Report of Guest Lecture

Topic: Orientation program highlighting the importance of correctly handling the blood & blood sample and consequences of mishandling

Date: 06-04-2023

Timings: 3:30 – 4:30 pm

It is a foundational principle for any laboratory test procedure that the value of the test is compromised or even negated by using specimens that have not been properly collected, labelled, handled or stored prior to and during the testing process. The technician in preclinical departments are handling blood samples on daily basis for all experiment purposes. So it becomes utmost important to create awareness on collection and correctly handling the blood & blood sample and consequences of mishandling. Mr S.V Virge, In-charge Blood Bank, KLE's Dr. Prabhakar Kore Hospital and Medical Research Centre was the resource person. He emphasized on correct handling of blood samples, precautions to be taken, the usages of Hypochlorite solution for sanitizing pipettes and slides after every practical. He also explained and demonstrated Hand Washing Techniques. The SOP's for handing Blood specimens were also discussed with all participants. Total of 23 participants from all three pre clinical departments were benefitted.

Live Workshop on "Ozaki Procedure"

The department of CVTS has conducted live workshop on Ozaki procedure on 26th to 28th, March, 2023. Dr. Sivakumar Sivalingam, Deputy Head & Senior Consultant Cardiothoracic Surgeon Clinical Director, Paediatric & Congenital Heart Surgery, National Heart Institute, Kuala Lumpur, Malaysia conducted this workshop by doing five live cases. The program was attended by our cardiac team comprising of consultant cardiac surgeons, physician assistants, nurses and perfusionists.

The 'Ozaki' technique is an innovative & alternative technique of reconstructing aortic valve using tissue from the sac around the heart (autologous pericardium). Three leaflets are reconstructed by using patient's pericardium. This innovative procedure avoids lifelong blood thinner medications and associated complications like stroke. This procedure can be done in paediatric as well as adult population.

Prior to the performing live cases, we had hands on session / dry lab on simulation model and discussion session on 26th March, 2023 in the department. It was very useful in giving the orientation to the finer details of the procedure.

We performed 5 cases that included 2 paediatric cases. The program was attended by 44 delegates including Cardiac Surgeons, Cardiac Anaesthesiologists, Perfusionists and Cardiac OT nurses.

5th Annual Conference of Karnataka Endocrine Society Hormone Rhythm 2023 Report

India has the dubious distinction & labelled as diabetes capital of the world wide over 80 million diabetic patients. To reverse the burgeoning trend of diabetes in our country furthermore research and collaborations are essential stressed Prof. Dr. Sanjay Bhadada, President of Endocrine Society of India & teacher per excellence of post Graduate institute of medical science Chandigarh. He was speaking after inauguration the 5th Annual conference of Karnataka Endocrine Society with the theme "Hormone Rhythm" at KLE conventional centre, Belagavi. The Endocrine Society of India is the largest professional body of Endocrinologists India providing a common platform and Network for clinicians, and researches with special interest in Endocrinology said Dr. Sanjay Bhadada.

He urged the participating delegates to long and understand the management of diabetes in your day-to-day practice. The Endocrine Society of India is engaged in identifying best, young brains in medicine and to train them in Endocrine Speciality. The medical science will progress only when research and collaborations go hand in hand. Further, the research finding must be use full to the community appointed Dr. Bhadada. Increase in Obesity, Thyroid, hormonal imbalances, male infertility is being effectively handled by endocrinologists said Dr. Sanjay.

The medical Science looks at western literature for precancels of disease and treatment protocols, the time is apt for Indian doctors to generate Indian data, develop Indian treatment modules to treat are own patients said dr. Nitin Gangane, Hon'ble Vice Chancellor of KLE University. He added, the explosion of diabetes in our country and associated long term complications of diabetes needs to be addressed by Indian standardised treatment protocols. He also cautioned the public to stay away from treatment modalities/medications circulated in society media as they are unscientific & harmful.

Dr. Vikrant Ghatnatti welcome guests, Dr. Vanishri Ganakumar introduced guest and Dr. Manjunath Goroshi proposed vote of thanks. Dr. Vagesh Iyer, President Endocrine Society, Dr. Somsekhar Reddy, Dr. Prasanna Kumar, Dr. V A Kothiwale, Dr. H. B. Rajasekhar, Dr. V. D. Patil, Dr. B. Dayananda were present. Over 600 delegates are participating in two days conference.

Workshop Report

TITLE: “TRANSLATION OF RESEARCH EVIDENCE TO POLICY & PRACTICE”

on Tuesday, 25th April 2023 being organized by J. N. Medical College, Belagavi under the auspices of KLE University’s Department of Education for Health Professionals (UDEHP).

INTRODUCTION: This program was focused on translation of Research Evidence to policy and Practice. The Participants will benefit in areas of overall process of publications, key principles of implementation research as well as sensitizing the community and stake holders in engagement of research findings.

OBJECTIVES:

1. To sensitize faculty in **Translation of Research Evidence to Policy & Practice.**

RESOURCE PERSONS:

1. **Dr. Subarna Roy, Scientist G & Director, ICMR-NITM, Belagavi**
2. **Dr. Avinash Kavi, Asso. Prof of Community Medicine, JNMC**
3. **Dr. M S Somannavar, Prof of Biochemistry, JNMC**
4. **Dr. Umesh Charantimath, Asso. Prof of Community Medicine, JNMC**

NUMBER OF PARTICIPANTS: 33-1 from all the constituent units of the KHAER UNIVERSITY.

CONCLUSION:

The workshop was very interactive and all the participants were benefitted from the same.

FEEDBACK

Most of the participants expressed that this workshop was very informative and helped them to understand the concepts for moving the research translational approaches to community transformation. and wanted hands on training with few examples.

Introduction

The department of Neuro & Vascular Interventional radiology at J.N. Medical College, Belagavi affiliated to KAHER (Deemed-to-be university) in association with the Indian Society of Neuroradiology conducted the ISNR MIDTERM CME 2023. The inaugural ceremony was attended by Dr V S Sadhunavar (Chief guest,

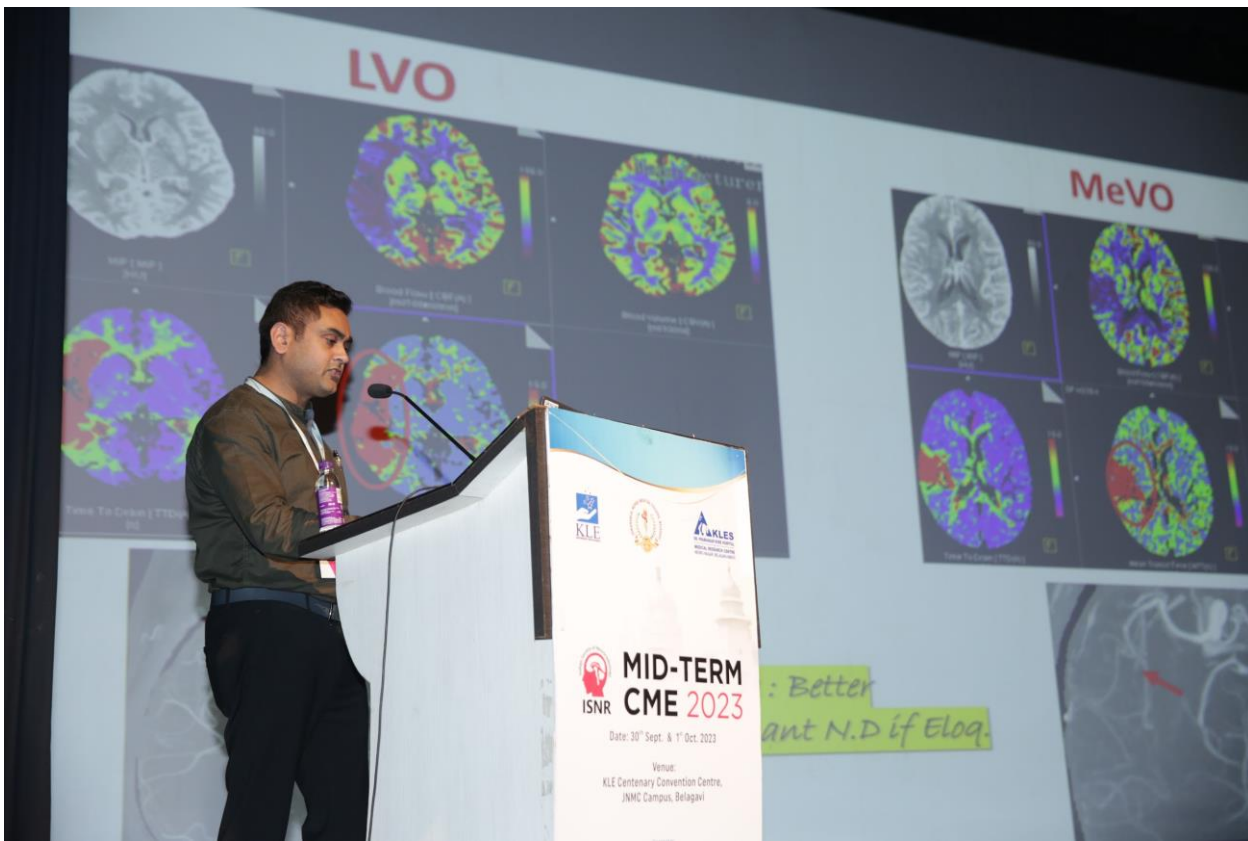

Director, Karnataka Lingayat Society), presided by Dr M S Ganachari (Registrar, KAHER university), Dr Shailesh B Gaikwad(President, ISNR), Dr Rose Dawn Bharath (Secretary, ISNR), Dr Rajesh Powar (Vice Principal, JNMC, Belagavi), Dr V M Pattanshetti (Vice Principal, JNMC, Belagavi), Dr Virupaxi V Hattiholi (Organizing Chairman, Professor, Dept. of Interventional Radiology) and Dr Navin M Mulimani(Organizing Secretary, HOD, Dept. of Interventional Radiology).

Dr Virupaxi V Hattiholi, Organizing chairman of ISNR MIDTERM CME 2023, delivered the welcome speech and Dr V S Sadhunavar, the chief guest reminisced how it was a collective dream of Chairman Dr Prabhakar Kore and the KLE Society to set up department of Interventional Radiology at JNMC, Belagavi with state of the art **Bi-Plane Cathlab with dedicated OPD & IPD services** and a committed team working round the clock to ensure optimum delivery these services. He also expressed his joy of this dream coming to fruition after almost a decade. He also was proud to be a part of hosting the prestigious ISNR MIDTERM CME 2023, a national level sub specialty CME at KAHER campus. Dr Shailesh Gaikwad, the president of ISNR mentioned “The aim of these national MIDTERM CMEs is to dissipate sub-specialty level knowledge, networking and display groundbreaking research in tier II & III cities.” Dr Rose Dawn Bharath, secretary ISNR also noted that “It is unusual for MIDTERM CMEs to amass 200+ candidates in a city like Belagavi & this ISNR MIDTERM CME 2023 has seen one of the **highest number of participants.**” It was followed by Lamp - lighting and National Anthem. Dr Navin M Mulimani presented the vote of thanks.

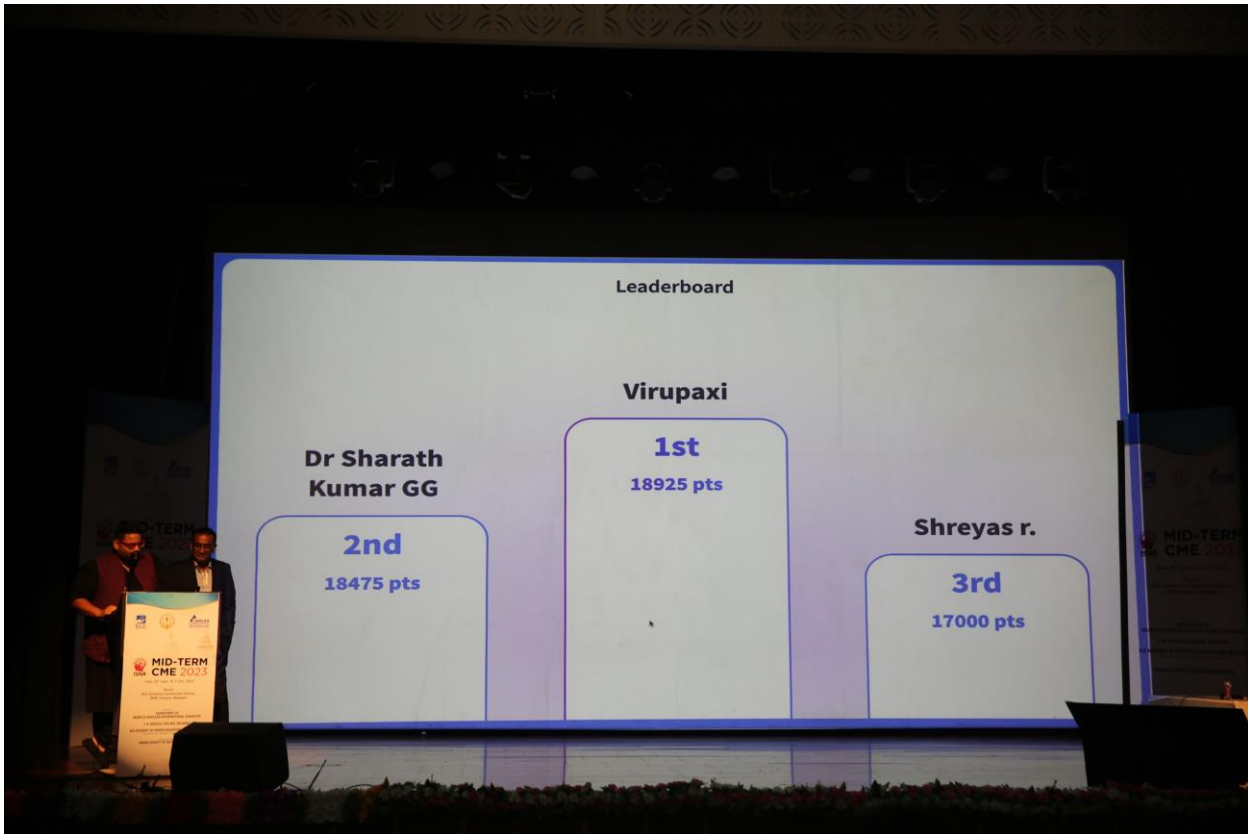

Scientific Sessions

The Scientific sessions were conducted in Dr H B Rajasekar Hall. It was a power packed event with 12 Scientific sessions covering both diagnostic and interventional neuroradiology. About 30 National and 2 International Faculty delivered wonderful lectures in these scientific sessions to engage the participants throughout a day and half. All these sessions were necessarily chaired by 24 Chairpersons ranging from Pediatric neurology, neurology, neurosurgery, radiology and interventional radiology.

The educational extravaganza included sessions from Basic & advanced topics in neuroradiology, basics of neurointerventions to the nuances of complex neuro-interventional procedures. A dedicated pediatric neuroradiology session was also conducted.

A dedicated session on **Ischemic Stroke Symposium** was also organized with special invitation to the physicians in and around Belagavi. Faculty of national eminence participated in this session to display their knowledge on stroke programmes in their centers and the session was chaired by a Neurosurgeon, a Neurologist and a senior radiologist to provide insights on clinical, radiological, interventional radiologist’s perspectives on stroke care in this part of the nation and how best practices can be adopted in establishing a state of the art stroke center.

Another highlight in the scientific sessions was the **Quiz session** held in the Paediatric Neuroradiology session, one of its kind sessions moderated by Dr Nihaal Reddy and Dr Prasad Hanagandi, both alumni of this institution. It received a wholehearted participation from all the residents and faculty with three residents Dr Shreyas Reddy, Dr Mayank Rangari & Dr Prasad Hegde securing First, second & third place.

The registration process, Scientific sessions and catering were made possible with the Coordinated efforts of Dr Santosh D Patil, Dr Abhinandan C Ruge, Dr Pradeep S Goudar, Dr Iranna M Hittalamani, Dr Abhiman Baloji & other organizing members.

Research Participation

As many as 65 researchers showcased their e-posters in a dedicated area. These e-posters were reviewed meticulously by the scientific committee and Dr. Thanuja Basavanagowda, Dr. Gayatri Pawar, Dr. Ashwin Sardesai Received first(8000 INR), second (5000 INR)& third (3000 INR) places respectively.

15 Researchers presented their original research papers in the field of Neuroradiology and Interventions in Dr V D Patil Hall and were accurately Judged by Lt. Col. Dr Bharat Hosur, Dr Vikash Jain, Dr Ajay Kumar. The judges deemed Dr Jenson Jose, Dr Vishnu Pujari & Dr Tony Rahul M worthy of first(8000 INR), second (5000 INR)& third (3000 INR) places respectively.

7 researchers also presented an exciting new format of “Case-in-the box” where several complex neurointerventional procedures were showcased and the nuances discussed. Dr Suresh Giragani & Dr Vikash Jain Judged these presentations and deemed Dr Harsh Singh to have delivered the “best case in the box” with a cash prize of 8000 INR.

Dr Iranna M Hittalamani, Dr Ravi Karisaiyappanavar & Dr Abhiman Baloji effectively coordinated these research presentations.

Workshops

ISNR MIDTERM CME 2023 also had hands-on workshops conducted in parallel in Dr V D Patil Hall. Dr. Iranna M Hittalamani, Dr Ravi Karisaiyappanavar & Dr Abhiman Baloji conducted these workshops for 100+ delegates on both the days with 12 Medical students also attending these workshops.

The workshops consisted of Four **Simulators that demonstrated intracranial aneurysm coiling, carotid stenting, Mechanical stent retriever thrombectomy, & Intracranial stenting**. The residents were briefed on these individually and then given a hands on demonstration of the techniques followed by hands on experience to try the procedures individually. There was also a flow model set up to give the residents a hands-on experience of Mechanical thrombectomy. Several **Basic interventional radiology tools like the catheter, sheath and needles** were also available for display to the residents as JNMC, Belagavi is the only medical college in North Karnataka to house the Interventional Radiology Services, a glimpse of these basic tools were made available to the residents who otherwise have no exposure to interventional radiology a clinical specialty leading several specialties in the field of medicine. There was also a Flow model on suture-mediated closure devices, a very essential tool for neurointerventional procedures to be completed without hassles.

Dr Shailesh B Gaikwad, the president of ISNR was also happy to **inspire and teach a group of medical students** in J.N. Medical College with special interest in Interventional radiology who were briefed on these basic interventional tools and given hands-on experience of these neuro-interventional procedures.

There was tremendous support from the trade partners like *Stryker Medicals, Mentice simulators, Symbionix simulators, Abbott medicals and Penumbra medicals* in making these workshop stations a successful way of piquing the interest of the young residents.

WORKSHOP ON

“RACE- Risk Stratification Assessment Clinical Monitoring Early Stimulation in High-Risk Neonate”

Brief Report

Program was conducted on 13th August 2023

47 participants attended the workshop.

Faculty for the workshop were Dr Deepak Dwivedi, Dr Deepika Jain, Dr Suchit Tamboli and Dr Manisha Bhandankar.

Workshop began with Introduction of Faculty by Dr Meenakshi B R, Secretary, IAP , Belagavi Branch, which was followed by 3 lectures by the faculty.

Formal Inauguration of the workshop was held between 11.00am – 11.30am and it was flagged off by Chief Guest Dr N S Mahantashetti, Principal, J N Medical College.

Inauguration was followed by 3 Workstations conducted by Dr Deepak Dwivedi, Dr Deepika Jain and Dr Suchit Tamboli, which included both hands on training and video demonstration.

Academic event was concluded with Valedictory and Distribution of Certificates to participants.

INDIAN ACADEMY OF PAEDIATRICS
WORKSHOP ON
"RACE: Risk Stratification Assessment Clinical Monitoring Early Stimulation in High-Risk Neonate"

Program Agenda

	TOPIC	FACULTY
9am	REGISTRATION	
9:15am – 9:30am	Welcome & Introduction of Faculty	
9:30am-10:00am	Introduction to 'RACE'	Dr Deepika Jain
10:00am – 10:30am	NICU Supportive Care & HRN Checklist	Dr Manisha Bhandankar
10:30am – 11:00am	Introduction ASQ3 Assessment Tool	Dr Deepak Dwivedi
11:00am – 11:15am	INAUGURATION & TEA BREAK	
11:15am – 11:55pm	Workstation 1 Assessment CDC Model, Red Flags, Amiel Tison, Videos and Red Flags	Dr Deepika Jain
12:00pm – 12:40pm	Workstation 2 Various Scales, ASQ, TDSC, LEST, DDST, etc.,	Dr Deepak Dwivedi
12:40pm – 1:20pm	Workstation 3 Early Intervention Videos	Dr Suchit Tamboli
1:30pm- 2:00pm	Valedictory & Distribution of Certificates	
2:00pm	LUNCH

Program Report

A guest lecture by Dr. Nabeel A. Herial, Neurologist Thomas Jefferson University, Philadelphia was arranged on 26.07.2023 at Anubhav Mantap, KLES Dr. Prabhakar Kore Hospital & MRC, Belagavi. He delivered a lecture "*Evolution of ischemic stroke management: Progress, Promise and Practice*" which was attended by faculty members and students of department of Neurology, Neurosurgery, Neuroradiology and Medicine. Total 57 members attended the lecture. The program chaired by the Dr. (Col). M. Dayananda, Medical Director of KLES Dr. Prabhakar Kore Hospital & MRC who appreciated the lecture.

Interactive case based discussion was conducted on 27.07.2023 at 9.00am to 10.00am in Anubhav Mantap wherein the therapeutic challenges in acute stroke management were discussed. Future research and faculty / student exchange between KAHER and TJU were discussed in the dinner meeting on 26.07.2023.

“INTERNATIONAL RADIOLOGY DAY” Report

International Radiology day was conducted on 8th November 2023, at The inaugural function was held in the main entrance lobby of KLES Dr. Prabhakar Kore Hospital & MRC Belagavi. On this occasion we conducted Guest Lecture which was held in New Seminar Room Department of Radio-diagnosis, KLES Dr. Prabhakar Kore Hospital & MRC, Belagavi. 57 delegates attended the event.

The inaugural function was attended by Dr. Nitin Gangane Hon'ble Vice Chancellor, KAHER, Dr.M. S. Ganachari, Registrar, KAHER Dr. V. D. Patil, Director, Hospital Development & New Project, KAHER, Dr.[Mrs.] N.S.Mahantashetti, Principal JNMC, Dr.(Col) M. Dayananda, Medical Director, Dr. M. V. Jali, Medical Director & CEO, KLE Cancer Hospital, Dr. V.M. Pattanashetti, Vice Principal, Dr. Rajesh Pawar, Vice Principal, JNMC, Dr. Arif D Maldar, Medical Superintendent, HOD & Faculties of the Department, Postgraduates, B.Sc. Radiography Students & Technicians.

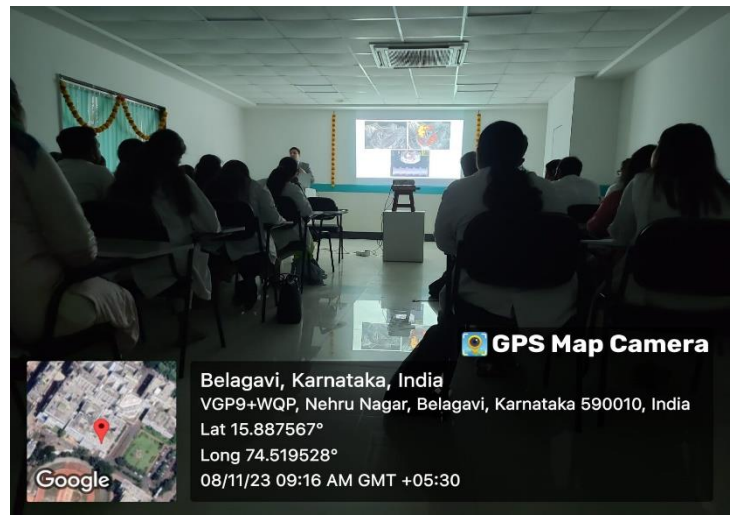

Chief Guest & Resource Person: Dr. Bharat MP, Professor, Dept. of Radio-diagnosis, Subbaiah Institute of Medical Sciences, Shivamogga.

Topic: Walk through HRCT normal temporal bone (practical reading)

Topic: 4 Ultrasound scenarios

- RPOC - Recent terminology and guidelines
- Nische/ Isthmocoolle - Recent Guidelines
- 3D Endometrial cavity- approach by codified CUME classification
- CS Scar pregnancy- How to approach (15 minutes each – Practical approach)

Purpose: To help consulting physicians and postgraduates understand the basics and roadmap of approach to reading HRCT temporal bone and Sonographic features of few common Obstetric & Gynecological conditions.

Report of Event

CME ON LABORATORY INFORMATION MANAGEMENT SYSTEMS

The Department of Biochemistry conducted a CME on **LABORATORY INFORMATION MANAGEMENT SYSTEMS** on the 17th of November 2023. This CME aimed at imparting information on the LIMS for the audiences which included Clinicians from the service Departments, Medical Laboratory Technicians, Post Graduates and Undergraduates (MLT students) . A total of 126 delegates attended the CME. The program was conducted under the auspices of Dr Smita Sonoli Madam, Professor and Head Department of Biochemistry.

The following Staff Members were in the Organising Committee:

Organizing Chairman: Dr. Smita Sonoli

Organizing Secretary: Dr. A M Harlapur

Organizing Joint Secretary: Dr. Reshma D C and Mrs. Maya

Scientific Committee:

Dr. Anuradha Patil, Dr. Anil M, Dr. M S Somannavar, Dr. Vanishree , Dr. Reshma D C

Registration and Reception:

Dr. Smita Sonoli, Dr. Sangamma, Dr. Dipti and Dr Manas

Treasurer: Mrs. Maya K and Mrs. Akshata Sangolli

Food and Catering:

Dr. M S Somannavar, Mr. Gurumurugali, Dr. Kavin and Ms. Laxmi

Stage and flower decoration: Mrs. Anuradha R G and Dr. Subhashish

Certificate: Dr. Sangamma, Ms. Gulnar and Ms. Sampada

The Program Schedule was as follows:

Inaugural Function- Chief Guest- Dr Rajesh Powar

Pre Test- Mrs Akshata

Talk 1-Introduction to LIMS - Dr. Smita Sonoli

Tea Break

Talk 2- Role of LIMS in Quality Management and NABL accreditation - Dr. Anil Maleshappa

Talk 3-Integration, Challenges and solutions in LIMS- Mr Ganesh Chavan

Talk 4- Infield Application of LIMS

Lunch Break

Online Course on LIMS- Akshata Sangolli

Talk 5- AI in LIMS- Dr Anil Gavade

Post Test and Feedback – Akshata Sangolli

Feedback analysis Report

- The overall CME exposed the delegates to newer knowledge and information
- Suggested to conduct it every year

BRIEF REPORT OF THE WORKSHOP

ROBOTIC ARTHROPLASTY WORKSHOP – LIVE SURGERY ON KNEE JOINT

Venue: G-0 Lecture Hall, KLES Dr. Prabhakar Kore Hospital & MRC, Belagavi

Organizing Co-ordinator: Dr. S. T. Sanikop

Organizing Secretary: Dr. Nikhil Manvi

Organizing Chairman: Dr. R. S. Jatti, Professor & Head, Dept. of Orthopaedics

On 15th & 16th December 2023, by Department of Orthopaedics from J. N. Medical College, KAHER University conducted **First Robotic Knee Replacement Workshop and Live Surgical Demonstration** at KLES Prabhakar Kore Hospital & MRC, Belagavi. This was first of its kind workshop in the whole of North Karnataka conducted by Faculty of Department of Orthopaedics lead by Head of Department Prof. Dr. R. S. Jatti, and Course Co-ordinator Prof. Dr S. T. Sanikop and Asst. Prof. Dr. Nikhil Manvi. More than **60** beneficiaries including Post Graduate students and Orthopaedics Consultants from JNMC and BIMS participated in the event, where they were enlightened with lectures and hands on training on Robotic Assisted Knee Replacement. This event was observed by **Prof. Dr. Nitin Gangane**, Vice Chancellor of KAHER, **Prof. Dr. M. S. Ganachari**, Registrar of KAHER, **Dr. V. D. Patil**, Director, Hospital Development, KAHER, **Dr. Col. M. Dayanand**, Medical Director, KLES Dr. Prabhakar Kore Hospital & MRC, Belagavi, **Dr. Rajesh Pawar**, Vice-Principal, **Dr. V. M. Pattanshetti**, Vice-Principal, J. N. Medical College, Belagavi and was thoroughly appreciated by them. On 16th December 2023, **Dr. S. T. Sanikop and Dr. Nikhil Manvi** successfully performed Live Total Knee Replacement Surgery using fully **Automated Meril Cuvis Robotic System**, which was very well received. This State of the Art Robotic Total Knee Replacement promises early Rehabilitation, Lesser pain and Faster recovery for all the patients. Also this program Sensitizes younger surgeons on how to use this Hi-tech Technology and opens up a new window of opportunity for the future.

Report on

Guest lecture

Topic: “Making you job ready”

Resource person: Mr. Ullas Arabhavi, Head, Clinical Data Management George Clinical, Bengaluru, Karnataka, India

Conducted on: 11th April 2023

Department of pharmacy practice conducted a guest lecture on the 11th of April 2023.

Resource person Mr. Ullas Arabhavi, Head, Clinical Data Management, George Clinical, Bengaluru, Karnataka, India, spoke on the topic “Making you job ready.” Pharm D 5th, and 6th year, Postgraduate students and staff participated in this program.

The speaker made the session very interesting by explaining and interacting with the students on the interview skills and requirements for the post in clinical data management.. Post-presentation, the audience was given time to interact with him. Students and staff felt that the session was very informative.

4th National Pharm. D Colloquium Report 2023

Objectives:

The aim of this conference is to:

- Construct a pharmacy practice model that focuses on advanced patient medication outcomes by mastering qualities like knowledge, skills, and attitude toward excellence in practice.
- Provide a platform for young budding pharmacists to create a forum to explore current trends in academics, patient care, and research in pharmacy
- Provide an opportunity for delegates and students to interact with other health professionals and share their experience and knowledge application in the Pharmacy profession.
- Provide a platform to make them aware of the soft skills needed for jobs.

Date and Venue:

The 4th National Pharm. D Colloquium (NPC-2022) took place on **24th & 25th March 2023** at Dr (Prof.) B. S. Kodkany (300-Seater) hall, KLE Centenary Convention Centre, Belagavi

Training coordinators (Department of Pharmacy Practice)

01	Prof (Dr.) M S Ganachari, Professor & Head	07	Mr. D. Revana Siddappa, Asst. Professor.
02	Mrs. Shashikala Wali, Asst. Professor	08	Ms. Aishwarya C Hiremath, Asst. Professor
03	Mrs. Geetanjali S Salimath, Asst. Professor	09	Dr. Sowmya Spoorthi PhD. Research Scholar
04	Dr. Anushree Deshpande, Asst. Professor.	10	Mr Kurubara Ambrish PhD. Research Scholar
05	Dr. Satish Karoli, Asst. Professor	11	Dr. B. Yeshwanth Raja PhD. Research Scholar
06	Mrs. Manjula G, Asst. Professor.		

Agenda:

The team agreed on a draft agenda prior to the Conference (Attached as Annex 1).

Participants:

The Delegates for the conference were Pharm. D, Pharm. D (PB), M.Pharm. (Pharmacy Practice), MSc Clinical Research, Pharmacy, Ph.D. scholars & Faculty.

Total participants:250				
External participants: 96			Internal Participants:154 (KLECOP, Belagavi)

INAUGURATION OF 4th NPC 2023

Prof (Dr)V.A. Kothiwale Registrar, KAHER inaugurated the program. The main objective of this Programme was to provide knowledge and experience to the students in implementing various clinical pharmacy services like patient counseling, Drug information services in order to achieve the patient outcome. He also said that active participation in such workshops would help students to develop communication and presentation skills relating to pharmacy education and research. Dr. M. S. Ganachari, Head Dept. Pharmacy Practice explained the objective of the workshop. Dr. Sunil Jalalpure introduced the chief guest and welcomed him. Mrs. Shashikala Wail proposed the vote of thanks. As many as 250 delegates from various institutions across the country participated in the conference.

1. SHORT STORY TELLING

Theme: Success stories during patient care

Participants shared the experience of their real-time scenarios encountered during ward rounds and interactions with the patients within the time limit of a maximum of 3 minutes each. Around 09 delegates from various pharmacy colleges pursuing Pharm. D, M. Pharm pharmacy practice narrated their real-time scenarios as stories with a specific take-home message.

4th NATIONAL PHARM D COLLOQUIUM MARCH 2023

1st Prize for Story Telling

2nd Prize for Story Telling

2. SHORT MOVIE MAKING

Theme: Pharmacist in HealthCare Sector

1st Prize for Short Movie Making

2nd Prize for Short Movie Making

3. **POSTER PRESENTATION:** 1. **Concept Paper – Next-Generation Pharmacist**

Highlighted the paradigm shift in the pharmacy profession to change from traditional methods and inculcated new ideas for developing leaders of Pharm. D in a community setup.

1. **Research Paper:** The delegates presented original research work/projects in the healthcare sector which is not previously been published.

1st Prize for Concept Paper

2nd Prize for Concept Paper

1st Prize for Scientific Paper

2nd Prize for Scientific Paper

3. Street Play - A Commitment to Community

THEME: - Pharmacist as a Health Educator

1st Prize for Street Play

2nd Prize for Street Play

4th NATIONAL PHARM D COLLOQUIUM MARCH 2023

MANN KI BAAT- NEED FOR HOUR

Mr. Anand Harugeri

केएलई फार्मसी कॉलेजतर्फे संवाद कार्यक्रम २५० हून अधिक प्रतिनिधींचा सहभाग

सकाळ वृत्तसेवा

नेहरुनगर, ता. २७ : केएलई कॉलेज ऑफ फार्मसी बेळगावच्या फार्मसी प्रॅक्टिस विभागातर्फे दोन दिवसीय चौथा राष्ट्रीय फार्मसी-डे संवाद कार्यक्रम नुकताच झाला. यावेळी २५० हून अधिक प्रतिनिधी उपस्थित होते.

कार्यक्रमाचे उद्घाटन केएलई अॅकॅडमी ऑफ हायर एज्युकेशन अँड रिसर्च, बेळगावचे रजिस्ट्रार डॉ. व्ही. ए. कोठीवाले यांच्या हस्ते झाले. केएलई कॉलेज ऑफ फार्मसी, बेळगावचे प्राचार्य डॉ. सुनील जलालपुरे, केएलई कॉलेज ऑफ फार्मसी, बेळगावचे उपप्राचार्य डॉ. एम. बी. पाटील, फार्मसी प्रॅक्टिस विभागप्रमुख डॉ. एम. एस. गणाचारी व्यासगोडार हे होते. केएलई कॉलेज ऑफ फार्मसीच्या गीतांजली साळीमठ यांनी मान्यवर व सर्व प्रतिनिधींचे स्वागत केले. फार्मसी प्रॅक्टिस विभागाचे

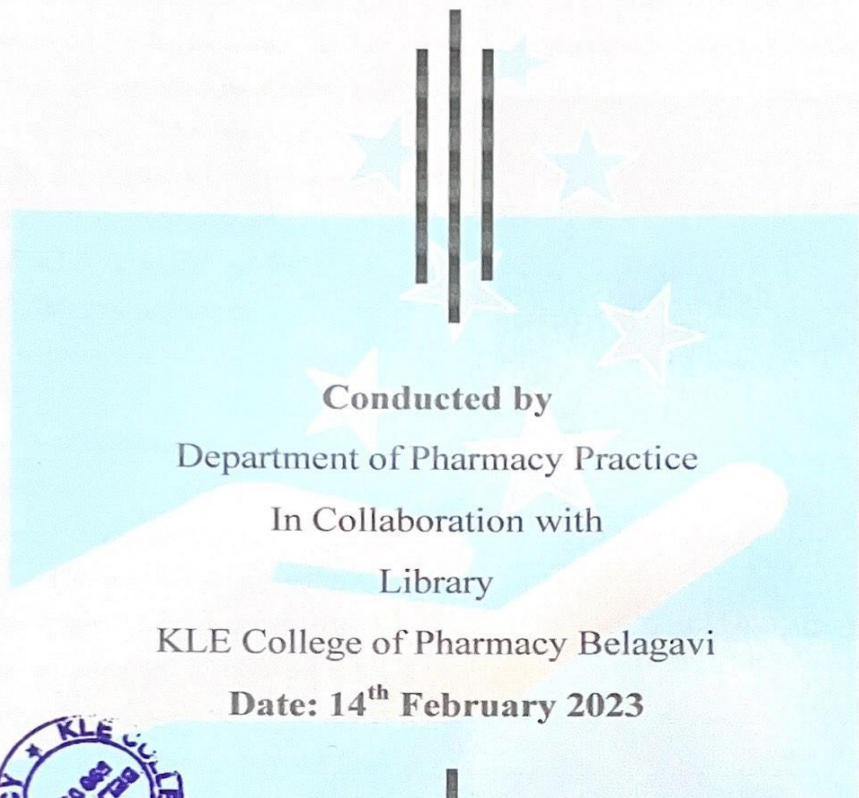

प्रमुख डॉ. एम. एस. गणाचारी यांनी कार्यक्रमाचा आढावा घेताना महाविद्यालयाविषयी थोडक्यात माहिती दिली. तसेच वर्गातील अध्यापन आणि कौशल्य विकास यांच्यातील अंतर कमी करण्यावर भर दिला. डॉ. सुनील जलालपुरे यांनी सरासरी १४ वर्षांचे अनुभव असलेल्या अनुभवीप्राध्यापक आणि विद्यार्थ्यांना दिलेले प्रशिक्षण, आणि विद्यार्थ्यांना मिळणारे फायदे यावर प्रकाशझोत टाकला.

डॉ. व्ही. ए. कोठीवाले यांनी, योगदान आणि रुग्णांच्या सेवेची जबाबदारी असलेल्या बहु-अनुशासनात्मक संघाचा एक भाग म्हणून क्लिनिकल फार्मासिस्टची भूमिका यावर संबोधित केले. शशिकला वाली यांनी आभार मानले. कार्यक्रमात कर्नाटक, महाराष्ट्र व आंध्र प्रदेशातील २५० हून अधिक प्रतिनिधी सहभागी झाले होते.

IN NEWS PAPER

A brief report on Effective Use of Drug Information Databases - 2023

Conducted by
Department of Pharmacy Practice
In Collaboration with
Library
KLE College of Pharmacy Belagavi
Date: 14th February 2023

PRINCIPAL
KLE College of Pharmacy
BELAGAVI - 10.

Chief Co-ordinator:

Dr. Sunil S. Jalalpure

Principal,

KLE College of Pharmacy Belagavi

Programme Co-ordinator:

Dr. M. S. Ganachari

Dr. Ramesh Bhandari

Mr. K. S. Malavade

Aiming to create educate and train the Pharm. D and Diploma in Pharmacy students of KLE College of Pharmacy Belagavi and other colleges about various types of drug information databases and their demonstration. The program was conducted by the department of Pharmacy Practice and in collaboration with the Library of KLE College of Pharmacy Belagavi on 14th February 2023.

Inauguration

Dr. Deepthi Avvaru anchored the program. The program was started with a welcome address, introduction to the chief guest, and program overview given by Prof. (Dr.) M. S. Ganachari, Professor & Head, Department of Pharmacy Practice, KLE College of Pharmacy Belagavi. Mr. Amarnath N, Marketing head-south, Daiknow was the Chief Guest and Dr. M. B. Patil, Vice Principal, KLE College of Pharmacy Belagavi presented presidential remarks.

Lighting the Lamp

Overview of the Program

Dr. M. S. Ganachari, co-ordinator, delivered the overview of the 2nd National Pharmacovigilance Week and highlighted the importance of celebrating this program.

Chief Guest Address

The Chief Guest elaborated on the significance of various drug information databases.

Orientation session on Micromedex

Mr. Amarnath N, Marketing head-south, Daiknow demonstrated the Micromedex software highlighting the importance of databases in evidence-based practice.

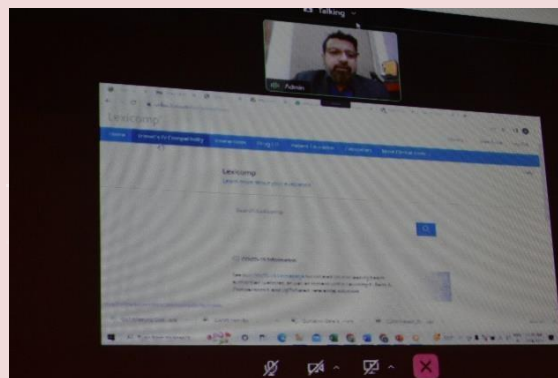

Drug Information resources and approach to answering drug information queries

Dr. Ramesh Bhandari, Assistant Professor, KLE College of Pharmacy, Belagavi discussed various types of drug information resources and systematic approaches to answering drug information queries.

Patient-centric drug information service for reducing medication errors

Mr. Vikas Arora, Director, Infokartindia demonstrated the Lexicomp database with respect to reducing medication errors. He further discusses how Lexicomp can be used to provide various other clinical services apart from drug information alone.

The program was concluded by vote of thanks proposed by Ms. Aishwarya Hiremath, Assistant professor, dept of pharmacy practice, KLE College of Pharmacy Belagavi.

Total of 200 participants attended the program including a Diploma in Pharmacy and Pharm. D students.

Workshop on
Problem Based Learning (PBL): An Effective Teaching learning method for
developing clinical skills.

Date- Thursday, 19th January 2023

FINAL REPORT

Organized by
Department Of Pharmacy Practice
KLE College of Pharmacy
Belagavi-590010

Venue
5th floor Seminar Hall, KLE College Of Pharmacy, Belagavi.

Chief Coordinator
Prof. (Dr.) S.S.Jalalpure

Programme Coordinator
Prof. (Dr.) M. S. Ganachari

PRINCIPAL
KLE College of Pharmacy
BELAGAVI - 10.

Workshop on

Problem Based Learning (PBL): An Effective Teaching learning method for developing clinical skills.

Objectives:

- To develop knowledge basic and clinical content in context.
- To develop skills scientific reasoning, critical appraisal, information literacy the skills of self-directed, life-long learning.
- To develop attitudes-value of team work, interpersonal skills the importance of psychosocial issues.

**DATE & VENUE: Thursday, 19th January 2023 & 5th floor Seminar Hall,
KLE College Of Pharmacy, Belagavi.**

Speakers:

The members of the workshop team were:

- Prof (Dr.) M S Ganachari, Professor & Head, Department of Pharmacy Practice, KLE college of Pharmacy, Belagavi.
- Dr Chetana P H, Professor, Department of Biochemistry, KLE JGMM Medical College, KAHER.
- Dr Jyoti Benni, Associate Professor, Department of Pharmacology, KLE JGMM Medical College, KAHER.
- Dr Varsha M Shindhe, Associate Professor, Department of Physiology, KLE JGMM Medical College, KAHER.

Training coordinators (Department of Pharmacy Practice)

Prof (Dr.) M S Ganachari, Professor & Head

Mrs. Shashikala Wali, Asstociate. Professor.

Mrs. Geetanjali S Salimath, Asst. Professor.

Ms. Manjula G, Asst. Professor.

Dr. Satish Karoli, Asst. Professor.

Dr. Anushree Deshpande, Asst. Professor

Mr. D. Revana Siddappa, Asst. Professor

Dr. Ramesh Bhandari, Asst. professor

Miss. Aishwarya Hiremath, Asst. Professor

Dr. Avvaru Deepthi, Asst. Professor.

Dr. M Santhosh Reddy, Asst. professor

Dr. Ashwini Doddannavar, onco-pharmacy.

Agenda:

The training team agreed a draft agenda prior to the workshop (Attached as Annex 1)

Participants:

The training program was attended by Pharm. D interns, M. Pharm, PhD scholars & Faculty Staffs.

Total Participants –65

Internal – 37 Pharm-D interns, M. Pharm 12, 3 PhD scholars (KLECOP, Belagavi)

Pharmacy Faculty Staff – 12

The workshop Program:

The workshop program was opened with Inauguration Function by lightening the lamp by Chief Guest Dr Sunil S Jalalpure Principal, KLE College of Pharmacy, Belagavi, Dr. M.B Patil, Vice-Principal, KLE College of Pharmacy, Belagavi, Dr. M.S. Ganachari, Professor and head, Department of pharmacy practice, KLE College of Pharmacy, Belagavi and other delegates.

Inauguration Function

Overview on PBL & TBL by Prof (Dr) M S Ganachari, Professor & Head, Department of Pharmacy Practice, KLE College of Pharmacy, Belagavi.

Prof (Dr) M S Ganachari briefed regarding PBL and TBL, its benefits and advantages of implementing it.

Introduction to Problem Based Learning [PBL] by Dr Chetana P H, Professor,
Department of Biochemistry, KLE JGMM Medical College, KAHER.

Dr Chetana explained how to carry out PBL on regular basis, its process.

Role of Facilitators and assessment of PBL by Dr Jyoti Benni, Associate Professor,
Department of Pharmacology, KLE JGMM Medical College, KAHER.

Dr Jyoti Benni discussed on how to conduct PBL by Facilitators, challenges faced by facilitators.

Mock PBL: Group Activity- By
Dr Chetana PH, Professor, Department of Biochemistry, KLE JGMM Medical College,
KAHER.

Dr Jyoti Benni, Associate Professor, Department of Pharmacology, KLE JGMM Medical
College, KAHER.

Dr Varsha Shindhe, Associate Professor, Department of Physiology, KLE JGMM Medical
College, KAHER.

Dr Jyoti Benni demonstrating Problem Based Learning (PBL) with clinical case.

Dr Varsha conducting Problem Based Learning with students

Dr Chetana PH taking over mock session for PBL.

Valedictory function: -

In valedictory function Dr. Avvaru Deepthi took review of workshop programme and delivered wonderful speech regarding the importance of attending such workshop. Expressed gratitude to our Principal Prof (Dr) Sunil S jalalpure, Vice Principal Prof (Dr) M B Patil and Head of the Department Prof (Dr) M S Ganachari for providing us this opportunity with their immense support. Delegates have shared their experiences on the training program and finally the certificates were provided to the participants.

Outcome of workshop:

Sessions were more interactive among delegates and other resource persons (trainer). So, it was helpful for the interactive session and this also helpful to get basic on how Problem Based Learning works in real time.

Delegates are aware of importance, advantages and how to prepare for Problem Based Learning where they can broden their thinking ability and improve group discussions.

By workshop, students are now capable of solving clinical cases, and are actively participating in group discussions.

Faculty [facilitators] also got exposed to Problem Based Learning and gave an idea about how to conduct and implement it in daily basis.

Summary Report of Workshop on “HPTLC: An Analytical Technique in Herbal Drug Industry”

About the Workshop: KAHER sponsored one day workshop on “HPTLC: An Analytical Technique in Herbal Drug Industry” was organized by Department of Pharmacognosy, KLE College of Pharmacy on Tuesday, 11th April 2023. Herbal drugs are important therapeutic agents used for the treatment of many diseases. The development of reliable analytical methods, estimation of the phytochemical constituents remains a big challenge. High-performance thin-layer chromatography (HPTLC) is a highly useful powerful analytical technique of choice for identification, evaluation, authentication qualitative, quantitative phytochemical analysis and quality control of the herbal drugs and formulations because of its flexibility and reliability. HPTLC is also useful in TLC fingerprinting profiles and estimation of biomarkers. The workshop aims to make participants understand the instrumentation, recent advances and applications of HPTLC in herbal drug industry. The objective of this workshop was to provide hands on training, enrich the knowledge of participants regarding evaluation and quality assessment of herbal products by accurate, precise and robust modern scientific analytical tool HPTLC. Accordingly the deliberations of this workshop covered the topics relevant to instrumentation, advances and applications of HPTLC with emphasis on quality assessment of herbal products. Around 45 delegates from various institutes attended the workshop. All other faculty members, PG AND Ph.D. students were actively participated in the workshop.

Inaugural Program: Program started as scheduled on Tuesday, 11th April 2023 at 9:30 am with a motivational invocation song. Dr. Kalpana S Patil, Head, Department of Pharmacognosy, welcomed the delegates and briefed about workshop. Dr. D.N. Sastry introduced the chief guest. Dr. Satish Kavatagimath introduced Dr. Sunil S Jalalpure, Principal, KLE College of Pharmacy, Belagavi. It was followed by the formal ritual lamp lightening ceremony and as a token of appreciation the dignitaries were presented with floral bouquets. The workshop was inaugurated by the chief guest Dr. P.A. Patil, Head & Professor, Department of Pharmacology, USM-KLE International Medical Programme, Belagavi. He emphasized on need of quality assessment in herbal products and role of analytical techniques in herbal industry.

KLE Academy of Higher Education and Research

(Deemed-to-be University established u/s 3 of the UGC Act, 1956), Re-accredited A+ Grade by NAAC (3rd Cycle) Placed in Category 'A' by MoE (Gol)
Recognized by PCI & AICTE; B. Pharm program has been accredited by NBA (4th Cycle) for a period of 6 years (up to June 2025)

JNMC Campus, Nehru Nagar, Belagavi-590 010, Karnataka, India. Phone: +91 831-2471399; Web: www.klepharm.edu; E-mail: principal@klepharm.edu

Prof. (Dr.) Sunil S. Jalalpure, Principal, KLE College of Pharmacy, Belagavi addressed the participants on importance of HPTLC technique in standardization of herbal based products and the need for quality assessment of herbal products, importance of finger printing and various research applications of HPTLC instrument in his presidential remarks. Mrs. Sneha B. Patil proposed vote of thanks.

Inaugural program was followed by guest lectures and training program by resource person Mr. Aniket Jadhav (Application Specialist), Anchrom Enterprises (I) Pvt.Ltd, Mumbai. Demonstration/ Hands on Training of HPLTC instrumentation was carried out at KLE Dr PK Basic Research Center at KAHER's Dental College Campus, Belagavi. Delegates appreciated and expressed their heartfelt thanks for the conduct of workshop, the informative lectures, and demonstration/Hands on training on HPTLC and for opportunity to visit KLE Dr. Prabhakar Kore Basic Science Research center and facilities available. Event was widely covered in print and electronic media.

Report

Department of Pharmaceutical Chemistry, and Department of Pharmacognosy, KLE College of Pharmacy, Belagavi, organized a 1-week faculty development program entitled **“Drug Discovery from Natural and Synthetic Basis: Innovation and Application”** from 31st July to 5th August 2023, Sponsored by KAHER, Belagavi. Prof. Dr. S. G. Alegaon welcomed the delegates and briefed them about the week-long program.

Chief Guest Dr. Subarna Roy, Director & Scientist G ICMR-National Institute of Traditional Medicine (NITM), Principal Prof. Dr. Sunil S. Jalalpure, Dr. S. G. Alegaon, Prof. Dr. K. S. Patil and other faculty members lit the ceremonial lamp, and Prof. Dr. K. S. Patil introduced the chief guest. Dr. Subarna Roy have their insights on artificial intelligence in drug discovery and development. In presidential remarks, Prof. Dr. Sunil S. Jalalpure briefed the gathering about the importance and key features of the faculty development program.

The Program began with an "Introduction to FTIR Spectroscopy and Spectral Interpretation" by Dr. Shankar G. Alegaon. Attendees were introduced to the fundamental concepts of Fourier Transform Infrared (FTIR) spectroscopy and gained insights into calibration, analysis and interpreting spectral data, followed by Hands-on Training on FTIR.

Day 2 began with “Introduction to HPTLC Technique” by Mr. Aniket Jadhav, Application Chemist, Anchrom Ltd. Mumbai, followed by Hands-on training Participants engaged in practical exercises, gaining practical skills in sample application, mobile phase optimization, and plate development. The training emphasized instrumental operation and data analysis techniques. Attendees also learned about HPTLC's applications in pharmaceutical, food, and environmental analysis. The interactive nature of the training ensured a deep understanding of HPTLC principles and techniques, enhancing participants' proficiency in this analytical method.

The topic for Day 3 was “Extraction and Isolation of phytochemical compounds by Column Chromatography” by Mr. Akshay Patil and Ms. Sneha Patil. The participants were introduced to the method's principles, materials, and procedure were outlined, highlighting its role in separating complex mixtures based on compound properties. Column chromatography's significance in phytochemical research was emphasized, offering a versatile and powerful technique for the isolation and purification of diverse bioactive compounds with potential applications.

The topic for day 4 was “Application and Hands-on HPLC” by Mr. Nikhil Gawas. Participants gained practical insights into HPLC techniques, equipment operation, and method development. The workshop included interactive sessions, instrument demonstrations (Waters Alliance e2695 Separation module equipped with PDA detector), and guided practice. Attendees left with enhanced skills and knowledge in utilizing HPLC for analytical purposes.

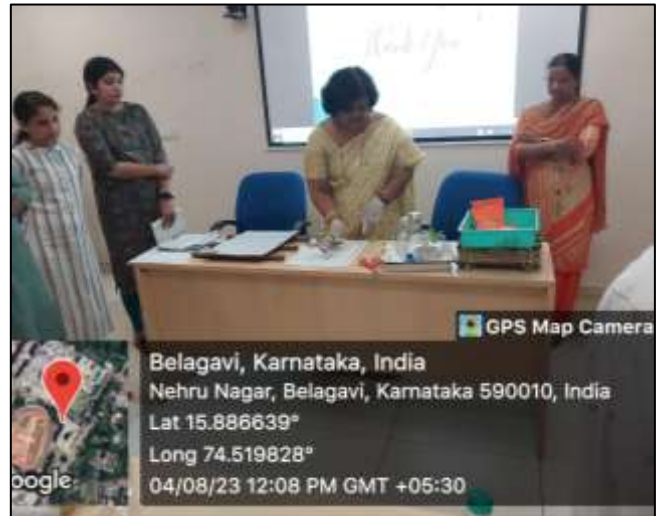

On day 5, Dr. Jyoti S. Kawalekar, Principal KLE’s R. L. S. College. Introduced the participants to the preparation of the Herbarium. Topic covered includes proper plant selection,

collection techniques, pressing methods, label creation, and storage considerations. The lecture underscores the significance of accurate documentation and meticulous handling to ensure long-term scientific value. Followed by a lecture on “Understanding Innovations, patents in drug discovery and Development” by Dr. D. N. Shastry. The speaker emphasized groundbreaking innovations and their role in drug discovery and development, highlighting the significance of patents in protecting intellectual property. By examining recent advancements, we uncover how patents drive research, incentivize innovation, and foster collaborations, shaping the future of pharmaceuticals. The session was followed by “Molecular Docking” by Dr. S. G. Alegaon and continued on day 6. The Speaker provided a comprehensive insight into the computational technique of molecular docking, which plays a pivotal role in drug discovery and protein-ligand interactions. The lecture covered fundamental concepts, algorithmic approaches, and software tools employed in predicting binding orientations and affinities. Attendees gained valuable insights into the application of molecular docking in optimizing drug design and understanding molecular interactions. The lecture highlighted the significance of this technique in accelerating the drug development process and fostering innovation in the field of pharmaceutical research. The Department of Pharmaceutical Chemistry and Department of Pharmacognosy organized the Faculty Development Program (FDP) and well-coordinated for the successful completion of the program.

Inauguration

Any suggestions/Queries?

10 responses

No

Arrange some more like this

Need to provide more time for hands on training.

None

It is difficult to understand Molecular docking within a day... Need one more workshop to understand overall docking study..

Nil

Program was arranged very systematically

FDP Schedule

DATE	TIME	TOPIC/SPEAKER
31/07/2023 Monday	9:00am to 9:30am	Registration
	9:30am to 10:00 am	Inauguration
	10:00 am to 10:15 am	Tea break
	10:15 am to 10:30 am	Pre-FDP Question
	10:30 am to 1:00 pm	Topic: Introduction to FTIR spectroscopy and Spectral Interpretation Dr. Shankar G. Alegaon Professor and Head Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi
	1:00 am to 2:00 pm	Lunch Break
	2:00 pm to 3:15 pm	Topic: Basics and hands on training on FTIR spectroscopy Dr. Shankar G. Alegaon Professor and Head Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi
	3:15 pm to 3:30 pm	Tea break
	3:30 pm to 4:30 pm	Topic: Hands on training on FTIR spectroscopy Dr. Shankar G. Alegaon Professor and Head Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi

1/08/2023 Tuesday	10:00 am to 11:15 am	Topic: Introduction to HPTLC Technique Mr. Aniket Jadhav Application Chemist Anchrom Ltd. Mumbai
	11:15 am to 11.30 am	Tea break
	11:30 am to 1:00 pm	Topic: HPTLC Hands on Training Mr. Aniket Jadhav Application Chemist Anchrom Ltd. Mumbai
	1:00 am to 2:00 pm	Lunch Break
	2:00 pm to 3:15 pm	Topic: HPTLC Hands on Training Mr. Aniket Jadhav Application Chemist Anchrom Ltd. Mumbai
	3:15 pm to 3:30 pm	Tea break
	3:30 pm to 4:30 pm	Topic: HPTLC Hands on Training Mr. Aniket Jadhav Application Chemist Anchrom Ltd. Mumbai

Learning outcomes

- You will gain knowledge about the technique of HPLC, HPTLC, FTIR spectroscopy.
- You will understand different types of applications of chromatography and spectroscopy.
- You will learn about various sample preparation, hands-on experience, sample analysis and data analysis
- You will learn about spectral processing techniques

“Creating New Culture of Effective Teaching Learning”

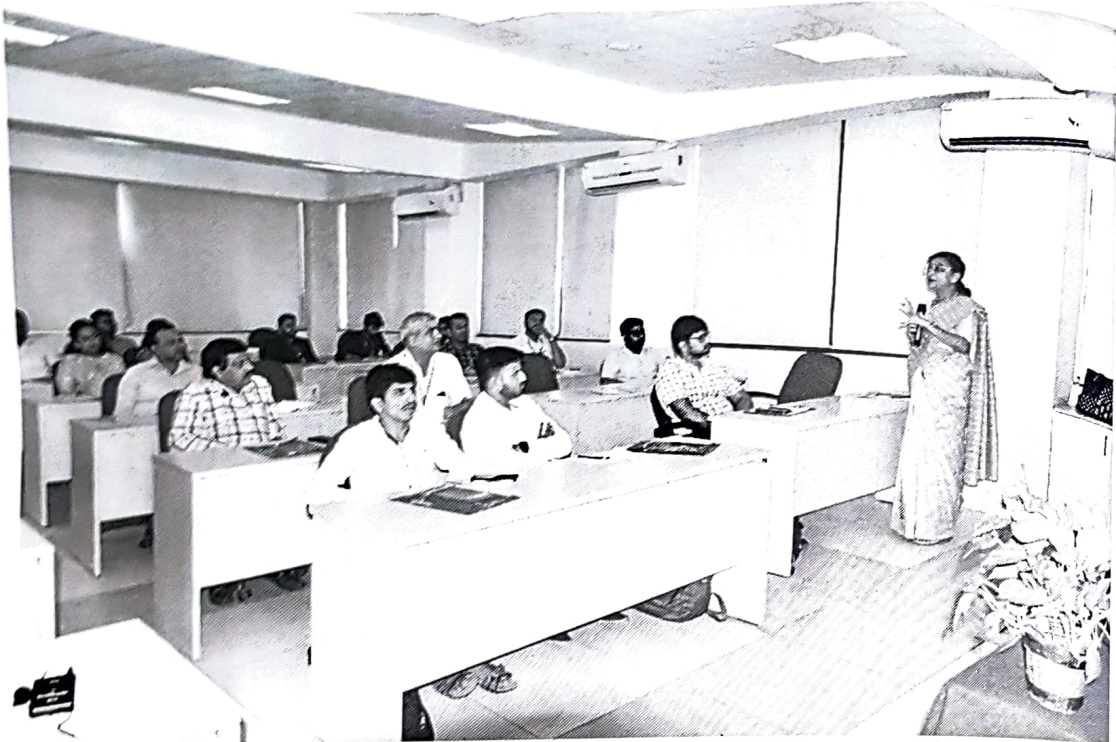

KLE College of Pharmacy, Belagavi, Department of Pharmaceutics organized a One-day workshop on 21st April 2023 entitled “Creating New Culture of Effective Teaching Learning”. Chief guest Dr. Subarna Roy, Scientist G and Director, ICMR-NITM, Belagavi, Prof. (Dr.) Sunil S. Jalalpure, Principal, KLE College of Pharmacy, Dr. M. B Patil Vice Principal inaugurated the workshop. Mrs. Kishori Sutar Programme Convener welcomed the gathering. Dr. Subarna Roy emphasized on adapting skills for effective teaching, Prof. (Dr.) Sunil S. Jalalpure addressed the delegates on inculcating new teaching modules with modern pedagogies to meet the modern scenario. Dr. P M Dandagi, DOPE Convener addressed on the objectives and its functions. Mrs. R. S. Masareddy, Professor and Head, Department of Pharmaceutics introduced the chief guest. Resource Persons from JNMC, UDEHP Dr. Nayana Hashilkar, Dr. Padmaja Walvekar, Dr. Sheetal Harkuni, Dr. Deepti Kadeangadi, Dr. Shilpa Bhimalli deliberated on various platforms of effective teaching. The valedictory programme was graced by Dr.P.M. Dandagi. About 30 delegates from KLE College of Pharmacy, Belagavi, Hubli, Nipani and Gadag, KLE Homeopathic College, Belagavi, Maratha Mandal College of Pharmacy Belagavi & Nipani, Sant Gajanan Maharaj College of Pharmacy, Gadhinglaj and PES College of Pharmacy Ponda, Goa participated in the workshop. Dr. Archana S. Patil proposed the vote of thanks.

WORKSHOP ON

“FORMULATION AND OPTIMIZATION OF SELF-EMULSIFYING DRUG DELIVERY SYSTEM”

KLE College of Pharmacy, Belagavi, A Constituent unit of KLE Academy of Higher Education and Research, Department of Pharmaceutics organized a One-day workshop on 20th February 2023 titled “Formulation and Optimization of Self-Emulsifying Drug Delivery System”. Prof. Rajashree S. Masareddy, Head Dept. of Pharmaceutics welcomed the gathering and briefed on the details of workshop, Prof. (Dr.) Sunil S. Jalalpure, Principal KLE College of Pharmacy, Belagavi, Dr.M.B.Patil Vice-Principal and faculty members enlightened the lamp. In the presidential remarks Principal addressed the delegates on the problems associated with drugs having poor solubility and the need to enhance their bioavailability which leads to reduced dose and better therapeutic efficacy. He also emphasized on approaches to enhance dissolution and oral bioavailability. He encouraged young professionals to involve in innovation and research activities. Dr. Archana S. Patil organized the event. Mrs.Kishori P. Sutar proposed the vote of thanks.

Total 47 Participants from different Pharmacy Colleges of, Nippani (08), Hubballi (16) & Belagavi (23) participated in the workshop.

Resource persons

1. **Dr. Amolkumar Kempwade**, Professor, Dept. of Pharmaceutics, KLE College of Pharmacy, Nippani,: Addressed on Formulation Considerations and Optimization of Self-Emulsifying Drug Delivery Systems
2. **Dr. Archana S. Patil** KLE College of Pharmacy, Belagavi: spoke on Evaluation, Challenges and road ahead for Self-Emulsifying Drug Delivery Systems.
3. **Dr. Fathima S. Dasankoppa**, Professor, Dept. of Pharmaceutics, KLE College of Pharmacy, Hubballi: Explained the importance of Ternary Phase Diagram: Basics, Construction and Interpretation. A Hands on Training session for construction of Pseudo Ternary Phase Diagram was conducted.

The Programme was conducted as per the schedule, and the feedback from participants was received in the form of online Google form.

The Workshop concluded with Valedictory function. Dr. P.M. Dandagi and Prof. Rajashree S. Masareddy distributed the certificate of participation to the delegates and resource persons.

GUEST LECTURE

3D PRINTING TECHNOLOGY in Pharma Industry

A guest lecture on 3D PRINTING TECHNOLOGY in Pharma Industry was organized by, Department of Pharmaceutics, KLE College of Pharmacy, Belagavi on 10th October 2023 in College Seminar Hall for PG students of Pharmaceutics, Quality Assurance, Pharmacology and Pharmaceutical Chemistry department.

Mr. Sujay Hulyalkar, Assistant Professor, Program Coordinator welcomed the Guest Speaker and participants . In the preamble he emphasized on growth and uses of 3D printing technology in Pharmaceutical Industry. Mrs. Kishori Sutar Assistant Professor Department of Pharmaceutics introduced the guest speaker Ms. Maria Scimran Da Costa, *Application Specialist*, Altem Technology (P) Ltd Bangalore. Speaker addressed on the close association of Pharma and 3D printing in pharmaceutical industry which is involved in formulation aspects for health care products. She also provided information on career options of pharmacy graduates in 3D printing technology at Pharma industry. Around 47 PG students from various department benefitted the guest lecture. The program was concluded with vote of thanks by Mr. Ravikiran Kanabargi. Mrs. Rajashree. Masareddy convener ensured necessary arrangements for the smooth conduct of the Programme.

REPORT

Hands-on training on in-silico methods and tools for drug discovery on 24th February 2023. Sponsored by KLE Academy of Higher Education and Research Belagavi, Organized by Department of Pharmaceutical Chemistry, In association with Schrodinger, Bengaluru.

In silico methods include databases, molecular docking quantitative structure-activity relationships, pharmacophores, homology models and other molecular modeling approaches, machine learning, data mining, network analysis tools and data analysis tools that use a computer

The inaugural function of the workshop was held On 24th February 2023 which was inaugurated by Prof. (Dr.) Sunil S. Jalalpure and Prof. (Dr.) M. B. Patil, Principal and vice-principal, KLE College of Pharmacy. Prof. (Dr.) Sunil S. Jalalpure, highlighted the importance of the in-silico methods in drug discovery and development. Dr. Shankar G. Alegaon emphasized the importance of rational drug design and discovery and Dr. M. S. Palled given vote of thanks, all pharmaceutical chemistry faculty members, and forty (44) Participants from Goa, Vijayapur, Bagalkot, Dharwad and Belagavi Pharmacy colleges were attended the workshop.

Dr. Vinod D explained about importance of computer aided drug design and Schrodinger software, Dr. Shankar Alegaon was delivered lecture on Molecular docking and Hands-on training to participants about how to select targets and ligands from various libraries for virtual screening, preparation of ligands and protein for simulation using Schrodinger user interface, followed by molecular docking. Dr. Preeti Salve, Mis. Rohini S. Kavalpure and Mr. Shriram Ranade delivered hands-on training on glide and qik-prop tool from Schrodinger

Guest lecture

4/3/2023

A guest lecture was organised by the dept. of Pharmachemistry on 2/03/2023 at 11 AM. Prof.(Dr.) Shankar G Alegaon offered flowers and Wel come guest speaker and Prof. (Dr.) M S Palled has introduced the guest speaker Mr. Arun M S , Director, Celest Pharma Pvt. Ltd. Bangalore to the audience and the program was coordinated by Dr. Basavaraj M Dinnimath. Prof.(Dr.) Meenaxi Maste proposed vote of thanks.

Mr. Arun M S delivered his talk on "Developing Lead molecules from natural products" Over 50 M Pharm and B Pharm students of all departments have attended and sensitised.. The topic was broad and dealt with various aspects of deveping lead molecules from medicinal plants for various diseases which was very useful for the students.. Students and staff asked questions related to the topic and clarified their doubts as well as discussed regarding their projects.

Report

Department of Pharmaceutical Chemistry, and Department of Pharmacognosy, KLE College of Pharmacy, Belagavi, organized a 1-week faculty development program entitled “**Drug Discovery from Natural and Synthetic Basis: Innovation and Application**” from 31st July to 5th August 2023, Sponsored by KAHER, Belagavi. Prof. Dr. S. G. Alegaon welcomed the delegates and briefed them about the week-long program.

Chief Guest Dr. Subarna Roy, Director & Scientist G ICMR-National Institute of Traditional Medicine (NITM), Principal Prof. Dr. Sunil S. Jalalpure, Dr. S. G. Alegaon, Prof. Dr. K. S. Patil and other faculty members lit the ceremonial lamp, and Prof. Dr. K. S. Patil introduced the chief guest. Dr. Subarna Roy have their insights on artificial intelligence in drug discovery and development. In presidential remarks, Prof. Dr. Sunil S. Jalalpure briefed the gathering about the importance and key features of the faculty development program.

The Program began with an "Introduction to FTIR Spectroscopy and Spectral Interpretation" by Dr. Shankar G. Alegaon. Attendees were introduced to the fundamental concepts of Fourier Transform Infrared (FTIR) spectroscopy and gained insights into calibration, analysis and interpreting spectral data, followed by Hands-on Training on FTIR.

Day 2 began with “Introduction to HPTLC Technique” by Mr. Aniket Jadhav, Application Chemist, Anchrom Ltd. Mumbai, followed by Hands-on training Participants engaged in practical exercises, gaining practical skills in sample application, mobile phase optimization, and plate development. The training emphasized instrumental operation and data analysis techniques. Attendees also learned about HPTLC's applications in pharmaceutical, food, and environmental analysis. The interactive nature of the training ensured a deep understanding of HPTLC principles and techniques, enhancing participants' proficiency in this analytical method.

The topic for Day 3 was “Extraction and Isolation of phytochemical compounds by Column Chromatography” by Mr. Akshay Patil and Ms. Sneha Patil. The participants were introduced to the method's principles, materials, and procedure were outlined, highlighting its role in separating complex mixtures based on compound properties. Column chromatography's significance in phytochemical research was emphasized, offering a versatile and powerful technique for the isolation and purification of diverse bioactive compounds with potential applications.

The topic for day 4 was “Application and Hands-on HPLC” by Mr. Nikhil Gawas. Participants gained practical insights into HPLC techniques, equipment operation, and method development. The workshop included interactive sessions, instrument demonstrations (Waters Alliance e2695 Separation module equipped with PDA detector), and guided practice. Attendees left with enhanced skills and knowledge in utilizing HPLC for analytical purposes.

On day 5, Dr. Jyoti S. Kawalekar, Principal KLE’s R. L. S. College. Introduced the participants to the preparation of the Herbarium. Topic covered includes proper plant selection,

collection techniques, pressing methods, label creation, and storage considerations. The lecture underscores the significance of accurate documentation and meticulous handling to ensure long-term scientific value. Followed by a lecture on “Understanding Innovations, patents in drug discovery and Development” by Dr, D. N. Shastry. The speaker emphasized groundbreaking innovations and their role in drug discovery and development, highlighting the significance of patents in protecting intellectual property. By examining recent advancements, we uncover how patents drive research, incentivize innovation, and foster collaborations, shaping the future of pharmaceuticals. The session was followed by “Molecular Docking” by Dr. S. G. Alegaon and continued on day 6. The Speaker provided a comprehensive insight into the computational technique of molecular docking, which plays a pivotal role in drug discovery and protein-ligand interactions. The lecture covered fundamental concepts, algorithmic approaches, and software tools employed in predicting binding orientations and affinities. Attendees gained valuable insights into the application of molecular docking in optimizing drug design and understanding molecular interactions. The lecture highlighted the significance of this technique in accelerating the drug development process and fostering innovation in the field of pharmaceutical research. The Department of Pharmaceutical Chemistry and Department of Pharmacognosy organized the Faculty Development Program (FDP) and well-coordinated for the successful completion of the program.

About the Faculty Development Program (FDP)

Benefits from the program.

Faculty development program (FDP), enhance the teaching and other skills of the faculty. And to make them aware about modern teaching tools and methodologies. It provide an opportunity to acquire knowledge about current technological developments in relevant fields. It will not only promote the professional practices relevant to pharmacy education but also motivates the faculty to achieve competitive teaching and learning environment, thus channelizing development with respect to academic qualifications and personal matters.

Theme

The theme of the program is "Drug Discovery from Natural and Synthetic Basis: Innovation and Application". This workshop aims to provide the information on the present trends in drug discovery, applications and hands on training on FTIR, HPLC, GC/MS, and strengthen research expertise via exchange of ideas. The program will include well experienced and highly qualified resource persons from industry, academia.

Objectives:

- To provide a platform for faculty members to exchange ideas and experiences.
- To provide a platform for faculty members to update their knowledge and skills.
- To provide a platform for faculty members to learn about the latest developments in their respective fields.
- To provide a platform for faculty members to learn about the latest teaching tools and methodologies.
- To provide a platform for faculty members to learn about the latest research trends in their respective fields.

KLE Society (Karnataka Lingayat Education Society)
 was started in 1916 by a group of young dedicated teachers and patrons. This Society aims to empower people through education and is well recognized for its quality education and health care services. Today, KLE Society manages 296 institutions with more than 1.28 lakh student strength, and 18000+ staff offering world-class education in Healthcare, Pharmacy, Paramedical sciences, Engineering, Management, Law and Agriculture. The educational services include School, Pre-University, Graduate, Post Graduate, Doctoral and Post-Doctoral education.

KLE Academy of Higher Education and Research
 is sponsored by KLE Society was established in Belagavi in 2006 to highlight the Society's commitment to healthcare and Science education. KANER is recognized by University Grants Commission (UGC), re-accredited "A+" grade by NAAC and placed in category "A" by MAE, Govt. of India. KANER provides internationally accepted education and healthcare practices, with impetus on research. University takes immense pride in its top class faculty, curriculum and well equipped infrastructure. The institutions of Medicine, Dentistry, Physiotherapy, Nursing, Pharmacy, Ayurveda and Homeopathy are under the ambit of this university.

KLE College of Pharmacy, Belagavi
 is a well-reputed NRI ranked institution offering all professional courses of Pharmacy education. All the courses run by the institution are recognized by Pharmacy Council of India, All India Council for Technical Education and University Grants Commission. The college introduced D.Pharm in 1968, B.Pharm degree course in 1975, Post-Graduation in 1988, Doctoral Degree from 2000 and Pharm.D from 2014. It has been accredited by NBA, New Delhi and has received many prestigious research grants from funding agencies such as AICTE, DST, ICMR, and VIST Govt. of Karnataka etc. B Pharm program is accredited for 6 years by NBA(2019- 2025)

FDP Schedule

DATE	TIME	TOPIC/SPEAKER
31/07/2023 Monday	9:00am to 9:30am	Registration
	9:30am to 10:00 am	Inauguration
	10:00 am to 10:15 am	Tea break
	10:15 am to 10:30 am	Pre-FDP Question
	10:30 am to 1:00 pm	Topic: Introduction to FTIR spectroscopy and Spectral Interpretation Dr. Shankar G. Alegaon Professor and Head Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi
	1:00 am to 2:00 pm	Lunch Break
	2:00 pm to 3:15 pm	Topic: Basics and hands on training on FTIR spectroscopy Dr. Shankar G. Alegaon Professor and Head Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi
	3:15 pm to 3:30 pm	Tea break
	3:30 pm to 4:30 pm	Topic: Hands on training on FTIR spectroscopy Dr. Shankar G. Alegaon Professor and Head Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi

1/08/2023 Tuesday	10:00 am to 11:15 am	Topic: Introduction to HPTLC Technique Mr. Aniket Jadhav Application Chemist Anchrom Ltd. Mumbai
	11:15 am to 11.30 am	Tea break
	11:30 am to 1:00 pm	Topic: HPTLC Hands on Training Mr. Aniket Jadhav Application Chemist Anchrom Ltd. Mumbai
	1:00 am to 2:00 pm	Lunch Break
	2:00 pm to 3:15 pm	Topic: HPTLC Hands on Training Mr. Aniket Jadhav Application Chemist Anchrom Ltd. Mumbai
	3:15 pm to 3:30 pm	Tea break
	3:30 pm to 4:30 pm	Topic: HPTLC Hands on Training Mr. Aniket Jadhav Application Chemist Anchrom Ltd. Mumbai
2/08/2023 Wednesday	10:00 am to 11:15 am	Topic: Extraction and isolation technique Dr. K. S. Patil Professor and Head, Dept. of Pharmacognosy
	11:15 am to 11.30 am	Tea break
	11:30 am to 1:00 pm	Topic: Extraction and isolation technique Mrs. Sneha Patil and Mr. Akshay Patil Asst. Professor, Dept. of Pharmacognosy
	1:00 am to 2:00 pm	Lunch Break
	2:00 pm to 3:15 pm	Topic: Isolation of phyto-compounds by column chromatography. Mrs. Sneha Patil and Mr. Akshay Patil Asst. Professor, Dept. of Pharmacognosy
	3:15 pm to 3:30 pm	Tea break
	3:30 pm to 4:30 pm	Topic: Isolation of phyto-compounds by column chromatography. Mrs. Sneha Patil and Mr. Akshay Patil Asst. Professor, Dept. of Pharmacognosy
3/08/2023 Thursday	10:00 am to 11:15 am	Topic: Application and hands on training on HPLC <ul style="list-style-type: none"> • Introduction to HPLC and its importance in analytical chemistry? • HPLC principles and the separation process. • Comparison of HPLC with other chromatographic techniques. Mr. Nikhil Gawas Asst. Professor,

		Dept. of Pharmaceutical Chemistry
	11:15 am to 11.30 am	Tea break
	11:30 am to 1:00 pm	Topic: Waters Alliance HPLC System Overview Key components and Understanding the control software (e.g., Empower). Mr. Nikhil Gawas Asst. Professor, Dept. of Pharmaceutical Chemistry
	1:00 am to 2:00 pm	Lunch Break
	2:00 pm to 3:15 pm	Topic: Hands-on Practice and Data Analysis and Interpretation Mr. Nikhil Gawas Asst. Professor, Dept. of Pharmaceutical Chemistry
	3:15 pm to 3:30 pm	Tea break
	3:30 pm to 4:30 pm	Hands-on Practice and Data Analysis and Interpretation Mr. Nikhil Gawas Asst. Professor, Dept. of Pharmaceutical Chemistry
4/08/2023 Friday	10:00 am to 11:15 am	Topic: Preparation of specimens for herbarium Dr.Jyoti S. Kawalekar Principal, KLE's R. L. S. College, Belagavi
	11:15 am to 11.30 am	Tea break
	11:30 am to 1:00 pm	Topic: Preparation of specimens for herbarium Dr.Jyoti S. Kawalekar Principal, KLE's R. L. S. College, Belagavi
	1:00 am to 2:00 pm	Lunch Break
	2:00 pm to 3:15 pm	Topic: Understanding Innovations, patents in drug discovery and development Dr.Nithyananda Sastry Associate Professor, Department of Pharmacognosy
	3:15 pm to 3:30 pm	Tea break
	3:30 pm to 4:30 pm	Topic: Molecular Docking Dr. Shankar G. Alegaon Professor Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi

A Constituent Unit of

KLE Academy of Higher Education and Research

(Deemed-to-be University established u/s 3 of the UGC Act, 1956), Re-accredited **A⁺ Grade** by NAAC (3rd Cycle) Placed in **Category 'A'** by MoE (GoI)
Recognized by PCI & AICTE; **B. Pharm** program has been accredited by **NBA** (4th Cycle) for a period of **6 years** (up to June 2025)

JNMC Campus, Nehru Nagar, Belagavi-590 010, Karnataka, India. Phone: +91 831-2471399; Web: www.klepharm.edu; E-mail: principal@klepharm.edu

Saturday	10.00 am to 11.15 am	Topic: Molecular Docking Dr. Shankar G. Alegaon Professor Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi
	11.15 am to 11.30 pm	Tea break
	11:30 am to 1:00 pm	Topic: Molecular Docking Dr. Shankar G. Alegaon Professor Department of Pharmaceutical Chemistry KLE College of Pharmacy, Belagavi

Learning outcomes

- You will gain knowledge about the technique of HPLC, HPTLC, FTIR spectroscopy.
- You will understand different types of applications of chromatography and spectroscopy.
- You will learn about various sample preparation, hands-on experience, sample analysis and data analysis
- You will learn about spectral processing techniques

REPORT ON GUEST LECTURE

Recent Advances in Drug Discovery of Anti-Infective Agents

On October 9, 2023, a guest lecture on "Recent Advances in Drug Discovery of Anti-Infective Agents" was organized for the students of the I & II Year M. Pharm Department of Pharmaceutical Chemistry & Pharmacology. The event was held in the Seminar Hall, and the guest speaker for the lecture was Mr. Akshay Raul, Senior Research Associate, Syngene International Ltd., Bangalore.

Mr. Akshay Raul, shared valuable insights and the latest developments in drug discovery, specifically focusing on anti-infective agents. The lecture covered a wide range of topics related to the challenges and innovations in this critical area of pharmaceutical research.

Students had the opportunity to delve into the recent advancements, cutting-edge technologies, and methodologies employed in the discovery and development of novel anti-infective agents. Mr. Akshay Raul's extensive knowledge and practical experience added significant depth to the subject matter, enriching the students' understanding of the field.

The lecture was well-received, with active participation from the students who found the content both informative and engaging. The event served as a platform for students to interact with an industry expert and gain valuable insights that will undoubtedly benefit their academic and professional pursuits.

About 70 UG, PG, PhD Research Scholars & faculty benefitted from the program. The program was successfully organized under the guidance and supervision of Dr. Sunil S. Jalalpure, Principal & Convener, Dr. Preeti Salve, Associate Professor & Program Co-ordinator, and Dr. Shankar Alegaon, HOD, Dept. of Pharmaceutical Chemistry.

Report:

Robust and Reproducible Preclinical Research

FDP Schedule:

DATE	TIME	TOPIC/SPEAKER
11/12/23	10.00 Am to 11.30 Am	Topic: Preclinical Research: Then & Now Speaker: Dr. P.A. Patil Professor & Head, Dept. of Pharmacology, KLE-USM International Medical Programme, Belagavi.
	11.30 to 11.45 Am	Break
	11.45 Am to 1.00 Pm	Topic: Repurposing of drugs: A Novel Strategy in drug discovery Process Speaker: Dr. Viresh Bantal Prof. & Head, Dept. of Pharmacology Pulla Reddy College of Pharmacy, Hyderabad
	3.00 Pm to 4.30 Pm	Topic: Preclinical Experimental Design Speaker: Dr. N.A. Khatib Prof. & Head, Dept. of Pharmacology, KLE College of Pharmacy, Nehru Nagar, Belagavi.
12/12/2023	10.00 Am to 11.30 Am	Topic: Animal Testing: History & Alternative Methods Speaker: Dr. T.K. Praveen Prof. & Head, Dept. of Pharmacology, JSS College of Pharmacy, Mysuru.
	11.30 to 11.45 Am	Break
	11.45 Am to 1.00 Pm	Topic: Preclinical Models and Validation Speaker: Mr. Prakash Biradar Asso. Professor, Dept. of Pharmacology KLE College of Pharmacy, Belagavi.
	3.00 Pm to 4.30 Pm	Topic: Future Directions and Emerging Tools in Preclinical study Speaker: Dr. Virupaksha Bastikar Professor, Amity Institute of Biotechnology Amity University, Mumbai
13/12/2023	10.00 to 11.30 Am	Topic: Biostatistical Analysis for Reproducible Results Speaker: Dr. Rajendra Prof. Mallige College of Pharmacy, Bangalore
	11.30 to 11.45 Am	Break
	11.45 to 1.00 Pm	Topic: Significance role of Insilco study in preclinical experimental design Speaker: Dr. Wishambhar Bhandare Associate Scientific Manager, Innoplexus, Pune
	3.00 to 4.30 Pm	Topic: Peer Review and Collaboration Speaker: Dr Yogendra Nayak Professor, Dept of Pharmacology, Manipal College of Pharmacy

DATE	TIME	TOPIC/SPEAKER
14/12/2023	10.00 to 10.45 Am	Faculty Development Programme Inauguration Programme at 5 th Floor Seminar Hall, KLE College of Pharmacy, Belagavi
	11.00 Am to 5.00 Pm	Hands on training by Mr. Suman Bhatt Training & Tech Manager AD Instruments
15/12/2023	10.00am to 1.00 Pm	Functional visit to GLP Lab KLE Ayurveda College, Belagavi
	1.00 to 2.00 Pm	Lunch Break
	2.30 to 5.00 Pm	Functional visit to NITM_ICMR, Belagavi
16/12/2023	10.00 Am to 12.00 Pm	Valedictory function at 5 th Floor Seminar Hall, KLE College of Pharmacy, Belagavi

Department of Pharmacology KLE College of Pharmacy, Belagavi organised 6 days Faculty Development Programme entitled with 'Robust and Reproducible Preclinical Research.' Initial 3 days of FDP was online mode last 3 days of FDP was inhouse at KLE College of Pharmacy, Belagavi. FDP Included online seminars, Hands on training, ICMR Visit, ayurveda GLP lab visit.

Day: 1, 11th December 2023

Session- I: It was started at 10:00 am. Dr. Nayeem Khatib welcomed all delegates and resource person. He explained outline of FDP. Dr. P A Patil Professor & Head, Dept. of Pharmacology, KLE-USM International Medical Programme, Belagavi. delivered lecture on 'Preclinical Research: Then & Now' He explained importance of animal studies in preclinical research. Alternative approaches to animal testing.

Session II: It was started at 11:45 am Dr. Viresh Bantal, Prof. & Head, Dept. of Pharmacology, Pulla Reddy College of Pharmacy, Hyderabad, delivered lecture on 'Repurposing of drugs: A Novel Strategy in drug discovery Process'. He explained different stages involved in preclinical research stages and drug repurposing.

Session III was started at 03:00 pm. Dr. Nayeem. A. Khatib, Prof. & Head, Dept. of Pharmacology, KLE College of Pharmacy, Belagavi, delivered lecture on 'Preclinical Experimental Design'. He explained how design the preclinical research project. He emphasized on animal selection, sample size determination, data collection, statistical analysis.

Day: 2, 12th December 2023

Session- I: Dr. T.K. Praveen, Prof. & Head, Dept. of Pharmacology, JSS College of Pharmacy, Mysuru delivered lecture on ‘Animal Testing: History & Alternative Methods’. He explained history of animal testing and alternative to animal testing methods like *invitro* studies & organ on chip

Session II: Mr. Prakash Biradar, Associate Professor, Department of Pharmacology, KLE College of Pharmacy, Belagavi delivered lecture on ‘Preclinical Models and Validation.’ He explained selection of animal model for research and validation.

Session III: Dr. Virupaksha Bastikar, Professor, Amity Institute of Biotechnology Amity University, Mumbai delivered lecture on ‘Future Directions and Emerging Tools in Preclinical study’.

Day: 3, 13th December 2023

Session- I: Dr. Rajendra Professor, Mallige College of Pharmacy, Bangalore delivered lecture on ‘Biostatistical Analysis for Reproducible Results Speaker’. He explained importance biostatistics in preclinical research. He also explained different statistical techniques suitable for different preclinical studies.

Session II: Dr. Wishambhar Bhandare, Associate Scientific Manager, Innoplexus, Pune, delivered lecture on ‘Significance Role of *Insilco* Study in Preclinical Experimental Design’. He explained importance of *Insilco* Study in Preclinical research.

Session III: Dr Yogendra Nayak Professor, Department of Pharmacology, Manipal College of Pharmacy, Manipal, delivered lecture on ‘Peer Review and Collaboration’. He explained importance collaboration in effective research and how the collaborative research helpful to give better outcome.

Day: 4, 14th December 2023 at Inhouse KLE College of Pharmacy, Belagavi

The FDP Inaugural function was organised at Seminar Hall, KLE College of Pharmacy, Belagavi. Dr. Nayana Hashilkar, Professor, JN Medical College, Belagavi, Dr. Nayeem Khatib, Mr. Prakash Biradar, all faculties and around 25 delegates were present in inaugural function. At 11:00am Mr. Sumanth Bhat, Training & Tech Manager AD Instruments Bengaluru,

demonstrated advanced instruments which are used in preclinical research. Hands on training was given to all delegates.

Day: 4, 15th December 2023

GLP Laboratory at B M Kankanawadi Ayurveda Mahavidyalaya, Belagavi visit: at morning all the delegates and FDP coordinators visited to GLP lab at B M Kankanawadi Ayurveda Mahavidyalaya, Belagavi. during lab visit delegates learned different process used in ayurvedic drug preparations, different sophisticated instruments used in process. Also, they visited to Medicinal Garden which was situated at Ayurveda Mahavidyalaya. They learned about rare and important species of plants which are used in drug preparation.

Indian Council of Medical Research- National Institute of Traditional Medicine (ICMR-NITM) Visit: at afternoon all the delegates and FDP coordinators visited to Indian Council of Medical Research- National Institute of Traditional Medicine, Belagavi. during this visit they learned about Zebra fish animal model for preclinical research, different sophisticated instruments used for preclinical studies.

Day: 5, 16th December 2023

Valedictory Function: It was organised on 16th December 2023 at KLE College of Pharmacy, Belagavi. during valedictory Function, certificate was distributed to all delegates. Delegates expressed their opinion about FDP.

CO-ORDINATOR REPORT ON WORKSHOP

1. Title of Workshop : **“Design of Experiments: Software Based Training: Design Expert and SYSTAT”**
2. Date : **10th February 2023**
3. Name of the Convener : **Prof. (Dr.) AHM Viswanathswamy**
Principal
KLE College of Pharmacy,
Hubballi-580031.
4. Name of the Co-ordinator : **Dr.(Smt).F.S.Dasankoppa,**
Professor,
Department of Pharmaceutics,
KLE College of Pharmacy,
Hubballi-580031.
5. Total number of participants:

In-house delegates	External delegates	Total
34	33	67

Details of Delegates: 64

Sl. No.	Name of the Institution	No. of Delegates
01	KLE College of Pharmacy, Belgaum.	23
03	KLE College of Pharmacy, Nipani	10
04	KLE College of Pharmacy, Hubballi	34
Total		67

6. Registration Fees collected : **Rs 9600 = 00**

7. Inauguration:

Inaugural Address
Shri Zaheer Abbas
Associate Principal Scientist,
AstraZeneca
Pharmaceutical Technology and development
Oral Product Development
China

While inaugurating the workshop Resource Person Shri Zaheer Abbas Associate Principal Scientist, Astrazeneca, Pharmaceutical Technology and Development, Oral Product Development, China spoke on importance of using Design of Experiment and their applications in Pharmaceutical Industries. Sir also emphasized that Hands on Training will imbibe skills which is the need of the hour for transformation of teaching and learning about the usage of software's in Pharmaceutical Industries.

8. Resource Persons:

1. **Shri Zaheer Abbas**

Associate Principal Scientist,
AstraZeneca
Pharmaceutical Technology and development
Oral Product Development
China

2. **Dr.F.S.Dasankoppa**

Professor,
Department of Pharmaceutics,
KLE College of Pharmacy, Hubballi.

9. SCIENTIFIC SESSIONS

10th February 2023

Key Note Address

Dr.F.S.Dasankoppa

Professor,
Department of Pharmaceutics,
KLE College of Pharmacy, Hubballi.

SESSION 1

Topic: Basics of designing the experiments

Speaker: Shri. Zaheer Abbas Associate Principal Scientist, AstraZeneca
Pharmaceutical Technology and development, Oral Product,
Development, China

10.30am to 11.30am

SESSION 2

Topic: Software Training -Design Expert

Speaker: Shri. Zaheer Abbas

11.45am to 1.00pm

SESSION 3

Topic: Software Training -Design Expert

Trainer: Shri. Zaheer Abbas and Dr.F.S.Dasankoppa

2.30pm to 3.15pm

SESSION 4

Topic: Software Training -Design Expert

Trainer: Dr.F.S.Dasankoppa and Mrs.R.D.Sagare

3.30pm to 5.00pm

SESSION 5

Interaction Session

BENEFITS OF THE WORKSHOP:

Design of experiments (DOE) is a systematic, efficient method that enables scientists to study the relationship between multiple input variables (factors) and key output variables (responses). It is a structured approach for collecting, analyzing and optimizing data and making discoveries

Objectives

- To appraise the participants
- Basics in designing the experiments
- Selection of Factors, Variables and Design for Experiments
- Software Based Training- DESIGN EXPERT and SYSTAT
- Optimization of the Final Formula

Participants:

Faculty/ PhD students/ Research Scholars

Date: 15/02/2023

Place: Hubballi

Dr. (Smt.) F.S. Dasankoppa
Coordinator

Prof. Dr. AHM. Viswanathaswamy

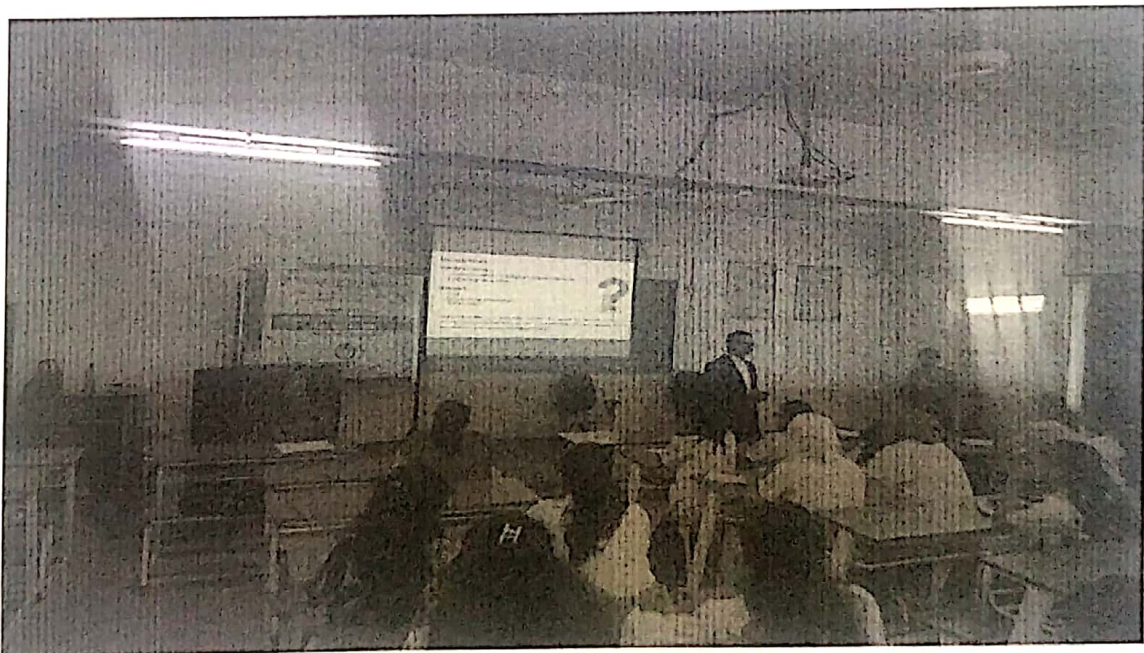

Principal
KLES College of Pharmacy

Workshop Details:

Evidence-based medicine (EBM) is the integration of best available research evidence with clinical expertise and patient values. The quality of evidence indicates the extent to which one can be confident that an estimate of effect is correct. Evidence-based medicine (EBM) promotes the concept that one should apply the best evidence from medical research, particularly that derived from randomized controlled trials (RCT), to the treatment of patients. The aim is not to exclude, but to add to the methods associated with traditional clinical practice: clinical experience, clinical reasoning and pathophysiological inference. Thus helping, the researchers/faculties to perform, interpret and implement evidence-based medicine in day to day clinical practice and their research work.

Highlights/ Lessons learnt of the topics discussed: -

Lectures

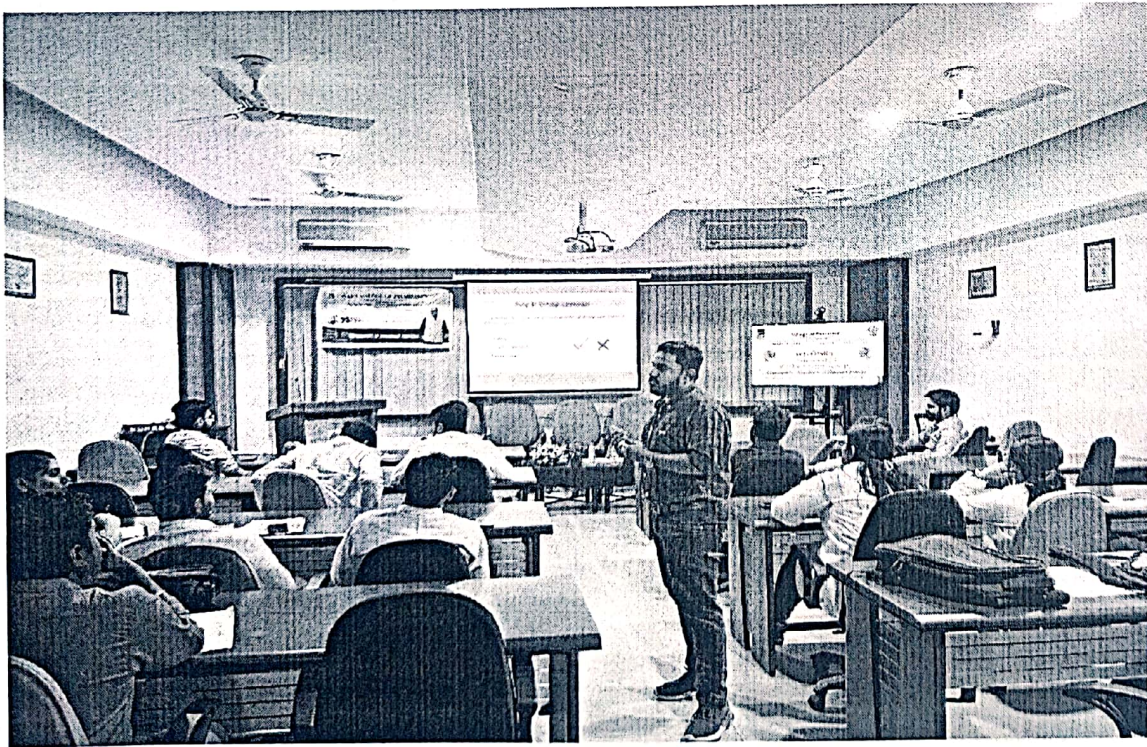

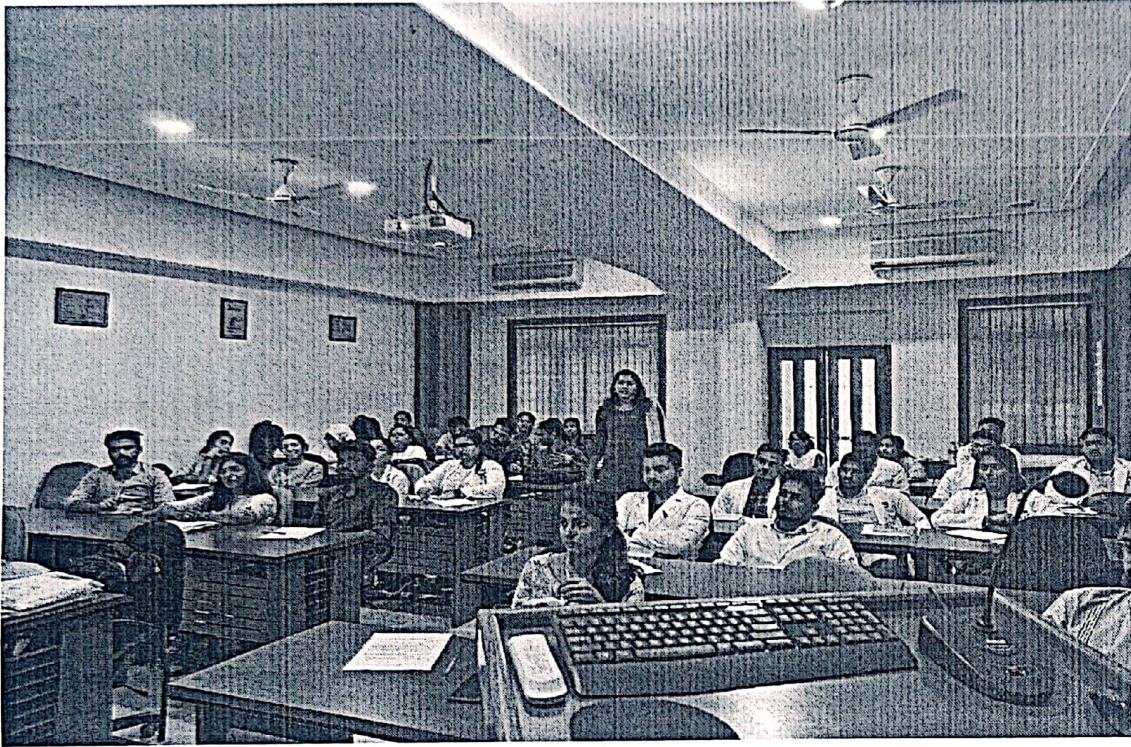

Viji Pulikkel Chandran, ICMR Senior Research Fellow, Pursuing PhD in Department of Pharmacy Practice, Manipal College of Pharmaceutical Sciences, MAHE, explained about the Evidence Based Medicine practice and its implementation of EBM in research. She also explained about various tools to assess the authenticity of a research paper. She also gave a brief idea about keyword search in various search database.

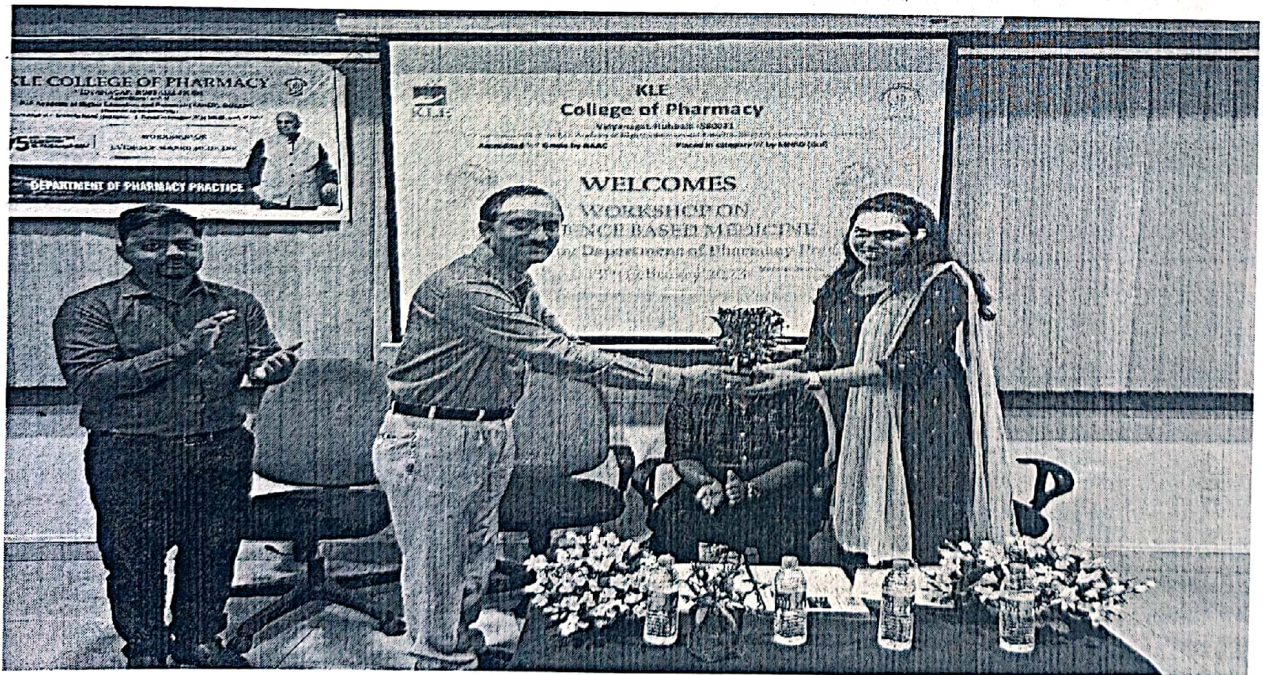

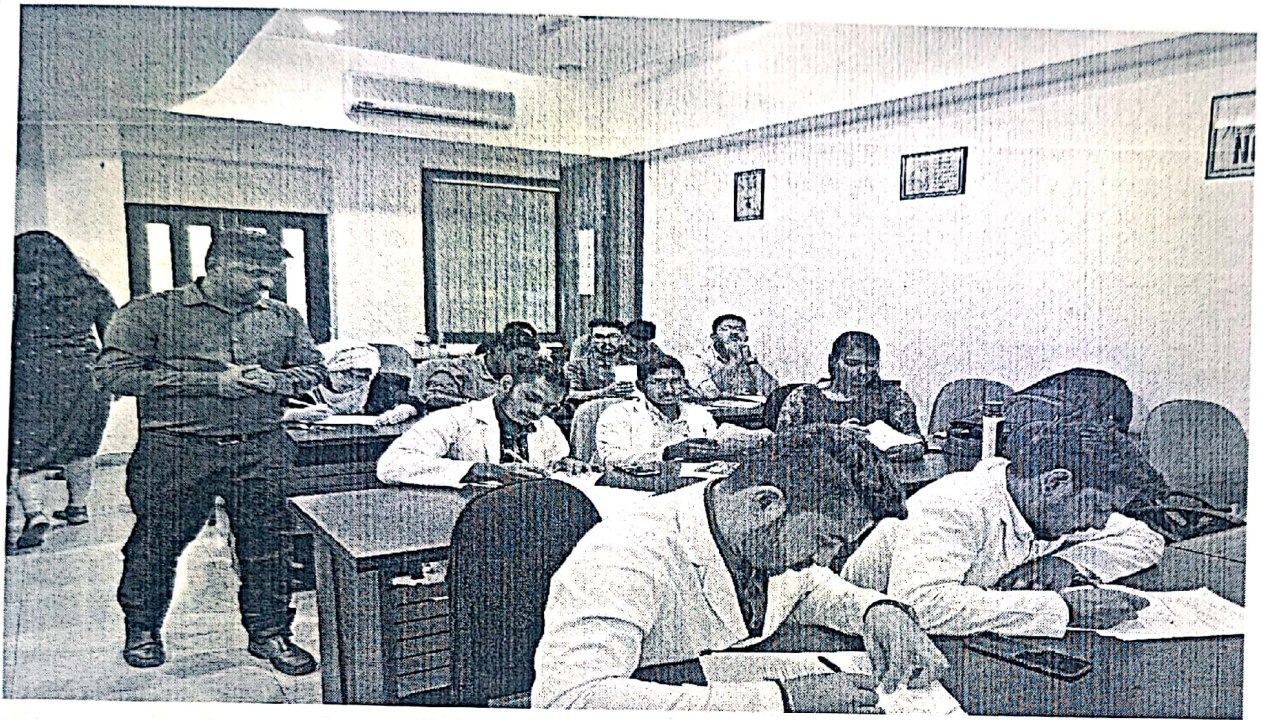

Dr. Muhammed Rashid PP, DST INSPIRE Senior Research Fellow, Manipal College of Pharmaceutical Sciences, MAHE, explained about the critical evaluation of biomedical literatures. He gave a brief on various aspects to assess the value of the study performed and wisely utilize for our study.

: WEBINAR REPORT:

- **Title of the Webinar** : **BIOVIA Discovery Studio Software- Applications in Pharmaceutical Research**
- **Date and Time** : **22-07-2023 and 11:00 am**
- **Convener** : **Prof. (Dr.) AHM Viswanatha Swamy**
Principal
KLE College of Pharmacy,
Hubballi.
- **Name of the Coordinator** : **Dr. S. S. Honnali**
Professor and Head of Department
Department of Pharmaceutical Chemistry
KLE College of Pharmacy,
Hubballi
- **Organizing Committee** : **Dr. P. M. Ronad**
Dr. (Mrs.) A. A. Ankalikar
Dr. G.A. Hampannavar
Dr. Pradeepkumar M R
Mrs A S Menasinakai
Ms S I Hiremath
Ms. P M Koganole
Ms. P N Gouda
- **Total number of Participants** : **25- Offline and 19- Online**
- **Speaker** : **Dr. Dhivya Shanmugarajan**
Senior Application Scientist
Altem Technologies,
Bengaluru.

- **Objectives of Webinar:**

1. To gain the basic knowledge about the software.
2. To know the method of preparation of ligands and protein.
3. To know the procedure of docking the molecules to respective protein.

- **About Webinar:**

The webinar entitled “Biovia discovery studio software- Applications in Pharmaceutical Research” was organized by Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Hubballi. The Convenor for this webinar was Dr. AHMV Swamy, Principal, KLE COP, Hubballi and Coordinator was Dr. S. S. Honnalli, Head of Department, Department of Pharmaceutical Chemistry, KLE COP Hubballi.

The speaker for this webinar was Dr. Dhivya Shanmugarajan, Senior Application scientist, Altem Technologies, Bengaluru.

Biovia discovery studio software is used for stimulating small molecules and macromolecule systems. This workshop briefed us about its applications in pharmaceutical research.

Nearly about 40-50 members were benefited by this webinar. In that 20 were benefited through online mode and rest were in a group.

- **Report:**

Department of Pharmaceutical chemistry conducted this webinar on July 22nd 2023 i.e, on Saturday. The Convener, Coordinator, Head of the Department was present on the dais where speaker joined through online mode. Nearly about 40-50 participants have benefited by attending this webinar.

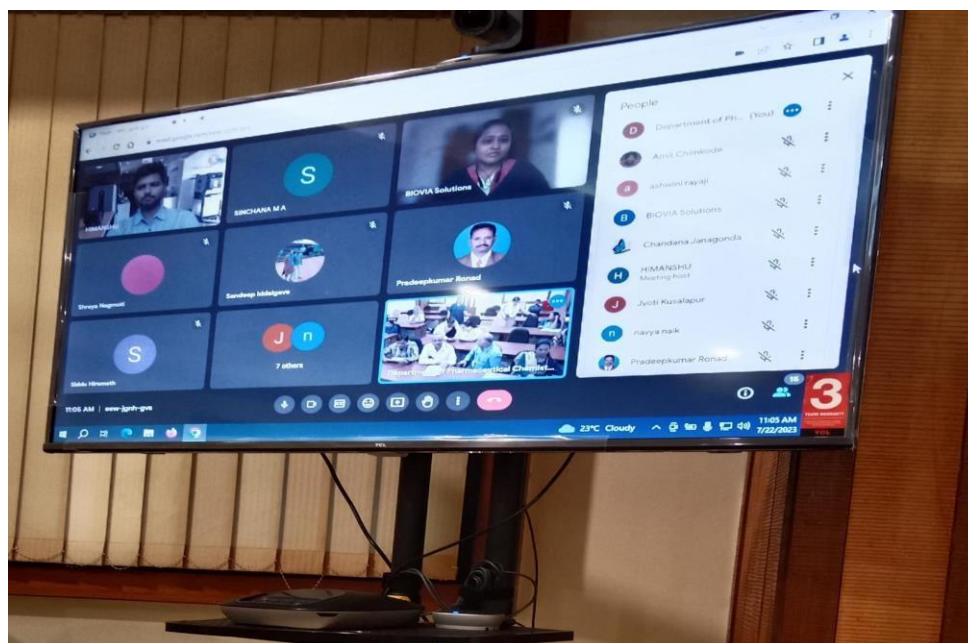

Dr. Dhivya Shanmugarajar, Senior Application scientist, Altem Technologies, Bengaluru was the speaker for this webinar and delivered the talk on its applications in Pharmaceutical research.

Dr. S. S. Honnalli Coordinator briefed us about the webinar, Shri R. V. Karadi IQAC Coordinator briefed about our institution and Dr. Pradeepkumar M R, Assistant Professor, Department of Pharmaceutical Chemistry, KLE COP, Hubballi briefed us about the speaker and the webinar was hosted by Mrs. Akshata S M, Assistant Professor, KLE COP, Hubballi.

• Photos:

- **Programme Schedule:**

- Welcome By Mrs Akshata S Menasinakai
- Brief introduction about the webinar by Dr. S. S. Honnalli
- Brief introduction about the Institute by Shri R. V. Karadi
- Introduction of the Speaker by Dr. Pradeepkumar. M. R
- Webinar By Dr. Dhivya Shanmugarajan
- Vote of Thanks By Mrs. Akshata S Menasinakai

Workshop Details:

The process of research and its importance is well known and authenticated by now in our field of Life sciences.

Most scientific studies need a strong lucrative financial support and backup and to gain such financial support its imperative that an impressive convincing research proposal be designed which not only helps in gaining the financial support by impressing the funding agency but also proves to be a road map for the studies. Several Scientists across the world are developing and discovering newer drug molecules and its essential that the same learnings and findings be conveyed in a structured manner to the peer scientific community. A well written research manuscript wherein the thoughts are well organised, the narrative has been well crafted and the new found language is shared can boost the chances of its selection and publication. Hence the aforesaid workshop has been organised which is tailor made and caters to the need of educating young budding research scholars to gain momentum in their research activities by obtaining funds and successfully and scientifically publishing the same in well reputed journals.

Programme Schedule

Time	Event
09:30 to 10:15 am	Registration
10:15 to 10:30 am	Welcome
10:30 to 11:30 am	Key Note address Dr. S. V. Hiremath
11:30 to 11:45 am	Tea Break
11:45 to 1:00 pm	How to write a research paper? Dr. Timmasetty J
01:00 to 02:00 pm	Lunch Break
02:00 to 03:30 pm	Intelligence platform for literature with application of AI Mr. Anilkumar Ranadev
03:30 to 03:45 pm	Tea Break
03:45 to 4:35 pm	How to write VGST research proposals for funding? Dr. Shivakumar Hugar
04:35 to 04:45 pm	Discussion
04:45 to 04:55 pm	Feedback and Valedictory
04:55 to 05:00 pm	Vote of Thanks

Workshop Details:

HPTLC is a reliable and reproducible analytical tool for complex substances. With the help of HPTLC fingerprinting plant type and its constituents can be identified and quantified.

The knowledge of this sophisticated instrument and the standardized procedures involved can help us in designing valid and reproducible methods and results.

Highlights of the topics discussed:

In the webinar in detailed knowledge of the instrument was given about its function, instrumentation and usage.

Specially highlighted were the uses of the instrument in pharmaceutical, cosmetic and forensic fields.

A virtual tour of the ANCHROME LABORATORIES MUMBAI was also given.

Workshop Details:

The Oncology Clinical Training Programme is a comprehensive initiative dedicated to equipping healthcare professionals with advanced skills and knowledge, encompassing the latest developments in cancer diagnostics, treatment strategies, and patient-centered care practices. The information on Basic Principles of Oncology helped to learn on fostering clinical competence through hands-on experience, promoting multidisciplinary collaboration among healthcare professionals, emphasizing evidence-based practice, nurturing patient-centered care, integrating technological proficiency, and instilling ethical considerations, all aimed at preparing participants for excellence in the dynamic field of oncology. The progrsm on Oncovigilance is a specialized initiative designed to educate healthcare professionals on the systematic monitoring, assessment, and reporting of adverse events related to oncology treatments, ensuring a proactive and vigilant approach to patient safety in cancer care.

05.	Introduction of Resource Person	Dr. J S Hiremath	9.55 to 10.05AM
06.	Keynote Address by resource person	Dr. Padma Gunari	10.05 to 10.45AM
07.	Vote of Thanks	Dr. Abhishek B J	10.45 to 10.50AM

Highlights/ Lessons learnt of the topics discussed: -

Lectures:

Dr. Padma Gunari Consultant, Nuclear Medicine, NMR Curie Centre, Hubballi, gave a talk on Introduction to all Basic Principles of Oncology. She explained about concepts of tumor formation, metastasis and cancer staging. Also provided a briefing on various treatment modalities, diagnosis and precision medicine in Oncology. She gave a brief idea about side effects, supportive care and early detection of symptoms.

Dr. Vishal Kulkarni, Assistant Professor, Department of Medical Oncology KIMS, Hubballi, gave a talk on Cancer Therapeutics and Oncovigilance. He gave an overview of Oncovigilance. He also explained about recent advances, immunotherapy and targeted therapy in treating cancers. He also explained about ongoing research and potential future direction in personalised medications.

Dr. Aishwarya Pattanashetti, Clinical Pharmacologist, HCG KLE Suchirayu Hospital, Hubballi, gave a brief talk on Safe handling and Chemotherapy Preparation. She explained about procedures, steps involved in mixing of chemo drugs and safety care that has to be followed before and after using chemo drugs. This session involved a live case discussion.

Workshop on

“Design of Experiments and its Applications in Drug Product Development”

Date: 22-02-2023

Objective: The objective of the workshop was to illuminate the students about the how to design the experiment and what are its application in drug product development process.

Speaker- Mr. Zaheer Abbas (Associate principal scientist, Oral product development, Pharmaceutical technology and Development, AstraZeneca, China)

Department of Pharmaceutics, KLE College of Pharmacy organized a workshop on “Design of Experiments and Applications of Statistical Design in Drug Product Development” for the students of M Pharmacy and Ph.D. scholars in KLE School Auditorium on 22nd February 2023.

Dr. Rajamma A J Principal of KLE College of Pharmacy thanked the resource person Mr. Zaheer Abbas, Associate Principal Scientist, Astrazeneca, China for accepting invitation to deliver the workshop. Mrs. Arvinder Kaur Assistant Professor delivered a warm welcome note followed by the introduction of the speaker.

In the presentation Mr Zaheer Abbas discussed the process of drug development. In the presentation the speaker told the importance of Quality by Design. The various tools available for Designing of Experiments. Speaker informed the various statistical software available. Later in the session the hands on training was performed. Sample data set was provided to all participants attended the workshop and live demonstration of the use of Design Expert 13 was given with interpretations of the graphs. Students also performed the demonstrations explained previously by the speaker.

At the end of the session speaker Principal, raised queries related to which was answered by the speaker to a significant extent. In conclusion, the event overall provided the excellent learning experience with more emphasized statistical experiences especially for M.Pharm students. Finally, the speaker was felicitated by Dr.Shivakumar H N, Convenor of the event.

At the end of the event, Mrs. Deepa Assistant Professor of Pharmaceutics & Mrs. Arvinder Kaur Assistant Professor of Pharmaceutics collected the feedback forms from the participants. Dr. Anasuya Patil, Associate Professor of Pharmaceutics, expressed Vote of Thanks.

Feedback Report

Questions	Strongly agree	Agree	Disagree	Strongly Disagree	No opinion
The topic was relevant to me and met my expectation	59 %	31%	0	0	0
Duration of workshop was sufficient to understand concept	49%	49%	0	0	1.2%
Hands training provided opportunity to understand concept clearly	41%	59%	0	0	0
Speaker provided sufficient time for answering queries	68%	31%	1%	0	0
The session was interactive	57%	32%	1%	0	0
The Workshop was well organized and there were no technical disturbances	64%	28%	0	0	2%

Among 108 participants, more than 59% of the participants are strongly agreed that the topic was relevant to their course and speaker had a good understanding of the topic. 49% of them agreed on that the duration of the guest talk was sufficient to understand the concept and the session was interactive. Some of the participants expressed need of the guest talk frequently.

Impact of the guest talk: Participants understood about the various tools available for Designing of Experiments and gets the hands on with the case study.

Two Days Workshop on PROTOCOL WRITING Date: 31st March and 1st April 2023

Objective: The objective of the workshop was to increase the expertise of faculty and students in Protocol writing and Research publication

Internal speakers:

Dr. H.N Shivakumar, Vice Principal and HOD, Department of Pharmaceutics

Dr.Sujeetkumar, Associate Professor, Department of Pharmaceutical Chemistry

External speaker:

Dr.Jagdeesh, Senior Expert Pharmacologist, USFDA, USA.

First day:

Programme begin with welcome note by Mrs.Preethi.G.B, IQAC, Coordinator. Principal Dr.A.J Rajamma welcomed internal guest speakers with planter and addressed the gathering.

Dr.H.N.Shivakumar emphasized on how research topic need to be selected based on literature review. He also discussed about selection of drug candidate and importance of design of experiment in formulation development.

Dr.Sujeet Kumar enlightened about how journals to be selected for publications by avoiding predatory journals. He also emphasized on short term training programme organized by research institute and benefits of the training.

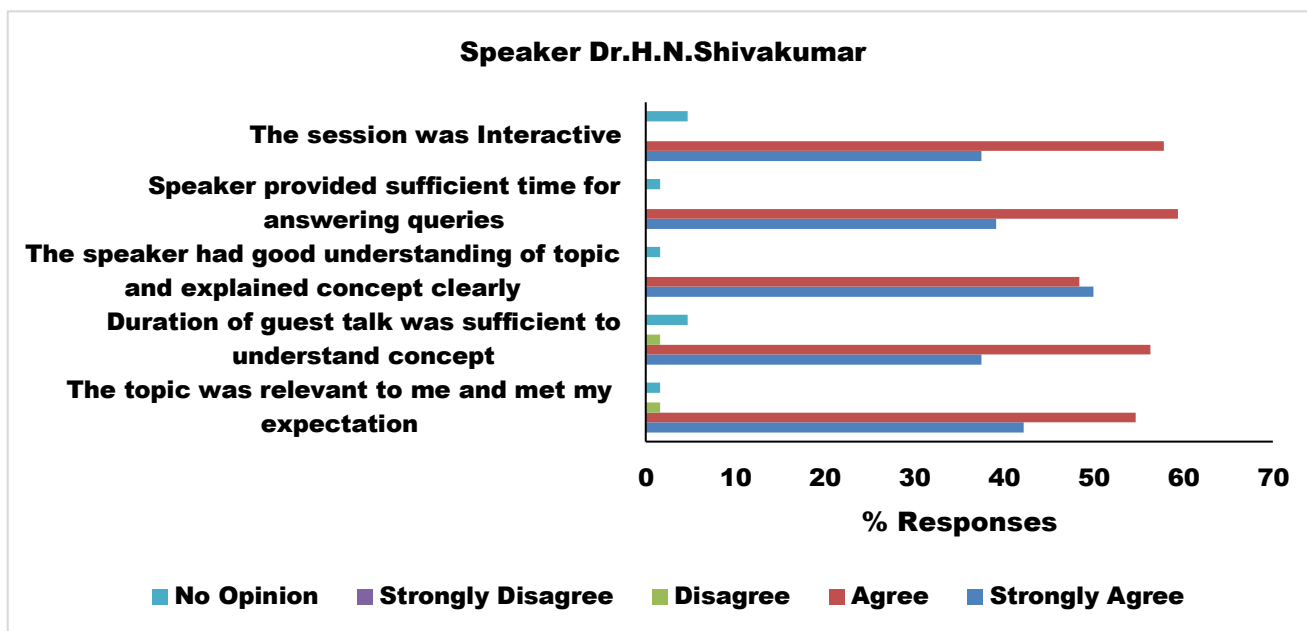

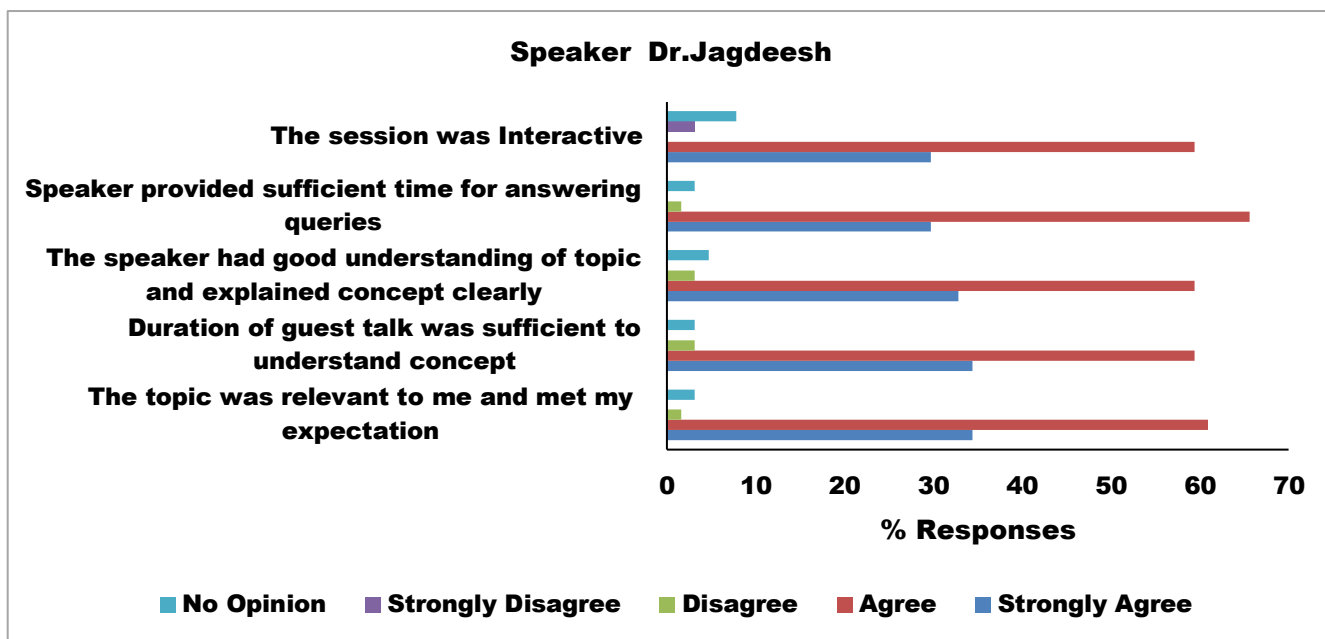

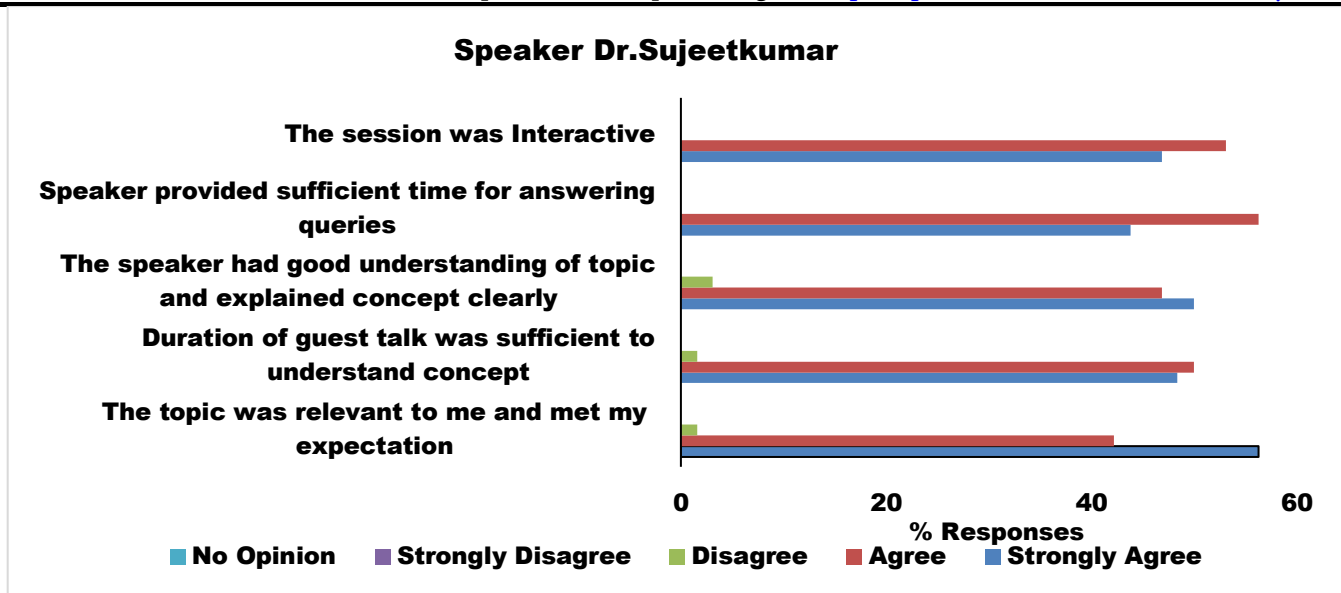

Second day:

Dr.Jagdeesh, discussed in detail parts of Protocol writing; selection of title, need for the study, Aim and objectives, Literature review, how to generate hypothesis. He also briefed about selection of journal for manuscript writing and how manuscript to be written and submitted to the Journals.

FEEDBACK REPORT ON WORKSHOP

Nearly 40% to 50% of the Participants agreed that topic was relevant to their need and all the speakers provided sufficient time for answering queries and speakers made the session interactive.

Impact of the guest talk: Participants got opportunity to interact with experienced resource person and could update their knowledge on protocol writing and manuscript writing.

DOPE Report : Guest lecture on Teaching Skills

Department of Physiotherapy Education conducted a guest lecture on 10th January 2022, at the Silver Jubilee hall, on Teaching Skills from 12:00pm to 1: 00 pm for the teaching faculty of KIPT, Belgaum. The resource person for the workshop was Dr Padmaja Walvekar, Professor at the Department of Community Medicine, JNMC Belgaum. The guest lecture included several teaching skills such as Peyton's 4 step approach and one minute preceptor method. A positive feedback was received for the faculty members. The session was insightful, interactive and was received by a lot of zeal from the faculty members. 20 faculty members benefitted from the session.

REPORT

K-CAT WORKSHOP 2023

The kinetic chain activation technique (K-CAT) Level A workshop was conducted on 14th and 15th of April 2023, credited for 16 hours at KAHER institute of physiotherapy. The workshop was organized by the department of Orthopaedic Physiotherapy. The resource person for the same was Dr. K M Annamalai. The function was inaugurated by the resource person. The token of appreciation was presented by Dr. Vijay Kage, vice principal and head of department of orthopedic physiotherapy. The workshop was attended by physiotherapy postgraduate students, interns and faculty members. A total of around 53 delegates took benefit of the workshop, which included 10 faculty members. Dr. Annamalai elaborated on the following topics: introduction of fascia, embryology of movement evolution and human kinetics, anatomy and physiology of human kinetic controlling structures, applied and functional anatomy of human kinetic chains, root cause analysis, movement pattern and recording, kinetic chain release techniques, evidence informed practice, applied K-CAT workouts and Annamalai Mechanical Movement Analysis (AMMA) along with this, Hands on training for the Kinetic Chain Activation Techniques was provided. At the end of the workshop on 15/04/2023, course completion certificates and transcripts were presented to the delegates by Dr. K M Annamalai. The workshop was conducted under the guidance of Dr. Peeyoosha Gurudut and Dr. Aarti Welling.

Report on FDP "Patent and Claim Writing"

KAHER Institute of Physiotherapy, conducted a workshop on "Patent and Claim Writing" on **November 29, 2023**, featuring expert speakers Dr. Bhaskar Kurangi and Dr. Anil Karolli. Dr. Karolli, introduced the essentials of patent and claim writing, providing a foundational understanding. Subsequently, Dr. Kurangi dived into the specifics of claim writing for patents, offering practical insights. The concise three-hour session from **10:00 am to 01:00 pm** proved valuable, equipping participants with key skills in navigating the intricacies of patent documentation. The dual perspectives from the distinguished speakers added depth to the comprehensive learning experience. The workshop was organized for all the faculty members by Dr. Deepa Metgud research committee in charge and members and Dr. Sushil Kumar under guidance of Principal Dr. Sanjiv Kumar. A total **21 faculties** were benefited from the workshop.

Report on National Webinar organized in 22nd June 2023

Department of Biochemistry , JGMM Medical College Hubballi organized a National webinar on 22nd June 2023 in association with Quidel Ortho Clinical Diagnostics.

Title : “ Back to Basics- QC and Calibration Concepts”

Time: 10 am till 1:30 pm

Number of Registration: 372

Number of Participants : Around 200 from all over India from various states and also from outside the country.

Webinar started with the admission of the participants through the Zoom link provided for joining the event. First session following the registration and joining was Inauguration of the webinar. The Master of Ceremony , Dr Mahalaxmi .S. Petimani Associate Professor , Department of Biochemistry gave the welcome address in which all the delegates were welcomed. This was followed by Introduction of the KAHER's JGMM Medical College and the Department of Biochemistry by Dr.Amrut. Arvindrao Dambal , Professor and Head Department of Biochemistry JGMMMC to the audience. Dr. M. G. Hiremath , Principal , JGMM Medical College gave the presidential address in which he congratulated the department of Biochemistry for organizing a National webinar of this scale and gave his best wishes for the smooth conduction of the program. This was followed by a brief presentation on Quidel ortho Clinical Diagnostics and its services by Mr. Sadanish.R Senior Zonal Manager, Ortho care , Application support care , Quidel ortho Clinical Diagnostics.

The need for the webinar topic and its importance were highlighted by Dr. Nimisha V, Assistant Professor, Dept of Biochemistry , JGMMMC to the participants. This was followed by introduction to the speaker Mr. Santosh Kumar Potharam, Manager ,Application Support, Quidel Ortho .

The scientific session started around 11:15am by the speaker.

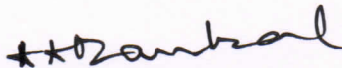

The basic concepts of quality control practices and calibration were discussed in a lucid manner giving examples from day to day experiences. The session was made interactive by discussing various scenarios in the routine laboratory Qc practices with the participants. The speaker clarified the doubts posted by the participants in between the session as well as at the end of the session.

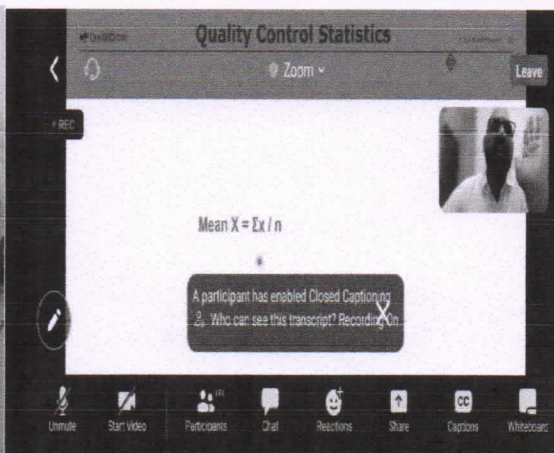

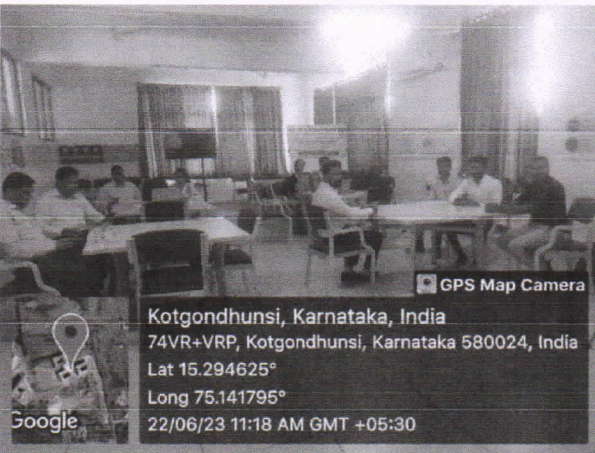

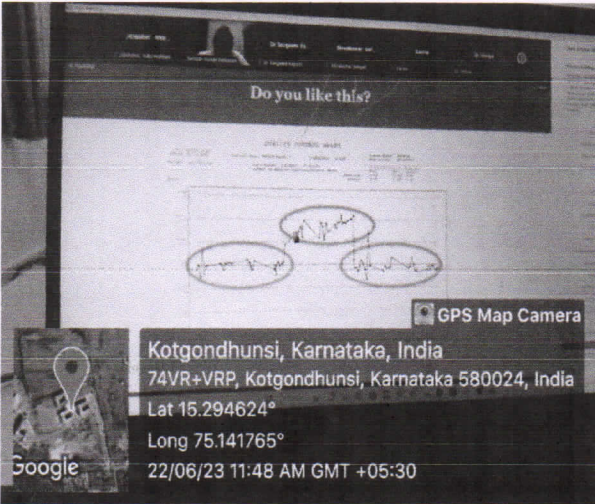

The Question and answer session regarding the queries was coordinated by Dr.Deepak Tangadi , Assistant Professor, Department of Biochemistry, JGMMMC and Ms. Nikita Desai, Tutor, Department of Biochemistry, JGMMMC . The session was followed by Vote of Thanks delivered by Dr. Deepak Tangadi.

Contribution of Mr. Santosh Doddamani ,IT support and Mr. Maruti Halyal , Office Assistant, Non Teaching Faculty that is Mr.Kiran, Office Assistant, Mr. Santosh Hanchinal and Mrs. Savitri ,Technicians , Mr. Mahesh, Attender were commendable .

This National Webinar received wonderful feedback from all the participants mentioning that it was extremely informative and brainstorming. The speaker made a the topic easily understandable and kept everyone involved till the end of the session.

The session ended at 2 pm . E -Certificates were sent to the registered participants.

Press Note

On the occasion of the World Immunization Week 2023, under the WHO theme: "The Big Catch up", the Department of Community Medicine, KLE Jagadguru Gangadhar Mahaswamigalu Moorusaviramath Medical College, Hubballi, in collaboration with WHO - NPSP unit, Belagavi organized a Workshop on "Integration of Learnings from COVID-19 with Routine Immunization strengthening" on 26th of April 2023 at KLE Suchirayu Hospital, Hubballi.

Vaccines are a global triumph and we cannot allow a legacy of the pandemic, to undo the efforts of many decades against the vaccine preventable diseases. The WHO theme Big Catch up 2023, is an extended efforts by the global partners to lift the vaccination levels among children to atleast pre-pandemic. It's a three-pronged approach to catch up missed children for vaccination, to restore the vaccination coverage rates and to strengthen immunization systems.

In total about 125 delegates registered and about 120 people attended the workshop. In the first ever inter collegiate workshop of KLE JGMM Medical college, the delegates participated from KAHER's JNMC, Belgaum, KIMS, Hubballi, SDMMC, Dharwad, GIMS, Gadag, general practitioners, medical officers and in house faculty.

The program was graced by Dr Shashi Patil, District Health Officer, HFW, Dharwad and Dr. V D Patil, Director of Hospital Development and New Projects, KAHER, Belagvi, Dr. S M Honakeri, RCHO, Dharwad, Dr. Siddalingaiah H S, Surveillance Medical Officer, World Health Organization and Dr. M G Hiremath, Principal, JGMM Medical College, Hubballi. Dr Jaikishan Agiwal, Cluster COO, HCG Hospitals, North Karnataka. Dr. Shashi Patil spoke about the importance of the Vaccination and effect of COVID 19 on routine immunization, Dr. V D Patil spoke about the recurrence of the vaccine preventable diseases.

Report: Peripheral Neuropathy Awareness Week and CPD Program

The KLE College of Physiotherapy, Hubballi, successfully conducted the Peripheral Neuropathy Awareness Week from 7th to 13th May 2023. Dr. JoridaFernandes, Lecturer at Goa Medical College, led the Continuing Professional Development (CPD) Program on 14th May 2023. The Auditorium on the 6th floor of KLE Suchirayu Hospital served as the venue for the enlightening session from 11:00 AM to 12:30 PM. Dr. Fernandes delivered a comprehensive lecture, fostering knowledge exchange among faculty, students, and staff. The event concluded with a refreshing session, promoting informal discussions and networking opportunities. This successful initiative marks a commitment to continuous learning and professional development within the physiotherapy community.

UDEHP Workshop Report

Title: "Clinical and Research applications of Flow cytometry"

Date: 01/03/2023

Venue: KAHER's Dr Prabhakar Kore Basic Science Research Centre, Belagavi.

INTRODUCTION:

Flow cytometry (FCM) is extensively used in the study of haematological disorders and understanding the function of immune system in healthy individuals as well as in patients with auto immune disorders. However, it is not limited to only haematological malignancies and disorders. FCM can also be used for study of cell cycle, DNA ploidy, viability assays, cell apoptosis, DNA damage/fragmentation, Reactive oxygen species (ROS) assays, etc. This workshop was aimed at introducing flow cytometry and its applications and first-hand experience in immune phenotyping and cell culture analysis.

OBJECTIVES:

At the end of the Session/Program the participants shall be able to understand

1. Basic working and applications of Flow cytometry
2. Various clinical and research applications of Flow Cytometry
3. Hands on Experience of Flow Cytometry

RESOURCE PERSONS:

External: Dr. Sushil Kumar Ramdasi - Application Specialist Flow cytometry, Becman Coulter Pvt Ltd Life sciences

Internals: Dr. Laxmi Deshpande, Assistant Prof. Dept of Microbiology, KLEs' Dr P K BSRC Belagavi.

Dr. Vijay Kumbar, KLEs' Dr P K BSRC Belagavi.

NUMBER OF PARTICIPANTS: External: 2 Internal: 15

CONCLUSION: The Workshop was successfully conducted with a total of 17 participants. Scientific session was conducted during the morning session followed by hands on wet workshop. The workshop was very interactive and all the participants benefitted from the same.

“From Research to Publication: What Researchers should know”

Date: 13th March 2023

Venue: Conference Hall DOME, BELAGAVI

INTRODUCTION: Publication in reputed journals increases the visibility and credibility of researchers and promotes career opportunities. Prioritization of quantity and journal metrics assess the quality of research outputs. Faculty must understand multiple factors related to publication process in order to keep up in pace with ever increasing changes in this field. Thus, the faculty of different cadres were trained in this direction in this workshop.

OBJECTIVES: At the end of the Session/Program one shall be able to understand

1. The golden rules of writing and structuring the text in a research paper.
2. The steps of writing a Review article.
3. The different Criteria for Selection of Journal and authorship guidelines.
4. The steps of Publication process.
5. The details of Citation Impact to Impact Factor.

RESOURCE PERSONS:

- Dr Punya Angadi, Prof & Head, Dept. of Oral Pathology & Microbiology, VKIDS, Belagavi
- Dr. Vasanti P Jirge, Reader, Dept. of Oral Medicine, and Radiology, VKIDS, Belagavi
- Dr Deepti Kadeangadi, Associate Prof, Dept. of Comm. Medicine, JNMC, Belagavi.
- Dr Sunil Vernekar, Prof, Dept. of Physiology, JNMC, Belagavi.
- Dr Avinash Kavi, Associate Prof, Dept. of Comm. Medicine, JNMC, Belagavi.

KLE VK Institute of Dental Sciences, KLE Academy of Higher Education and Research

Workshop report

Title of the workshop: “Competency Based Dental Education”

DATE: March 16 & 17 March 2023

Venue: Recreation room, KLE VK Institute of Dental Sciences, KLE Academy of Higher Education and Research, Nehru Nagar Belagavi, 590010 Karnataka

INTRODUCTION: The Dental Council of India is in the process of implementing Competency Based Dental Education (CBDE) in India. The rationale behind CBDE development is to bring uniform system of education for improving oral health outcomes of the society in long term. Competency-based dental education focuses on the knowledge, professional skills and behaviour required of new graduates. The adoption of competency-based learning requires the re-assessment and revision of old curricula.

OBJECTIVES: At the end of the workshop, the participants shall be able to

- Understand the fundamentals of CBDE and
- Understand the process of implementation.

RESOURCE PERSONS:

EXTERNAL:

- 1. Dr. Padmaja Walvekar** ,Prof, Dept of Community Medicine, JNMC, KAHER, Belagavi
- 2. Dr Roopa Bellad** ,Prof, Dept of Pediatrics, Convenor – NMC Nodal Centre for FDP, JNMC, Director of Academic Affairs, KAHER, Belagavi .
- 3. Dr Sunita Patil** ,Prof, Dept of Pathology, JNMC, Director of University Dept of Education for Health Professions, KAHER, Belagavi.
- 4. Dr Sheetal Harkuni** ,Prof, Dept of Microbiology, JNMC, Deputy Director of Academic Affairs, KAHER, Belagavi .
- 5. Dr Deepti M. Kadeangadi** ,Associate Prof, Dept of Community Medicine, JNMC, Co-Convenor NMC Nodal Centre for Basic Course, KAHER, Belagavi.
- 6. Dr Nayana Hashilkar** ,Prof, Dept of Pharmacology, Co- Convenor – NMC Nodal Centre for FDP, JNMC, KAHER, Belagavi.
- 7. Dr Shilpa Bhimalli**,Professor and HOD, Dept of Anatomy, JNMC, KAHER

Internal

Dr Vasanti Jirge, Reader, Dept of Oral Medicine
and Radiology KLE VK Institute of Dental
Sciences, KAHER Belagavi

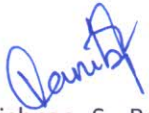

TOTAL NUMBER OF PARTICIPANTS REGISTERED: 29, External – 7 and Internal – 22.

CONCLUSION:

The Dental faculty is prepared to begin implementation of CBDE.

KLE VKIDS and The UDEHP has extended all manner of support in the conduct of this workshop. The workshop was conducted without any glitches. There were no difficulties experienced. We were able to conduct the workshop uneventfully.

KLE College of Pharmacy, Bengaluru, KLE Academy of Higher Education and Research

Workshop report

Title of the workshop: “Use of Technology to promote student engagement”

Date: 24th and 25th of March 2023

Venue: Department of Education for Health Professionals (UDEHP)

INTRODUCTION

Technology can engage students in order to keep them focused on what they are learning. Students can collaborate with peers using digital platforms, explore creativity through technological features, engage in higher-order thinking processes, participate in inquiry-based learning. Teachers can more easily interact with large groups of students, know each student's performance, track student engagement with specialized subject/area, and adjust and impress their teaching in real time. In short, educators now can integrate the best of virtual learning into their face-to-face classrooms.

OBJECTIVES

At the end of the program participants shall be able to understand:

The various Principles of adult learning.

To use wide range of technologies to promote student engagement and their learning outcomes.

To equip them with the skills to evaluate the effectiveness of technology-enhanced activities.

RESOURCE PERSONS

Dr. Vinutha Shankar MS, PROFESSOR, SDUAHER, Kolar, Karnataka.

Slr. Navcen Kumar I, Assistant Professor, SDUAHER, Kolar, Karnataka.

Mr. Lokheshwar S, Assistant Professor, SDUAHER, Kolar, Karnataka

NUMBER OF PARTICIPANTS: 57, External: 04 and Internal: 53

CONCLUSION

The workshop was successfully conducted with 57 delegates. Delegates were able to comprehend effective technologies and different tools to promote student engagement and learning. Attendees had practiced few tools and group activities to implement these technologies to initiate better learning and understanding of the students. All attendees benefited equally from the workshop's high level of interaction.

Workshop Report

TITLE: “Translation of Research Evidence to Policy & Practice”

Date: 25th April 2023

Venue: Department of Medical Education J. N. Medical College, Belagavi.

INTRODUCTION: This program was focused on translation of Research Evidence to policy and Practice. The Participants will be benefited in areas of overall process of publications, key principles of implementation research as well as sensitizing the community and stake holders in engagement of research findings.

OBJECTIVES:

1. To sensitize faculty in **Translation of Research Evidence to Policy & Practice**.

RESOURCE PERSONS:

1. **Dr. Subarna Roy, Scientist G & Director, ICMR-NITM, Belagavi**
2. **Dr. Avinash Kavi, Asso. Prof of Community Medicine, JNMC**
3. **Dr. M S Somannavar, Prof of Biochemistry, JNMC**
4. **Dr. Umesh Charantimath, Asso. Prof of Community Medicine, JNMC**

NUMBER OF PARTICIPANTS: 33-Internal from all the constituent units of the KHAER.

CONCLUSION:

The workshop was very interactive and all the participants were benefitted from the same.

KAHERs INSTITUTE OF PHYSIOTHERAPY

Report of UDEHP Workshop

Title: **Intellectual Property Rights**

Date: 3rd May 2023

Venue: KAHERs INSTITUTE OF PHYSIOTHERAPY

INTRODUCTION:

Intellectual Property Rights play a vital role in the modern economy. IPR are the legal rights given to faculty for research and innovations of their minds. These legal rights confer an exclusive right to the inventor/creator or his assignee to fully utilize his invention/creation for a given period.

OBJECTIVES:

- To understand and learn various aspects of the Intellectual property rights to their research work.
- To provide useful insights on patent application and copyright for the teaching faculty

RESOURCE PERSON:

- **Dr. Sharana Gouda, Deputy Controller, Indian Patent Office, Chennai**

NUMBER OF PARTICIPANTS: A total of 44 participants benefitted from the workshop. **14 external** participants and 30 participants from within the institute attended the workshop.

CONCLUSION:

All the participants benefitted from this interactive and well-organized workshop and received certificate for participation at the end of the workshop.

Workshop Report

Title: "Outcome Based Education (OBE) for Nursing Programme"

Date: 04th May 2023

Venue: Seminar Hall, KAHER INS, Belagavi

INTRODUCTION:

Change is the only constant today, and with it, comes the need for education systems to update and adapt newer approaches of teaching —learning. Outcome-based methods have been adopted in education systems around the world, at multiple levels. [It is an educational theory that bases each part of an educational system around goals (outcomes). The concept of outcome-based education in nursing is associated with competency-based education in more recent years, This approach identifies the requisite competencies required of graduates for health system performance; it tailors the curriculum to achieve competencies specified for education programs, Hence this workshop addresses the need to enhance the knowledge about OBE

(Outcome Based Education) and implications in Teaching, Assessment and Evaluation,

OBJECTIVES:

At the end of the Session/Program one shall be able to understand

1. The need of OBE
2. Framing learning outcomes & Mapping CO-PO
3. Attainment calculations.
4. Frame question paper in accordance to OBE.
5. Assess the outcomes to track & report performance.

RESOURCE PERSONS:

1. Dr, Sunita Patil, Director; UDEHP,KAHER, Belagavi.
- 2, Dr, Anjana Bagaewadi, Vice-Principal, Professor,KLE VR Institute of Dental Sciences, Belagavi
- 3, Dr, Shailendra S. Suryawansh, Asst Professor, KLE College of Pharmacy, Belagavi,,
4. Dr, Parixit Bhandurge, Associate Prdfessor & IQAC Coordinator, KLE College Of Pharmacy; Belagavi.

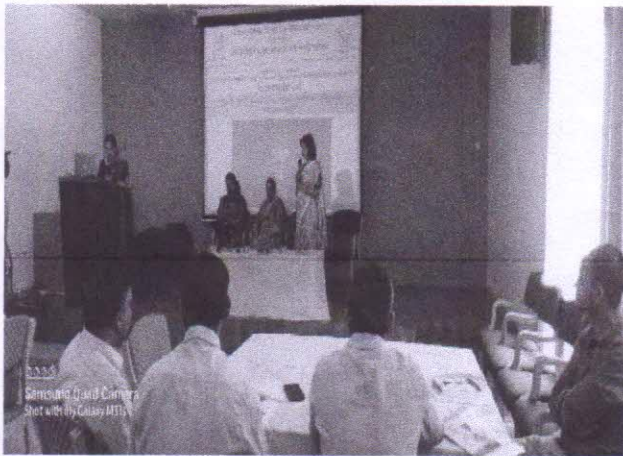

NUMBER OF PARTICIPANTS: 37

External: 10

Internal: 27 in house faculty

CONCLUSION:

The Workshop was successfully conducted with 27 in house participants and 10 (From Constituent Units of KAHER). The workshop was very interactive and all the participants benefitted from the same.

Workshop report

Title: "**Design Thinking-A Tool Kit for Innovation**"

Date: 16th May, 2023

Venue:,Seminar Hall,Department of Pharmaceutics, KLE CoP Hubballi.

INTRODUCTION: Design thinking is one of several approaches to innovation that focuses on developing a solution to problem. Design thinking is both ideology and process, concerned with solving complex problems in highly user centric way. It has a wide application in business strategies and customer centric product development.

OBJECTIVES:

At the end of the workshop, the Participants shall be able to

- Learn the Linear process of design thinking
- Understand the various Phases and elements of design thinking
- Understand the Relevance to health care professionals

RESOURCE PERSONS:

1. **Dr. Punnya Angadi**
2. **Dr.Shivayogi Hugar**
3. **Dr.Anil Koralli**
4. **Dr.Preeti B Patil**
5. **Shri.Ramesh Kurbet**
6. **Dr.Roopali Shankeshwari**
7. **Dr.Neha Dhaded**

NUMBER OF PARTICIPANTS: 30, External: 04 and Internal: 26

CONCLUSION:

The workshop was successfully conducted. The participants expressed that the workshop was very informative and interactive and the participants also urged for conducting such many more workshops for the benefit of faculty members.

Report of UDEHP workshop on

“Teaching Learning Methodology and Assessment in CBME”

Date :5th and 6th July 2023

Venue: Medical Education Unit Hall, B-Block, 2nd Floor

Introduction about the workshop

Education is a dynamic process that must be refined periodically. Lack of innovative teaching techniques in academics makes medical curricula inadequate in making a significant stride towards the future. Present teaching –learning methods make students give knowledge but fail to apply in real life situations. Hence, we need to involve students in active learning by making them self-directed learners. Assessment is one of the most significant influences on a student’s experience of higher education and improving assessment has a huge impact on the quality of learning and all these can be done through creative teaching learning and assessment methods.

Objective of the workshop

To incorporate creative teaching and assessment methods in traditional teaching and learning activities making the facilitators confident in handling the same in Competency Based Medical Education.

Total No of Participants: 30(External: 1 Internal:10)

Number of Faculty: 11

Resource Faculty:

- 1.Dr Sunita Patil, Prof of Pathology, Director, UDEHP, Belagavi**
- 2.Dr Amrut A Dambal, Prof & HOD, Biochemistry, MEU, Coordinator, JGMMMC, Hubballi**
- 3.Dr Rizwana Shaikh, Associate Prof Community Medicine, JGMMMC, Hubballi**
- 4.Dr Savitri Siddanagoudra, Prof & HOD, Physiology, JGMMMC, Hubballi**
- 5.Dr Suchitra Patil, Associate Prof of Physiology, JGMMMC, Hubballi**
- 6.Dr Anita Aramani, Associate Prof of ENT, JGMMMC, Hubballi**
- 7.Dr Prabhakar Adake, Prof & HOD, Physiology, JGMMMC, Hubballi**
- 8. Dr Mahalaxmi S Petimani Associate Prof of Biochemistry, JGMMMC, Hubballi**
- 9. Dr Pragati A Manoli, Asst Prof, Microbiology, JGMMMC, Hubballi**
- 10. Dr Nimisha V, Asst Prof of Biochemistry, JGMMMC, Hubballi**

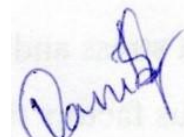

11. Dr Meghana Patil, Ophthalmology, JGMMMC,Hubballi

Photos:

Conclusion (With Participants' Feedback Analysis)

The post- test assessment was taken up. The mean score was 11.09 out of 15. There was a significant change in comparison with pretest score (7.9/15) indicating a good outcome from the workshop. There had been positive feedback from the individual participants towards the workshop. They expressed that the workshop was excellent and was a great learning experience. The overall feedback on all the session was that all the sessions were interactive and excellent and well conducted except few points to be improved where time duration for group activities can be more.

Workshop Report on

“Blended Classroom Technology in Ayurveda Education”

Date: 13th July 2023

Venue: College Auditorium Hall

Introduction: The modern education primarily focuses on visualizing, imagining and thinking along with enhancement in practical, experimental and skill development phase of teaching-learning programs. Among the variants of learning methods, Blended learning program has gained better importance in bringing out the best to meet the needs of modern education. The blended learning technology approaches, to educate the respective streaming by combining online educational material and opportunities for interaction online with physical place-based classroom methods.

Objectives

1. To inculcate different teaching methodologies.
2. To adopt & execute teaching methodologies.

Total No of Participants: Total :53, External: 08 Internal:45

Resource Person:

External: 1.Dr. Waseem Ansari, Associate Professor Dept. of Community Medicine, ESIC Medical College , Kalaburagi.

Internal:

1.Dr.Sunita Y Patil, Professor, Dept. of Pathology, J.N.MC, Belagavi.

2.Dr. Nayana Hashilkar, Professor & HOD of Pharmacology, J.N.Medical College, Belagavi

Photos:

Conclusion (With Participants' Feedback Analysis)

The workshop was more fruitful with active participants & enthusiastic Resource persons. The sessions were more interactive, Hands-on training was adopted at many intervals. Participants demonstrated the contents of the workshop along with the team members at the end of the workshop. The BMK Ayurveda College has Introduced & adopted Flipped Classroom for all the subjects, for under graduates for the year 2023.

Workshop Report on

“Atomic Absorption Spectroscopy –Current Scenario and future prospects”

Date: 21/07/2023

Venue: KAHER’s Dr Prabhakar Kore Basic Science Research Centre, Belagavi.

INTRODUCTION: Atomic absorption spectrometry (AAS) is a sophisticated, high-throughput, and relatively inexpensive technology used primarily to analyse elements in solution. As such, AAS is used in food and beverage, water, clinical research, and pharmaceutical analysis. It is also used in mining operations to determine, for instance, the percentage of precious metal in ores. AAS analysis helps to overcome challenges such as spectral interference and poor sensitivity associated with other methods addressed. The samples that contain toxic elements or high levels of solid material can be processed & analyzed.

OBJECTIVES: At the end of the Session/Program one shall be able to understand-

1. Basic principle and applications of AAS
2. Calculation’s and Preparation of various standard solutions of AAS
3. Hands on Experience of AAS

RESOURCE PERSONS:

Externals

1. Dr. Nagappa L. Terdal, Asst. Professor, Dept. of Chemistry, JSS Arts, Science and Commerce College, Gokak.
2. Dr. Rajeshwari H.V., Asst. Professor, Dept. of Chemistry, JSS Arts, Science and Commerce College, Gokak.

Internals

1. **Dr Priya P.Shetti**, Research Associate [Grade 1],KAHER’s Dr P K BSRC,Nehru Nagar, Belagavi
2. **Dr Rubeen D Nadaf**,KAHER’s Dr P K BSRC,Nehru Nagar, Belagavi

NUMBER OF PARTICIPANTS: 30

CONCLUSION:

The Workshop was successfully conducted with a total of 30 participants for one day on 21/07/2023. All 30 participants were from KAHER'S Constituent units, i.e. JN Medical college -Belagavi, KLE College of Pharmacy – Belagavi, KLEs' BMK Ayurveda Mahavidyalaya - Belagavi and KLEs' JGMM Medical college - Hubballi.

Scientific session was conducted during the morning session followed by hands on wet workshop. The workshop was very interactive and all the participants benefitted from the same.

Workshop Report on

“Effective Principles & Practice for Enhanced Student Learning & Motivation”

Date: 24.08.2023 Thursday

Venue: Seminar Hall Room No 23, KLE College of Pharmacy,
KAHER, Belagavi-10

Introduction: Teaching, learning, and evaluation are important components of any education system. Focus needs to be on student learning process; than to just implement a variety of teaching strategies, methods, and techniques. The process of learning is complex and learning styles are varied. Learner support is a critical component of an effective learning environment. Many easy-to-use concepts and learning techniques that help students achieve their learning goals are developed by educational psychologists. Such concepts and techniques include, student motivation, mentoring, Student Reflection, elaborative interrogation, self-explanation, inquiry-based learning, problem-based learning, project-based learning, simulated learning and mnemonic learning. These learning techniques, when used properly, provide meaningful gains to students in terms of performance, achievement, and other challenging tasks students will encounter.

Objectives:

- To give guidance on effective teaching, learning strategies, easy-to-use concepts and learning techniques that can improve student’s educational outcomes.
- To provide hands on training on Use of technology in teaching.
- To teach techniques for empowering professionals and improving students’ performance, achievement.

Resource person(s) name & designation

- Dr. Jyoti Nagmoti, Professor of Microbiology, J.N.Medical College, K.L.E. Academy of Higher Education & Research (KAHER), Belagavi.
- Dr. Padmaja Walvekar, Professor, Community Medicine, J N Medical college, K.L.E. Academy of Higher Education & Research (KAHER), Belagavi.
- Dr. Nithyananda Sastry, Associate Professor, Department of Pharmacognosy, KLE College of Pharmacy, KAHER, Belagavi.
- Ms. Geetanjali Salimath, Associate Professor, Department of Pharmacy Practice KLE College of Pharmacy, KAHER, Belagavi.
- Dr Shilpa Bhimalli, Professor, Department of Anatomy, J.N.Medical College, K.L.E. Academy of Higher Education & Research (KAHER), Belagavi.

Number of participants (T=E+I): (28= 0 +28)

Total number of participants registered: 28 In-house: 28 External: Nil

Conclusion with Feedback analysis: Overall workshop ended successfully with positive note with enhanced learning of participants based on their formal and informal feedback.

Workshop Report on
“Capacity Building in Futuristic Educational Constructs”

Date: 17-18 August, 2023

Introduction: Futuristic Educational Constructs like Sustainable Development Goal 4 (Target 4.7) and Education 4.0 have a great influence on the present educational structure. Looking beyond the present and getting ready for the future is the constant process of evolution and keeping oneself ahead of the rest. Today the teacher is not the “Sage on the Stage but is a Guide by the side” who also needs to continuously learn the latest such that the learners get a great experience from their Facilitator. Further, the faculty is promoted to higher leadership role based on promotion and this transition comes with several challenges.

Objectives:

1. Training the faculty in the leadership role.
2. This two-day training program was designed keeping in mind the changing genre of learners, the need for incorporating Futuristic constructs in the day-to-day learning process

Resource Person:

External:

1. **Dr Pradnya Kakodkar**, Education and Research Consultant, Pune.
2. **Dr. Jyotsna S**, Director and CEO-Urja, Secretary and Co-founder-Mythri Foundation, Bangalore.

Internal

1. **Dr Zameera Naik**, Professor, Dept. of Oral medicine and Radiology, KLE VKIDS, KLE Academy of Higher Education and Research, Nehru Nagar, Belagavi

Total number of participants: 28 External – 7 and Internal- 21

Conclusion: The faculty is ready to implement Digital Education, Design an online course, incorporate Research in curriculum and conduct Online assessments.

Workshop Report on “Systematic approach in designing and moderation of Question Papers for CIE and SEE”

Date: 22nd September, 2023

Venue: Seminar Hall, KLE College of Pharmacy, Hubballi.

INTRODUCTION: Developing a fine tune with the nature of question paper helps us to prepare, plan and execute strategies timely. A question paper consists of several different types of question to evaluate students' factual, conceptual, and global understanding. We work day and night to go through our syllabus. We practice our prescribed syllabus adopting different means and methods. It is essential to understand the exact meaning of different questions with respect to course outcomes and bloom's taxonomy.

OBJECTIVES: To appraise the participants

- To understand challenges faced in effective preparation of question papers for Pharmacy programme.
- To improve the methods for preparation and modernization of question papers.
- To comprehend the effective and coherent means of CO-PO mapping and MCQs preparation.

RESOURCE PERSONS:

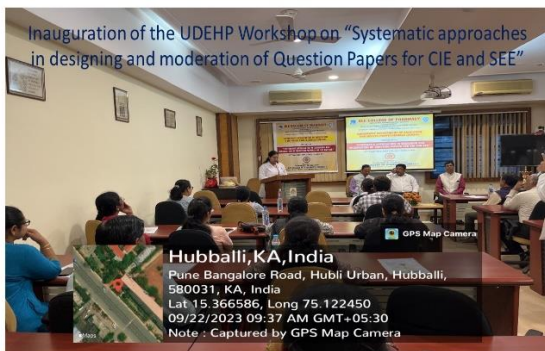

1. **Dr.L.D.Horakeri** Principal, KLE Society's P.C.Jabin Collegeb Hubballi
2. **Dr. Vinayak Kulkarni** Assistant Professor School of Mechanical Engineering, KLE Technological University, Hubballi
3. **Dr.Nagaraj Ekabote** Assistant Professor School of Mechanical Engineering, KLE Technological University, Hubballi
4. **Dr.Pampapati Hegadi** Assistant Professor,KSS Vijayanagar College of Education (B.Ed.,Government-Aided), Hubballi
5. **Dr.S.K.Nimbal** Professor KLE College of Pharmacy, Hubballi

NUMBER OF PARTICIPANTS: 32

External: 05 and Internal: 27

CONCLUSION:

The workshop was successfully conducted with External Speakers who made very informative presentations on the topics like “Importance of Designing and Structuring of Question papers” / “Effective implementation of COs and BL in structuring of question papers” / “Steps involved in effective framing of MCQs”.The participants expressed that the workshop was very informative and interactive and the participants also urged for conducting such many more workshops for the benefit of faculty members.

Workshop Report on

“Stress Management skills at workplace”

Date : 22-23 September 2023

Introduction: Stress is state where normal function of the human body and mind deviates towards clinical condition. Stress is produced due to various factors in a working condition. Stress is beneficial to an employee when it is in limits as it helps to achieve personal and goals of organization. Therefore, KLE College of Pharmacy, Bengaluru organized a workshop in collaboration with the Department of Education for Health Professionals (UDEHP) titled “Stress Management skills at workplace” on September 22-23, 2023.

OBJECTIVES

At the end of the program, one shall be able to understand:

- ❖ About stress and its route causes
- ❖ Various factors that cause stress in an organization
- ❖ Various techniques to reduce/manage stress while working
- ❖ Perform better for having understood the steps of managing stress in an organization

RESOURCE PERSONS

1. Dr. R. Krishna

- Professor in Management & CEO, Ramanuja Management Services.

2. Sri. A.R. Jayaprakash

- Consultant, Ramanuja Management Services

3. Dr. Mahesh N.M.

- Professor and Head, Department of Pharmacy Practice, KLECOP, Bangalore.

NUMBER OF PARTICIPANTS: 44 External: 03 and Internal: 41

CONCLUSION

The workshop was successfully conducted with 44 delegates. Delegates were able to comprehend various techniques to reduce or manage stress while working in an organization such as academic institution, pharmaceutical industries and hospital. All attendees benefited equally from the workshop's high level of interaction.

Workshop Report on

“Innovative Teaching Learning Methodologies”

Date: 10/10/2023

Venue: Conference Hall, Department of Medical Education, JNMC

INTRODUCTION: In today’s rapidly evolving educational landscapes, it is essential for educators to stay at the forefront of innovative approaches to teaching and learning. This workshop is designed to inspire and equip you with fresh ideas and strategies to engage your students and enhance their learning experiences. Throughout this workshop, we will explore creative teaching methods, tools and pedagogical innovations that can transform your teaching environment. Whether you are an experienced educator looking to revitalize your teaching or a newcomer eager to embrace modern teaching practices, this workshop is your gateway to a world of innovative possibilities in education.

OBJECTIVES: At the end of the Session/Program, one shall be able to understand-

1. To Understand the need of Innovative teaching methodologies
2. To explore the various types of innovative teaching methodologies
3. To apply the different innovative teaching - learning methods in everyday teaching

RESOURCE PERSONS:

1. Dr. Sunital Patil, Director, UDEHP. Professor, Dept of Pathology, JNMC
2. Dr. Netravati Angadi, Associate Professor of Pharmacology, JNMC
3. Dr. Sheetal Pattanshetti, Professor of Anatomy, JNMC
4. Dr. Supriya Kulkarni, Professor, Dept of Hom Materia Medica, KLEHMC
5. Dr. Anupama M G, Associate professor of Pharmacology, JNMC
6. Dr. Vinita Metgudmath, Associate Professor of ENT, JNMC
7. Dr. Nayana Hashilkar, Professor, Dept of Phamacology, JNMC

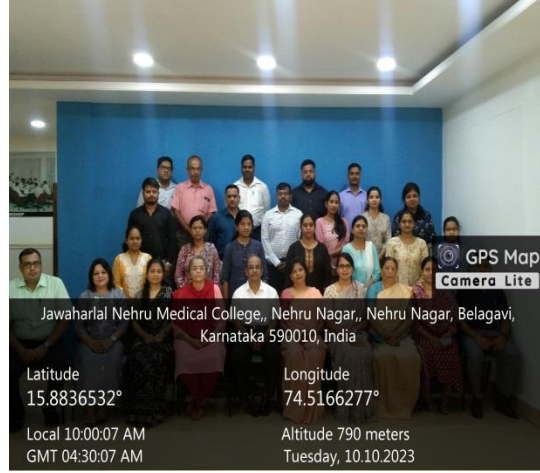

NUMBER OF PARTICIPANTS:32

External: 14

Internal: 18

Conclusion with Feedback Analysis:

The Workshop was successfully conducted with 18 in house participants and 14 participants from KAHER’S Constituent units. The workshop was very interactive and all the participants benefitted from the same.

Workshop Report on

“EMPOWERING EDUCATORS TO USE TECHNOLOGICAL ADVANCES IN DIGITAL AGE”

Date: 3rd November 2023

INTRODUCTION: AI tools have the potential to greatly enhance the learning experience and improve the overall efficiency and effectiveness of pharmacy colleges. With the aid of AI assisted tools we can provide support and guidance to both students and teachers alike to improve their knowledge, skills as well as performance. AI powered tutoring system can enhance learning experience for the students making it interactive as well as adaptive for them.

OBJECTIVES: To appraise the participants with:

- Use of AI powered tutoring systems in problem solving.
- To efficiently use the power of AI for converting didactic classes into informative and interactive sessions.
- To apply knowledge of AI in making informed decisions.
- To learn the use of AI in automated documentation of class notes, patient history and other clinical aspects.

RESOURCE PERSONS:

1. Dr. Vijaylaxmi
2. Mr. Kaushik M
3. Dr. Preeti Baligar
4. Ms. Priyadarshini Patil

NUMBER OF PARTICIPANTS: 36 External: 06 Internal: 30

CONCLUSION: The Workshop was successfully conducted with eminent speakers and enthusiastic delegates. In the workshop, delegates learnt about Chat GPT and its applications, various technologies in navigating pedagogical approaches, different AI tools used during academic research and also in Health Science education. Workshop also included hands on training in all the four sessions. Totally workshop was very interactive and the delegates were very attentive and they benefited from the same.

Workshop Report on

“ Workplace Wellness for Health Professionals”

Date: 06/11/2023

Venue: Conference Hall, DOME, JNMC

INTRODUCTION: Supporting employees to build and adopt healthy habits for lasting behaviour change requires a multi-pronged approach. This is because challenges in one area of wellbeing can often affect another. The workshop aimed to promote four pillars of wellbeing (mentally, physically, socially & financially) at workplace; which represent the four areas that make up the overall health and happiness of a person. This workshop helped to strike a much needed work life balance and tried to evolve workplace into a more holistic and fun place to thrive in.

OBJECTIVES: At the end of the workshop, participants would be able to

1. Manage their mental wellness in the workplace to establish a culture, leadership, and communication with employees.
2. Improve physical wellbeing in the workplace to encourage healthy eating, proper hydration and breaks from sitting throughout the day.
3. Promote social wellbeing to keep employees engaged, productive, and satisfied with their work.
4. Help employees feel more financially healthy.

RESOURCE PERSONS:

1. Dr. Vijaylakshmi Balekundri, Paediatric Cardiologist, Bengaluru.
2. Dr. Hemalatha S. Prof & Head Dept. of Food Processing & Technology, UAS, Dharwad.
3. Dr. Vijaylaxmi Tirlapur, Registrar Evaluation, Haveri University, Haveri.
4. CA. Mr. Vinayak Asundi , Belagavi.

NUMBER OF PARTICIPANTS: 26, External: 12 and Internal: 14

CONCLUSION:

The Workshop was successfully conducted with 14 in house participants and 12 external participants. It was interactive with active participation from all the delegates and benefited all the participants.

UDEHP Workshop Report on

Title: Simulation; An approach to teaching learning in virtual world/ Environment”

Date: 17th November 2023

Venue: DOME, JNMC, Belagavi.

Introduction:Simulation and game-based techniques are becoming increasingly popular methods of inquiry into complex service-science-related problems and phenomena. Integrating these techniques and models into the curriculum allows for students to visually learn about the objects of their study and the related concepts, interact with processes, components, and systems, and understand the underlying dynamic behavior of the objects of their study. Such a learning experience is usually difficult to build using more traditional approaches such as case studies and experiential exercises. In this paper, after a brief introduction, we discuss the authors’ experience in using simulation and game-based and virtual environments, such as Second Life and Innov8, that lead to a more innovative teaching of service science concepts. The proposed approaches can have positive implications for the quality of education in areas such as Business, Management Information Systems (MIS) and Systems Engineering and may be a significant step towards a more comprehensive students’ learning experience. We include some preliminary students’ learning outcomes that indicate potential of one game-based learning technique that we describe in the study. We also briefly illustrate how a more formal approach).

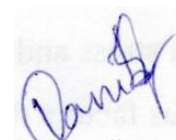

OBJECTIVES: An approach to teaching learning in virtual world/ Environment using Simulators.

RESOURCE PERSONS: Dr. Rajkumar Elanjeran, Professor ,Puducherry Medical college.

NUMBER OF PARTICIPANTS:32

CONCLUSION:

The Workshop was successfully conducted with 31 in house participants, The workshop was very interactive and all the participants were benefitted from the same.

Workshop Report

Title: *"Innovative Teaching- Learning Strategies"*

Date: 30th November 2023

Venue: Seminar Hall, KAHER INS, Belagavi

INTRODUCTION:

Change is the only constant today, and Recently from few decades, teaching- learning strategies have undergone innumerable changes. This is because of the shift from teacher led curriculum to student cantered curriculum that focuses on the knowledge, skills and competencies on course completion. Focus is now given more to learner centric teaching approaches and is based on outcomes expected. New methods are adapted to capture students' attention, and putting across ideas to achieve their educational objectives and excellence. Hence this workshop is expected to equip the participants with newer ideas and strategies to engage students by enhancing their learning experiences.

OBJECTIVES:

At the end of the Session/Program one shall be able to understand

1. The need of Innovative teaching learning strategies.
2. Various Innovative teaching learning strategies such as Module based learning, Clinical/ Bedside teaching, Panel Discussion /Scenario based discussion, Self-directed learning and Demonstration and Simulation based training (SBT) and Demonstration.

RESOURCE PERSONS:

1. **Dr. Veereshkumar Nandgoan**, Principal, KAHER INS, Belagavi
2. **Dr. Sangeeta Kharde**, Vice-Principal, KAHER INS, Belagavi.
3. **Dr. Vinita Metgudmath**, Assoc Professor of ENT, JNMC, Belagavi.
4. **Dr. Jayasheela Bagi**, Professor, Dept of Physiology, JNMC, Belagavi.
5. **Dr. Sheetal U. Harakuni**, Professor of Microbiology, JNMC, Belagavi
6. **Dr. Anupama M G**, Assoc Professor of Pharmacology, JNMC, Belagavi.

NUMBER OF PARTICIPANTS:

External: 08 (JNMC 02, VKIDS 02, Institute Of Physiotherapy Belagavi 02, College of Physiotherapy Hubballi 02,)

Internal: 14 in house faculty.

CONCLUSION:

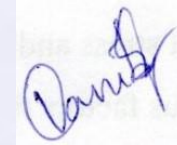

The Workshop was successfully conducted with 08 inhouse participants and 10 (From Constituent Units of KAHER). The workshop was very interactive and all the participants benefitted from the same.

“Art of Grant Writing”: How to Write a Persuasive Proposal

Date: 8th & 9th December 2023

Venue: Dr V D Patil Hall, KLE Convention Centre, Belagavi

INTRODUCTION: Writing research grants is a central part of any good quality research. Grant writing is a hefty undertaking; one must methodically sort through generating a hypothesis, planning a study, and logistically making it happen. Despite the large effort that goes into each grant application, success rates are low. High quality professional training programs for faculty members are essential to be able to compete in this ever-changing world

OBJECTIVES: At the end of the Session/Program one shall be able to understand

1. The various elements involved in drafting the Grants.
2. The different types of grants and the different funding agencies

RESOURCE PERSONS:

Workshop Report on

“Outcome Based Education in Ayurveda”

Date: 27th December 2023

Introduction: With changing times lot of changes can be seen in the field of education since ages. OBE is a model of education that has been adopted by NCISM and introduced to Ayurveda program too. OBE is a student centric teaching learning methodology in which the course delivery, assessments are planned to achieve the stated objectives & Outcomes, OBE focuses on measuring the student performance at the different levels. The program outcomes & course outcomes keep the Teacher & the student in track to achieve the outcomes framed in the Curriculum.

Objectives:

1. To inculcate the domains of OBE in to Ayurveda Profession too.
2. To succeed in meeting up the outcomes.

RESOURCE PERSONS:

External Resource persons:

1. Mr. Shailendra Suryawanshi, Assistant Prof. Dept of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi

Internal Resource persons:

2. Dr Suhaskumar Shetty, Principal, , KAHERs Shri BMKAM, Belagavi
3. Dr P G Jadar, Dean & Vice –Principal, KAHERs Shri BMKAM, Belagavi
4. Dr Manjula Kivadsannavar, Prof & HOD Roga Nidana KAHERs Shri BMKAM, Belagavi
5. Dr Pradeep Shinde Prof & HOD Shalya Tantra KAHERs Shri BMKAM, Belagavi
6. Dr Savita Padshetty, Prof & HOD Samhita & Siddhantha, KAHERs Shri BMKAM, Belagavi

NUMBER OF PARTICIPANTS: 42 External: 12 and Internal: 30

CONCLUSION: The workshop was more fruitful with active participants & enthusiastic Resource persons. The sessions were more interactive, Hands-on training was adopted at many intervals. Participants demonstrated the contents of the workshop along with the team members at the end of the workshop. The BMK Ayurveda College has Introduced & adopted OBE for the NCISM batches, for under graduates since 2021.

Workshop on

Intellectual Property Rights (IPR) and IP Management for startup

The IPR Cell and Institution Innovation Council (IIC) of the KLE Academy of Higher Education and Research, Deemed-to-be-University, Belagavi conducted Workshop on Intellectual Property Rights (IPR) and IP Management for startup on 4th May 2023 at Dr. B. S. Kodakany Hall, KLE Centenary Convention Centre, Belagavi.

Objectives:

- Giving broad idea about IPR and IP Management for start-up and its importance.
- Giving idea about process/useful steps for patent filing/getting IPR approval for any start-up with useful links or information.

Speaker:

Dr. Sharan Gouda Patil, Deputy Controller of Patent and Design, Kolkata, Government of India.

Event Details:

Dr. Sharan Gouda Patil, Deputy Controller of Patent and Design, Kolkata, Government of India was the Resource Person and inaugurated the Workshop by lighting the lamp by the Dignitaries. Dr. Nitin M. Gangane, Hon. Vice-Chancellor, KAHER felicitated the Resource Person on this occasion.

Dr. Anil Koralli, Convener of IIC, KAHER welcomed & Dr. Shivayogi M Hugar, Co-ordinator, IPR-IIC introduced the Resource Person and highlighted the achievements of the Resource Person. Dr V. A. Kothiwale, Registrar spoke on the importance and role of IPR in Health-care and uniqueness of this Workshop which will help in knowing the process of patenting.

Speaking on this occasion, Dr. Nitin M. Gangane, Hon. Vice-Chancellor emphasized the need and importance of IPR and making the ideas commercially valuable products. As patent and copyrights also help in accreditation process like NIRF, NAAC etc.

Dr. Rohan Hattarki, Member, IPR Cell proposed the vote of thanks.

Participants:

The Workshop was attended by Principals, Deans, Officials, faculty members, Research Scholars, Post-Graduate and Under-Graduate students from the Constituent units of KAHER. The Workshop was conducted in hybrid mode (Off-line and On-line). 30 Staff & 92 students' participants benefited from this Workshop.

Key Outcome:

The participants were sensitized regarding filing and drafting of Intellectual Property Rights (IPR) and IP Management for startup. The sessions were very informative and inspired many researchers that will enable them during the patenting process of formulating Research ideas into Patents. (Registration/Publications/Grant).
