NOW THEREFORE, the undersigned Parties have agreed upon the rights and obligations set forth below, which shall apply between them in connection with the performance of the Study.

ARTICLE-1: PERFORMANCE OF THE STUDY

- 1.1 The Institution and the Study Site Collaborator shall carry out the Study in strict conformance with: generally accepted standards of good clinical practice, including the Guidance for Good Clinical Practice of the International Conference on Harmonization (hereinafter the "ICH-GCP"); Revised Schedule Y of the Indian Drugs and Cosmetic Rules (hereinafter Sch Y), ; the Protocol; this Agreement; the written instructions of RCC (PHFI); all other applicable Study documents approved by the governing institutional review board or research ethics board (hereinafter the "IRB"); all applicable procedures, rules, regulations and guidelines established by, or otherwise applicable within the Institution governing the performance of studies involving human subjects at the Institution; all applicable rules, orders, regulations and guidelines (hereinafter the "Regulatory Authority"); all applicable Laws
- 1.2 The Institution and the Study Site Collaborator hereby represents and agrees that: a) they have, and at all times during the course of the Study will have, personnel with appropriate training, information, licenses, approvals, and certifications necessary to safely, adequately and lawfully perform the Study in accordance with Good Clinical Practice; b) that the Study Site Collaborator is currently and will throughout the performance of the study be authorized to perform his/her duties under this Agreement; and c) the Study Site Collaborator has received, read and understood the Protocol, a confirmation of which is attached hereto as Exhibit A.
- 1.3 The Study Site Collaborator shall obtain written approval by the IRB for the Protocol and for the informed consent form to be used (hereinafter the "Consent Form") prior to initiation of the Study and during the conduct of the Study if required and shall immediately provide copies of all such documentation to PHFI. The Study Site Collaborator shall be provided a sample Consent Form from PHFI. The Investigator/Collaborator may add additional information if required by their IRB, however, such changes should not be material and should, without limitation, not change Sponsor intent concerning the minimum level of information provided to each human subject (hereinafter the "Subject") in order to obtain Subject's consent, nor modify the compensation provision without PHFI's consent.
- 1.4 The Study Site Collaborator shall obtain a written consent from each Subject participating in the Study as specified in the Protocol and as required by Applicable Laws prior to enrolling such Subject into the Study and shall further assure that all such Subjects understand the Consent Form approved by the ethics committee. The Investigator/Collaborator shall maintain the Consent Form in the Subject's permanent record.
- 1.5 It is anticipated that 1500 Subjects will be recruited into the Study. The Site Investigator/Collaborator shall start recruiting Subjects only after he/she has received written authorization from PHFI/RCC to start recruitment, such authorization to be provided after receipt of all relevant documentation at PHFI/RCC. PHFI reserves the right to limit the recruitment of further Subjects or cease the recruitment at the Centre. Upon receipt of written notice from PHFI to cease recruitment, the Study Site Collaborator shall immediately cease further recruitment of Subjects.
- 1.6 The Institution and the Study Site Collaborator represent and agree that they are not presently and shall not at anytime during the performance of the Study, be under any

obligation to a third party, or be subject to any other legal impediments, which would conflict with their duties hereunder, or that might otherwise impair the acceptance by a regulatory body of the data collected by the Centre.

- 1.7 The Institution and the Study Site Collaborator agrees to provide to PHFI/RCC, any documentation required by Regulatory Authorities and/or Applicable Laws including but not limited to the Study Site Collaborator's *curriculum vitae*, each signed by the Study Site Collaborator, or any other documentation or information that relates to disclosure of the financial interests of the Study Site Collaborator in the Study. The Institution represents that: a) the Study Site Collaborator has not been debarred pursuant to any Applicable Laws or by any regulatory authority (all references to regulatory authority within this **Agreement shall include** Regulatory Authority); and b) that the Institution or the Study Site Collaborator have not been disqualified from participating in clinical trials by any regulatory authority. Additionally, the Institution agrees not to use any person for the services provided hereunder (i) that has been debarred, disqualified or is under investigation by the FDA/MHRA/DCGI for debarment action or disqualification; or (ii) that has been found by any regulatory authority to have violated any statutes, rules, or regulations concerning the conduct of clinical investigations (all of the forgoing in items (i) and (ii) hereinafter "Disqualified"). Furthermore, the Institution agrees that they shall promptly notify PHFI in the event of such debarment, conviction, threat, disqualification or indictment of the Study Site Collaborator or any person that has provided services under this Agreement, during the term of this Agreement or three (3) years following its expiration or earlier termination. The Study Site Collaborator may appoint other individuals deemed appropriate as sub site investigators (hereinafter the "Sub Site investigators") to assist in the conduct of the Study in accordance with the Protocol, provided that the Study Site Collaborator shall be required to act in accordance with proper professional judgment in making all such appointments. The Study Site Collaborator shall be responsible for leading the team of Sub Site investigators, who in all respects shall be bound by the same obligations as the Study Site Collaborator, and the Study Site Collaborator shall inform and keep informed in detail all Sub Site Investigators about all such obligations as they may exist from time to time. Further, the Study Site Collaborator shall be responsible for ensuring that all staff and personnel within the Institution who participate in the Study have read and understood the Protocol.

The Study Site Collaborator shall immediately inform the RCC of any serious unexpected suspected adverse reactions (hereinafter "SUSAR"), as defined in the Protocol. The Site Investigator/Collaborator shall promptly report adverse events (hereinafter "AE") to PHFI in accordance with the procedures outlined in the Protocol. The Institution and the Study Site Collaborator shall comply with all the requirements Sch Y in terms of safety reporting including notifying the relevant authority in writing of any SUSAR as defined in the Protocol. During the course of the Study, should the Institution and/or Investigator receive any correspondence from the regulatory authorities or the IRB in relation to the Study or the Study Drug, the recipient(s) shall immediately provide to PHFI a copy of any such correspondence.

- 1.8 The Institution and/or the Study Site Collaborator shall prepare and maintain complete, accurately written records, accounts, medical notes, reports, and data including all supportive documentation for each Subject (hereinafter the "Source Documents") in accordance to the operating procedures required by PHFI/RCC and all Applicable Laws. The Institution and/or the Study Site Collaborator shall ensure that information collected for the trial is recorded on the appropriate worksheet and entered into the database via the corresponding Case Report Forms (CRFs) for each Subject as required by the Protocol. Completed hard copies of these CRFs shall be

sent in batches to the PHFI, New Delhi every six months. Any personnel from the Coordinating Centre visiting the site can also carry the forms with him/her and hand over duly to the PI, PHFI, New Delhi.

- 1.9 The Institution and/or the Study Site Collaborator shall maintain a copy of all documents, including the Source Documents, relating to this Study for the longer of: a) fifteen (15) years after the Study is completed or discontinued by PHFI or b) as required by the Applicable Laws.
- 1.10 The Institution and the Study Site Collaborator shall cooperate and permit, upon request, PHFI, and/or Sponsor or RCC, and/or officials of any regulatory authority to examine and inspect the Institution's facilities and equipment required for performance of the Study and inspect and copy all data, reports, work products and results relating to the Study. PHFI's/ RCC's access to records for monitoring or audit does not entitle them to copy any Subject's personal health information. If the Institution or the Study Site Collaborator is notified of an inspection by a regulatory authority, the entity so notified shall immediately inform PHFI about the pending inspection and authorize PHFI, or any person designated by them, to participate in this inspection. The Institution and/or the Study Site Collaborator shall immediately communicate to PHFI the information that arises from such inspections by the regulatory authorities. It is expressly agreed that PHFI shall not compensate the Institution or the Study Site /Collaborator for any audits and/or inspections and that the assistance and availability of the Institution and the Study Site Collaborator for the audits and inspections is included in the amount mentioned in Article 4.
- 1.11 Should the Study Site Collaborator leave the Institution or otherwise become unavailable during the term of this Agreement, the Institution and PHFI shall make reasonable efforts to find a replacement Study Site Collaborator of similar qualifications who is acceptable to both the Institution and PHFI. The Institution shall ensure that any replacement agrees to be bound by all the terms and conditions hereunder and, where required by PHFI, a new agreement will be executed between the Institution, the replacement Study Site Collaborator and PHFI, or between the replacement Study Site Collaborator and PHFI only, at the option of PHFI. Notwithstanding the foregoing, PHFI, in its sole and absolute discretion, may elect not to approve person proposed as a replacement Study Site Collaborator, in which event PHFI shall have the right to terminate the Study in accordance with Section 9.1.
- 1.12 PHFI/RCC or its representative shall provide free of charge, to the Study Site Collaborator, a sufficient amount of the Study Drugs to conduct the Study. PHFI/RCC shall provide the Study Drugs only after receipt of copies of the IRB approval and all other documents required by RCC/PHFI prior to initiation of recruitment at the Centre. The Institution and the Study Site Collaborator shall use only the Study Drugs provided through RCC and shall use the Study Drugs solely for the purposes of conducting the Study and shall ensure that the Study Drugs are stored in accordance with the instructions provided by RCC. The Institution and/or the Site Study Collaborator shall ensure that an accurate record of the quantity of Study Drugs received and dispensed to each Study Subject is maintained. The Institution and/or the Study Site Collaborator shall promptly provide to RCC all required documentation with respect to the usage and the disposal of the Study Drugs. After completion of the Study, the Institution and/or the Study Site Collaborator shall dispose of the Study Drugs in accordance with the instructions from PHFI/RCC or its representative. For further certainty, the Institution and the Study Site Collaborator shall not use for the Study any drugs that they may receive in the form of samples or otherwise from sources than PHFI.

ARTICLE- 2: PERFORMANCE PERIOD

This Agreement shall be valid for a period of 5 years starting with effect from 1st Dec 2015 or until the Study has been completed or upon written notice from PHFI of early termination of the Study, whichever occurs first, unless otherwise terminated earlier in accordance with Section 9.1 (hereinafter referred to as the "Effective Duration"). The duration of the Agreement may be further extended upon mutual agreement of the Parties only in case of a No-Cost Extension.

ARTICLE- 3: OWNERSHIP OF DATA, RESULTS, INVENTIONS AND PATENTS

- 3.1 PHFI/RCC (in its sole and absolute discretion) shall have all right, title and interest in and to all data and results of the Study. The Institution and the Site Investigator/Collaborator hereby specifically disclaim any right, title or interest of any kind whatsoever to the data and results of the Study or to information received by the Institution or the Study Site Collaborator as a result of or in the course of performing the Study, except to the extent that such rights are specifically granted hereunder.
- 3.2 In the event that any discovery or invention is made by the Institution, the Study Site Collaborator, any Sub Site investigators or any agents or employees of the Institution or the Site Collaborator in the course of or in connection with the performance of the Study, such discovery or invention shall be communicated immediately to a PHFI/RCC representative. All right, title and interest in and to any such discovery and invention shall belong to PHFI/RCC and/or its assignee (in its sole and absolute discretion). The Institution and the Study Site Collaborator shall have no right, title or interest in or to such discovery or invention, and consequently shall refrain from, and shall cause its Sub-Site investigators and other employees or agents to refrain from filing any application on their discovery or invention with any patent or other relevant authority. If PHFI/RCC and/or its assignee desires to file patent applications on such discovery or invention, whether in its name or in the name of any designee, it will do so at its own expense, and those persons participating in the discovery or invention hereby assign all right, title and interests to such discovery or invention to PHFI/RCC (or to such third party as PHFI/RCC may instruct) without any additional compensation, and, if requested by PHFI/RCC to do so, assist in the preparation of such patent applications. PHFI/RCC shall be under no obligation to patent, develop, market or otherwise utilize the results of the work done by the Study Site Collaborator, Sub Site investigators or other agents or employees of the Institution or the Study Site Collaborator in connection with this Agreement.
- 3.3 The Site Study Collaborator and the Institution shall ensure that all employees, Sub Site investigators or other agents hired to perform services hereunder shall agree to fulfill the obligations herein, especially in relation to the assignment of rights in discoveries and inventions to PHFI/RCC as applicable.

ARTICLE- 4: COST AND PAYMENT

- 4.1 The host organization has obtained funding from the India Alliance (SPONSOR) towards implementing the early career fellowship of Shweta Khandelwal at the Public Health Foundation of India (PHFI), New Delhi. The institution, JNMC is the organization which will be involved in the subject recruitment and trial implementation. With this background a total of 50,45,600 (Fifty lakhs forty five thousand and six hundred) INR is being apportioned to JNMC via a Sub Grant Agreement attached as Exhibit B. - 4.2 The payment schedule is given in detail at Exhibit B of the aforementioned Sub-Grant at sub-clause 4.1.
- 4.3 The Study Site Collaborator and the Institution shall be jointly and severally responsible for the payment of any or all taxes that may apply to any payment they receive, including, without limitation, for paying any value-added tax, sales tax, or similar tax imposed by the taxation authorities in any jurisdiction.
- 4.4 The Institution and the Study Site Collaborator shall review the payment details generated by PHFI that shall accompany each payment and shall inform PHFI in writing in accordance with the instructions provided in the payment details of any discrepancies that may exist in the payment(s) received and the payment(s) expected. At the completion of the Study, the Institution and the Study Site Collaborator shall ensure that any such discrepancies that may exist, if any, are brought to the attention of PHFI no later than four (4) months after the Study database is locked. The Parties shall work diligently and in good faith to resolve any such discrepancies. Should PHFI not receive written notice of any final discrepancies within such 4 month period, then all payments required to be made hereunder shall be deemed to have been made in full, and the Institution and the Study Site Collaborator shall cease to have, and each hereby waives, all rights to receive further compensation in connection with the Study.

ARTICLE- 5: CONFIDENTIAL INFORMATION

- 5.1 The Study Site Collaborator and the Institution agrees to maintain or cause to be maintained in confidence all information received under this Agreement, and all information resulting from or related to work performed under this Agreement (hereinafter the "Confidential Information"). This obligation shall be binding for the term of this Agreement and for a period of ten (10) years after termination. Notwithstanding the foregoing, the obligation of non-disclosure and non-use shall not apply to the following:
- i. Information after such time that it is or becomes publicly available through no fault of the Institution and/or the Study Site Collaborator; or
 - ii. Information that is already independently known to the Institution and/or the Study Site Collaborator, as shown by their prior written records, provided that the Institution and/or the Study Site Collaborator so advises PHFI promptly upon the Institution's and/or the Study Site Collaborator discovery that the information is already independently known to the Institution and/or the Study Site Collaborator; or
 - iii. Information after such time that it is disclosed to the Institution and/or the Study Site Collaborator on a non-confidential basis by a third party with the legal right to do so or who is not otherwise bound by confidentiality and/or non-use obligations to PHFI; or
 - iv. Is or becomes public knowledge as required by law (subject to the requirements set forth below); or
 - v. Is disclosed with the prior written consent of PHFI or its authorized agents; or
 - vi. Information that is independently developed by the Institution and/or the Study Site Collaborator, its employees and/or agents who have not had

- 5.2 The Study Site Collaborator and the Institution shall ensure that all employees or other agents hired to perform services hereunder will be bound by the same obligations of confidentiality and nondisclosure and non-use as imposed upon the Institution and the Study Site Collaborator under the terms of this Agreement.
- 5.3 Nothing in this Agreement shall be construed to restrict the Parties from disclosing Confidential Information as required by law or court order or other governmental order or request, provided in each case the Party requested to make such disclosure shall timely inform the other Parties and use all reasonable efforts to limit the disclosure and maintain the confidentiality of such Confidential Information to the extent possible. In addition, the Party required to make such disclosure shall permit and assist the other Parties in its attempt to limit such disclosure by appropriate legal means. All such information disclosed in such manner shall be treated as confidential for all other purposes.
- 5.4 In the event that PHFI shall come into contact with Subjects' medical records, PHFI shall hold in confidence the identity of the Subjects and shall comply with the ICH-GCP guidelines regarding the confidentiality of such records.
- 5.5 All Parties agree to comply with all applicable laws and regulations regarding protection of personal and/or health information.

ARTICLE- 6: PUBLICATIONS

- 6.1 The study data arising from the Study shall be the sole property of the PHFI ;
- 6.2 The study data arising from the Study, which is related to the contribution of the site, shall be licensed to the site on a perpetual, royalty-free, non-exclusive basis for non-commercial purposes including for teaching, research and publication purposes on publication of the final report;
- 6.3 Any invention or discovery arising from the study data which is related to the contribution of the site shall be the property of PHFI provided such invention or discovery is directly related to the Study.
- 6.4 As the Study is a single centre study, the Parties agree that, consistent with international standards for scientific and medical publications, the data from the centre will be analyzed and reported as such (hereinafter the "Study Results"). The Institution and the Study Site Collaborator shall not make any publications before the Study Results are published. The Steering Committee shall, regardless of the outcome, submit the initial publication to a reputable, peer reviewed, biomedical journal or otherwise make public the Study Results as soon as practicable.
- 6.5 Notwithstanding the foregoing, the Steering Committee and PHFI may at any time disclose or publish all information as they may reasonably decide where such disclosure or publication relates to the safety of the Study Subjects, patients in general, or the general public.
- 6.6 Proposals for all publications, abstracts, and other presentations arising from the Study will be submitted for approval to the Steering Committee. Each paper or abstract must be submitted to the Steering Committee, through PHFI, for approval at least eight (8)

ARTICLE 2. STUDY PERSONNEL

Dr. Shweta Khandelwal as the "PRINCIPAL INVESTIGATOR" and representative of PHFI, shall retain supervisory responsibility for this study. Any change in the scope of work requires written approval from Dr. Shweta Khandelwal. The scientific and technical direction of JNMC's portion of the research study, as set forth in the statement of work (see Appendix A, attached), shall be under the direction of Dr. M K Swamy ("Study Site Investigator Collaborator").

Study Site Collaborator is considered essential to the work performed hereunder. In the event Study Site Collaborator vacates his/her position with JNMC or is reassigned to another program, JNMC shall notify PHFI in writing. In addition, the decision to replace any individual(s) considered Key Personnel on the study at JNMC requires the prior written approval of PHFI. If this change in individual(s) considered Key Personnel is/are not acceptable to PHFI, PHFI shall issue a modification terminating this Sub-grant Agreement. JNMC will be reimbursed for its costs incurred through such termination date.

JNMC shall supply all the necessary personnel, equipment, and materials (except as otherwise may be provided herein) to accomplish the research tasks set forth in the statement of work (see Appendix A, attached), such work schedule being an integral part of the PHFI Scope of Work in the prime grant.

JNMC shall prepare and maintain complete and accurate records and documentation suitable for regulatory submission, in compliance with good clinical practice standards, applicable international, national, state, and local laws, rules and regulations in relation to the conduct of the Study.

ARTICLE 4. ALLOCATION OF FUNDS & AUDITS:

Total money for the trial duration = INR 50,45,600

A line item budget for these funds is attached as Appendix B. JNMC's shall send an invoice to PHFI. PHFI reserves the right to request detailed expenditure documentation. A sample invoice is attached as Appendix C.

Both JNMC and PHFI acknowledge that a proposal budget is a projection and that minor changes in the proposal budget may be necessary once the study is implemented. JNMC's is required to comply with any re-budgeting requirements of the prime grantee.

Payment Timeline

All payments on the award will be made electronically via bank transfer. The India Alliance will provide funds to PHFI pro-rata on a yearly basis following the financial year (1 Apr – 31 Mar) cycle. PHFI will follow same pattern for transferring funds to KLE University / JNMC.

2% of total transferable funds are withheld from the last but one installment. Release is subject to receipt of the End-of-Fellowship Research Report and Spend Report.

The first two installments will be released in whole, regardless of the amount spent by JNMC. From the third installment onwards, if any amount from the previous year is unspent, this will be carried forward and the balance will be adjusted against the next installment.

Spend Report: To enable the release of next installment of payment; to be submitted by the JNMC. A form will be sent by PHFI Finance towards the close of the financial year. This Report must be received latest by 15 April and should detail all the expenditure undertaken on the study up to 31 March.

Funds for the next installment will not be released until a complete Spend Report is received by PHFI. PHFI will not be responsible for any delays in the release of funds if the Spend Report is not submitted in time.

AUDITED STATEMENTS

Audited Spend Report: To indicate all the expenditures incurred on the Study during its tenure to be submitted by JNMC.

PHFI will not release the retained transferable funds unless these reports reach the office within 2 months of the end of the Study.

ARTICLE 6. REPORTING PROCEDURES

- A. Technical Reports: JNMC's will be required to keep clear and accurate records of the procedures conducted and data collected throughout the study period so that the progress of the study may be readily evaluated at any time by PRINCIPAL INVESTIGATOR.
- B. Fiscal Reports: A final invoice of expenditures shall be made to PHFI no later than forty-five (45) days after the completion date of 1 Dec 2020.

ARTICLE 7. HOLD HARMLESS

JNMC and PHFI agree to hold each other harmless from liability of any kind including costs or expenses resulting from or on account of any or all suits or damages resulting from injuries or grievances sustained by any person(s) or property by virtue of performance of this Sub-grant Agreement except when such suits or damages arise due to the gross negligence or willful misconduct of the other party.

ARTICLE 8. REGULATORY DATA

All administrative and regulatory data required by the sponsor shall be applicable to this Sub-grant Agreement as appropriate. All conditions referenced in the prime award to PHFI by DBT shall become binding upon execution of this Sub-grant Agreement by JNMC. JNMC will submit all required original bills along with Statement of Expenditure to PHFI for reimbursement (not exceeding the sub grant amount). The expenditures by JNMC ought to conform to the budget agreed upon by the two parties (PHFI & JNMC).

ARTICLE 9. INTELLECTUAL PROPERTY

All the Intellectual Property Rights arising out of or related to the Study and the results thereof shall be the joint property of PHFI and JNMC. By executing this Sub-grant Agreement, JNMC hereby agrees to pool data for analysis if PHFI decides to use the data for multicentric use for the consideration payable pursuant to this Sub-grant Agreement, without need for any further act or deed.

- 9.1 The term "Confidential Information" as used in this Sub-grant Agreement shall mean and include any and all information, whether written or oral, relating to each of the Parties, their respective affiliates, operations, this Sub-grant Agreement and the terms hereof, technical or commercial know-how, specifications, tools, inventions, processes or initiatives that is disclosed by a Party, its employees, agents or representatives to the other Party(ies), its employees, agents, representatives or sub-contractors in relation, or pursuant, to this Sub-grant Agreement. The term "Confidential Information" shall also include all data collected in relation, or pursuant, to the study.

- 9.2 Each Party shall preserve, keep strictly ~~Confidential~~ ^{SECRETED} and shall not disclosed to any person any Confidential Information, except to the extent that such disclosure is

necessary in connection with the performance of this Sub-grant Agreement or, to the extent required by applicable laws or court or administrative order. Each of the Parties further agree that they shall not use, nor permit their respective affiliates, employees, agents, representatives or sub-contractors to use, any Confidential Information for any purpose whatsoever except in the manner expressly provided or contemplated in this Sub-grant Agreement.

9.3 Each Party shall take adequate security and precautionary measures to effect compliance with this Article 9 by their respective employees, agents, representatives, sub-contractors and affiliates who are given access to any such Confidential Information. If a recipient of Confidential Information is required by law or court order to disclose Confidential Information of another Party, the recipient shall give the other Party prompt notice of such requirement so that the other Party may seek an appropriate protective order or other relief.

9.4 Notwithstanding anything contained in the abovementioned clauses, the restrictions concerning the use or disclosure of Confidential Information shall not apply to the following information:

(i) independently developed by the receiving Party or lawfully received from another source without breach of this Sub-grant Agreement; or

(ii) which is or becomes generally available to the public without breach of this Sub-grant Agreement by the receiving Party; or

(iii) which at the time of disclosure was known to the receiving Party and the fact of such knowledge was communicated to the other Party.

ARTICLE 10. PUBLICATIONS

All research reports and other publications relating to the work under this Sub-grant Agreement shall: (A) Bear proper acknowledgment of the support provided by DBT (B) Be submitted to PHFI's PRINCIPAL INVESTIGATOR in the form of advance copies for review and comment prior to publication to ensure appropriate coordination of the research results.

ARTICLE 11. TERMINATION

If at any time PHFI's award is terminated by DBT, this Sub-grant Agreement shall consequently be terminated upon receipt by JNMC of written termination notice from PHFI. JNMC shall be reimbursed for non-cancellable obligations incurred prior to the date of the written termination notice. PHFI reserves the unilateral right to terminate this Sub-grant Agreement upon thirty (30) days written notice for failure of JNMC to meet any substantive requirement or obligation of this Sub-grant Agreement should JNMC fail to acceptably correct the said deficiency within the said thirty (30) days or such longer period as may be mutually agreed upon by both parties. Nothing in this article is intended to abrogate the parties' right to terminate this Sub-grant Agreement on such terms as may be mutually agreed upon subsequent to the execution of this sub-grant agreement.

ARTICLE 12 HUMAN SUBJECTS

Subject: Your Proposal under "FIST Program - 2012" [289]

Dear Sir,

This is in connection with the aforesaid proposal submitted by your Department/ Centre for support under the FIST Program of DST. We are happy to inform you that the aforesaid proposal has been identified for support in Level-0 category by the DST based on the recommendations of the FIST Advisory Board (FISTAB). The details of the recommendations for 5 years duration of the project are given below:

To strengthen Teaching and Research Facilities in all Science departments of the College.
Eg. Rs. 32 lakh (Items to be identified for Teaching Facilities by the College) and Rs. 50 lakh for items to be identified for Research Facilities.
NW - Rs. 7 lakh (for Setting up Computer Lab)
Books - Rs. 3 lakh
Renovation of Lab - Rs. 5 lakh (for making e-Learning Room)

It may be noted that the allocations indicated now above with respect to any Equipment or any other budget heads are the upper limit of the budget as they are purely based on recommendations and also tentative. However, Department shall now finally firm-up specifications/ configurations of each Equipment, Computational & Networking facility in Computer Lab, Infrastructure Facility as recommended above for acquiring by the Department/ Centre/ School and actual cost of this project shall be firm up based on these inputs from you. The support for the 'Maintenance' will be provided as per norms under FIST Program. The type of equipment and its specifications/ configurations finalized now by the Department/Centre/ School would not be possible to change during the course of implementation of the said project. For enabling us to process the case further, including the release of 1st installment of grant now, you are requested to please submit the following documents latest by before 17th December 2012 (Monday):

- 1) One each Budgetary Quotation from Equipment supplier (all-inclusive i.e. Custom Duty, Bank & other Charges) for all Equipment recommended for support. Please ensure that the budgetary cost is not an inflated one with respect to its specifications given. In case, Equipment list "to be identified & prioritized", please submit quotations of the identified & prioritized Equipment only.
- 2) Details plans for implementation of the 'Networking and Computational Facilities' (NW) under the support as per guidelines mentioned in the *Terms and Conditions* of DST-FIST Program available at the Website: www.fist-dst.org. Please download 'Terms & Conditions' and submit the same on completion of all formalities along with above-said documents to DST.
- 3) Details & their cost estimates of Items/ activities recommended & proposed under 'Infrastructure Facility' which includes the list of Books, etc.

- 4) For implementation of the project, the Department/School/Centre/College shall constitute an 'Project Implementation Group' who shall be responsible & accountable for its implementation during the project duration of 5 years. The composition of the 'Project Implementation Group' shall be informed to DST by the Department/School/ Centre.
- 5) The respective Department/ School/ Centre/College shall open an only Saving Bank Accounts to handle the project grants. However, the concerned Department/Centre or College shall need to forward a photocopy of a Blank Cheque only for their Institute/ University/College Bank Account which is maintained & operated by the Registrar (for University) or Director (for Institute) or Comptroller (for Agricultural University) or Principal (for College) to facilitate the transfer of grants through ECS Transfer System. The Department/Centre or College shall also be requested to ensure the registration in Central Plan Scheme Monitoring System (CPSMS) [www.cga.nic.in] for SERC (1009) head of A/c and attach the Registration Certificate of their University/Institute/College along with other documents.

The Department/ Centre/ School who have already enjoyed support earlier under FIST Program and recommended for Repeat Support now, shall need to complete all formalities i.e. submission of Project Completion Report, Audited Financial Statements, refund of unspent funds etc. for the previously supported project under DST-FIST Program. Processing towards releasing the grants to such Department/ School/ Centre would not be possible to initiate without completion of all formalities for the previous project. Blank Format towards closure of previous project is also available at the Website: www.fist-dst.org.

Departments/ Centres/ Schools/ College are also requested for sending all documents at one stage instead of sending in parts by Post only. Please avoid of sending these documents by Email as well as at the last moment. Incomplete documents submitted by any Department/ Centre/ School/ College would be unable to process for releasing grants and the matter would be kept pending maximum for six months, beyond which recommendations for the Department/Centre/School/ College deemed to be forfeited automatically for considering support under DST-FIST Program.

We look forward for kind cooperation from you in this regard and if any clarifications are needed, please feel free to contact us. Please submit the following documents before 17th December 2012 (Monday). All documents will be required to send by Post. Documents may not be sent by E-mail for releasing fund.

With best regards.

DEPARTMENT OF SCIENCE & TECHNOLOGY

TERMS AND CONDITIONS
FOR
“ Fund for Improvement of S&T Infrastructure in Universities and Higher
Educational Institutions (FIST) ” GRANT.

In recent years, scientific community has expressed great concern about the lack of infrastructure facilities for imparting good quality of higher education and conducting research in emerging fields of science and engineering. Several efforts have been made in past to strengthen research as well as teaching in carefully identified areas and university departments. These departments are now in a stage for further strengthening of their infrastructure to enhance their visibility both nationally and internationally. It has also become necessary to extend such infrastructure support to other higher technical and medical educational institutions.

Keeping all these factors in mind, a new scheme entitled “Fund for Improvement of S&T Infrastructure in Universities and Higher Educational Institutions – (FIST)” has been initiated.

The Terms and Conditions:

- The grant being released under the scheme is for strengthening infrastructure of the identified department for teaching and research and shall be spent exclusively for this purpose. The Head or its nominee (to be decided by the Department/ Institute/ University) of the identified Department/ Centre shall be the “Program Coordinator for the DST-FIST”.
- There should not be any deviation from the Budget Heads as approved by DST. In case, if it is very necessary, a request can be made to the DST for consideration.
- The grants-in-aid for “**Networking and Computational Facilities**” being released under the scheme should be utilized for creating a “**Central Computer Lab**” in the identified Department/ Centre for teaching and research with the following guidelines / norms:
 - a. Internet Connectivity (to be provided by Institution)
 - b. Server + Hub + Modem
 - c. Several PCs or Net-Computers proportional to number of students enrolled
 - d. UPS
 - e. Access for Students and Faculties in the Department

The Institution should also make sure that this grant is not meant for just providing PCs to each of the Faculty members in the Department.

- The grants-in-aid under “FIST” is to provide infra-structural facilities for research and teaching in the department. Therefore, **no provision of Overhead Charges** is admissible. **Please note that the scheme does not allow any provision for building/construction and recruitment of staff** etc.
- All the assets acquired from the grant will be the property of the Government of India and should not, without the prior sanction of the Department, be disposed off or encumbered or utilized for purposes other than those for which the grant has been sanctioned.

- All efforts should be made to procure the equipment and other items at the earliest to avoid cost escalation due to foreign exchange fluctuation and should abide all procedures laid out by the grantee institution. In case it is found that the Department is not able to use the funds within two years of its release, the Department of Science & Technology shall have the right to withdraw the project from the Department/ University.
- The Institute will furnish to Department of Science & Technology, Utilization Certificate and an audited Statement of Accounts (in DST format) pertaining to the grant (along with Progress Report) within three months following the end of each financial year.
- After receiving the grant by the Department/ Centre, Department of Science & Technology will review the technical & financial progress including utilization of the grant on an annual basis with an appropriate mechanism. The Department reserves the right to terminate the support at any stage if it is convinced that the grant has not been properly utilized or appropriate progress is not being made.
- A register of the permanent/semi-permanent assets acquired wholly or mainly out of this grant should be maintained in the prescribed form and a copy thereof furnished to this Department. Such register of assets and the accounts maintained shall be available or open to scrutiny by Audit.
- Any unspent amount sanctioned would be surrendered to the Government as a Demand Draft in favour of Drawing & Disbursing Officer, Department of Science & Technology, New Delhi. Any carry forward of funds to the next financial year may be considered only with the specific approval of the Department.
- The Comptroller and Auditor General of India, at his discretion, shall have the right to access to the book accounts for this support. It is found expedient to keep a part or whole of the grant in a bank account earning interest. The interest thus earned should be reflected appropriately in the Financial Statement of each year submitted to the Department of Science & Technology. The interest thus earned will be adjusted against further installment of the grant.
- In order to give visibility to the identified department, the department may be called as "DST-FIST Sponsored Department". This may be suitably displayed.

Dated 29 May, 2019

To,

All Coordinators of IPvC's and PPvC's
Central Sector Scheme of Pharmacovigilance of Ayurveda, Siddha, Unani and
Homeopathy Drugs.

Subject: Decisions taken in 4th PAC meeting – Regarding

Sir,

With reference to the 4th PAC meeting held on 24th May 2019 at Ministry of AYUSH, it was decided that the program will be continued and following is communicated:

1. The Pharmacovigilance program for ASU & H Drugs will be continuing as before and extension shall be given to recruited manpower at IPvC's and PPvC's from April 2019 onwards.
2. The Unspent balance with each pharmacovigilance centre can be utilised for expenditure in the current financial year 2019-2020.
3. IPvC's shall meet the salary expenses of recruited manpower from the unspent balance available with them until they receive funds of further instalment.
4. If the funds for salary component at PPvC is exhausted, they shall meet the same expenditure from the head of 'Untied funds'.
5. The next instalment of funds for pharmacovigilance will be released as soon as the same is received from the Ministry of AYUSH, New Delhi.

This is for ensuring smooth functioning of the pharmacovigilance program at your centre. Further directions in this regard will be issued in due course of time.

Yours faithfully

To,

Coordinators of IPvCC's and PPvC's
Central Sector Scheme of Pharmacovigilance for ASU & H Drugs.

Subject: Disbursement of Funds (2nd Instalment) - Reg

Respected Sir / Madam,
Good Morning

With reference to letter no. Z.25021/01/2017-DCC(AYUSH), dated 01/11/2018 having minutes of 2nd Project Sanctioning Committee meeting for the Central Sector Scheme of Pharmacovigilance for ASU & H Drugs; funds were sanctioned by the Ministry of AYUSH, New Delhi for the Salary component of Program Associates / Assistants for the identified IPvCC's and PPvC's for the next FOUR months. In addition to this, untied funds (@ Rs. 25,000 per each PPvC) were also sanctioned for all the identified PPvC's to meet the contingency expenses of their respective centres. The sanctioned funds have been disbursed to all the centres (Annexure-1) on 25.01.2019 from the account of Pharmacovigilance Program, All India Institute of Ayurveda, New Delhi to the respective centres.

In this regard; I am directed by the competent authority, AIIA to request all the Coordinators of the centres to kindly acknowledge the receipt of the distributed funds at the earliest on pharmacovigilance@ayush.gov.in after receiving the funds.

You are further requested to submit Utilization Certificate for the funds disbursed to you fulfilling the requirements sent through B-11002/5/9/2017-AIIA/4174 dated 28th January 2019.

Thanking you in anticipation.
