Dr. Smita Patel

140218025

Nursing - Year 04

Counseling Comments

1. Student Reporting showed to progress and requirements and the document regarding the internal assessment performance.

2. Dismissed the poor performance in first case study. Encouraged the student to take up related classes in the second which they they suggest.

3. Requested to follow the students to see their progress in class. Added records if they had any issue in class and fees.
