## **About KLE Venudhwani CRS**

“Venudhwani” KLE Kanasu 90.4 FM is a ‘community radio’: a people’s radio by the people and for the people. Although launched by KLE, it gives an open opportunity to all types of citizens and organizations to express their aspirations, pains and pleasures, achievements and problems.

‘Venudhwani’ is different from Akashvani, commercial FM radio stations, TV channels or newspapers: it reflects your lives directly; reaches the happening of various extensions of the Belagavi, villages, Gram panchayats to your listening; strives to mobilize people’s strengths to resolve the problems; it provides a platform for exchange of thoughts on local administration, health, education, employment opportunities, technologies in agriculture, progressive farming, personality development, women, children and youth development, music, literature, culture, heritage and the like.. It provides free and fair time for all schools, colleges, organizations, KVK’s, forums etc to express their views. Government departments, boards, corporations, City Corporation, local governments can use Venudhwani as a tool to reach people. Venudhwani, 90.4 FM broadcasting programs in Kannada, Marathi, Urdu, Hindi, English, Konkani or any other languages spoken by local people of Belagavi and its villages. KLE Venudhwani currently broadcast 15 hours of programmes daily and programmes are scheduled under 24 different banners.

Officially inaugurated on 6<sup>th</sup> February 2015 by Shri Feroz Sait MLA Belagavi North, and other dignitaries present were Shri. Sharan Prakash Patil [Minister for Medical Education Govt. of Karnataka], Shri. Satish Jarakiholi [Hon’ble Excise Minister, Govt. of Karnataka & Belagavi District Minister] and Shri Prabhakar Kore Hon. Chairman KLE Society (MP).

### **Vision:**

“To enable communities and their voices, and to Empower them to articulate the voices with scientific, Human and democratic spirit to enrich harmonious living in a multi-cultural and multi lingual city of Belagavi”

### **Organization Mission:**

- To enable people of Belagavi to get their share of Mass media to exchange common concerns and aspirations
- To bring them together to Find local solutions

SECTION -B

**PROJECT INFORMATION**

**Project Title:**

The project is to empower the farmer's community of Belagavi through active involvement of agricultural institutions, scientists from KVK's, farmers and government organizations. The KLE Venudhwani provides platform through broadcasting the various programmes on agricultural crops, progressive farming, farmer's interview, scientist and resource person's talks on progressive farming. The programme will be in local languages Kannada and Marathi.

**Goal and objective:**

The project is designed to mobilize and create awareness on the advanced agricultural practises and technologies.

**Objectives:**

- To create awareness on advanced agricultural practices and technologies with a view to reduce time lag between technology generation and adoption.
- To utilize the available resources like Krishi Vijnan Kendra, agriculture departments, agriculture universities and skilled professionals in imparting knowledge through radio programmes.
- To create awareness on various available government schemes and facilities for the benefit of farmer community.

**Rationale for proposing project:**

Several emerging issues and challenges confront Indian farmers. These include limited land and water availability, climate changes; changes in demand and consumption patterns, increasing population pressure. Recent global food price increases and high levels of inflation have provided an opportunity to increase farmers' profitability. However, to get the benefit of higher prices, farmers need to access a wider range of information, related not only to production technologies but also to postharvest processes, access to remunerative markets, price information, and government schemes.

In India usually the farmers are less educated and unaware about technological advancements and scientific developments in the field of agriculture. He makes use of generation-old

methods and techniques in farming. He is ignorant of the programmes and policies of government which are meant to bring relief and comfort in his life. His lack of knowledge regarding the government programmes and policies becomes the cause of his victimization.

The emerging need for the information for the better agricultural practices and growth the community radio stations can be a better medium. The radio is the affordable media which majority of the people can access. The KLE Venudhwani Community radio with its parent organization KLE Academy of Higher Education & Research and other institutions like KLE Krishi Vijnan Kendra, local agriculture departments can produce the good information resources and broadcast through radio to meet the informational needs of farmers in the surrounding areas.

**Problem statement:**

Despite a wide range of reform initiatives in agricultural extension in India the access to, and quality of information provided to farmers is not sufficient. The KLE Venudhwani CRS has made efforts to create awareness on the modern and extended agriculture services and production recourse like seeds, water, fertilizers, modern techniques to be used in field and modern technologies to mitigate their hard work to skilled work and to give awareness on different facilities, schemes, benefits available for farmers through different departments. Hence the overall intention of the project is that majority of farmers will have easy access to timely and cost-effective information to ensure increased agricultural production and food security.

**Project frame work:**

**Inputs:** Utilization of available human resources, identifying the agriculture coverage area of KLE Venudhwani Community radio. Identifying the farmers from the coverage area and form the team amongst farmers, identify the skill of the farmers and upgrading it by the resources persons from different areas. This process will be recorded and broadcast through KLE Venudhwani CRS by situational needs of farmers community which enables them to be progressive farmers.

**Institutions involved:** The experts and skilled recourse persons from Krishi Vijnan Kendra , agriculture universities , scientist , department of agriculture, department of horticulture, department of sericulture, department of animal husbandry, fishery departments and agriculture based institution will be involved for content creation and educate the farmers on progressive farming, different, crops, seeds, diseases, pesticides fertilizers and health and hygiene of the farmers and allied aspects which come in farming.

**Approach the local population:**

To educate the farmers in different aspects of agriculture like advanced technologies, seeds, water, fertilizers, modern techniques to be used in field the programmes will be recorded and broadcast with different formats, like interview of scientists, progressive farmers discussion, dramas, songs, group discussions, chat with farmers, straight talk with farmers and scientists,

**Context proposed area:**

Belagavi is a city in the state of Karnataka located in its northern part along the Western Ghats. It is the administrative headquarters of the eponymous Belagavi division and Belagavi district. The district is primarily located on the eastern side of the Western Ghats and its topography is predominantly undulating. A "rugged terrain" marks the western part of Khanapur and Belagavi taluks with deep cutting ravines on the foothills of the Western Ghats.

Cropping pattern is changing from place to place and area to area, as it depends on factors like fertility of soils, irrigation facility climatic condition, land utilization, land holdings, availability of input intention of the farmers etc. Compared to 2015, about 14% sugarcane

**Monitoring and evolution:**

Monitoring in any programme refers to the periodic collection and analysis of information to determine whether the activities are being implemented as per plan and are delivering the expected results during the project period. On the other hand the evaluation is systematic collection and analysis of data sat regular intervals which help the project to take decisions on the expected objectives. Monitoring takes care of what is being done and evaluation examines what has been achieved at a point of intervention.

In the proposed programme systematic model of reporting will be delivered to maintain the records and the evaluation meetings will be arranged to regularly monitor the programme. Ads the monitoring, evaluation and review of the project implemented will be done at two levels i.e. at the central and the funding agency ATMA

The review meetings will be conducted regularly and the periodic reports progress will be generated and submitted to the funding agency in concern with the ATMA. The suggestions and recommendations from the funding agency will be considered as the precious strategies or inputs for the betterment of the programme implementation and would be included in the periodic planning activities. These reports will be shared with the local governing body.

**Vision of success :**

Keeping an eye on the prospective vision that the rural agricultural families lead peaceful life by improving their agri-productivity by availing the updated information through mass media that is Community Radio Station to reach remote rural areas of Belagavi and Beilahongal taluk. The organization pledges to meet the objectives stated in the program proposal and will try our best to serve the pathetic rural farmer community for their holistic development.

Dear Dr. Vivek A. Saoji ji, सादर प्रार्थना,

11<sup>th</sup> June, 2020

It is a great pleasure to congratulate your institution for finding an eminent position in NIRF's India Rankings 2020. It is an acknowledgement of high academic standards set by the institution under your able leadership. Please convey my congratulations to each one of your team which has worked tirelessly to achieve this feat.

Academic Institutions are bedrock of nation building. Apart from academic excellence, they also play a major role in bringing out the best in every student, and responsible for his or her overall development. Therefore, I believe, apart from setting highest standards in academic excellence, it is also important to expand the role outside the academic sphere. This may include mentoring of other educational institutions in the neighbourhood, in improving their academic excellence. You may also think of sharing your expertise with other government/ non-government institutions to help them deliver their services in more effective manner, or to help the local community to address other problems like environmental degradation, water security, energy security etc. This on one hand will bring the academics closer to the real world issues, and on the other hand will actively encourage the students to put their brain and energy into such issues, making them active agents in building New India.

I once again extend my best wishes to you.

Describe the nature and basis of awards /recognitions received for extension and outreach activities of the Institution year-wise from Government /other recognised bodies during the last five years within 500 words

Every year, various extension and outreach activities are undertaken by KLE College of Pharmacy, Belagavi under different professional societies such as

- Indian Pharmaceutical Association (IPA)
- National Service Scheme (NSS)
- Youth Red Cross (YRC)

The Indian Pharmaceutical Association (IPA) is the National professional body of pharmacists engaged in various facets of the profession of pharmacy. The IPA is committed to promote the highest professional and ethical standards of pharmacy, focus the image of pharmacists as competent healthcare professionals, sensitize the community, government and others on vital professional issues and support pharmaceutical education and sciences in all aspects.

Under NSS various day activities and special camps of 7 days are conducted adopting a village with an objective to create awareness about Health awareness and Sanitation - hygiene, importance of clean water, water borne diseases, tree sapling plantation (Vanamahostav), cleanliness and health awareness, Drug awareness programs and free health check up camp for the benefit of the public. Villages adopted are Mutaga, Mannur, Kalakamba and Muchandi village in Belgaum Taluka. The NSS unit of college of pharmacy has actively participated in various health related awareness programs like, awareness about blood donation, body donation, eye

## PRESS NOTE

### NSS STATE LEVEL BEST VOLUNTEER (FEMALE) AWARD CONFERRED ON NSS VOLUNTER OF KLE ACADEMY OF HIGHER EDUCATION & RESEARCH (DEEMED UNIVERSITY) s J.N.MEDICAL COLLEGE, BELAGAVI BY GOVERNMENT OF KARNATAKA

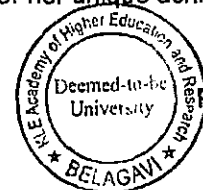

Ms. Nityasree Koduri, The Student Volunteer of KLE Academy of Higher Education & Research (Deemed University)'s Jawaharlal Nehru Medical College, Belagavi has been conferred with 'State Level Best NSS Volunteer Female' by the National Service Scheme (NSS) State Cell, Department of Youth Empowerment and Sports, Government of Karnataka, Bengaluru for the year 2016-17.

The award was conferred by Shri Pramod Madhwaraj, Hon'ble Minister for Youth Empowerment and Sports, Government of Karnataka in the formal function at Guru Nanak Bhavan, Bengaluru on 7<sup>th</sup> March 2018. The aforesaid function was graced by Shri. Abhayachandra Jain, former Minister of Youth Empowerment and Sports, Government of Karnataka, Shri Rajaneesh Goyal, IAS, Principal Secretary to Government, Youth Empowerment and Sports Department, Government of Karnataka, Dr. Gananatha Shetty Yekkar, State NSS Officer and Ex-Officio Joint Secretary to Government, Youth Empowerment and Sports, Department and Shri A.N. Pujar, Regional Director, NSS Regional Centre, Ministry of Youth Affairs and Sports, Government of India, Bengaluru and Dr. Shivaswamy M.S., NSS Programme Coordinator, KAHER, Belagavi.

It is a matter of great pride for the KLE Academy of Higher Education & Research that its constituent units have been conferred with similar NSS awards by the Government of Karnataka in last three consecutive years. This will also be a feather in the cap for the Deemed University when it has been already ranked 4<sup>th</sup> Rank amongst the cleanest Higher Educational Institutions in the country in the Category 'University' by the Ministry of Human Resource Development, Govt of India, in September 2017, in which all the NSS Units of the KAHER had actively participated.

On this happy occasion, Dr. Prabhakar Kore, Chancellor, KAHER, Prof. Dr. Vivek A. Saoji, Vice-Chancellor, KAHER, Prof. Dr. V. D. Patil, Registrar, KAHER, Dr. (Mrs.) N.S. Mahantashetti, Principal, JNMC, Dr. V.A. Kothiwale, Dr. R.S. Mudhol and Dr. A.P. Hogade, Vice-principals of JNMC, Dr. M. S. Shivaswamy, NSS Program Coordinator, KAHER, Dr. Ravindra S. ### **3.6.3. Number of awards and recognitions received for extension and outreach activities from Government / other recognized bodies during the last five years**

Describe the nature and basis of awards /recognitions received for extension and outreach activities of the Institution year-wise from Government /other recognised bodies during the last five years within 500 words

Every year, various extension and outreach activities are undertaken by KLE College of Pharmacy, Belagavi under different professional societies such as

- Indian Pharmaceutical Association (IPA)
- National Service Scheme (NSS)
- Youth Red Cross (YRC)

The Indian Pharmaceutical Association (IPA) is the National professional body of pharmacists engaged in various facets of the profession of pharmacy. The IPA is committed to promote the highest professional and ethical standards of pharmacy, focus the image of pharmacists as competent healthcare professionals, sensitize the community, government and others on vital professional issues and support pharmaceutical education and sciences in all aspects.

Under NSS various day activities and special camps of 7 days are conducted adopting a village with an objective to create awareness about Health awareness and Sanitation - hygiene, importance of clean water, water borne diseases, tree sapling plantation (Vanamahostav), cleanliness and health awareness, Drug awareness programs and free health check up camp for the benefit of the public. Villages adopted are Mutaga, Mannur, Kalakamba and Muchandi village in Belgaum Taluka. The NSS unit of college of pharmacy has actively participated in various health related awareness programs like, awareness about blood donation, body donation, eye

**Subject: Letter of gratitude for the contribution towards State Level Blind Cricket Tournament 2017**

Dear Sir

***Warm greetings from Samarthanam Trust for the Disabled!***

Samarthanam Trust for the Disabled is a Non-profit organization working for the empowerment of Persons with Disability and under-privileged People. To give you a brief description about our Organization, we are a nineteen years old organization working for the empowerment of PwD (Person with Disabilities) through LRC (Livelihood Resource Center) i.e. skill based training for disabled youths and Employment opportunities in different sectors. Our Skill based training is given for a period of 3 months rigorously which helps them to get a clear hold in skills such as Basic English Communication, Basic Computer and Knowledge of specific trade i.e. BPO/ Call Center, Retail, IT/ITES. This training module was designed based on demand for work in leading sector of IT/ITES/BPO/Retail etc.

We wish to express our heartfelt gratitude to your good-self and the organization for providing us the Vehicle facility and sending your students for Volunteering to the State level Blind Cricket Tournament 2017 held on 3<sup>rd</sup> March to 5<sup>th</sup> March 2017 at RPD Ground, Belagavi. Cricket Tournament was immense success and was applauded everywhere. Cricket players from different districts of Karnataka were delighted with the facilities you made available in the ground during the Tournament.

We would like to thank the staffs, students and the management for contributing towards success of Blind Cricket Tournament. We wish the same support continues in the near future as well.

With best wishes and many thanks,

## Language should not become tool to divide people: Babu

### 'Belagavi will always remain integral part of Karnataka'

**BELAGAVI:** Former Chief Justice of India Rajendra Babu said that language should be a medium for communication and not a tool to divide people, which is detrimental to the federal structure of the country.

He named this an award fellowship program to confer the award on scholars in various fields, instituted by Nadoja Pratishthan at DMER institution here on Sunday.

Mr Rajendra Babu, who is also the chairman of Karnataka Mahanadwa Border Advisory Committee, said almost all borders situated in the border State border are comprised of people speaking different languages, yet they have a strong socio-cultural bonding between these people, which highlights the need for linguistic harmony.

However linguistic differences were being created by some politicians to achieve their own motives. Even the Kannada and Marathi speaking people in Belagavi share a strong socio-cultural bonding and even share matrimonial ties, which is a positive sign. However, they should never entertain the notion of people who have been creating linguistic difference. People should also stop fighting over border issues. In the post-independence period the States were formed on linguistic basis for administrative purposes. It was impossible to bring in homogeneity with respect to language in a region.

Former Chief Justice of India Rajendra Babu felicitating literature scholar S M Kishanrao with Arvind Sarman Award instituted by Nadoja Pratishthan during an award felicitation programme in Belagavi on Sunday.

Similarly, the Marathi-Kannada people are living in Belagavi

Telugu-Kannada and Tami-Kannada speaking people were living on the eastern part of the State and there is not much of fuss being created there. Hence, both Marathi and Kannada speaking people should not be victims of one nation.

Belagavi was included in Karnataka during the formation of States on linguistic

should not be open to language he said.

Nated pratishthan chairperson Dr Vyasdasari Dakshinamurti was felicitated with Karyavard Award. Speaking on the occasion Dr Rajendra Babu stressed the need for educating children and inculcating national values among them. 'A person who has the knowledge of science and philosophy can turn into a complete man' he said.

Earlier S M Kishanrao was felicitated with Arvind Sarman Award, B S Gowrishankar with M A Adhyapak Award, Channabasappa Hosangatti with Chikambara Das Award and Dr Mahanadwa Ramanao with Gurusartha Datta Sarman Award.

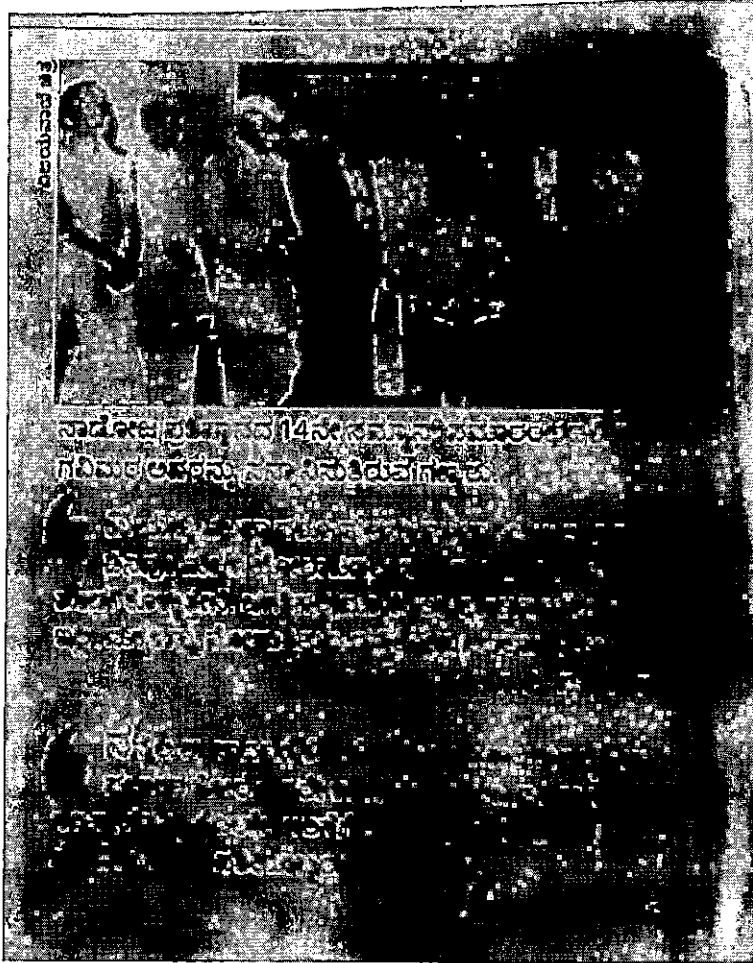

Chief Minister Deve Gowda was conferred on Prof S Srinivas in his absence. Foundation Advisory Committee President Vaidya Hrudaya, Chairman Jagadendra Joshi, secretary S E Kulkarni, Inamberg, Miralada Prakash, Govil Kadadi, Dr Venkatesh, Veer Venkatesh, Gurunath Dixit, Vinata Gelli were present.
