one of the pioneers in the field of Teleradiology & Tablet based learning programme called as iDAMS.

Concept of Satellite Classes

One acute problem faced by the coaching class industry is paucity of competent faculty. This constraint imposes limitations on expansion beyond geographical boundaries. Satellite learning Programme addresses this problem effectively without losing the quality of coaching. An out of the box learning experience, Satellite Learning Program has two-way audio-video facilities consisting of three major elements:

1. Teaching End
2. Remote Learning Centers called "Classrooms" and
3. The Satellite

Number 1 Technology being offered by DAMS-SKY classes

Studio transmissions are at high bandwidth rates of approx 1000 Kbps. This leads to superior audio and video quality. DAMS-SKY system is two-way interactive for voice, video and data, wherein several classes are visible in full clarity to the Faculty at the same time. The Faculty can zoom into any classroom and see the students clearly, and talk to them. Each Center has two additional voice lines which can be used by Center/Students to communicate with the studio or faculty. Through the Smart Assessment System, students' attendance, MCQ-response and text messages reach the faculty instantly.

Separate "Live Classes" for Different Batches

- Regular Course- Weekend course for final MBBS, Interns & Post Interns- Detailed Classes, Exclusive Study material, Online Grant Test Series & Subject wise Series & Famous DAMS Exclusive Club on Facebook.
- Special course for 1st MBBS students.
- Special course for 2nd MBBS students.
- Special course for 3rd MBBS students.
- Special course for final MBBS students.
- Crash Course-Starts in July every year.
- Test & Discussion Course

Our Courses at DAMS-SKY

DAMS which is widely recognized today as the leader and number one academic institution in PGME vertical, has helped lakhs of students to realize their dreams over the last two decades. And now we want to bring the same DAMS advantage via technology to students in cities where classroom courses are not available.

MCI SCREENING COURSES

DAMS has arrived in style in this segment.

MCI screening passing rates were generally believed to be low, before we started exploring this side. Our focused efforts have consistently given high percentage selection in MCI screening. Nowadays MCI screening exam has been showing a variance in trend with trickier MCQs and PGME like questions, which need proper coaching. DAMS, being a consortium of more than 100 post graduate specialist teachers, has the knack of predicting MCQs & helping FMGs achieve their dreams.

MCI COURSES:

- ❖ REGULAR COURSE
- ❖ SEMI-REGULAR COURSE
- ❖ TEST AND DISCUSSION
- ❖ VACATION COURSE

The Foreign Medical Graduates will soon have to appear for NEXT which will be The Licensing Exam as well as the exam for entry into Post Graduation.

So, our request to MCI Screening aspirants is to choose the leaders in Medical Education, who are in PG Medical Exam segment for the last **two decades** and have presence across India and are most adapted to the changing pattern. Special Practical Courses for clearing The Licensing Exam are also available for Foreign Medical Exam.

EXCLUSIVE FEATURES:

- ❖ RAPID REVIEW SERIES (RRS)
- ❖ T-150 QUESTION BANK FOR FMGE

DAMS USMLE EDGE

USMLE or Unites States Medical Licensing examination is an exam taken by Medical Graduates anywhere in the world to be able to undergo a residency in USA. USMLE is taken in 3 Steps **Step-1, Step-2 Ck, Step-2 CS**

The USMLE assesses a physician's ability to apply knowledge, concepts and principles and to demonstrate fundamental patient-centered skills, that are important in health and disease and that constitute the basis of safe and effective patient care.

DAMS is conducting USMLE Step-1 Live Classes in Delhi and V-Sat Classes all over India.

DAMS PACKAGES FOR USMLE

- ♦ 20 weeks classroom face to face live lectures, 24 weeks V-sat program for USMLE Step 1
- ♦ 3-4 days of the week
- ♦ Online Q bank , topic wise and subject wise For Step 1 and Step2 Ck
- ♦ Complete academic and application Counseling
- ♦ Mentorship and assistance for USMLE Applications and academic support
- ♦ Residency Application Help
- ♦ Visa counseling , Travel/Relocation Information
- ♦ Over 400 lecture hours
- ♦ 4-6 hours per class
- ♦ Full length exams
- ♦ Help with paper work for Electives / Observership
- ♦ Help with Observership and Clerkships

Get started by requesting your complimentary personal consultation and counseling.
Online app based Test & Discussion for USMLE Step - 2 CK available on (eMedicoz).

iDAMS - Award Winning

TABLET BASED LEARNING PROGRAMME

Another Pioneering Effort by the Number 1 Institution in the Country

iDAMS Program is a tablet based complete distance product that combines the best of classroom learning and self-study. iDAMS program gives access to real time lectures along with test papers to test your skills.

DAMS RESIDENT TRAINING PROGRAM (DRTP) AVAILABLE ON eMEDICOZ

EVOLUTION OF THE PROGRAM CONCEPT

We at DAMS are the leaders in PG teaching but the question to be answered is what's next. The answer was simple: to start a program for the residents. Now the question was, which subject do we start with, we wanted to cater not one but all streams, the answer was a clear one which was for all the students: Research.

RATIONALE OF THE PROGRAM

Research in India is still lagging behind at the global front, the reason is not lack of opportunity (example as noble prize for economics 2015 was awarded to Angus Deaton, a Scottish- American researcher with his entire research work in India) it is about the the vision, the orientation and the attitude. This is where we at DAMS will harness your potential by mentoring and guiding you about all aspects of research.

(Go to Courses Section and click on 'Research Methodology')

BLS/ACLS

BLS/ACLS COURSES IN DELHI CENTER

DAMS now offers American Heart Association certified BLS/ACLS courses at Delhi center. This is part of DAMS vision to be a one stop center for all your needs as a medical student.

Basic life support (BLS) is a level of medical care which is used for victims of life- threatening illnesses or injuries until they can be given full medical care at a hospital.

Advanced cardiac life support or advanced cardiovascular life support (ACLS) refers to a set of clinical interventions for the urgent treatment of cardiac arrest, stroke and other life-threatening medical emergencies, as well as the knowledge and skills to deploy those interventions.

BLS/ACLS COURSES FEATURES

- BLS is one day course.
- ACLS is two days course.
- It will be done by trainer on dummy with the batch and then American Heart association certification will be provided.

Note :- ACLS can be done only if you have done BLS before.

Grand Test on 3rd Sunday of Every Month

MDS Quest

About DAMS MDS Quest

DAMS MDS Quest has become, in a very short span of time, a well established name in the field of Dental PG Entrance Education under the able the guidance of Dr. Sumer Sethi and Dr. Gaurav Ram Chandani --both of whom are renowned and well known personalities in the medical and dental fields respectively. The main aim was to strengthen the foundation of and lend a competitive edge to the MDS aspirants of this nation which has been lacking since the past decade. Here at DAMS we let the students do the talking; first via their ranks in various competitive exams and second by their rave reviews about the kind of guidance provided.

With an experience of over two decades in medical field and top notch ranks in various nationwide competitive exams we have a very good understanding of students' expectations from our lectures. Thorough understanding of each subject in a manner that helps students to face even the trickiest multiple choice questions, requires not merely a few hours per subject, but rather 4-5 days. Our faculties are well trained and experienced in the face of changing examination pattern. Ours is the only coaching academy of the nation that encourages the students to talk to our previous batch rankers before joining. We believe in fair means to provide quality and best coaching. Students across India are currently pursuing our regular and V-SAT lectures at multiple centres. We let our students do the talking.

Words of wisdom- Trust only those who have cracked multiple entrance exams and are active in this field passionately.

COURSES OFFERED

Dental Regular Course

This is the premier course offered by DAMS, with detailed classes of both medical and dental subjects in DAMS Delhi & Jaipur Centers. Our main asset for this course is our faculty which is a mix of young MDS toppers and experienced faculty members who will mentor you for success in MDS entrance examination.

Dental Postal Course

We are the only academy in India where study material is refined after every session. This is done keeping in mind the changing scenario in exam pattern nowadays. Ours is the only academy whose study material is prepared according to NEET. This material is prepared by our experienced faculty.

Dental Test Series

Do u know why ours is the BEST MATERIAL in terms of test series?

Our test papers are prepared by a separate examination section with faculties of each subject with inputs from the teaching faculty and past and present rankers.

They are well versed with the patterns of both medical and dental exams and questions are prepared accordingly. We use authentic questions which are provided with well versed and concise explanations to cover all the topics and make them understandable. If the students still have doubts, then our faculty members are always available to clarify the doubts/topic.

Dental Regular & TnD via V-sat

V-SAT- A new and emerging concept!!

First of its kind in India where students will be able to attend classes through V-SAT all over India.

Other Features

Last But Not The Least

DAMS MDS Quest Club on FACEBOOK- All subject faculties are available even on Facebook. So once your classes or tests are over and still some doubts persist, you can directly ask the concerned faculty. Regular subject wise updates are also done.

Memorandum of Understanding

This agreement is between Dr Arvind Kumar (Belgaum Franchise of Delhi Academy of Medical Sciences Private Limited) referred as first party and Principal/management board of Jawaharlal Nehru Medical College, Belgaum referred as second party.

Arvind Kumar

Lessor

Statutory Alert:

1. The authenticity of this Stamp certificate should be verified at 'www.shcilestamp.com' or using e-Stamp Mobile App of Stock Holding. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

Lessee

First party is authorised to run satellite classes of Delhi Academy of Medical Sciences Private Limited in Belgaum city of Karnataka and presently running these classes in 'JNMC' campus Belgaum.

As second party is interested to continue running the satellite classes in JNMC campus and agreed to following logistics and requirements:

1. These satellite classes are conducted 7 days a week and timings ranging from 7 am to 9:30 pm. Therefore, it will need a dedicated space all days (including Sunday) from 7 am to 9:30 pm.

2. These classes offers multiple courses like pre foundation (for first and second year MBBS students, approximate duration 6-7 months), foundation (third and fourth year MBBS students, approximate duration 7-8 months), regular & tnd medical (for interns and post interns MBBS, approximate duration 7-8 months), and tuitions (for first and second year MBBS, variable duration). regular & t&d dental (for BDS students, interns and post interns BDS, approximate duration 7 months), USMLE course (for all MBBS students, approximate duration 7 months). These courses classes are conducted on different days of weeks.

3. To conduct classes projector, screen, amplifier, speakers, desktop, electricity and internet are essential requirement.

4. There are two channels through which satellite classes are relayed. Channel one relays pre-foundation, foundation, medical test & discussion and regular course. Channel two relays dental test & discussion, regular, and USMLE courses. For this two class rooms (seating capacity 150 students) will be needed.

Lessor

Amirul Kumar
Lessee

4.Space of approximately 4 by 4 metres free from any obstruction like trees or buildings required on roof top for installation of disc needed for satellite signals.

5.Two full time executive from first party will be there to do administrative work related to conducting these classes.Their entry should be unrestricted in the college campus.

7.One notice board of at least 4 by 2 feet dimensions will be required to put information regarding classes or administrative work nearby class room.

8.If there is technical fault, engineers from DAMS might need to visit the site.There should be unrestricted entry for them after their verification with ID.

Now both the parties agreed to following terms and conditions

1.This agreement will be valid for five years after signing of this MOU by both parties and will be valid even if Principal JNMC retires or is changed.

2.The first party agrees to give 2% concession to the JNMC students. but sometimes in special cases DAMS also provide concession, during such situations the students should choose only one concession.

3.The first party will pay all the franchise fees to DAMS which is essential to run these classes.

4.The first party will pay the salary of executives who are presently working with the first party.

5.The first party will need that all the MBBS and BDS students must join any one of the courses offered by DAMS, i.e it should be compulsory for all the JNMC students to join the said courses including NRI students.

Lessor

Amit Kumar

Lessee

6.The second party will have no objection-if non-JNMC students join the course.

7.The second party will be responsible for the proper functioning of projector, screen, amplifier, speakers, desktop, electricity and internet.

9.The second party is not eligible for any commission or percentage sharing of revenue or profit.

10.The courses fees to be decided by DAMS head office.

11.The second party will not allow any other coaching or training institute in the JNMC campus offering same or similar courses.

12.The second party is free from bearing the cost of faculty payments,study material or courier charges.

13.The second party will have no objection for promotional activities by first party in the campus like putting posters at appropriate space and face to face meeting with the students.

14.The first party will provide orientation or demo classes to the students in the JNMC campus for which second party will have no objection and will provide suitable help and resources.

15.The second party will allow students to attend classes and free them from duties during class hours.The first party will regularly provide attendance of the students to second party.

Career Guidance to MBBS Students from

Delhi Academy of Medical Sciences Classes Brief Report

DAMS is a pioneer in the segment of objective based medical learning and they offer courses for both theory and practical aspects of NEET and NEXT exam. So to help our JNMC MBBS students in the preparation of NEET and NEXT exam, J N Medical College, Belagavi has entered a Memorandum of Understanding (MOU) with Delhi Academy of Medical Sciences (DAMS) from 28th October 2020 for the period of 5 years. Under this MOU, DAMS runs satellite class for undergraduate MBBS students in JNMC campus for 7 days a week with timings ranging from 7 am to 9.30 pm. It offers multiple courses like Pre Foundation for first and second year MBBS students for 6-7 months, foundation course for third and fourth year MBBS students for 7-8 months and regular classes for interns and post interns for 7-8 months. It also conducts USMLE course for 7 months. Regular exams are also conducted for the students which will help them in preparation for NEET and NEXT exams. DAMS also provides 2% concession in fees for JNMC students.

A Constituent unit of KAHER

Ref: BMK/Circular - 1/2021-22/ - 289

22nd Feb 2022

CIRCULAR

As a part of Career Guidance, a guest lecture is arranged on the topic - Preparation for Competitive Examination for Interns (2016 batch) on (Thursday) 24/02/2022 at AV Hall from 10 am to 5 pm.

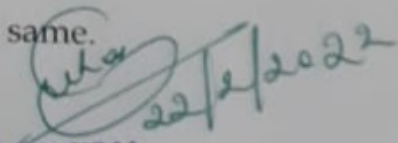

To appreciate the talent of our alumni's felicitation is arranged to Dr. Soumya -2014 batch and Dr. Ravikumar - 2015 batch for attaining PG seat at National Ayurveda Colleges, AIIA, New Delhi and NIA, Jaipur respectively.

Hence, it is requested to all faculty members to attend function at 10.00 am at above venue and grace the occasion.

Resource Person:

Dr. Nagaraj S.
Medical Superintendent
S.D. M. College of Ayurveda & Hospital
Udupi.

Dr. R.V. Sanapeti, Interns Coordinator will coordinate the same.

PRINCIPAL

Shri B. M. Kankanawadi
Ayurved Mahavidyalaya
A Constituent Unit of KAHER
Shahapur, BELAGAVI-03.

To,

**All Faculty members
Interns (2016 batch)**

Cc to:

1. PA to Principal - for information.
2. Vice-Principal - for information.
3. AV Hall - for information and necessary arrangement for the same.
4. Interns Coordinator - for information and to act.
5. Coordinator Guest Lecture - for information and to act.
6. Supervisor - for information and necessary seating arrangements.

Report on: Orientation Program on Competative Examinations for Internees -2017 batch

S.No	Contents	Remarks
1)	Name of the Department	Career Guidance & Placement, BMK Ayurveda Mahavidyalaya,&Hospital , Belagavi
2)	Name of the event organized	IKSHANA 2022
3)	Title of the event	: Orientation Program on Competative Examinations for Internees -2018 batch
4)	Date of the event organized	28-12-2022
5)	Name of the coordinators of the event	Dr. Rajshekhar V Sanapeti HOD & professor, Dept. of panchakarma Chairman, Career Gudance & Placement KAHER's Shri.B.M.K Ayurveda Mahavidyalaya,Belagavi
6)	Class of the participant	Interns -2017 batch
7)	No. of participant (Student + Staff)	91
8)	Contact Number and Address of the expert	Dr. Rajshekhar V Sanapeti Associate professor, Dept. of panchakarma Chairman, Career Gudance & Placement KAHER's Shri.B.M.K Ayurveda Mahavidyalaya,Belagavi Ph:9611442881
9)	Objective of the event	To familiarize intership students regarding the Question paper patterns, Reading methods, syllabus, tyes of Questions
10)	Outcome of the event	After orientation program, all interns are capabale prepare and read efficiently, understood the reading patterns and got confident to get through exams
11)		Photo gallery inauguration

GPAT Coaching Classes 2023

All the final and third year students are hereby informed that GPAT coaching classes will commence from January 2023 in blended mode. Classes will be taken by concerned faculty and subject experts. In addition relevant subject related video lectures will be screened as a part of coaching. Also information will be shared through competitive corner and other ICT modes. Students appearing for GPAT-2023 are advised to make best out of this coaching classes. For coaching schedule and further details contact student research coordinator and GPAT 2023 coaching in-charges Dr. Nithyananda Shastry, Associate Professor, Department of Pharmacognosy (Ph:9342250794, dnshastry@yahoo.com), Dr. Bhuvaneshwari Sharannavar, Associate Professor, Department of Quality Assurance, Ms. Pooja Kagawad, Assistant professor, Department of Pharmaceutical Chemistry.

KLE College of Pharmacy, Belagavi
GPAT-2023 Coaching Schedule

Class No.	Date	Topics to be covered
1	03.02.2023	<i>Physical chemistry basics</i> – <i>physical states of matter</i> – <i>Colligative Properties</i>
2	03.02.2023	<i>Physical Pharmacy basics</i> – <i>properties of matter</i>
3	07.02.2023	<i>General principles of organic chemistry</i> – <i>overview of bonds, types, hybridization</i>
4	07.02.2023	<i>Pharmaceutical Inorganic Chemistry Basics</i> – <i>Pharmaceutical Impurities</i>
5	10.02.2023	<i>Basics of pharmaceutics</i> – <i>Introduction to dosage forms</i> – <i>Salient features of different dosage forms</i>
6	10.02.2023	<i>Pharmacology: Basics of Pharmacodynamics</i> – <i>drug action, Receptors, classification and drug-receptor interactions, factors modifying drug actions.</i>
7	14.02.2023	<i>Pharmacology: Basics of Pharmacokinetics</i> – <i>Cyp enzymes, Drug transporters,ADME</i>
8	14.02.2023	<i>Principles of toxicology,</i> – <i>Basis of adverse reactions,side effects</i>
9	17.02.2023	<i>Basics of Pharmacognosy</i> – <i>Classification of crude drugs</i>
10	17.02.2023	<i>Spectroscopy</i> – <i>General principles of</i> – <i>Ultraviolet-visible Spectrometry</i> – <i>IR, NMR</i> –

Class No		Topics to be covered
11	21.02.2023	<i>Biochemistry:</i> – <i>Basics of biomolecules Carbohydrates, Proteins, Lipids and Nucleic acids</i>
12	21.02.2023	<i>Pharmaceutical biotechnology basis</i> – <i>Plant Cell and Tissue Cultures,</i> – <i>Overview of transgenic plants</i>
13	24.02.2023	<i>Microbiology and its relevance to pharmacy</i> – <i>Concepts of sterilization, testing and Validation</i>
14	24.02.2023	<i>Microbiology and its relevance to pharmacy</i> – <i>Disinfection, Concepts of aseptic area, clean rooms</i> – <i>Microbial products and assays,</i>
15	28.02.2023	<i>Basic principles of pathophysiology</i> – <i>Cell injury and adaptation</i> – <i>Apoptosis and necrosis</i>
16	28.02.2023	<i>Basics of Bio-Pharmaceutics</i> – <i>ADME, Factors affecting absorption</i> – <i>Physicochemical properties of drugs</i>
17	03.03.2023	<i>General Principles of Clinical Pharmacy</i> – <i>Prescribing and administration of drugs</i> – <i>Monitoring and managing drug use</i>
18	03.03.2023	<i>Basics of Cell Physiology(HAP)</i> – <i>Study of cell structure and function</i> – <i>Cell cycle regulation</i>
19	07.03.2023	<i>Pharma engineering</i> – <i>Basics of fluid flow and heat transfer</i> – <i>Unit operations</i>
20	07.03.2023	<i>Basic concepts of Pharmaceutical Management</i> – <i>Types, basic concepts of management</i> – <i>R&D marketing management</i>
21	10.03.2023	<i>Pharmaceutical Jurisprudence:</i> – <i>Drug legislation in India,</i> – <i>Code of Ethics</i>
22	10.03.2023	<i>Pharmaceutical Jurisprudence:</i> – <i>Pharmacy Act 1948,</i> – <i>Drugs and Cosmetics Act 1940</i>
Class No		Topics to be covered

23	14.03.2023	<i>Physical chemistry basics</i> – <i>Solutions , Suspensions and emulsions</i> – <i>Electrochemistry</i>
24	14.03.2023	<i>Physical Pharmacy basics</i> – <i>Micromeritics and powder rheology</i> – <i>Surface and interfacial phenomenon</i>
25	17.03.2023	<i>Nomenclature of Different classes of compounds</i> – <i>with emphasis on Heterocycles</i>
26	17.03.2023	<i>Pharmaceutical Inorganic Chemistry</i> – <i>Monographs, tests & their importance</i> – <i>Isotopes & radiopharmaceuticals</i>
27	21.03.2023	<i>Formulation development of liquid dosage forms</i> – <i>syrup, elixir, linctus, lotions, liniment,</i> – <i>solutions, spirits, ENT preparations,</i>
28	21.03.2023	<i>Neurohumoral transmission</i> – <i>Pharmacology of various neurotransmitters.</i> – <i>classification, mechanism of action and therapeutic uses of selected CNS drugs</i>
29	24.03.2023	<i>Pharmacognosy</i> – <i>General Principles of plant classification</i> – <i>Medicinal significance of important plants</i>
30	24.03.2023	<i>Overview of Titrations and relevant MCQ's</i> – <i>Acid-base titrations</i> – <i>Non-aqueous titrations</i> – <i>Oxidation-reduction titrations</i>
31	28.03.2023	<i>Enzymes and pharmacology of enzyme inhibitors</i> – <i>Enzyme inhibition, types</i> – <i>Notable enzyme inhibitors</i>
32	28.03.2023	<i>Introduction to animal cell culture</i> – <i>Applications and techniques</i> <i>Transgenic animals</i> – <i>gene knockout models</i>
Class No		Topics to be covered
33	04.04.2023	<i>Microbial assays</i> – <i>dilution, turbidimetric</i> – <i>titrimetric, gravimetric and diffusion methods</i>

34	04.04.2023	<i>Pathophysiology</i> – Disorders of homeostasis – Disorders of fluid, electrolyte and acid-base balance
35	07.04.2023	<i>Bio-availability & Bio-equivalence</i> – Concepts , – Quality parameters of dosage forms. – Assay methods & its validation
36	07.04.2023	<i>Physical Chemistry concepts emphasis(MCQ's)</i> – Refractive index , equilibrium , Kinetics
37	11.04.2023	<i>Dispersion systems</i> – Colloidal dispersions – Suspensions and emulsions
38	11.04.2023	<i>Physical pharmacy concepts</i> – Complexation, Buffers and Solubility
39	15.04.2023	<i>Chemistry of aromatic compounds</i> – Aromaticity, Aromatic hydrocarbons. Phenolic compounds. – Aromatic amines. Aromatic nitro- compounds, – aryl halides, & ethers.
40	15.04.2023	<i>Carbonyl Chemistry</i> – chemistry involving group conversions – their reaction mechanisms – selected rearrangements
41	18.04.2023	<i>Medicinal Chemistry and pharmacology of anaesthetics</i> – Types, Classification – Mechanism of action
42	18.04.2023	<i>Pharmaceutics</i> – Concepts and MCQ's on Powders ,Capsules, Tablets – Advanced drug delivery systems
43	21.04.2023	<i>Pharmacology of central nervous System drugs</i> – Sedatives, hypnotics – centrally acting muscle relaxants – Anti-epileptic drugs –
Class No		Topics to be covered
44	21.04.2023	<i>Heterocyclic Chemistry</i> – IUPAC Nomenclature – Five and six-membered rings containing mono- & di-heteroatoms

45	25.04.2023	<i>Pharmacology, basic chemistry, mode of action, SAR of</i> <ul style="list-style-type: none"> - <i>Antibiotics, Antimalarials, Antiamoebic</i> - <i>Anthelmintic agents.</i>
46	25.04.2023	<i>Pharmaceutics</i> <ul style="list-style-type: none"> - <i>Concepts ,MCQ's on liquids, Suspensions & Emulsions</i>
47	28.04.2023	<i>Principles of spectroscopy</i> <ul style="list-style-type: none"> - <i>Infrared spectrometry</i> - <i>Flame photometry & atomic absorption spectrometry</i>
48	28.04.2023	<i>Advanced Pharmaceutics</i> <ul style="list-style-type: none"> - <i>Novel Drug delivery systems &</i> - <i>Prolonged Action Pharmaceuticals</i>
49	02.05.2023	<i>Biotechnology concepts</i> <ul style="list-style-type: none"> - <i>Industrial Microbiology</i> - <i>Biotechnology Derived Products</i>
50	02.05.2023	<i>Pharmaceutics</i> <ul style="list-style-type: none"> - <i>Preformulation Considerations,</i> - <i>Dosage Form Necessities and Additives</i>
51	05.05.2023	<i>GMP and Validation</i> <ul style="list-style-type: none"> - <i>Basics of quality assurance</i> - <i>Importance and Types of Validation</i>
52	05.05.2023	<i>Heterocyclic Chemistry :</i> <ul style="list-style-type: none"> - <i>Basics of hetrocyclics</i> - <i>Nomenclature</i> - <i>Drugs containing quinoline,</i> - <i>isoquinoline,benzoxazole,</i> - <i>benzothiazole, benzimidazoles</i> - <i>Examples of Drugs in use with structure</i>
Class No		Topics to be covered
53	09.05.2023	<i>Pharmacology basics</i> <ul style="list-style-type: none"> - <i>Biochemical role, biosynthesis of Eicosanoids.</i> - <i>Prostaglandin /cyclins, & thromboxanes.</i>
54	09.05.2023	<i>Recombinant DNA Technology</i> <ul style="list-style-type: none"> - <i>Basic concepts</i> - <i>Process and Applications</i>

55	12.05.2023	<i>Pharmacology, basic chemistry, mode of action, SAR of Hypertensive, antihypertensive, & antianginal agents.</i>
56	12.05.2023	<i>Immunology</i> <ul style="list-style-type: none"> – <i>Immunostimulants and immunosuppressants</i> – <i>Vaccines & Sera</i>
57	16.05.2023	<i>Stereochemistry Concepts</i> <ul style="list-style-type: none"> – <i>Chirality & asymmetry</i> – <i>Enantiomers, diastereomers, racemic mixtures</i>
58	16.05.2023	<i>Pharmaceutics</i> <ul style="list-style-type: none"> – <i>Concepts ,MCQ's on Semisolids ,Aerosols & Ophthalmic preparations</i>
59	19.05.2023	<i>Chemistry concepts relevant to</i> <ul style="list-style-type: none"> – <i>quantitative structure-activity relationship</i> – <i>Combinatorial chemistry</i>
60	19.05.2023	<i>Unit operation in Pharmaceutical engineering</i> <ul style="list-style-type: none"> – <i>Evaporation, Distillation, Drying Crystallization Filtration and Centrifugation</i>

For B.Pharm Program

Scheme for awarding internal assessment : Continuous mode

THEORY		
Criteria	Maximum Marks	
Attendance (Refer Table - XII)	4	2
Academic activities (Average of any 3 activities e.g. quiz, assignment, open book test, field work, group discussion and seminar)	3	1.5
Student - Teacher Interaction	3	1.5
Total...	10	5
PRACTICAL		
Attendance (Refer Table - XII)	2	
Based on Practical Records, Regular viva voce, etc.	3	
Total...	5	

Guidelines for the allotment of Marks for Attendance

Percentage of Attendance	THEORY	PRACTICAL
95 - 100	4	2
90 - 94	3	1.5
85 - 89	2	1
80 - 84	1	0.5
LESS THAN 80	0	0

Class : VI & VIII Semester B.Pharm

Subject : GPAT Coaching Class Theory / ~~Practical~~

KLE

**COLLEGE OF PHARMACY
BELAGAVI.**

REGISTER OF ATTENDANCE

FOR THE MONTH OF Feb - May 2023

Class : GPAT & Competitive Exam Division : B.Pharm

Date: 21.12.2022

CIRCULAR

All B Pharm IV Year Students enrolled for GPAT Coaching are hereby informed to attend the classes which is scheduled from January 2023 to March 2023

GPAT COURSE PLAN FOR THE YEAR 2021-2022

Sl. No.	Date	Topics to be covered
1	8-1-2022	Colloidal dispersions: Definition, types, properties of colloids, protective colloids, application of colloids in pharmacy. b. Suspensions and emulsions: Interfacial properties of suspended particles settling in suspension, theory of sedimentation, effect of Brownian movement, sedimentation of flocculated particles, sedimentation parameters, wetting of particles, significance of electrical properties in dispersions, controlled flocculation, flocculation in structured vehicles, rheological considerations, emulsions: types, theories, physical stability.
2	15-01-2022	Tablets: Types, ideal requirement, classification, granulation methods, general formulation, compression machines, different types of tooling's, difficulties in tableting, troubleshooting aspects, evaluation, sugar coating, compression coating, film coating, problems in tablet coatings and their troubleshooting aspects. IP formulations.
3	22-01-2022	Principles of organic chemistry: A brief review of classification & sources of organic compounds, sp^3 , sp^2 , sp hybridization, sigma & pi- bonds, bond lengths, bond angles & bond energies along with their significance in reactions should be carried out. An overview of bond polarization, hydrogen bonds, inductive effects, resonance, and hyperconjugation be taken. Concept of homolytic & heterolytic bond fission, acidity & basicity with different theories should be covered briefly. Ease of formation & order of stabilities of electron deficient & electron rich species along with the reasons for the same should be covered. Relationships between energy content, stability, reactivity.
4	29-01-2022	Heterocyclic chemistry: IUPAC Nomenclature of heterocyclic rings [3-10 membered] containing O, S, & N atoms. Nomenclature of above rings containing mono-, di-, & multiple [same or different] hetero atoms should also be covered. Nomenclature of 2 & 3 fused rings containing mono-, di-, & multiple hetero atoms [same or different] should also be covered. Syntheses & reactions of three to six membered rings in detail. Syntheses of five & six-membered rings containing mono- or any diheteroatoms [O, S, & N]. Syntheses of quinoline, isoquinoline, benzoxazole, benzothiazole, & benzimidazole, benzotriazole, and benzothiazole.
5	29-01-2022	Pericyclic reactions: Concept of HOMO & LUMO. Drawing of HOMO & LUMO of 1, 3-butadiene, allylic cation, radical & anion, & 1, 3, 5-hexatriene, Diel's-Alder & retro Diel's Alder reaction.

Date: 5/01/2022

Sl. No.	Date	Topics to be covered
6	05-02-2022	General principles of chemotherapy: Sulphonamides and co-trimoxazole. Antibiotics- Penicillins, cephalosporins, chloramphenicol, Macrolides, quinolones and fluoroquinolones, Tetracyclines. Aminoglycosides and miscellaneous antibiotics. Chemotherapy of tuberculosis, leprosy, fungal diseases, viral diseases, AIDS, protozoal diseases, worm infections, urinary tract infections and sexually transmitted diseases. Chemotherapy of malignancy.
7	12-02-2022	Proton nuclear magnetic resonance spectrometry: The principle involved in the technique. Knowledge about fundamental terms involved such as quantized absorption, flipping of nucleus, spin number, magnetic moment, magnetogyric ratio, relaxation, etc. Equations relating these terms to the frequency of radiation & magnetic field. Types of relaxation processes. Low & high-resolution instruments. A brief discussion on the low-resolution instrumentation [60 MHz]. Quantitative knowledge of the relationship between MHz & magnetic field. An introduction to superconductivity magnets. Solvents & reference standards used. Setting up of NMR scale. Sample preparation. Shielding & deshielding of a proton & its effect on chemical shifts. Discussion on & importance of equivalent & non-equivalent protons [number of signals], chemical shifts [position of signal] & their calculation from the spectrum, chemical shifts of different H's, splitting [multiplicity] of a signal, coupling constants [J values], integration [area under the signal]. Importance of these terms in identification [or confirmation] of different functional groups. Significance & contribution of J value in stereochemistry. Prediction [expected theoretical values] of chemical shifts & multiplicities for all protons from simple structures containing up to 12-15 carbons. An introduction to FT-technique & its significance in ¹³ C-NMR spectrometry.
8	19-02-2022	Mass spectrometry: Principle. Low & high-resolution instruments. Components & importance of each in brief. Different types of mass spectrometric techniques. Brief knowledge of Chemical Ionization mass spectrometry. Calculations of hydrogen deficiency index [HDI] or unsaturation index [UI]. Base or parent peak, molecular ion, M + 1, M + 2 peaks. Calculations of molecular weight based on M + 1 & M + 2 peaks. Formation of molecular ion & further fragmentation. Rearrangements in mass spectrometry. Major modes of fragmentations of hydrocarbons, hydroxyl compounds, halogen compounds, aldehydes, ketones, carboxylic acids, and amines. Introduction [only] to recent advances in MS.

**Guest talk on “Career Opportunities in Pharma”
Date: 09-04-2022**

Speaker- Mr. Sunil Attavar, Chairman & Managing Director Group Pharmaceuticals Ltd, Bengaluru

Mode: Offline

Guest talk was organized by the Training and Placement Cell, on 09-04-2022 in the Asha Kirana at 11:00am on Saturday. Participants were IV Year B.Pharm, V Pharm.D & M.Pharm Students and teaching Staff. Mrs. Dimple Pirgal welcomed the gathering and Dr Bhagya V Rao given a brief introduction of guest speaker. Vote of thanks was given by Dr Mamatha in the end. 45 participants attended the guest talk and the main highlights of the talked were about the Career Opportunities in Pharma.

About GERMAN ASPIRATION

German Aspiration is a professionally managed career scouting service representing and promoting world leaders in skill development, WBS Training which is supported by the Government of Germany, Ministry of Education. German Aspiration does handholding of candidates all the way from skill development to completing vocational training programs in Germany and ultimately beginning their professional journey in Germany.

Pioneers in Training

We offer precise training methods for you, which means assured international standard training. The skill development programs allow you to work seamlessly in leading German environments.

REGISTRAR
KLE Academy of Higher Education
and Research, BELAGAVI

KLE Academy of Higher Education
and Research, BELAGAVI

About KAHER

KAHER is a deemed to be University consisting of 9 constituent units. The Institute of Nursing Sciences was established in May 1987 and recognized as one of the top institution in India. All the courses offered by institution are recognized by apex bodies like Indian Nursing Council, Karnataka Nursing Council and Govt. of Karnataka. The institution attached to own parent hospital i.e. KLES Dr.Prabhakar Kore Hospital & MRC with 2400 bed strength and 256 ICU beds accredited with NABH safe 'I' & NABL accredited laboratories, KLES Belgaum Cancer Hospital & KLES Centenary Charitable Hospital.

Scope of understanding

WHEREAS German Aspiration is the leading training implementation for the jobs internationally at Germany, Canada and UK and second party KLE Academy of higher education and research is the ...best University to train the candidates to fulfill the requirement at workplace. Both parties are agreed with mutual consent.

Obligations of cooperating associates

WHEREAS German aspiration shall impart training on German Language to the students, faculty and alumni of KAHER Institute of Nursing. KAHER shall provide the space for the German Aspiration to conduct the courses. The mode of conducting classes i.e online/offline, shall be decided on the basis of registrations. It shall be an 8 months training and Certification Course named as German Language Certification Course. The highly skilled trainers both from India as well as Germany shall train the candidates in 4 levels of Learning i.e A1, A2. B1 and B2.

REGISTRAR
KLE Academy of Higher Education
and Research, BELAGAVI

WHEREAS the course material shall be provided by German Aspiration. KAHER has to facilitate registration of students. The course content shall be Language training along with cultural interaction.

WHEREAS German Aspiration shall simultaneously assist in Visa Processing and Placement for the candidates internationally. German Aspiration shall also assist the candidates in getting scholarship and stipend during the course or during the initial period of placement.

Financials

No financial transaction shall take place between the both of parties. Each party shall bear the expenses incurred by them.

Premises

KAHER shall facilitate the training programme at its own premises at KAHER Institute of Nursing. All facilities e.g. machine, electricity, gadgets, drinking water, wash room, Internet for online instructions from German Trainers.

Term and Renewal

This Contract shall remain in force for the period of 3 years mutually agreed from the date of signature, with the understanding that either party may terminate it in any year by giving written 3 months prior written notice to the other party. The agreement may be extended by mutual consent of the two parties. The contract may be amended by written agreement signed by the authorized persons at each institution.

REGISTRAR
KLE Academy of Higher Education
and Research, BELAGAVI

..

Termination

In case of the termination of such Job Training Contract/ Placement contract will be valid up to the last German Aspiration candidate of the cooperating associate. This contract will be automatically be terminated if second party is found or gets into to alliance with any other service provider where the interest of first party are conflicted or is in competition with the first party.

Governing Law

For all disputes and misunderstandings first step would be an out of the court amicable measures which will be effectively taken and practiced that also includes arbitration.

However if in any case need arises then this declaration shall be governed by the laws of the state of India, jurisdiction will be Belagavi, Karnataka. This choice of law, venue, and jurisdiction provision is not permissive but rather mandatory in nature.

In WITNESS WHEREOFF the parties have put their signature to this MOU on the day and date mentioned above.
