# **Iris 2k23 - A Month-long Extravaganza of Talent and Unity**

## **Introduction:**

Iris 2k23, the much-awaited annual fest of our college, spanned across a remarkable month, commencing from August 6th and culminating on August 26th. This grand event showcased the collaborative efforts and talents of every student, engaging them in an array of activities and competitions. The fest encompassed a diverse range of events, featuring participation from all academic disciplines and interests, fostering a sense of camaraderie and excellence.

## **Participation and Organization:**

The fest was designed to involve the entire student body, with each student actively participating in various events. The students were divided into four teams, each comprising 75 students. On a daily basis, an average of 60 to 80 students enthusiastically participated in the events. The fest was meticulously organized, and each day was dedicated to a specific aspect of interest: cultural, literary, Kannada Sangha, sports, academic, and magazine committees.

## **Event Highlights:**

### **Cultural Events:**

The cultural events were a kaleidoscope of creativity and self-expression. These included face and body painting, henna making, cooking without fire, mono-acting, hairstyle competitions, and singing and dancing contests.

### **Literary Events:**

The literary committee conducted events that honed the students' communication and critical thinking skills. Events like poetry recitation, extempore debates, and "Describe Me" (where participants interpreted a surgeon's heroic act from an image) were held.

### **Kannada Sangha:**

The Kannada Sangha celebrated the rich heritage of Karnataka through story writing, essay writing, newspaper reading, news reporting, singing competitions, including traditional Kannada folk songs and bhavageete.

### **Sports Extravaganza:**

The sports events encompassed both indoor and outdoor categories. Team events included throwball, volleyball, basketball, kabaddi, cricket, and football. Indoor games like table tennis, badminton, chess, and carrom also saw spirited participation.
