
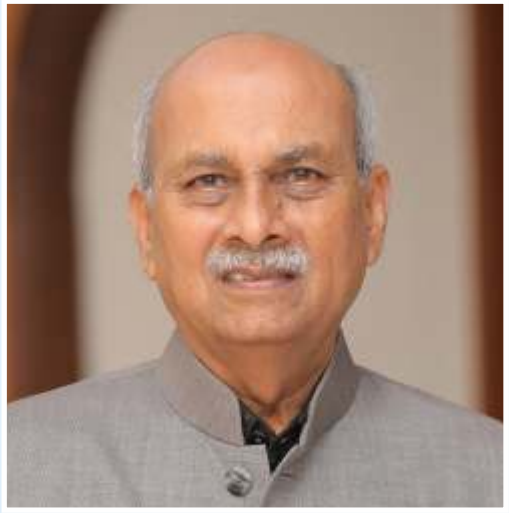
KLE ACADAMY OF HIGHER EDUCATION & RESEARCH

Prospectus- 2018-19

Chancellor



For nearly a century now, the KLE Society has rendered Yeoman services to the cause of education. The seed was sown in 1916 with the establishment of an institution in the educationally ill-served region of North Karnataka. Today, that one seed has grown into a virtual forest with over 250 institutions in its fold.

Over the years, the KLE Society has never lost sight of the purpose that saw it come into being "Learning that transforms individuals and in turn transforms society at large."This deep rooted desire to make a positive difference has resulted in a range of institutions that span everything from kindergarten to post doctoral research.

In 2006, the KLE Society had the satisfaction of gaining recognition from the University Grants Commission (UGC) for the KLE Academy of Higher Education & Research. The University takes immense pride in its curriculum and endeavours to provide internationally accepted education and healthcare practices. A new chapter now dawns at the KLE Society with the launch of the KLE Technological University (Under Karnataka University Act, 2013)

Being at the helm today, I follow the foot steps of many illustrious predecessors who have nurtured the vision of the founders. I am humbled by all that has been achieved by those before me. The achievements are, however, a source of inspiration too, in the sowing of new seeds, while carefully tending what has already grown.

Dr . Prabhakar Kore
Chairman, KLE Society
Chancellor, KAHER

National and State level NSS Awardees of the University were felicitated on this occasion and the University level NSS Awards were also given to the awardees. The same program was also graced by Dr.Kalpana, IAS Additional Secretary to Government of Karnataka, Department of Youth Affairs and Sports, Bengaluru.

The Deemed University campus is very rich and vibrant with five of its constituent units existing in this campus with state-of-art infrastructure, renowned and extensively experienced, dedicated and committed faculty, state-of-art teaching hospitals. The Deemed-to-be-University campus has also the Teaching Hospital with 2400 beds out of which 1200 beds are entirely free for teaching facilities and top notch diagnostic facilities under one roof.

The Wi-Fi and digital library, e-learning and other facilities are at par with best campuses of the country and abroad. The Deemed University is amongst very few institutions of the country to boast of the entire campus having Wi-Fi solution for internet access. Another milestone achieved is the collaboration with MedRC and establishment of SmartTeach server for students to access the high quality e-curricular content so that students can learn at their own pace as supplementary measure to the excellent classroom teaching. The existing curriculum is strengthened by integrating information and communication technology (ICT) to meet the changing global demands including entire automation process of examination branch. As per the directions of the UGC / Regulating Councils, the University has also incorporated teaching of Indian Constitution and Environmental Studies to Under-Graduate students for making them responsible global citizens.

The Deemed University, over a period of time, keeping in view the societal needs and to keep pace with the recent advances, there has been constant growth in exploring the new areas in education by establishing Department of Public Health, Department of Clinical Research, School of Music, Department of University Department of Education for Health Profession, Basic Science Research Centres, etc.

The syllabus/curriculum of each course is administered by highly trained faculty and the syllabi are updated at regular intervals in order to keep the students abreast with the recent advances in the field and also keeping in view the directions of the respective Regulating Councils and the UGC from time to time.

The University Quality Assurance Cell is fully functional and regular meetings are held which ensure that quality is the defining statement of the University. The Deemed-to-be-University has been submitting Annual Quality Assurance Reports (AQAR) to NAAC Office every year.

The University has signed several MoU's in the last year with several national and international bodies which indicates the growth of the University across the global forum.
The University has published "Students' Code of Conduct" "Staff Code of Conduct" and "Staff Code of Conduct" handbook. Facilities like Bank, Pharmacy, Gym, Indoor Stadium, Internet Access, Cafe, Department Store, Travelling booking facilities, etc. are provided in the campus itself.

The University declares most of its event well in advance and almost every event is held as time scheduled without deviation from the calendar of events.

Remedial measures in the form of feedback from students, bridge courses for slow learners are regular feature of the constituent units of the KLE Deemed University.

The Deemed-to-be-University follows the goals set in the form of 'VISION-2030' document which aspires to take it to newer heights.
