Faculty Feedback

Dear Faculty,

We appreciate your contributions, towards progress of institute. Kindly give your feedback on curriculum content relevance & Institutional Infrastructure.

It may take just 10-15 min for your valuable feedback.

Thank you.

The institute you work

*

1. Jawaharlal Nehru Medical College
2. V K Institute of Dental sciences
3. KLE University Shri BM Kankanawadi Ayurveda Mahavidyalaya Post Graduate Studies and Research Centre
4. KLE Institute of Nursing Sciences
5. KLE Institute of Physiotherapy
6. KLE Institute of Pharmacy, Belagavi
7. KLE Institute of Pharmacy, Hubballi
8. KLE Institute of Pharmacy, Bangalore
9. KLE Homeopathy College
10. KLE JGMMMC, Hubballi

I am working in the cadre of

1. Head of the department
2. Professor
3. Associate Professor/Reader
4. Assistant Professor/Senior lecturer
5. lecturer
6. Senior resident
7. Tutor

1. The content of the course includes all the topics as prescribed by the regulatory bodies/council

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

2. The course content help students to acquire relevant knowledge and skills

	1	2	3	4	5

Adequate faculty training is provided in terms of curriculum implementation?

The Feed Back was obtained from all the faculty of JNMC randomly the major observations are as follows

1. 79% of the faculty strongly agree that the content of the course includes all the topics as prescribed by the regulatory bodies/council.
2. 62% of the faculty feel the course content help students to acquire relevant knowledge and skills
3. 62% of the faculty agreed that the course content was subdivided into must to know/core , nice to know , good to know categories/ non core.
4. 62% of the faculty agreed that the curriculum provides scope to utilize appropriate teaching methods to emphasize the relevance of the subject.
5. Our Faculty adopt various teaching methods like Lectures, Case based learning, Problem based learning, Small group teaching, Bed side/chair side teaching, Hands on training, SDL, Seminar. Team Based Learning, Cadaveric Skill Lab. Cinme-eduction, Flip classes, DOPS etc.
6. 95% of the faculty feels that there is no requirement in terms of infrastructure or resource which isn't provided by the institute and most of them rate the infrastructure as Outstanding.

FACULTY FEEDBACK ANALYSIS REPORT 2021

Feedback forms were collected from 20 faculty of KLEVKIDS and following is the report of the same.

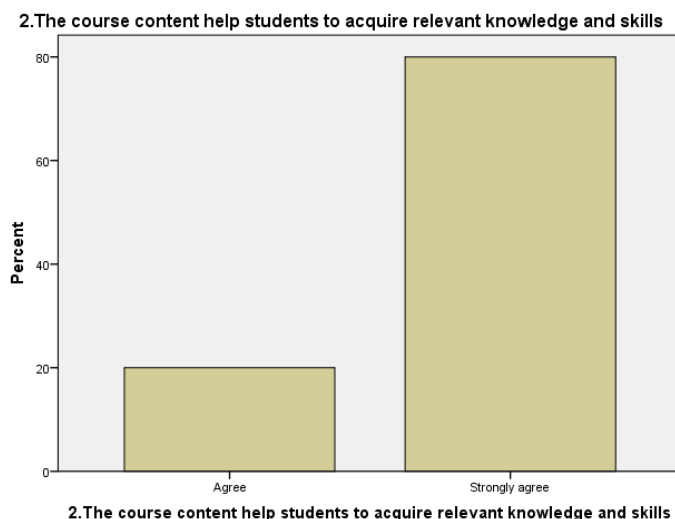

Among them 8- Lecturers, 4- Readers, 3- Professors, 3- HOD's.

1. The content of the course includes all the topics as prescribed by the regulatory bodies/council

95% faculty agreed to it.

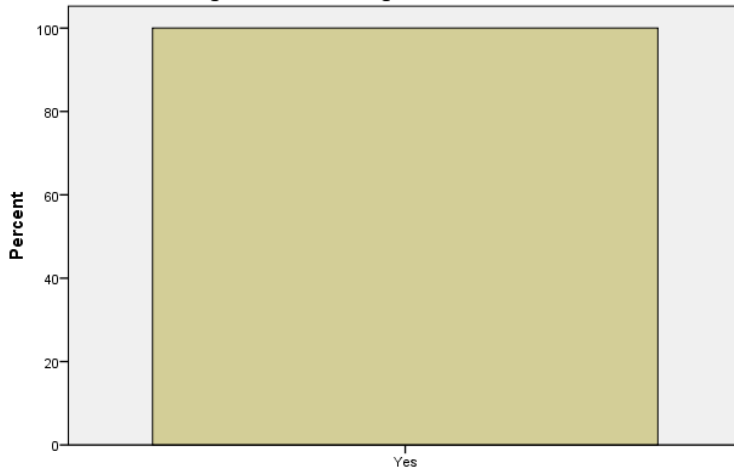

2. The course content help students to acquire relevant knowledge and skills
80 % faculty agreed to it.

3. The course content was subdivided into must to know/core , nice to know , good to know categories/ non core

95% faculty agreed to it.

3.The course content was subdivided into must to know/core , nice to know , good to know categories/ non core

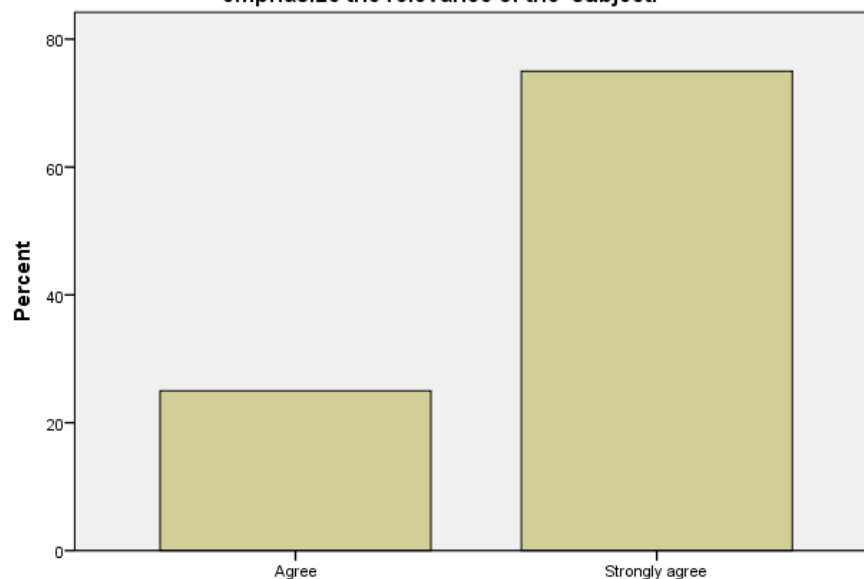

3.The course content was subdivided into must to know/core , nice to know , good to know categories/ non core

4. The curriculum provides scope to utilize appropriate teaching methods to emphasize the relevance of the subject.

75 % faculty agreed to it.

4.The curriculum provides scope to utilize appropriate teaching methods to emphasize the relevance of the subject.

4.The curriculum provides scope to utilize appropriate teaching methods to emphasize the relevance of the subject.

5 You adopt which of the following teaching methods

Lectures
Case based learning
Small group teaching
Bed side/chair side teaching

6 Is there any requirement in terms of infrastructure or resource which isn't provided by the institute?

100 % Faculty said NO.

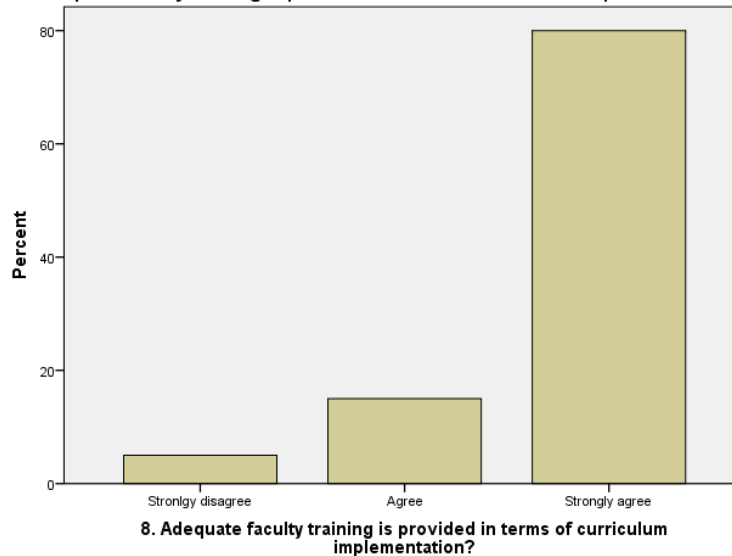

7. Which are innovative teaching methods you have imbibed in the department?

Blended Learning, Integrated Teaching
Blended learning, ITL
blended learning,
Blended learning, flip class, value added courses, buddy teaching

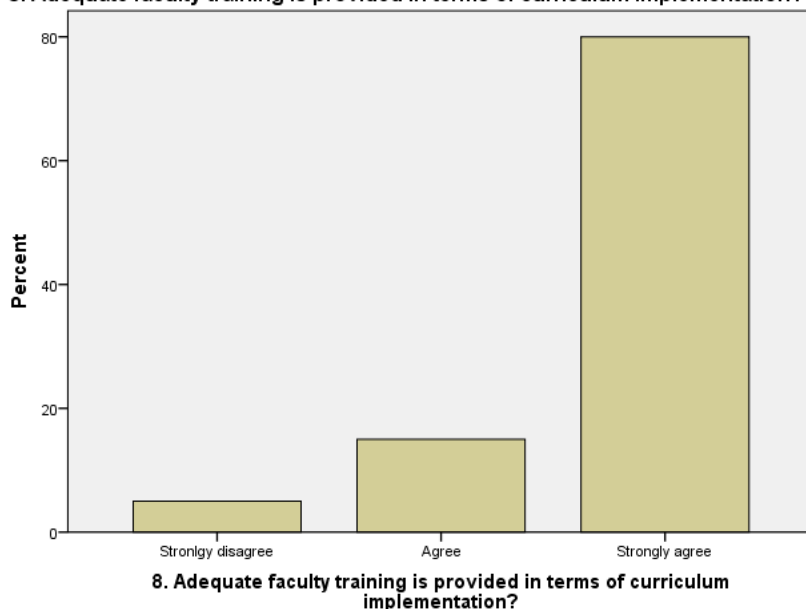

8. Adequate faculty training is provided in terms of curriculum implementation?

80% faculty strongly agreed, 15% agreed, 5% strongly disagreed.

8. Adequate faculty training is provided in terms of curriculum implementation?
