

Workshop/Seminar on Quality

Sl.no	Name of the Workshop/Conference	Date	No of participants
1.	Workshop on Clinical and Research Applications of Flow Cytometry	01-03-2023	17
2.	Workshop on From research to publication, What researchers should know	13-03-2023	36
3.	Workshop on Competency based Dental education	16-03-2023 to 17-03-2023	29
4.	National level Workshop on Use of technology to promote student engagement	24-03-2023 to 25-03-2023	57
5.	Workshop on Training the Mentors for effective mentorship	12-04-2023 to 13-04-2023	41
6.	Workshop on Translation of research evidence to policy and practice	25-04-2023	33
7.	Workshop on Intellectual Property Rights	3/5/2023	44
8.	Workshop on Outcome based education for Nursing program	4/5/2023	37
9.	Workshop on Design thinking A Tool kit for innovation	16-05-2023	30
10.	Workshop on Teaching learning methodology and assessment in CBME	05-07-2023 to 06-07-2023	30
11.	Workshop on Blended classroom technology in Ayurveda education	13-07-2023	53
12.	Workshop on Atomic absorption spectroscopy current scenario and future prospects	21-07-2023	30
13.	Workshop on Effective principle and practices for enhanced student learning motivation	24-08-2023	28
14.	Workshop on Capacity building in futuristic educational constructs	17-08-2023 to 18-08-2023	28
15.	Workshop on Quality assurance in outcome based education	21-09-2023	34
16.	Workshop on Systematic approach in designing and moderation of question paper for CIE and SEE	22-09-2023	32

17.	Workshop on Stress management skills at workplace	22-09-2023 to 23-09-2023	44
18.	Workshop on Innovative teaching learning methodologies	10/10/2023	32
19.	Workshop on Empowering educators to use technological advances in digital age	3/11/2023	36
20.	Workshop on Workplace wellness for health professionals	6/11/2023	26
21.	Workshop on Simulation an approach to teaching learning in virtual world environment	17-11-2023	32
22.	Workshop on innovative teaching learning strategies	30-11-2023	22
23.	Workshop on Art of grant writing how to write a persuasive proposal	08-12-2023 to 09-12-2023	46
24.	Workshop on outcome based education in Ayurveda	27-12-2023	42
25.	Workshop on Intellectual Property Rights and IP Management for Startup	4/5/2023	30
26.	Applying Engineering Principles & Innovations to Precise Medicine, Drug Manufacture & Future Health Care	13-03-2023	98
27.	Glycogen and Neuronal Health: Lessons from Genetic disorders	28-04-2023	131
28.	The aging world: Embracing the challenges and opportunities of global aging	26-05-2023	168
29.	"Getting Phages Closer to clinical development	09-06-2023	112
30.	Transmission blocking vaccine for malaria elimination old and new approaches	19-10-2023	87
31	Online training program on Recent developments in Ethical guidelines of Health research	12-12-2023	130

UDEHP Workshop Report

Title: "Clinical and Research applications of Flow cytometry"

Date: 01/03/2023

Venue: KAHER's Dr Prabhakar Kore Basic Science Research Centre, Belagavi.

INTRODUCTION:

Flow cytometry (FCM) is extensively used in the study of haematological disorders and understanding the function of immune system in healthy individuals as well as in patients with auto immune disorders. However, it is not limited to only haematological malignancies and disorders. FCM can also be used for study of cell cycle, DNA ploidy, viability assays, cell apoptosis, DNA damage/fragmentation, Reactive oxygen species (ROS) assays, etc. This workshop was aimed at introducing flow cytometry and its applications and first-hand experience in immune phenotyping and cell culture analysis.

OBJECTIVES:

At the end of the Session/Program the participants shall be able to understand

1. Basic working and applications of Flow cytometry
2. Various clinical and research applications of Flow Cytometry
3. Hands on Experience of Flow Cytometry

RESOURCE PERSONS:

External: Dr. Sushil Kumar Ramdasi - Application Specialist Flow cytometry, Becman Coulter Pvt Ltd Life sciences

Internals: Dr. Laxmi Deshpande, Assistant Prof. Dept of Microbiology, KLEs' Dr P K BSRC Belagavi.

Dr. Vijay Kumbar, KLEs' Dr P K BSRC Belagavi.

NUMBER OF PARTICIPANTS: External: 2 Internal: 15

CONCLUSION: The Workshop was successfully conducted with a total of 17 participants. Scientific session was conducted during the morning session followed by hands on wet workshop. The workshop was very interactive and all the participants benefitted from the same.

“From Research to Publication: What Researchers should know”

Date: 13th March 2023

Venue: Conference Hall DOME, BELAGAVI

INTRODUCTION: Publication in reputed journals increases the visibility and credibility of researchers and promotes career opportunities. Prioritization of quantity and journal metrics assess the quality of research outputs. Faculty must understand multiple factors related to publication process in order to keep up in pace with ever increasing changes in this field. Thus, the faculty of different cadres were trained in this direction in this workshop.

OBJECTIVES: At the end of the Session/Program one shall be able to understand

1. The golden rules of writing and structuring the text in a research paper.
2. The steps of writing a Review article.
3. The different Criteria for Selection of Journal and authorship guidelines.
4. The steps of Publication process.
5. The details of Citation Impact to Impact Factor.

RESOURCE PERSONS:

- Dr Punya Angadi, Prof & Head, Dept. of Oral Pathology & Microbiology, VKIDS, Belagavi
- Dr. Vasanti P Jirge, Reader, Dept. of Oral Medicine, and Radiology, VKIDS, Belagavi
- Dr Deepti Kadeangadi, Associate Prof, Dept. of Comm. Medicine, JNMC, Belagavi.
- Dr Sunil Vernekar, Prof, Dept. of Physiology, JNMC, Belagavi.
- Dr Avinash Kavi, Associate Prof, Dept. of Comm. Medicine, JNMC, Belagavi.
- Dr Sheetal Harkuni, Prof, Dept. of Microbiology, JNMC, Belagavi.
- Dr V. M Pattenshetti, Prof. Dept. of Surgery, JNMC, Belagavi.
- Dr Harpreet Kour, Asso Prof, Dept. of Physiology, JNMC, Belagavi.

NUMBER OF PARTICIPANTS: 34 Internal faculty and 02 External faculty

CONCLUSION: The workshop was successfully conducted and was very interactive also. The hands-on sessions were well appreciated by all the participants and received a good feedback for the same.

KLE VK Institute of Dental Sciences, KLE Academy of Higher Education and Research

Workshop report

Title of the workshop: “Competency Based Dental Education”

DATE: March 16 & 17 March 2023

Venue: Recreation room, KLE VK Institute of Dental Sciences, KLE Academy of Higher Education and Research, Nehru Nagar Belagavi, 590010 Karnataka

INTRODUCTION: The Dental Council of India is in the process of implementing Competency Based Dental Education (CBDE) in India. The rationale behind CBDE development is to bring uniform system of education for improving oral health outcomes of the society in long term. Competency-based dental education focuses on the knowledge, professional skills and behaviour required of new graduates. The adoption of competency-based learning requires the re-assessment and revision of old curricula.

OBJECTIVES: At the end of the workshop, the participants shall be able to

- Understand the fundamentals of CBDE and
- Understand the process of implementation.

RESOURCE PERSONS:

EXTERNAL:

- 1. Dr. Padmaja Walvekar** ,Prof, Dept of Community Medicine, JNMC, KAHER, Belagavi
- 2. Dr Roopa Bellad** ,Prof, Dept of Pediatrics, Convenor – NMC Nodal Centre for FDP, JNMC, Director of Academic Affairs, KAHER, Belagavi .
- 3. Dr Sunita Patil** ,Prof, Dept of Pathology, JNMC, Director of University Dept of Education for Health Professions, KAHER, Belagavi.
- 4. Dr Sheetal Harkuni** ,Prof, Dept of Microbiology, JNMC, Deputy Director of Academic Affairs, KAHER, Belagavi .
- 5. Dr Deepti M. Kadeangadi** ,Associate Prof, Dept of Community Medicine, JNMC, Co-Convenor NMC Nodal Centre for Basic Course, KAHER, Belagavi.
- 6. Dr Nayana Hashilkar** ,Prof, Dept of Pharmacology, Co- Convenor – NMC Nodal Centre for FDP, JNMC, KAHER, Belagavi.
- 7. Dr Shilpa Bhimalli**,Professor and HOD, Dept of Anatomy, JNMC, KAHER

Internal

Dr Vasanti Jirge, Reader, Dept of Oral Medicine
and Radiology KLE VK Institute of Dental
Sciences, KAHER Belagavi

TOTAL NUMBER OF PARTICIPANTS REGISTERED: 29, External – 7 and Internal – 22.

CONCLUSION:

The Dental faculty is prepared to begin implementation of CBDE.

KLE VKIDS and The UDEHP has extended all manner of support in the conduct of this workshop. The workshop was conducted without any glitches. There were no difficulties experienced. We were able to conduct the workshop uneventfully.

KLE College of Pharmacy, Bengaluru, KLE Academy of Higher Education and Research

Workshop report

Title of the workshop: “Use of Technology to promote student engagement”

Date: 24th and 25th of March 2023

Venue: Department of Education for Health Professionals (UDEHP)

INTRODUCTION

Technology can engage students in order to keep them focused on what they are learning. Students can collaborate with peers using digital platforms, explore creativity through technological features, engage in higher-order thinking processes, participate in inquiry-based learning. Teachers can more easily interact with large groups of students, know each student's performance, track student engagement with specialized subject/area, and adjust and impress their teaching in real time. In short, educators now can integrate the best of virtual learning into their face-to-face classrooms.

OBJECTIVES

At the end of the program participants shall be able to understand:

The various Principles of adult learning.

To use wide range of technologies to promote student engagement and their learning outcomes.

To equip them with the skills to evaluate the effectiveness of technology-enhanced activities.

RESOURCE PERSONS

Dr. Vinutha Shankar MS, PROFESSOR, SDUAHER, Kolar, Karnataka.

Slr. Navcen Kumar I, Assistant Professor, SDUAHER, Kolar, Karnataka.

Mr. Lokheshwar S, Assistant Professor, SDUAHER, Kolar, Karnataka

NUMBER OF PARTICIPANTS: 57, External: 04 and Internal: 53

CONCLUSION

The workshop was successfully conducted with 57 delegates. Delegates were able to comprehend effective technologies and different tools to promote student engagement and learning. Attendees had practiced few tools and group activities to implement these technologies to initiate better learning and understanding of the students. All attendees benefited equally from the workshop's high level of interaction.

Workshop Report on

Date: 12th and 13th April 2023

Venue: Seminar Hall Room No 23, KLE College of Pharmacy, KAHER, Belagavi.

Introduction: Department of Pharmaceutical Chemistry, KLE College of Pharmacy Belagavi, KAHER (KLE Academy for Higher Education and Research) conducted a two-day UDEHP workshop on the topic "**Training the mentors for effective mentorship**" from 12th to 13th April 2023, under the ambit of the University Department of Education for Health Professionals (UDEHP), Prof. Dr. Sunil Jalapure, Principal of KLE College of Pharmacy, Belagavi, welcomed the delegates and briefed them on the details of the workshop and How teachers shall act as a Mentors in the students' career progress.

OBJECTIVES OF THE WORKSHOP:

- To provide training and guidance on mentoring of students
- To establish a trusting relationship with accountability and responsibility from the mentor and mentee
- To enable the mentors to create an effective way of developing individuals

RESOURCE PERSONS

1. **Dr. Sunita Patil, Professor, JNMC KAHER**
2. **Dr. Vasanti Jirge, Professor, VKIDS, KAHER**
3. **Dr. Padmaja Walvekar, Professor, JNMC KAHER**
4. **Dr. Chetana P H, Professor, USM-KLE**
5. **Dr. Jyoti Nagmoti, COE, and Professor, JNMC KAHER**

NUMBER OF PARTICIPANTS: Total = 41 External = 1 and Internal = 40

Conclusion: The workshop was very successful and interactive one. All the participants appreciated and perceived it in a very good manner.

J N MEDICAL COLLEGE & HOSPITAL, BELAGAVI

UDEHP

Workshop Report

TITLE: “Translation of Research Evidence to Policy & Practice”

Date: 25th April 2023

Venue: Department of Medical Education J. N. Medical College, Belagavi.

INTRODUCTION: This program was focused on translation of Research Evidence to policy and Practice. The Participants will be benefited in areas of overall process of publications, key principles of implementation research as well as sensitizing the community and stake holders in engagement of research findings.

OBJECTIVES:

1. To sensitize faculty in **Translation of Research Evidence to Policy & Practice**.

RESOURCE PERSONS:

1. **Dr. Subarna Roy, Scientist G & Director, ICMR-NITM, Belagavi**
2. **Dr. Avinash Kavi, Asso. Prof of Community Medicine, JNMC**
3. **Dr. M S Somannavar, Prof of Biochemistry, JNMC**
4. **Dr. Umesh Charantimath, Asso. Prof of Community Medicine, JNMC**

NUMBER OF PARTICIPANTS: 33-Internal from all the constituent units of the KHAER.

CONCLUSION:

The workshop was very interactive and all the participants were benefitted from the same.

KAHERs INSTITUTE OF PHYSIOTHERAPY

Report of UDEHP Workshop

Title: **Intellectual Property Rights**

Date: 3rd May 2023

Venue: KAHERs INSTITUTE OF PHYSIOTHERAPY

INTRODUCTION:

Intellectual Property Rights play a vital role in the modern economy. IPR are the legal rights given to faculty for research and innovations of their minds. These legal rights confer an exclusive right to the inventor/creator or his assignee to fully utilize his invention/creation for a given period.

OBJECTIVES:

- To understand and learn various aspects of the Intellectual property rights to their research work.
- To provide useful insights on patent application and copyright for the teaching faculty

RESOURCE PERSON:

- **Dr. Sharana Gouda, Deputy Controller, Indian Patent Office, Chennai**

NUMBER OF PARTICIPANTS: A total of 44 participants benefitted from the workshop. **14 external** participants and 30 participants from within the institute attended the workshop.

CONCLUSION:

All the participants benefitted from this interactive and well-organized workshop and received certificate for participation at the end of the workshop.

KAHER INSTITUTE OF NURSING SCIENCES, BELAGAVI

Workshop Report

Title: "Outcome Based Education (OBE) for Nursing Programme"

Date: 04th May 2023

Venue: Seminar Hall, KAHER INS, Belagavi

INTRODUCTION:

Change is the only constant today, and with it, comes the need for education systems to update and adapt newer approaches of teaching —learning. Outcome-based methods have been adopted in education systems around the world, at multiple levels. [It is an educational theory that bases each part of an educational system around goals (outcomes). The concept of outcome-based education in nursing is associated with competency-based education in more recent years, This approach identifies the requisite competencies required of graduates for health system performance; it tailors the curriculum to achieve competencies specified for education programs, Hence this workshop addresses the need to enhance the knowledge about OBE

(Outcome Based Education) and implications in Teaching, Assessment and Evaluation,

OBJECTIVES:

At the end of the Session/Program one shall be able to understand

1. The need of OBE
2. Framing learning outcomes & Mapping CO-PO
3. Attainment calculations.
4. Frame question paper in accordance to OBE.
5. Assess the outcomes to track & report performance.

RESOURCE PERSONS:

1. Dr, Sunita Patil, Director; UDEHP,KAHER, Belagavi.
- 2, Dr, Anjana Bagaewadi, Vice-Principal, Professor,KLE VR Institute of Dental Sciences, Belagavi
- 3, Dr, Shailendra S. Suryawansh, Asst Professor, KLE College of Pharmacy, Belagavi,,
4. Dr, Parixit Bhandurge, Associate Prdfessor & IQAC Coordinator, KLE College Of Pharmacy; Belagavi.

NUMBER OF PARTICIPANTS: 37

External: 10

Internal: 27 in house faculty

CONCLUSION:

The Workshop was successfully conducted with 27 in house participants and 10 (From Constituent Units of KAHER). The workshop was very interactive and all the participants benefitted from the same.

Workshop report

Title: "**Design Thinking-A Tool Kit for Innovation**"

Date: 16th May, 2023

Venue:,Seminar Hall,Department of Pharmaceutics, KLE CoP Hubballi.

INTRODUCTION: Design thinking is one of several approaches to innovation that focuses on developing a solution to problem. Design thinking is both ideology and process, concerned with solving complex problems in highly user centric way. It has a wide application in business strategies and customer centric product development.

OBJECTIVES:

At the end of the workshop, the Participants shall be able to

- Learn the Linear process of design thinking
- Understand the various Phases and elements of design thinking
- Understand the Relevance to health care professionals

RESOURCE PERSONS:

1. **Dr. Punnya Angadi**
2. **Dr.Shivayogi Hugar**
3. **Dr.Anil Koralli**
4. **Dr.Preeti B Patil**
5. **Shri.Ramesh Kurbet**
6. **Dr.Roopali Shankeshwari**
7. **Dr.Neha Dhaded**

NUMBER OF PARTICIPANTS: 30, External: 04 and Internal: 26

CONCLUSION:

The workshop was successfully conducted. The participants expressed that the workshop was very informative and interactive and the participants also urged for conducting such many more workshops for the benefit of faculty members.

Report of UDEHP workshop on

“Teaching Learning Methodology and Assessment in CBME”

Date :5th and 6th July 2023

Venue: Medical Education Unit Hall, B-Block, 2nd Floor

Introduction about the workshop

Education is a dynamic process that must be refined periodically. Lack of innovative teaching techniques in academics makes medical curricula inadequate in making a significant stride towards the future. Present teaching –learning methods make students give knowledge but fail to apply in real life situations. Hence, we need to involve students in active learning by making them self-directed learners. Assessment is one of the most significant influences on a student’s experience of higher education and improving assessment has a huge impact on the quality of learning and all these can be done through creative teaching learning and assessment methods.

Objective of the workshop

To incorporate creative teaching and assessment methods in traditional teaching and learning activities making the facilitators confident in handling the same in Competency Based Medical Education.

Total No of Participants: 30(External: 1 Internal:10)

Number of Faculty: 11

Resource Faculty:

- 1.Dr Sunita Patil, Prof of Pathology, Director, UDEHP, Belagavi**
- 2.Dr Amrut A Dambal, Prof & HOD, Biochemistry, MEU, Coordinator, JGMMMC, Hubballi**
- 3.Dr Rizwana Shaikh, Associate Prof Community Medicine, JGMMMC, Hubballi**
- 4.Dr Savitri Siddanagoudra, Prof & HOD, Physiology, JGMMMC, Hubballi**
- 5.Dr Suchitra Patil, Associate Prof of Physiology, JGMMMC, Hubballi**
- 6.Dr Anita Aramani, Associate Prof of ENT, JGMMMC, Hubballi**
- 7.Dr Prabhakar Adake, Prof & HOD, Physiology, JGMMMC, Hubballi**
- 8. Dr Mahalaxmi S Petimani Associate Prof of Biochemistry, JGMMMC, Hubballi**
- 9. Dr Pragati A Manoli, Asst Prof, Microbiology, JGMMMC, Hubballi**
- 10. Dr Nimisha V, Asst Prof of Biochemistry, JGMMMC, Hubballi**

11. Dr Meghana Patil, Ophthalmology, JGMMMC,Hubballi

Conclusion (With Participants' Feedback Analysis)

The post- test assessment was taken up. The mean score was 11.09 out of 15. There was a significant change in comparison with pretest score (7.9/15) indicating a good outcome from the workshop. There had been positive feedback from the individual participants towards the workshop. They expressed that the workshop was excellent and was a great learning experience. The overall feedback on all the session was that all the sessions were interactive and excellent and well conducted except few points to be improved where time duration for group activities can be more.

Workshop Report on

“Blended Classroom Technology in Ayurveda Education”

Date: 13th July 2023

Venue: College Auditorium Hall

Introduction: The modern education primarily focuses on visualizing, imagining and thinking along with enhancement in practical, experimental and skill development phase of teaching-learning programs. Among the variants of learning methods, Blended learning program has gained better importance in bringing out the best to meet the needs of modern education. The blended learning technology approaches, to educate the respective streaming by combining online educational material and opportunities for interaction online with physical place-based classroom methods.

Objectives

1. To inculcate different teaching methodologies.
2. To adopt & execute teaching methodologies.

Total No of Participants: Total :53, External: 08 Internal:45

Resource Person:

External: 1.Dr. Waseem Ansari, Associate Professor Dept. of Community Medicine, ESIC Medical College , Kalaburagi.

Internal:

- 1.Dr.Sunita Y Patil, Professor, Dept. of Pathology, J.N.MC, Belagavi.
- 2.Dr. Nayana Hashilkar, Professor & HOD of Pharmacology, J.N.Medical College, Belagavi

Photos:

Conclusion (With Participants' Feedback Analysis)

The workshop was more fruitful with active participants & enthusiastic Resource persons. The sessions were more interactive, Hands-on training was adopted at many intervals. Participants demonstrated the contents of the workshop along with the team members at the end of the workshop. The BMK Ayurveda College has Introduced & adopted Flipped Classroom for all the subjects, for under graduates for the year 2023.

Workshop Report on

“Atomic Absorption Spectroscopy –Current Scenario and future prospects”

Date: 21/07/2023

Venue: KAHER’s Dr Prabhakar Kore Basic Science Research Centre, Belagavi.

INTRODUCTION: Atomic absorption spectrometry (AAS) is a sophisticated, high-throughput, and relatively inexpensive technology used primarily to analyse elements in solution. As such, AAS is used in food and beverage, water, clinical research, and pharmaceutical analysis. It is also used in mining operations to determine, for instance, the percentage of precious metal in ores. AAS analysis helps to overcome challenges such as spectral interference and poor sensitivity associated with other methods addressed. The samples that contain toxic elements or high levels of solid material can be processed & analyzed.

OBJECTIVES: At the end of the Session/Program one shall be able to understand-

1. Basic principle and applications of AAS
2. Calculation’s and Preparation of various standard solutions of AAS
3. Hands on Experience of AAS

RESOURCE PERSONS:

Externals

1. Dr. Nagappa L. Terdal, Asst. Professor, Dept. of Chemistry, JSS Arts, Science and Commerce College, Gokak.
2. Dr. Rajeshwari H.V., Asst. Professor, Dept. of Chemistry, JSS Arts, Science and Commerce College, Gokak.

Internals

1. **Dr Priya P.Shetti**, Research Associate [Grade 1],KAHER’s Dr P K BSRC,Nehru Nagar, Belagavi
2. **Dr Rubeen D Nadaf**,KAHER’s Dr P K BSRC,Nehru Nagar, Belagavi

NUMBER OF PARTICIPANTS: 30

CONCLUSION:

The Workshop was successfully conducted with a total of 30 participants for one day on 21/07/2023. All 30 participants were from KAHER'S Constituent units, i.e. JN Medical college -Belagavi, KLE College of Pharmacy – Belagavi, KLEs' BMK Ayurveda Mahavidyalaya - Belagavi and KLEs' JGMM Medical college - Hubballi.

Scientific session was conducted during the morning session followed by hands on wet workshop. The workshop was very interactive and all the participants benefitted from the same.

Workshop Report on

“Effective Principles & Practice for Enhanced Student Learning & Motivation”

Date: 24.08.2023 Thursday

Venue: Seminar Hall Room No 23, KLE College of Pharmacy,
KAHER, Belagavi-10

Introduction: Teaching, learning, and evaluation are important components of any education system. Focus needs to be on student learning process; than to just implement a variety of teaching strategies, methods, and techniques. The process of learning is complex and learning styles are varied. Learner support is a critical component of an effective learning environment. Many easy-to-use concepts and learning techniques that help students achieve their learning goals are developed by educational psychologists. Such concepts and techniques include, student motivation, mentoring, Student Reflection, elaborative interrogation, self-explanation, inquiry-based learning, problem-based learning, project-based learning, simulated learning and mnemonic learning. These learning techniques, when used properly, provide meaningful gains to students in terms of performance, achievement, and other challenging tasks students will encounter.

Objectives:

- To give guidance on effective teaching, learning strategies, easy-to-use concepts and learning techniques that can improve student’s educational outcomes.
- To provide hands on training on Use of technology in teaching.
- To teach techniques for empowering professionals and improving students’ performance, achievement.

Resource person(s) name & designation

- Dr. Jyoti Nagmoti, Professor of Microbiology, J.N.Medical College, K.L.E. Academy of Higher Education & Research (KAHER), Belagavi.
- Dr. Padmaja Walvekar, Professor, Community Medicine, J N Medical college, K.L.E. Academy of Higher Education & Research (KAHER), Belagavi.
- Dr. Nithyananda Sastry, Associate Professor, Department of Pharmacognosy, KLE College of Pharmacy, KAHER, Belagavi.
- Ms. Geetanjali Salimath, Associate Professor, Department of Pharmacy Practice KLE College of Pharmacy, KAHER, Belagavi.
- Dr Shilpa Bhimalli, Professor, Department of Anatomy, J.N.Medical College, K.L.E. Academy of Higher Education & Research (KAHER), Belagavi.

Number of participants (T=E+I): (28= 0 +28)

Total number of participants registered: 28 In-house: 28 External: Nil

Conclusion with Feedback analysis: Overall workshop ended successfully with positive note with enhanced learning of participants based on their formal and informal feedback.

Workshop Report on
“Capacity Building in Futuristic Educational Constructs”

Date: 17-18 August, 2023

Introduction: Futuristic Educational Constructs like Sustainable Development Goal 4 (Target 4.7) and Education 4.0 have a great influence on the present educational structure. Looking beyond the present and getting ready for the future is the constant process of evolution and keeping oneself ahead of the rest. Today the teacher is not the “Sage on the Stage but is a Guide by the side” who also needs to continuously learn the latest such that the learners get a great experience from their Facilitator. Further, the faculty is promoted to higher leadership role based on promotion and this transition comes with several challenges.

Objectives:

1. Training the faculty in the leadership role.
2. This two-day training program was designed keeping in mind the changing genre of learners, the need for incorporating Futuristic constructs in the day-to-day learning process

Resource Person:

External:

1. **Dr Pradnya Kakodkar**, Education and Research Consultant, Pune.
2. **Dr. Jyotsna S**, Director and CEO-Urja, Secretary and Co-founder-Mythri Foundation, Bangalore.

Internal

1. **Dr Zameera Naik**, Professor, Dept. of Oral medicine and Radiology, KLE VKIDS, KLE Academy of Higher Education and Research, Nehru Nagar, Belagavi

Total number of participants: 28 External – 7 and Internal- 21

Conclusion: The faculty is ready to implement Digital Education, Design an online course, incorporate Research in curriculum and conduct Online assessments.

KLE College of Pharmacy, Hubballi.

Workshop Report on “Systematic approach in designing and moderation of Question Papers for CIE and SEE”

Date: 22nd September, 2023

Venue: Seminar Hall, KLE College of Pharmacy, Hubballi.

INTRODUCTION: Developing a fine tune with the nature of question paper helps us to prepare, plan and execute strategies timely. A question paper consists of several different types of question to evaluate students' factual, conceptual, and global understanding. We work day and night to go through our syllabus. We practice our prescribed syllabus adopting different means and methods. It is essential to understand the exact meaning of different questions with respect to course outcomes and bloom's taxonomy.

OBJECTIVES: To appraise the participants

- To understand challenges faced in effective preparation of question papers for Pharmacy programme.
- To improve the methods for preparation and modernization of question papers.
- To comprehend the effective and coherent means of CO-PO mapping and MCQs preparation.

RESOURCE PERSONS:

1. **Dr.L.D.Horakeri** Principal, KLE Society's P.C.Jabin Collegeb Hubballi
2. **Dr. Vinayak Kulkarni** Assistant Professor School of Mechanical Engineering, KLE Technological University, Hubballi
3. **Dr.Nagaraj Ekabote** Assistant Professor School of Mechanical Engineering, KLE Technological University, Hubballi
4. **Dr.Pampapati Hegadi** Assistant Professor,KSS Vijayanagar College of Education (B.Ed.,Government-Aided), Hubballi
5. **Dr.S.K.Nimbal** Professor KLE College of Pharmacy, Hubballi

NUMBER OF PARTICIPANTS: 32

External: 05 and Internal: 27

CONCLUSION:

The workshop was successfully conducted with External Speakers who made very informative presentations on the topics like “Importance of Designing and Structuring of Question papers” / “Effective implementation of COs and BL in structuring of question papers” / “Steps involved in effective framing of MCQs”.The participants expressed that the workshop was very informative and interactive and the participants also urged for conducting such many more workshops for the benefit of faculty members.

Workshop Report on

“Stress Management skills at workplace”

Date : 22-23 September 2023

Introduction: Stress is state where normal function of the human body and mind deviates towards clinical condition. Stress is produced due to various factors in a working condition. Stress is beneficial to an employee when it is in limits as it helps to achieve personal and goals of organization. Therefore, KLE College of Pharmacy, Bengaluru organized a workshop in collaboration with the Department of Education for Health Professionals (UDEHP) titled “Stress Management skills at workplace” on September 22-23, 2023.

OBJECTIVES

At the end of the program, one shall be able to understand:

- ❖ About stress and its route causes
- ❖ Various factors that cause stress in an organization
- ❖ Various techniques to reduce/manage stress while working
- ❖ Perform better for having understood the steps of managing stress in an organization

RESOURCE PERSONS

1. Dr. R. Krishna

- Professor in Management & CEO, Ramanuja Management Services.

2. Sri. A.R. Jayaprakash

- Consultant, Ramanuja Management Services

3. Dr. Mahesh N.M.

- Professor and Head, Department of Pharmacy Practice, KLECOP, Bangalore.

NUMBER OF PARTICIPANTS: 44 External: 03 and Internal: 41

CONCLUSION

The workshop was successfully conducted with 44 delegates. Delegates were able to comprehend various techniques to reduce or manage stress while working in an organization such as academic institution, pharmaceutical industries and hospital. All attendees benefited equally from the workshop's high level of interaction.

Workshop Report on

“Innovative Teaching Learning Methodologies”

Date: 10/10/2023

Venue: Conference Hall, Department of Medical Education, JNMC

INTRODUCTION: In today’s rapidly evolving educational landscapes, it is essential for educators to stay at the forefront of innovative approaches to teaching and learning. This workshop is designed to inspire and equip you with fresh ideas and strategies to engage your students and enhance their learning experiences. Throughout this workshop, we will explore creative teaching methods, tools and pedagogical innovations that can transform your teaching environment. Whether you are an experienced educator looking to revitalize your teaching or a newcomer eager to embrace modern teaching practices, this workshop is your gateway to a world of innovative possibilities in education.

OBJECTIVES: At the end of the Session/Program, one shall be able to understand-

1. To Understand the need of Innovative teaching methodologies
2. To explore the various types of innovative teaching methodologies
3. To apply the different innovative teaching - learning methods in everyday teaching

RESOURCE PERSONS:

1. Dr. Sunital Patil, Director, UDEHP. Professor, Dept of Pathology, JNMC
2. Dr. Netravati Angadi, Associate Professor of Pharmacology, JNMC
3. Dr. Sheetal Pattanshetti, Professor of Anatomy, JNMC
4. Dr. Supriya Kulkarni, Professor, Dept of Hom Materia Medica, KLEHMC
5. Dr. Anupama M G, Associate professor of Pharmacology, JNMC
6. Dr. Vinita Metgudmath, Associate Professor of ENT, JNMC
7. Dr. Nayana Hashilkar, Professor, Dept of Phamacology, JNMC

NUMBER OF PARTICIPANTS:32

External: 14

Internal: 18

Conclusion with Feedback Analysis:

The Workshop was successfully conducted with 18 in house participants and 14 participants from KAHER’S Constituent units. The workshop was very interactive and all the participants benefitted from the same.

Workshop Report on

“EMPOWERING EDUCATORS TO USE TECHNOLOGICAL ADVANCES IN DIGITAL AGE”

Date: 3rd November 2023

INTRODUCTION: AI tools have the potential to greatly enhance the learning experience and improve the overall efficiency and effectiveness of pharmacy colleges. With the aid of AI assisted tools we can provide support and guidance to both students and teachers alike to improve their knowledge, skills as well as performance. AI powered tutoring system can enhance learning experience for the students making it interactive as well as adaptive for them.

OBJECTIVES: To appraise the participants with:

- Use of AI powered tutoring systems in problem solving.
- To efficiently use the power of AI for converting didactic classes into informative and interactive sessions.
- To apply knowledge of AI in making informed decisions.
- To learn the use of AI in automated documentation of class notes, patient history and other clinical aspects.

RESOURCE PERSONS:

1. Dr. Vijaylaxmi
2. Mr. Kaushik M
3. Dr. Preeti Baligar
4. Ms. Priyadarshini Patil

NUMBER OF PARTICIPANTS: 36 External: 06 Internal: 30

CONCLUSION: The Workshop was successfully conducted with eminent speakers and enthusiastic delegates. In the workshop, delegates learnt about Chat GPT and its applications, various technologies in navigating pedagogical approaches, different AI tools used during academic research and also in Health Science education. Workshop also included hands on training in all the four sessions. Totally workshop was very interactive and the delegates were very attentive and they benefited from the same.

Workshop Report on

“ Workplace Wellness for Health Professionals”

Date: 06/11/2023

Venue: Conference Hall, DOME, JNMC

INTRODUCTION: Supporting employees to build and adopt healthy habits for lasting behaviour change requires a multi-pronged approach. This is because challenges in one area of wellbeing can often affect another. The workshop aimed to promote four pillars of wellbeing (mentally, physically, socially & financially) at workplace; which represent the four areas that make up the overall health and happiness of a person. This workshop helped to strike a much needed work life balance and tried to evolve workplace into a more holistic and fun place to thrive in.

OBJECTIVES: At the end of the workshop, participants would be able to

1. Manage their mental wellness in the workplace to establish a culture, leadership, and communication with employees.
2. Improve physical wellbeing in the workplace to encourage healthy eating, proper hydration and breaks from sitting throughout the day.
3. Promote social wellbeing to keep employees engaged, productive, and satisfied with their work.
4. Help employees feel more financially healthy.

RESOURCE PERSONS:

1. Dr. Vijaylakshmi Balekundri, Paediatric Cardiologist, Bengaluru.
2. Dr. Hemalatha S. Prof & Head Dept. of Food Processing & Technology, UAS, Dharwad.
3. Dr. Vijaylaxmi Tirlapur, Registrar Evaluation, Haveri University, Haveri.
4. CA. Mr. Vinayak Asundi , Belagavi.

NUMBER OF PARTICIPANTS: 26, External: 12 and Internal: 14

CONCLUSION:

The Workshop was successfully conducted with 14 in house participants and 12 external participants. It was interactive with active participation from all the delegates and benefited all the participants.

UDEHP Workshop Report on

Title: Simulation; An approach to teaching learning in virtual world/ Environment”

Date: 17th November 2023

Venue: DOME, JNMC, Belagavi.

Introduction:Simulation and game-based techniques are becoming increasingly popular methods of inquiry into complex service-science-related problems and phenomena. Integrating these techniques and models into the curriculum allows for students to visually learn about the objects of their study and the related concepts, interact with processes, components, and systems, and understand the underlying dynamic behavior of the objects of their study. Such a learning experience is usually difficult to build using more traditional approaches such as case studies and experiential exercises. In this paper, after a brief introduction, we discuss the authors’ experience in using simulation and game-based and virtual environments, such as Second Life and Innov8, that lead to a more innovative teaching of service science concepts. The proposed approaches can have positive implications for the quality of education in areas such as Business, Management Information Systems (MIS) and Systems Engineering and may be a significant step towards a more comprehensive students’ learning experience. We include some preliminary students’ learning outcomes that indicate potential of one game-based learning technique that we describe in the study. We also briefly illustrate how a more formal approach).

OBJECTIVES: An approach to teaching learning in virtual world/ Environment using Simulators.

RESOURCE PERSONS: Dr. Rajkumar Elanjeran, Professor ,Puducherry Medical college.

NUMBER OF PARTICIPANTS:32

CONCLUSION:

The Workshop was successfully conducted with 31 in house participants, The workshop was very interactive and all the participants were benefitted from the same.

Workshop Report

Title: *"Innovative Teaching- Learning Strategies"*

Date: 30th November 2023

Venue: Seminar Hall, KAHER INS, Belagavi

INTRODUCTION:

Change is the only constant today, and Recently from few decades, teaching- learning strategies have undergone innumerable changes. This is because of the shift from teacher led curriculum to student cantered curriculum that focuses on the knowledge, skills and competencies on course completion. Focus is now given more to learner centric teaching approaches and is based on outcomes expected. New methods are adapted to capture students' attention, and putting across ideas to achieve their educational objectives and excellence. Hence this workshop is expected to equip the participants with newer ideas and strategies to engage students by enhancing their learning experiences.

OBJECTIVES:

At the end of the Session/Program one shall be able to understand

1. The need of Innovative teaching learning strategies.
2. Various Innovative teaching learning strategies such as Module based learning, Clinical/ Bedside teaching, Panel Discussion /Scenario based discussion, Self-directed learning and Demonstration and Simulation based training (SBT) and Demonstration.

RESOURCE PERSONS:

1. **Dr. Veereshkumar Nandgoan**, Principal, KAHER INS, Belagavi
2. **Dr. Sangeeta Kharde**, Vice-Principal, KAHER INS, Belagavi.
3. **Dr. Vinita Metgudmath**, Assoc Professor of ENT, JNMC, Belagavi.
4. **Dr. Jayasheela Bagi**, Professor, Dept of Physiology, JNMC, Belagavi.
5. **Dr. Sheetal U. Harakuni**, Professor of Microbiology, JNMC, Belagavi
6. **Dr. Anupama M G**, Assoc Professor of Pharmacology, JNMC, Belagavi.

NUMBER OF PARTICIPANTS:

External: 08 (JNMC 02, VKIDS 02, Institute Of Physiotherapy Belagavi 02, College of Physiotherapy Hubballi 02,)

Internal: 14 in house faculty.

CONCLUSION:

The Workshop was successfully conducted with 08 inhouse participants and 10 (From Constituent Units of KAHER). The workshop was very interactive and all the participants benefitted from the same.

“Art of Grant Writing”: How to Write a Persuasive Proposal

Date: 8th & 9th December 2023

Venue: Dr V D Patil Hall, KLE Convention Centre, Belagavi

INTRODUCTION: Writing research grants is a central part of any good quality research. Grant writing is a hefty undertaking; one must methodically sort through generating a hypothesis, planning a study, and logistically making it happen. Despite the large effort that goes into each grant application, success rates are low. High quality professional training programs for faculty members are essential to be able to compete in this ever-changing world

OBJECTIVES: At the end of the Session/Program one shall be able to understand

1. The various elements involved in drafting the Grants.
2. The different types of grants and the different funding agencies

RESOURCE PERSONS:

- Dr. Pooja Sharma CEO, APAR Health Advisor, Medanta Institute of Education & Research (MIER) Advisor, CanKids
- Dr. Padam Singh Former Director NIMS & Additional DG ICMR, Chief Statistical Advisor, Medanta Institute of Education & Research (MIER)
- Ms. Durga Chougule, Real World Evidence Research Fellow (Pfizer-MIER), Medanta Institute of Education & Research (MIER)

NUMBER OF PARTICIPANTS: 46 External 01 and Internal 45

CONCLUSION: The workshop was successfully conducted and was very interactive also. The concept notes of each participant were critically evaluated. Hands-on sessions were well appreciated by all the participants and received good feedback for the same.

Workshop Report on

“Outcome Based Education in Ayurveda”

Date: 27th December 2023

Introduction: With changing times lot of changes can be seen in the field of education since ages. OBE is a model of education that has been adopted by NCISM and introduced to Ayurveda program too. OBE is a student centric teaching learning methodology in which the course delivery, assessments are planned to achieve the stated objectives & Outcomes, OBE focuses on measuring the student performance at the different levels. The program outcomes & course outcomes keep the Teacher & the student in track to achieve the outcomes framed in the Curriculum.

Objectives:

1. To inculcate the domains of OBE in to Ayurveda Profession too.
2. To succeed in meeting up the outcomes.

RESOURCE PERSONS:

External Resource persons:

1. Mr. Shailendra Suryawanshi, Assistant Prof. Dept of Pharmaceutical Chemistry, KLE College of Pharmacy, Belagavi

Internal Resource persons:

2. Dr Suhaskumar Shetty, Principal, , KAHERs Shri BMKAM, Belagavi
3. Dr P G Jadar, Dean & Vice –Principal, KAHERs Shri BMKAM, Belagavi
4. Dr Manjula Kivadsannavar, Prof & HOD Roga Nidana KAHERs Shri BMKAM, Belagavi
5. Dr Pradeep Shinde Prof & HOD Shalya Tantra KAHERs Shri BMKAM, Belagavi
6. Dr Savita Padshetty, Prof & HOD Samhita & Siddhantha, KAHERs Shri BMKAM, Belagavi

NUMBER OF PARTICIPANTS: 42 External: 12 and Internal: 30

CONCLUSION: The workshop was more fruitful with active participants & enthusiastic Resource persons. The sessions were more interactive, Hands-on training was adopted at many intervals. Participants demonstrated the contents of the workshop along with the team members at the end of the workshop. The BMK Ayurveda College has Introduced & adopted OBE for the NCISM batches, for under graduates since 2021.

Workshop on

Intellectual Property Rights (IPR) and IP Management for startup

The IPR Cell and Institution Innovation Council (IIC) of the KLE Academy of Higher Education and Research, Deemed-to-be-University, Belagavi conducted Workshop on Intellectual Property Rights (IPR) and IP Management for startup on 4th May 2023 at Dr. B. S. Kodakany Hall, KLE Centenary Convention Centre, Belagavi.

Objectives:

- Giving broad idea about IPR and IP Management for start-up and its importance.
- Giving idea about process/useful steps for patent filing/getting IPR approval for any start-up with useful links or information.

Speaker:

Dr. Sharan Gouda Patil, Deputy Controller of Patent and Design, Kolkata, Government of India.

Event Details:

Dr. Sharan Gouda Patil, Deputy Controller of Patent and Design, Kolkata, Government of India was the Resource Person and inaugurated the Workshop by lighting the lamp by the Dignitaries. Dr. Nitin M. Gangane, Hon. Vice-Chancellor, KAHER felicitated the Resource Person on this occasion.

Dr. Anil Koralli, Convener of IIC, KAHER welcomed & Dr. Shivayogi M Hugar, Co-ordinator, IPR-IIC introduced the Resource Person and highlighted the achievements of the Resource Person. Dr V. A. Kothiwale, Registrar spoke on the importance and role of IPR in Health-care and uniqueness of this Workshop which will help in knowing the process of patenting.

Speaking on this occasion, Dr. Nitin M. Gangane, Hon. Vice-Chancellor emphasized the need and importance of IPR and making the ideas commercially valuable products. As patent and copyrights also help in accreditation process like NIRF, NAAC etc.

Dr. Rohan Hattarki, Member, IPR Cell proposed the vote of thanks.

Participants:

The Workshop was attended by Principals, Deans, Officials, faculty members, Research Scholars, Post-Graduate and Under-Graduate students from the Constituent units of KAHER. The Workshop was conducted in hybrid mode (Off-line and On-line). 30 Staff & 92 students' participants benefited from this Workshop.

Key Outcome:

The participants were sensitized regarding filing and drafting of Intellectual Property Rights (IPR) and IP Management for startup. The sessions were very informative and inspired many researchers that will enable them during the patenting process of formulating Research ideas into Patents. (Registration/Publications/Grant).

DEPARTMENT OF COMMUNITY MEDICINE

Workshop on “Biomedical Communication” for Postgraduates

REPORT

“Biomedical Communication” Workshop was conducted by Department of Community Medicine for Postgraduates on 6th of January 2023 at Department of Medical Education, JNMC, Belagavi. 39 Postgraduates from para-clinical departments attended the workshop. The scientific session started with pre-test. **Dr. Deepti M. Kadeangadi**, Associate Professor, welcomed all the participants and conducted session on Ice breaking and briefed them the Objectives of the workshop. **Dr. Chandra S. Metgud**, Prof & Head, explained about Type of Publications & The Structure of Scientific Paper. **Dr. Girija J. Mahantshetti**, Professor, briefed about writing of Title, Abstract & Keywords in a manuscript followed by group activity. **Dr. Asha Bellad**, Associate Professor, discussed about effective Introduction writing and conducted group activity. Material and Method was discussed in detail by **Dr. Sulakshana Baliga**, Associate Professor, and this also was followed by group activity. **Dr. Padmaja R. Walvekar**, Professor, explained about different sections of the Results and carried out group activity. Discussion and Conclusion was deliberated in detail with example by **Dr. Shivaswamy M.S**, Professor. **Dr. Rajesh Kulkarni**, Associate Professor, discussed about different Style of Writing References and conducted group activity. **Dr. Yogesh Kumar S**, Associate Professor, conducted a session on Publication Ethics. **Dr. Avinash Kavi**, Associate Professor, briefed about How to choose a journal for publication and **Dr. Umesh Charantimath**, Associate Professor, explained about How to get your paper published in good journals.

Dr. Vishwanath Pattanshetti, Vice Principal, JNMC, Belagavi graced the valedictory function and addressed the August gathering. This was followed by certificate distribution to the participants and resource persons. The workshop concluded by with post-test, feedback from the participants and group photograph.

Feedback analysis:

1. Qualitative Analysis

Strengths of the workshop

- Twenty-four participants felt that workshop was informative, helpful, highly engaging and provided intellectual enhancement.

- Eleven participants felt that it was systematic, structured, well planned and adherence to time was maintained by all resource faculty.
- Seven PGs liked the group activity conducted by resource faculty and felt that all queries were answered.

Suggestions given by participants:

- Ten participants suggested that such workshops should be conducted every year.
- Three participants felt that other resource persons can be included.
- Eight participants felt that workshop can be done for two days.

2. Quantitative Analysis:

Particular	Pre-test	Post-test
Mean \pm SD	5.21 \pm 1.61	8.58 \pm 1.16

Ref No.MDC/DOME/2022-23/PGORIENT/

Date: 3/01/2023

CIRCULAR

P.G. Orientation Part-1 (17th to 18th January 2023 PG Degree 1st batch, 19th to 20th January 2023 PG Degree 2nd batch, 24th to 25th January 2023 PG Degree 3rd batch, and 27th to 28th January 2023 PG Degree 4th batch) has been formed for the smooth conduct of the program. However this letter is to ensure that the following arrangements are made by the subcommittee under the guidance of the co-ordinator for effective and smooth conduct of the program.

Member- Dr. Vijaya Dandannavar for Batch 1 MD/MS (17 to 18th January 2023)

Member -Dr. Madhumati Patil for Batch 2 MD/MS (19 to 20 January 2023)

Member -Dr. Anupama Gudadappanavar for Batch 3 MD/MS(24" to 25 January 2023)

Member -Dr. Reshma Channashetti for Batch 4 MD/MS (27 to 28th January 2023)

Kindly ensure the following.

1. Subcommittee member on the days of the workshop should monitor that day's deliberations like introduction of the speakers, adhering to the time schedule, distribution of the handouts, allowing questions and monitoring the discussion after presentation etc.
2. Catering Arrangements
3. Hall Arrangements
4. To collect the feedback from the participants on all the days of workshop (forms are available from DOME) and analyzed report should be submitted to DOME thereafter.
5. Any other matter as felt needed by the co-ordinator of the committee.

Dr. (Mrs) N. S. Mahanatahetti
Principal,
J. N. Medical College, Belagavi.

P. G. Orientation Program Part-1

Research Methodology

Venue: DOME Conference hall JNMC

17th to 18th (Batch 1), 19th to 20th (Batch 2), & 24th to 25th (Batch 3), 27th to 28th (Batch 4) January 2023

Objectives of the Program

By the end of the workshop the participants will be able to –

1. Develop a research proposal in the health sciences by
 - a. Defining the research question,
 - b. Choosing an appropriate research design,
 - c. Performing an electronic literature search,
 - d. Critiquing research publications,
 - e. Listing the dependent and independent variables,
 - f. Identifying the statistical measures for data analysis,
 - g. Stating the anticipated outcomes of the research project,
2. Present in groups a research project that they will develop during the program,
3. Submit an electronic version of the research proposal that they have developed during the program,

Day 1	
9.00 am – 09.15 am	Pre Test
9.15am -9.30 am	Welcome and Introduction of Participants Dr. Vijaya Dandannavar , Prof of Physiology / Dr. Anupama MG , Asso Prof of Pharmacology / Dr. Rubeena Mulla , Prof of Microbiology / Dr. Reshma Channashetti , Asst. Prof of Biochemistry
9.30 am-10.00 am	Objectives of Postgraduate Medical Education Dr N. S. Mahantashetti , Principal & Prof of Pediatrics, JNMC
10.00 am -10.45 am	The Eight Steps Approach to Design a Research Project. Dr. M. S Somannavar , Prof of Biochemistry, batch -1 Dr. Nayana Hashilkar , Prof & Head of Pharmacology -2 nd & 4 th Batch Dr. Deepti Kadeangadi , Asso. Prof of Comm. Medicine– 3 batch
10.45am -11.00am	Synopsis Format – Dr. Vijaya Dandannavar , Prof of Physiology –batch 1 & 3, Dr. Vanishree Jabannavar , Prof of Biochemistry, - batch 2 & 4
11.00am -11.15am	TEA BREAK
11.15 am -12.30 am	Defining the research question – Activity in groups Dr. Avinash Kavi , Assoc Prof of Comm. Medicine – batch 1, Dr. Anupama MG , Asso. Prof of Pharmacology – batch 2,3/ Dr. Padmaja Walvekar , Prof of Comm. Medicine – batch -4
12.30 pm - 1.15 pm	Performing an Electronic Literature Search Dr. Vishwanath Pattanshetti , Vice-Principal & Prof of Surgery- batch 1 & 3 / Dr. Bhagysree Hungund , Prof of Pathology – batch 2 & 4
1.15pm -2.00pm	LUNCH
2.00pm-3.00pm	Critiquing Published Research Dr. Jyoti Nagmoti , Prof of Microbiology& COE, KAHER- batch 1 & 3 / Dr. Madhumati Patil , Prof of Microbiology – batch 2 & 4
3.00pm -3.15pm	TEA BREAK
3.15pm-4.15pm	Descriptive Studies Dr. Padmaja Walvekar , Prof of Comm. Medicine – batch 1 /

Report

This session focused on supporting the learning process for the academic low performers.

Coping up mechanisms and how to improvise upon them were discussed. Significance of embracing the emotions that develop with learning was addressed. Students were also told about how to practice healthy coping skills and how important was it to recognize unhealthy attempts to reduce the pain. Importance was also given how to acknowledge the irrational beliefs about failure, make a point to identify them and try to overcome them. Students were asked to reframe their thoughts that could reinforce them with a bounce. It was highlighted that low performance was stepping stone to success, accept an appropriate level of responsibility & create a plan to move forwards.

They were advised to take support of the support system provided to them in the college for academic purposes like mentor, teacher, admins, family support & friends

No of participants 58 MBBS Phase I students (slow learners)

BRIEF REPORT OF SAW BONE WORKSHOP & HANDS ON TRAINING

CONDUCTED IN SAW BONE SKILL LAB DEPT. OF ORTHOPAEDICS, J. N. MEDICAL COLLEGE, BELAGAVI

1	Name of the Program	14 th Workshop on Saw Bone Skills and Hands on training for Post-Graduates
2	Program organized by (Dept.)	Dept. of Orthopaedics
3	Department/Association involved	KLE constituent college faculties
4	Date	8 th November 2023
5	Duration	02.30pm to 05.00pm (2 ½ hours)
6	Location	Saw Bone Skill Lab, Department of Orthopaedics, J. N. Medical College, Belagavi
7	Objective of the /Program	Hands on Training for Post-Graduates
8	Presentation	Dr. S. K. Saidapur Topic: “ Principles of Cannulated Screw Fixation Femur & Tibia ”
9	No. of Beneficiaries	18 Postgraduate Students
10	Photographs	Enclosed
12	Brief Report	<p>The Department of Orthopaedics organized a Workshop and Hands on Training for Orthopaedics Postgraduate students on “Principles of Cannulated Screw Fixation Femur & Tibia”</p> <p>Dr. S. K. Saidapur gave talk on “Principles of Cannulated Screw Fixation Femur & Tibia” to the Postgraduate Students.</p> <p>Dr. S. K. Saidapur, Dr. S. V. Udupudi & Dr. Puneet Chamkeri Demonstrated on “Principles of Cannulated Screw Fixation Femur & Tibia” on Saw Bone to the Postgraduate students and the following Faculty were present during the workshop:</p> <p>Dr. Ravi S. Jatti, Professor & Head Dr. S. V. Udupudi, Professor Dr. S. T. Sanikop, Professor Dr. S. K. Saidapur, Associate Professor Dr. Sameer Haveri, Associate Professor Dr. Puneet Chamkeri, Associate Professor</p>

Event Photographs (Geotagged)

Gave a Talk on "Principles of Cannulated Screw Fixation Femur & Tibia" by Dr. S. K. Saidapur

Demonstration on "Principles of Cannulated Screw Fixation Femur & Tibia" by Dr. S. V. Udupudi, Dr. Puneet Chamkeri & Dr. S K Saidapur

Hands on Training of "Principles of Cannulated Screw Fixation Femur & Tibia"

FEEDBACK ANALYSIS :

Sl. No.	Particulars	5 Excellent	4 Very Good	3 Good	2 Average	1 Poor
1	Standard of Questions in Pre-test	---	70%	30%	--	--
2	Lecture regarding the Basics of External Fixators	---	90%	20%	--	--
3	Hands on experience helped to learn the subject better	30%	70%	20%	--	--
4	Improvement in knowledge about the subject Post-test	---	90%	20%	--	--
5	Will the workshop help you in day today practice	---	40%	20%	--	--
	Overall	30%	72%	22%		

Impact of Workshop:

- **Pre-Test and Post-Test: MCQs were evaluated and significant improvement in Skills from 53% to 75% was noted.**
- **Over all Feedback Analysis of workshop was 30% Excellent, 72% Very Good & 22% Good.**

Foldax Mitral valve wetlab training

The department of CVTS has conducted Foldax Mitral valve wetlab training on 9th October, 2023. Prof. Dasari Prasada Rao Cardiothoracic surgeon and Chairman, Nano Hospitals Pvt. Ltd., Hyderabad was the resource person.

The Foldax tria is a new generation prosthetic valve made up of polymer (synthetic material) which is produced by USA based company and is on human trial across the world. In India they have selected 10 centres for human trial and KLES Dr. Prabhakar Kore Hospital & MRC, Belagavi is the only centre selected in southern India.

The advantage of this valve claimed by the company is the patient will not require lifelong anticoagulation and antiplatelet drugs. Once the valve is commercially introduced into the market it is going to be a breakthrough technology related to the complications associated with current available prosthetic heart valves.

Dr. Mohan D. Gan
Professor & HOD, CVTS

On August 7th, 2023, the KLE College of Physiotherapy Hubballi initiated its orientation program, "DEEKSHARAMBH," for the BPT Batch 2023-2024. Dr. Prashant Mukkannavar, the Principal, commenced the event, followed by Dr. M G Hiremath and Dr. Sharada Metgud's inauguration. Dr. Pooja Motar Sublok introduced the staff, fostering a sense of community. Dr. Ramiyashilpa Naik emphasized parental roles, and Dr. Aditi Prayag concluded with gratitude, setting the stage for an inspiring academic journey.

On August 8th, four speakers enriched attendees with insights. Dr. Deepa Metgud covered the "Overview of KLE Society," Dr. Santosh Metgud explained "BPT Curriculum and University Rules and Regulations," Dr. Anad Heggenavar explored the "Future and Scope of Physiotherapy," and Mr. S G Patil addressed "Orientation on Antiragging." A clinical orientation of KLE Suchirayu Hospital by Dr. Aradhna Chetri and Dr. Suma Patil provided practical exposure to healthcare practices.

August 9th focused on hostel rules, Dr. Pooja Motar Sublok's "Code of Conduct," Miss Soumya Byadagi's "Library Rules and Regulations," and Dr. Navami Upadhya's clinical orientation at KLE Hubli Cooperative Hospital. Miss Padmashree concluded with "Hospital Etiquettes," preparing students for healthcare environments. August 10th featured Mrs. Pallavi Malani on communication skills and personality development, and Dr. Savitri on basic life support techniques.

August 11th covered scholarships, mentorship, gender sensitization, and ethics in research. Librarians were celebrated on National Librarians Day, with a talent show and recognition of Ms. Soumya Byadagi's contributions.

These sessions equipped participants with a diverse range of knowledge and skills, fostering a holistic preparation for their academic and professional journey.
