Subject: Recognition of Scientific and Industrial Research Organisations (SIROs).

Dear Sir,

This has reference to your application for recognition of **KLE Academy of Higher Education and Research, Belagavi, Karnataka** as a Scientific and Industrial Research Organisation (SIRO) by the Department of Scientific and Industrial Research under the Scheme on Recognition of Scientific and Industrial Research Organisations (SIROs), 1988.

2. This is to inform you that it has been decided to accord recognition to **KLE Academy of Higher Education and Research, Belagavi, Karnataka** from **06.11.2023 to 31.03.2026**. The recognition is subject to terms and conditions mentioned overleaf.

3. Receipt of this letter may kindly be acknowledged.

Yours faithfully,

(Dr. P.K. Dutta)
Scientist - 'G'

TERMS AND CONDITIONS FOR RECOGNITION OF SCIENTIFIC AND INDUSTRIAL RESEARCH ORGANISATIONS (SIROs)

1. The organizations should acknowledge receipt of the recognition letter by stating that they will abide by the terms and conditions of recognition.
2. The recognition will entitle the SIRO to receive such administrative support from the DSIR, Ministry of Science & Technology as may be required on issue to promote or encourage scientific research activities.
3. SIROs recognized by DSIR are also deemed to be registered. A separate certificate of registration** is issued along with the recognition letter. The recognition would be valid for the period specified in the recognition letter and application for renewal of recognition shall be submitted in the prescribed proforma at least 3 months before the expiry of the valid recognition. Failure to submit application in time may lead to automatic lapsing of the recognition & registration.
***However, the certificate of registration is not issued to SIROs engaged in activities falling within the definition of 'hospital' as per notification No. 51/96-Cus. Dt. 23.07.1996 issued by the Department of Revenue.*
4. The recognition of DSIR does not amount to approval u/s 35(1)(ii)/(iii) of Income Tax Act, 1961.
5. The registration will entitle the SIROs to avail of custom duty exemption on purchase of equipment, instruments, spares thereof, consumables, etc. used for research and development subject to relevant Government policies in force from time to time. Custom duty exemption has to be separately dealt with the customs authorities. The SIROs should abide by the terms & conditions of the customs notifications issued/amended from time to time.
6. Separate books of accounts shall be maintained by the SIRO for research & development activities and the R&D expenditure, both capital and recurring should be reflected the Annual Report and Statement of Accounts of the Organization in separate schedules.
7. Disposal/sale of equipment and products/prototypes/intermediates, if any, emanating from the R&D/pilot plant, should be intimated to DSIR immediately. The realization, if any, from above or any services rendered etc. shall be shown in the R&D accounts of the organization as income of the SIRO in the audited accounts as well as annual report and should be used or reinvested for research activities only. In case of disposal/sale of R&D equipment, clearance from custom authorities will also be required in view of the applicable notifications under which the equipment was imported/purchased in India.
8. Accelerated depreciation allowance as per Rule 5(2) of Income Tax Rules 1962 will be available on investments on plant & machinery by any industrial unit which has made these investments for the purpose of commercialization of technology/know-how acquired from a SIRO recognition by DSIR.
9. Brief summary of the achievements of the organization shall be submitted to the DSIR every year. This should include details related to papers published, patents obtained and process developed, new products introduced, awards & prizes received, copy of Annual Report and Statement of Accounts of the organization etc. List of equipment, instruments, parts and consumables imported/purchased using the duty exemption should also be submitted to DSIR along with the Annual Report.
10. Any violation of the terms & conditions mentioned-above and / or provisions of taxation in force will make the organization liable to de-recognition.
11. The organization will also conform to such other conditions for recognition stipulated in the Guidelines or as may be specifically provided in the recognition letter.

DR. SUBARNA ROY

Chairperson, Institutional Ethics Committee
KLE Academy of Higher Education and Research
Nehru Nagar, Belagavi, India

Dear Dr. Roy,

We are happy to inform you that the **Institutional Ethics Committee of KLE Academy of Higher Education and Research (IEC, KAHER)** surveyed last 11-15 July 2022 is cleared for renewal of recognition during the FERCAP Annual International Conference and General Assembly at Daegu, South Korea on 27-30 November 2022. We wish to invite you to attend this activity to receive the certificate of renewal of recognition for your institution.

FERCAP is a regional organization of researchers and ethics committee (EC) members initiated by the World Health Organization Special Programme for Research and Training in Tropical Diseases (WHO/TDR). We implement programs that improve the quality of ethical review in the Asia-Pacific region and we thank you for your support of this initiative.

As a FERCAP recognized institution, your EC is also an institutional member of FERCAP and its subcommittee, the Network of Asian Recognized Ethics Committees (NAREC). As FERCAP and NAREC institutional member, you are required to submit an annual report and pay the annual institutional membership fee of US\$300.

We hope that your institution will continue to be our partner towards capacity building of ECs in the Asia-Pacific region. We look forward to your active participation in FERCAP.

Sincerely yours,

ARTHUR M. NAVARRO
FERCAP Program Manager

SECTION I – AWARD DATA – 2UG1HD076457-11

Principal Investigator(s):

RICHARD J DERMAN, MD

Award e-mailed to: resadmin@jefferson.edu

Dear Authorized Official:

The National Institutes of Health hereby awards a grant in the amount of \$615,958 (see “Award Calculation” in Section I and “Terms and Conditions” in Section III) to THOMAS JEFFERSON UNIVERSITY in support of the above referenced project. This award is pursuant to the authority of 42 USC 241 31 USC 6305 42 CFR 52 and is subject to the requirements of this statute and regulation and of other referenced, incorporated or attached terms and conditions.

Acceptance of this award, including the "Terms and Conditions," is acknowledged by the recipient when funds are drawn down or otherwise requested from the grant payment system.

Each publication, press release, or other document about research supported by an NIH award must include an acknowledgment of NIH award support and a disclaimer such as “Research reported in this publication was supported by the Eunice Kennedy Shriver National Institute Of Child Health & Human Development of the National Institutes of Health under Award Number UG1HD076457. The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Institutes of Health.” Prior to issuing a press release concerning the outcome of this research, please notify the NIH awarding IC in advance to allow for coordination.

Award recipients must promote objectivity in research by establishing standards that provide a reasonable expectation that the design, conduct and reporting of research funded under NIH awards will be free from bias resulting from an Investigator’s Financial Conflict of Interest (FCOI), in accordance with the 2011 revised regulation at 42 CFR Part 50 Subpart F. The Institution shall submit all FCOI reports to the NIH through the eRA Commons FCOI Module. The regulation does not apply to Phase I Small Business Innovative Research (SBIR) and Small Business Technology Transfer (STTR) awards. Consult the NIH website <http://grants.nih.gov/grants/policy/coi/> for a link to the regulation and additional important information.

If you have any questions about this award, please direct questions to the Federal Agency contacts.

Sincerely yours,

Marianne Galczynski
Grants Management Officer

For payment and HHS Office of Inspector General Hotline information, see the NIH Home Page at <http://grants.nih.gov/grants/policy/awardconditions.htm>

SECTION III – STANDARD TERMS AND CONDITIONS – 2UG1HD076457-11

This award is based on the application submitted to, and as approved by, NIH on the above-titled project and is subject to the terms and conditions incorporated either directly or by reference in the following:

- a. The grant program legislation and program regulation cited in this Notice of Award.
- b. Conditions on activities and expenditure of funds in other statutory requirements, such as those included in appropriations acts.
- c. 45 CFR Part 75.
- d. National Policy Requirements and all other requirements described in the NIH Grants Policy Statement, including addenda in effect as of the beginning date of the budget period.
- e. Federal Award Performance Goals: As required by the periodic report in the RPPR or in the final progress report when applicable.
- f. This award notice, INCLUDING THE TERMS AND CONDITIONS CITED BELOW.

(See NIH Home Page at <http://grants.nih.gov/grants/policy/awardconditions.htm> for certain references cited above.)

Research and Development (R&D): All awards issued by the National Institutes of Health (NIH) meet the definition of “Research and Development” at 45 CFR Part§ 75.2. As such, auditees should identify NIH awards as part of the R&D cluster on the Schedule of Expenditures of Federal Awards (SEFA). The auditor should test NIH awards for compliance as instructed in Part V, Clusters of Programs. NIH recognizes that some awards may have another classification for purposes of indirect costs. The auditor is not required to report the disconnect (i.e., the award is classified as R&D for Federal Audit Requirement purposes but non-research for indirect cost rate purposes), unless the auditee is charging indirect costs at a rate other than the rate(s) specified in the award document(s).

Carry over of an unobligated balance into the next budget period requires Grants Management Officer prior approval.

This grant is excluded from Streamlined Noncompeting Award Procedures (SNAP).

This award is subject to the requirements of 2 CFR Part 25 for institutions to obtain a unique entity identifier (UEI) and maintain an active registration in the System for Award Management (SAM). Should a consortium/subaward be issued under this award, a UEI requirement must be included. See <http://grants.nih.gov/grants/policy/awardconditions.htm> for the full NIH award term implementing this requirement and other additional information.

This award has been assigned the Federal Award Identification Number (FAIN) UG1HD076457. Recipients must document the assigned FAIN on each consortium/subaward issued under this award.

Based on the project period start date of this project, this award is likely subject to the Transparency Act subaward and executive compensation reporting requirement of 2 CFR Part 170. There are conditions that may exclude this award; see <http://grants.nih.gov/grants/policy/awardconditions.htm> for additional award applicability information.

In accordance with P.L. 110-161, compliance with the NIH Public Access Policy is now mandatory. For more information, see NOT-OD-08-033 and the Public Access website: <http://publicaccess.nih.gov/>.

This award provides support for one or more clinical trials. By law (Title VIII, Section 801 of [Public Law 110-85](#)), the “responsible party” must register “applicable clinical trials” on the [ClinicalTrials.gov Protocol Registration System Information Website](#). NIH encourages registration of all trials whether required under the law or not. For more information, see http://grants.nih.gov/ClinicalTrials_fdaaa/

Recipients must administer the project in compliance with federal civil rights laws that prohibit discrimination on the basis of race, color, national origin, disability, age, and comply with applicable conscience protections. The recipient will comply with applicable laws that prohibit discrimination on the

basis of sex, which includes discrimination on the basis of gender identity, sexual orientation, and pregnancy. Compliance with these laws requires taking reasonable steps to provide meaningful access to persons with limited English proficiency and providing programs that are accessible to and usable by persons with disabilities. The HHS Office for Civil Rights provides guidance on complying with civil rights laws enforced by HHS. See <https://www.hhs.gov/civil-rights/for-providers/provider-obligations/index.html> and <https://www.hhs.gov/>.

- Recipients of FFA must ensure that their programs are accessible to persons with limited English proficiency. For guidance on meeting the legal obligation to take reasonable steps to ensure meaningful access to programs or activities by limited English proficient individuals, see <https://www.hhs.gov/civil-rights/for-individuals/special-topics/limited-english-proficiency/fact-sheet-guidance/index.html> and <https://www.lep.gov>.
- For information on an institution's specific legal obligations for serving qualified individuals with disabilities, including providing program access, reasonable modifications, and to provide effective communication, see <http://www.hhs.gov/ocr/civilrights/understanding/disability/index.html>.
- HHS funded health and education programs must be administered in an environment free of sexual harassment; see <https://www.hhs.gov/civil-rights/for-individuals/sex-discrimination/index.html>. For information about NIH's commitment to supporting a safe and respectful work environment, who to contact with questions or concerns, and what NIH's expectations are for institutions and the individuals supported on NIH-funded awards, please see <https://grants.nih.gov/grants/policy/harassment.htm>.
- For guidance on administering programs in compliance with applicable federal religious nondiscrimination laws and applicable federal conscience protection and associated anti-discrimination laws, see <https://www.hhs.gov/conscience/conscience-protections/index.html> and <https://www.hhs.gov/conscience/religious-freedom/index.html>.

In accordance with the regulatory requirements provided at 45 CFR 75.113 and Appendix XII to 45 CFR Part 75, recipients that have currently active Federal grants, cooperative agreements, and procurement contracts with cumulative total value greater than \$10,000,000 must report and maintain information in the System for Award Management (SAM) about civil, criminal, and administrative proceedings in connection with the award or performance of a Federal award that reached final disposition within the most recent five-year period. The recipient must also make semiannual disclosures regarding such proceedings. Proceedings information will be made publicly available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)). Full reporting requirements and procedures are found in Appendix XII to 45 CFR Part 75. This term does not apply to NIH fellowships.

SECTION IV – HD SPECIFIC AWARD CONDITIONS – 2UG1HD076457-11

Clinical Trial Indicator: Yes

This award supports one or more NIH-defined Clinical Trials. See the NIH Grants Policy Statement Section 1.2 for NIH definition of Clinical Trial.

Foreign Clearance

RESTRICTION: No funds may be expended, and no activities may be conducted at **JNMC, KLE Academy of Higher Education and Research** in **INDIA** until all NIH administrative requirements have been met. These activities and funds will remain restricted until a revised Notice of Award has been issued rescinding this restriction.

Failure to comply with the above requirement may result in suspension and/or termination of this award, withholding of support, audit disallowances, and/or other appropriate action.

Dissemination Plan

RESTRICTION: In absence of a plan for the dissemination of NIH-funded clinical trials information, all funds for this award are restricted [with the exception of those costs associated with supporting currently enrolled patients].

No funds may be drawn down from the payment system and no obligations may be made against Federal funds, [except for those associated with patient care for currently enrolled patients] prior to NICHD notification to the recipient via a revised Notice of Award that the identified issues have been resolved and this restriction removed.

Cooperative Agreement

This award is issued as a cooperative agreement, a financial assistance mechanism in which substantial NIH scientific and/or programmatic involvement is anticipated in the performance of the activity.

This award is subject to the terms and conditions of award as set forth in **NOFO NUMBER [RFA-HD-23-008](#)**, "NICHD Global Network for Women's and Children's Health Research: Research Units (UG1 Clinical Trial Optional)," posted August 03, 2022, which are hereby incorporated by reference as special terms and conditions of award. See the [NIH Funding](#) site for more information.

These special terms and conditions of award are in addition to, and not in lieu of, otherwise applicable OMB administrative guidelines; Federal Regulations including HHS Grant Administration Regulations at 45 CFR Part 75; other HHS regulations; and the [NIH Grants Policy Statement](#) (rev. 12/22).

Human Subjects - Delayed Onset

RESTRICTION: This award is issued with the knowledge that subjects may be involved within the period of support, but definite plans were not set forth in the application as per 45 CFR 46.118. No human subjects may be involved in any project supported by this award until all requirements for human subjects' research as identified in the PHS398/SF424 instructions have been provided to and approved by NICHD.

For all competing applications or new protocols, the NICHD expects investigators for ALL NICHD Clinical Trials to abide by the requirements stated in NIH Guide Notice [NOT-HD-20-036](#) "NICHD Data Safety Monitoring Guidelines for Extramural Clinical Trials and Clinical Research". All NICHD applications which include Clinical Trials must include a Data Safety Monitoring Plan. All NIH-sponsored multi-site clinical trials, NIH-defined Phase III clinical trials and some single site clinical trials that pose potential risk to participants require Data and Safety Monitoring Board (DSMB) oversight. Applicants are expected to establish an independent, external DSMB when required by this policy.

For all competing applications or new protocols, the NICHD expects investigators for ALL human subject research to abide by the requirements stated in NIH Guide Notice [NOT-HD-20-035](#) "NICHD Serious Adverse Event, Unanticipated Problem, and Serious Adverse Event Reporting Guidance".

This advice and document/s referred to below are provided under strict [embargo](#) and as such, on an in confidence basis. **The document/s and the information are not to be made public at this time by institutions or recipients.** NHMRC will notify your Administering Institution when your outcome is no longer under embargo.

Dear Professor Homer

Application ID: 2024658

Grant Opportunity: 2023 Centres of Research Excellence

Application Title: ARPAN - Accelerating Research and Progress in maternal And Newborn health: A Centre for Research Excellence to improve maternal and newborn health in the post-COVID-19 pandemic era

I am pleased to advise that the Minister for Health and Aged Care has approved your application (2024658) for National Health and Medical Research Council (NHMRC) 2023 Centres of Research Excellence commencing in 2023.

This letter provides you with important information about the offer of Funding made to Burnet Institute for this application.

Assessment Details

Where available¹, information about the assessment of your application is provided in a separate Application Assessment Summary.

Accepting this offer

The offer of Funding for your Application is made under NHMRC's Funding Agreement (the Funding Agreement) between the Australian Government and your Administering Institution. Your Administering Institution is responsible for informing you about the requirements of the Funding Agreement (including its Schedules), the Direct Research Costs guidelines and other applicable policies².

Your Administering Institution has until 15/10/2023 to certify that the information required prior to payment being made (see below) has been entered into NHMRC's Grant Management System, and to advise NHMRC of its acceptance of the offer. If the offer is not accepted by this date it may lapse. If you wish to discuss this offer of Funding, or have any queries, please contact your Research Administration Officer (RAO).

¹ An Application Assessment Summary is not available for applications to grant opportunities where NHMRC does not perform the peer review.

² Funding Agreement, Direct Research Costs Guidelines and other policies are available on the webpage at: (<https://nhmrc.gov.au/funding/manage-your-funding/funding-agreement>).

Information required prior to payment being made

Where applicable, and except where otherwise indicated, NHMRC will temporarily withhold some or all of the Funding under subclause 15.2.a of the Funding Agreement with your Administering Institution until Specified Personnel with outstanding obligations from previous NHMRC grants, including submission of a Final Report, have met those obligations.

In some circumstances, CIAs may need to provide additional ethics information. This information must be entered into NHMRC's Grant Management System by the CIA and certified by the RAO. Should you have any questions concerning the provision of such information, please speak to your RAO.

If you need to seek approval to defer the start date of this grant, please refer to the [Grantee Variations](#) webpage or speak with your RAO.

Funding

As set out in the Schedule to the Funding Agreement, the 2023 Centres of Research Excellence 2024658, has been awarded \$2,500,000.00. Where applicable, this budget has been assessed by the peer review panel as sufficient to complete the aims and objectives of the research proposal stated in the application for funding. Any conditions relevant to receiving the Funding are set out in the Schedule to the Funding Agreement and, where applicable, the associated Funding Policy. All expenditure must be in accordance with the requirements of the Funding Agreement.

Participation in NHMRC Peer Review

NHMRC relies on the ongoing participation of the research community to ensure that every application receives expert peer review. NHMRC is grateful for this contribution which is acknowledged on its website's peer review honour roll.

To ensure that applications for future rounds are appropriately assessed, all Specified Personnel working on NHMRC Funded Research Activities are reminded that they may be requested to make themselves available to contribute to the peer review process, in accordance with clause 23.1 of the Funding Agreement.

Accordingly, we ask that you ensure your CV/Profile information is up to date in Sapphire to assist in the identification of appropriate peer reviewers.

Yours sincerely

Dear Dr Mahantashetti,

Subject: Redesignation of Women's and Children's Health Research Unit, Jawahar Lal Nehru Medical College as a WHO Collaborating Centre for Research in Maternal and Perinatal Health (WHO-CC IND 156)

I am pleased to inform you that the World Health Organization has designated the Women's and Children's Health Research Unit, Jawaharlal Nehru Medical College, KLE Academy of Higher Education and Research, Belagavi (JNMC Research Unit) as a WHO Collaborating Centre for Research in Maternal and Perinatal Health (WHO-CC IND 156).

As previously agreed, Dr Shivaprasad Goudar will act as Head of the Centre. Should there be any change in the future, I would be grateful if you would inform WHO without delay.

The agreed terms of reference and workplan of the Centre are attached. We wish to emphasize that institutions designated as WHO Collaborating Centres are expected to implement the agreed workplan in a timely manner and to the highest possible standard of quality. Any issue that may affect the implementation of the agreed workplan should be brought to the attention of the WHO responsible officer Dr Mariana Widmer at widerm@who.int

For information on administrative matters, please visit the WHO website <https://www.who.int/southeastasia/about/partnerships/collaborating-centres>.

Finally, please note that institutions designated as WHO Collaborating Centres must complete a short online progress report form once a year. On the anniversary of the designation date, details will be sent to the email address of the Head of the Centre specified in the designation form.

The designation as a WHO Collaborating Centre will be effective for a period of 4 years of redesignation, as from **14 September 2023**, and will automatically end on **14 September 2027**, unless redesignation has been approved by WHO before that date. During the period of designation, either party may revoke the designation at any time by giving three months advance notice in writing.

I look forward to our successful collaboration.

Yours sincerely,

MEMORANDUM OF UNDERSTANDING

Hospital Based Cancer Registries in India

National Cancer Registry Programme

ICMR-National Centre for Disease Informatics and Research, Bengaluru

The broad and overall objective of ICMR-National Centre for Disease Informatics and Research (ICMR-NCDIR), Bengaluru is to sustain and develop a national research data-base on cancer, diabetes, CVD, stroke, other NCDs and their risk factors through recent advances in electronic information technology with a national collaborative network, so as to undertake etiological, epidemiological, clinical and disease control research in these areas.

The National Cancer Registry Programme (NCRP) was initiated in 1981 by the ICMR, and is presently coordinated at ICMR-NCDIR, Bengaluru. It operates through a network of Population Based Cancer Registries (PBCRs) and Hospital Based Cancer Registries (HBCRs) across different parts of the country. The data collected enables to estimate cancer incidence, mortality, trends, burden, clinical management, outcome and survival. The information aids efforts towards cancer prevention and control in the country.

This Hospital Based Cancer Registry is being implemented by ICMR- NCDIR, Bengaluru at KLE'S DR PRABHAKAR KORE HOSPITAL & MRC BELAGAVI with the following aim / objectives.

1. Profile and patterns of cancer in patients attending the hospital/health facilities
2. Describe the diagnostic, clinical, treatment and outcome parameters
3. Contribute to the respective PBCRs in India under ICMR-NCDIR-NCRP

The basic methodology for the project "Hospital Based Cancer Registries in India" envisages capturing core patient information on demography, clinical details, treatment and outcome of all cancers reported/registered at all departments/units/sections who are involved in cancer diagnosis/treatment/care in the hospital.

Agreement for co-operation in the performance of work on "Hospital Based Cancer Registries in India" through ICMR-NCDIR, Bengaluru between Dr. Prashant Mathur, Director, ICMR-National Centre for Disease Informatics and Research, Bengaluru, hereinafter called Principal Investigator (PI) and DR KUMAR VINCHURKAR hereinafter called Principal Investigator of Participating Centre (C-PI).

The project sanction is up to March 2027 and it is effective from 1st April 2023. The funds will be released on installment basis based on quality of data submission and overall performance. The C-PI is responsible for the following:

1. Collection, collation and transmission of data of all malignant neoplasms reported/diagnosed/treated from the above centre from 1st January 2023 onwards.
2. Follow the terms and conditions (as specified in **Annexure I**) are necessary for uniformity and successful execution of the study.
3. Managing funds provided for the said purpose as per guidance and rules applicable.
4. Submission of duly signed utilization certificate on a regular basis.

In consideration of the above, an annual budget of up to ₹ **3,15,000/-** (In Rupees Three Lakh and Fifteen Thousand only) per year is provided for the financial year 2023-24, and will be released in installments after receiving duly completed MoU and other codal formalities.

The undersigned parties hereby agree and conclude the present agreement:

ANNEXURE-I

Terms and Conditions

Roles and Responsibilities:

A. Principal Investigator (PI), ICMR-NCDIR

1. Deploy standard protocol, tools and methods of National Cancer Registry Programme (NCRP) for collection of data at HBCRs. This includes provision of Core forms for abstraction of cases, procedure manuals and technical support to the participating center or study tools, as per needs of the study.
2. Access to the online software along with secure login credentials to the C-PI.
3. To organize periodic training, re-training of registry staff. This will employ physical onsite programs as well as online electronic methods
4. Monitor the quality of data being collected, transmitted to ICMR-NCDIR, completeness and clarifications
5. The cancer data collected through this collaboration will be used to augment the NCRP database.
6. ICMR- NCDIR does not accept any responsibility for persons hired for the activity by the participating centre and thus will have no legal liability relating to the implementation of this MoU.

B. Principal Investigator of the participating centre (C-PI)

1. C-PI will be nominated by the respective Head of Institution. All other Co-PIs will be identified by the C-PI as relevant (i.e., clinicians from surgical/radiation/medical oncology departments and a pathologist) to the implementation of the project with the approval of Head of the Institution.
2. C-PI will have overall responsibility for the execution of the project in the participating centre as per guidelines. This basically includes collection and collation of data of all malignant neoplasms reported/diagnosed/treated in the participating centre from the 1st January 2023, with specific attention to capture of complete and correct residential address, including patient identification details, exact anatomical site of cancer, stage and treatment. HBCR should cover the cases from various departments/units (surgery, radiation, medical oncology, pediatrics, general medicine/surgery, obstetrics and gynaecology, ophthalmology and other departments) from the entire institution whenever any case of cancer is diagnosed or managed to cover complete details. Data collection has to be done in the prescribed format (HBCR coreform) as per guidelines provided in the procedure manual. The same data should be entered into the online software provided by ICMR-NCDIR and transmitted preferably daily to ICMR-NCDIR.
3. The C-PI will be the main corresponding / contact person for all matters including utilization of funds and be the overall in-charge of the project Hospital Based Cancer Registry in India.
4. C-PI should have Co-Principal Investigators (Co-PI) from all the oncology and cancer related departments. If for any reason the C-PI leaves, an eligible clinician/Co-PI with the concurrence of the Head of the Institution should be nominated and a request for approval of ICMR-NCDIR should be sent well in advance along with detailed Biodata and letter of acceptance for the position and responsibility.
5. Based on local set-up the C-PI /Co-PIs could also identify junior staff members as Faculty-in-charge. This person(s) along with the senior most staff employed under the project would be responsible for the day to day working of the project. This day to day working includes ensuring:
 - i) Completion of core proforma for "Hospital Based Cancer Registry in India" and regular data transmission.

- ii) Maintain the quality of data during abstraction and transmission.
 - iii) Ensure that the hired manpower is acquainted with the methodology of data collection and abstraction through interim in-house reviews.
 - iv) Internal meetings with all the investigators and concerned staff should be conducted periodically.
 - v) Assist in order to provide any clarifications sought by ICMR-NCDIR;
6. Facilitate the Principal Investigator/representative(s) during their visits for monitoring, supervision and quality assurance of the data collected.
 7. The C-PI and Co-PIs along with the concerned staff should strictly adhere to participate in the meetings along with suitable representative who will also participate in workshops / training programmes and present the progress of work.
 8. As ICMR-NCDIR is providing the funds for the project Hospital Based Cancer Registries in India, the primary data of HBCR belongs both to your centre and to ICMR-NCDIR. Therefore, the C-PI should take approval from ICMR-NCDIR before providing/sharing the primary data with any third party / any agency. The ICMR-NCDIR policy on data processing and disclosure shall be followed as applicable from time to time.
 9. The space and basic equipment, furniture and other assistance required for the smooth working of the project shall be provided by the host institution. No assets should be procured from the project fund.
 10. Hiring of manpower for the purpose of project as per the rules and regulations of the participating centre and should take the overall responsibility.

C. Accounts:

1. Grant-in-aid: General, Lump sum grants would be released.
 - i) Submission of Utilization Certificate along with Receipts and Payments Accounts after completion of the financial year (duly certified and signed by C-PI and Accounts Officer / Head of the Institution to be submitted).
 - ii) Adjustment of closing balance of previous year as shown in Utilization Certificate.
2. Head of the Institution / C-PI will have the liberty of allocation of the funds for functioning of registry and its requirements such as hiring of manpower, training, workshop, contingencies etc. as such C-PIs may get work done in an effective manner. No person should be hired on very long term basis continuously.
3. The funds provided should be spent for the purpose for which it has been sanctioned and should not exceed the allocated budget. Any deviation in budget utilization needs prior approval from ICMR-NCDIR, Bengaluru
4. Funds would be provided to your institutional bank account or specific account dedicated for this project and details of records of expenditure incurred shall be maintained. The accounts will be subjected to audit by the authorized auditors/accounts officer of the centre.
5. Bank interest accrued in a financial year should not be utilized by the centre and should be refunded to ICMR-NCDIR.
6. The grant released by ICMR-NCDIR shall be refunded as per unspent amount available at the participating centre if and when ICMR-NCDIR or grantee concerned discontinues mid-way or does not follow the terms and conditions laid down and approved.

7. The C-PI must keep track of all circulars/ Notices/ Letters sent by ICMR-NCDIR.

D. Core and Patient Information Form:

1. The project core forms will be printed and provided to the respective participating centre by ICMR-NCDIR.
2. A hard copy of the core form should be completed (and updated) for all malignant cases reported in the respective participating centre.
3. The filled hard copy of the core form shall be preserved for a minimum of 5 years from the date of termination of the project.

E. Data Transmission:

1. Transmission of data on each patient has to be done regularly through the website <https://www.ncdirindia.org>. The login credentials to access the online software will be provided by ICMR-NCDIR.
2. The centre has to place a request for replenishment of HBCR core forms at least one month in advance through the portal.
3. The core identifying and diagnostic information/ Treatment details has to be transmitted within two weeks of data collection.
4. Methods for coordination with other departments, verification of quality errors and data entry should be developed by each participating centre.
5. ICMR-NCDIR will monitor the completeness and quality of data transmitted periodically.
6. Poor quality of data will not be accepted for publication in the periodic reports of the NCRP.

F. Quality of data:

HBCR data which is submitted undergoes following processing steps at ICMR-NCDIR:

1. ICMR NCDIR assess the coverage of the data from the respective hospital. Data abstraction should be done from all departments including pathology, surgical oncology, radiation oncology, medical oncology and any other departments where cancer is diagnosed and treated. If there is a lack of coverage, the registry will be informed to ascertain missing cases. Once the data is complete, the following steps are taken to make it complete, free from errors as per standards and international norms.
2. Quality Control –
 - a. Data should be complete in all aspects, especially the treatment and follow up details.
 - b. Registries can perform checks on the data transmitted through the HBCR software. NCDIR shall also perform checks on the data to evaluate the quality of the submitted data. The generation of error tables is followed by the dispatch of erroneous data to respective registries for inputs/corrections. The corrections are made in the HBCR software by the respective registries.
 - c. Duplicates are identified and shared with the registry for concurrence and subsequently the elimination is done by ICMR -NCDIR.
 - d. Data is further evaluated for consistency checks and if the coverage and quality of data is found to be satisfactory, data of the centre is finalized and will be used for analysis and report preparation.

G. Data Access:

- a. Each centre is provided access to download its own raw data for quality control (above Point no. 2. a,b,c) at any time for purposes of data monitoring, and any further analysis. It is to be noted that this data has not completed the Quality control steps and therefore is not final data. The C-PI is responsible for the access of data at this stage, and its further use.
- b. Data that has completed all steps of QC (2.a to d) is final and will be included in the analysis for reports and publications prepared by ICMR-NCDIR.
- c. The finalized data will be also available for access to each participating centre for further use as deemed fit.

H. Report of Work Done:

1. The grant is being sanctioned on the condition that reports on the progress of work done on the project will be submitted by the participating centre to the ICMR-NCDIR, as and when called for as per format.
2. Timely release of grants necessitates timely submission of data to ICMR-NCDIR. The deadlines for submission of data have to be adhered.

I. Data use and Publication:

1. The HBCR can share information with another HBCR under NCRP only based on specific request from another HBCR under information to ICMR-NCDIR.
2. HBCR data shall be used by ICMR-NCDIR to strengthen the information in case diagnosis/treatment/follow up/outcome in any PBCR/HBCR under the NCRP.
3. ICMR-NCDIR shall finalize datasets of each HBCR on an annual basis.
4. The individual C-PI is responsible for publication of the collected / verified data from the participating centre, after the data is accepted by ICMR-NCDIR, with due acknowledgement of ICMR-NCDIR-NCRP
5. It is encouraged that HBCRs should publish the data periodically in the form of annual reports/manuscripts with due acknowledgment of the ICMR-NCDIR and proper citation of the ICMR-NCDIR and HBCRDM software.
6. The analysis, report preparation and publication of the verified / collected pooled data is the responsibility of the ICMR-NCDIR-NCRP.
7. A list of papers published on the work carried out for this study by the HBCR under the auspices of the ICMR-NCDIR shall be submitted along with reprints of the papers periodically.
8. Data collected and finalized can be used for thesis/publication/sharing with government departments.

J. Ethical Clearance:

1. The participating centre shall obtain IEC approval for the project before commencement of data collection and submit the same to ICMR-NCDIR as per the ICMR 'National Ethical Guidelines for Biomedical and Health Research involving Human Participant-2017'. The necessary ethical clearance including patient consent will be the responsibility of the participating centre.

K. Data Confidentiality:

1. The participating centre will abide by the concerned ICMR-NCDIR policy on data processing and disclosure to ensure a stable, reliable, ethical and legally compliant framework for data collection, use and dissemination by the NCDIR.
2. The C-PI should ensure that the staff of the participating centre maintain patient confidentiality and also maintain data confidentiality and data security. Measures to maintain data security and protection as per the ICMR-NCDIR policy will be followed by the centre.

L. Specific Conditions on Use of Software:

1. No part of this software may be copied or used without the written consent of ICMR-NCDIR. Copyright © 2014, ICMR, New Delhi, All Rights Reserved.
2. Software, database and login credentials should be used only by authorized persons at authorized locations. Change of C-PI or discontinuation of the services of any hired manpower having knowledge of the login credentials must be intimated to ICMR-NCDIR so that the previous password is invalidated and fresh credentials will be issued to the participating centre. Undertaking on data confidentiality must be taken from staffs. Any violation of terms and conditions shall attract discontinuation of contract.

M. Termination of the project:

1. Either party can terminate the project, with valid reasons and adequate time.
2. A list (in duplicate) of non-expendable and expendable article together with property registers and suggestions for disposal of the articles should be sent to ICMR-NCDIR within a month from the date of termination of the research scheme.

This MoU is valid for two calendar years and needs to be renewed by both parties.

File No. 25-73-2010-NBA

To
The Principal
KLE College of Pharmacy,
J.N. Medical College Campus,
Nehru Nagar, Belgaum- 590010,
Karnataka

Subject: Accreditation status of UG-Pharmacy program applied by KLE College of Pharmacy, J.N. Medical College Campus, Nehru Nagar, Belgaum- 590010, Karnataka.

Sir,

This has reference to your application I.D. No. 2962-05/06/2018 seeking accreditation by National Board of Accreditation to UG Pharmacy program offered by **KLE College of Pharmacy, J.N. Medical College Campus, Nehru Nagar, Belgaum- 590010, Karnataka.**

2. An Expert Team conducted on-site evaluation of the program from 08th to 09th November, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Pharmacy	January 2016 Document	Accredited	Academic Years 2019-2020 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to **KLE College of Pharmacy, J.N. Medical College Campus, Nehru Nagar, Belgaum- 590010, Karnataka** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program accredited, level of program and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

Contd/...

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Report in respect of the above program is enclosed.
