### “RED DOT” Awareness Programme

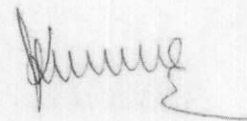

RED DOT Awareness Programme was conducted for women's in KLE Venudhwani 90.4 FM CRS on 5<sup>th</sup> February 2020. The awareness programme was conducted as a part of Venudhwani 90.4 FM Community radio's 5th anniversary celebration. Almost 50 women attended Awareness Program, after which we also conducted 5 more outreach programs in which around 250 women participated. All the women were unaware about the red dot concept, hence the awareness was created and RED DOT PAPER BAGS were also distributed to the participants.

## Call & Solve, Phone In Live Programme

### IMPACT COVERED IN A MONTH

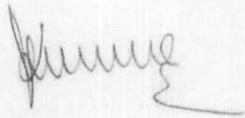

Caller Subhash from Kakati is differently-abled man, who has no legs but doesn't like to be treated or felt as a handicap, thus he utilizes his hands and makes furniture. As a carpenter by profession and two heart attacks survivor he wishes to work ahead. When KLE Venudhwani team visited his place they were amazed to see the confidence this man had, as he firmly said he did not wish any financial help from them. He wanted to work and then earn as he didn't want any sympathy from anyone. Subhash feels he is capable enough and wanted to work but due to corona virus terror he had stopped getting work. And thus, he had approached KLE Venudhwani to help him get some work.

The team was much happy to help him and appreciated the kind of faith this man carries. They gave him a grocery kit and furniture contract work of 19,000/- and wished him good health ahead on 27<sup>th</sup> May 2020

### IMPACT COVERD IN A MONTH

A student from Belagavi dreams to serve his country. Nagaraj. Gadiwaddar from Ram nagar is an UPSC aspirant who wishes to become an IAS officer. He called KLE Venudhwani show 'call and solve' and expressed his wish that he wants to study more but was unable due to the heavy charges of the books. When the team visited his place, his mother also shared that they were in short of food grains and were not able to eat a full meal. But as per the rule, the team is supposed to help any 1 major issue of the family.

When Nagaraj heard this, he immediately told the team to help them with a grocery kit instead of books. But the mother interrupted Nagaraj and said they will manage with the leftovers but education was more important and she wanted to see her son's future bright. These touching words of his mother made the team emotional. As the team was ready to help, they gave Nagaraj competitive books of worth 10,000/- on 29<sup>th</sup> May 2020 and wished him all the best for his future endeavors.

### IMPACT COVERD IN A MONTH

We all are aware that being a female farmer in India is such a difficult task, although they seem to be equally active and hardworking like men, it's not easy for a woman to handle the market, study the need of the buyer, etc. And during corona pandemic it is obvious to expect things to go on a stake.

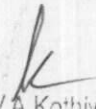

For Roopa. Doddamane it was same, as a female farmer she incurred lot of losses in 3 months. When she called KLE Venudhwani on 3<sup>rd</sup> June 2020 and spoke about it, the team visited her place Malamardi (near Gokak) to see the actual issue. She told the team that she had lost all the hope that things could be better anytime soon and she had no way how to feed her family.

The team motivated her not to lose hopes as there are many ways to solve her issues.

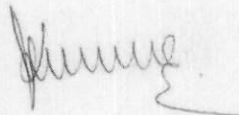

The team firstly gave Roopa's family a grocery kit. Along with that, as an initiative towards empowering women, they gave her order for making rotis everyday, additionally giving 20 kilos of aata for making rotis.

Where people were not able to have one proper meal a day, due to KLE's initiative Roopa now feeds 20 people per day. Thus, for 3 months she will be making rotis and earning 200/- per day

Aarushi from Kakati is busy making masks for police department to protect them from corona virus attack, and at the same time also supporting her family financially. She initially called KLE Venudhwani and expressed her issue saying that she is a tailor who had a rented shop, and along with few other women used to stitch clothes for ladies. But due lockdown there were no customers and her tailoring work was shut down. Aarushi was not able to do any other work to feed her family as the only skill she knew was stitching. When the team visited her she even expressed her desire to help the society with whatever she could. The team helped Aarushi by giving her stitching order of 42,000/- where she had to stitch 5,000 masks.

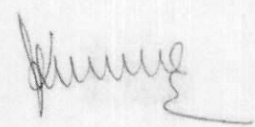

“I felt very good about it,” she told the team. “And after knowing that my masks would be worn by the police department makes me feel proud of myself. Those 5,000 masks printed ‘Belgavi police’ have been gifted to SP Laxman Nimbargi which was distributed among the police department on 9<sup>th</sup> June 2020

### IMPACT COVERED IN A MONTH

The pandemic has killed thousands of people in India, with many confirmed cases, while few recoveries have surpassed according to the given figures compiled (which fluctuate everyday) it is sure that citizens still have to keep calm for the things to be normal. Additionally, our society too needs to be more generous and kind, and helpful towards each other; just like another caller Shiv Shankar who is an auto driver.

Shiv Shankar. Dibbi from shri nagar has been driving an auto rickshaw on the roads of Belagavi since many years. He lives in. He is a happy man who is content with his life and busy doing social service for the people. He rides the auto on the streets of Belagavi and earns for his family. Shiv Shankar being an auto driver feels his driving has paid these years as many of them have given him blessings for his social work and helping them. He gives free rides for needy, an emergency drop to delivery women to hospitals or poor school kids to drop school at free of cost.

During lockdown too he wanted to go ahead and help people around him and wanted to resume his work too, but was lacking in financial aid. He called KLE Venudhwani on 11<sup>th</sup> June 2020 and told about it. The team then approached Shiv Shankar and asked what exactly he needed. He readily replied saying, ' I want to start my auto and serve my people in my area as much as I can from getting them vegetables or any other emergencies but to do so I have no money to fill gas as my auto runs on gas cylinder'.

Vadagaon is a small weaving area in Belagavi, where many families weave saris for their living. Unfortunately it stopped operating for several weeks now, owing to the lockdown. Most weavers in Vadagaon are unable to weave new saris due to lack of raw material, and others who are also stuck with existing stock with no buyers

.Basarangappa is one among them. Being a sari weaver Basarangappa Inchal, an aged man too is left without work. When he called KLE Venudhwani on 18<sup>th</sup> June 2020 he told them that the condition of sari weavers in Vadagaon is so bad that 3 people have already committed suicide in depression. The team then visited Basarangappa house where they got to know that his family is having issues in buying food grains and eatable. It has been long they haven't even had a proper meal.

### IMPACT COVERD IN A MONTH

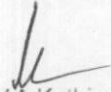

Senior citizens these days need social connection more than usual. The elderly and retired ones sometimes want a helping hand and often require help around them just like Somraj from Peeranwadi, an old man having health issues.

Somraj lives in a small house with his wife. He is not completely stable to respond to anyone. Through his neighbour's suggestion Somraj's wife managed to call KLE Venudhwani and told about her husband's health issue and that they were in a medical need. The team visited their house, and enquired about his health. His wife said that they dint had enough money to buy tablets. KLE team got the prescriptions of the tablets from them and within an hour got Somraj's health medicines of worth 7000/- on 6<sup>th</sup> July 2020

He was very grateful. The team advised both husband and wife to be safe due to the uncertainty of what is happening now especially among older adults.

As we know that the crisis has hit severely for many workers especially the sari weavers. As they have a large stock of newly woven saris but have no buyers for it, and they have no money for expenses and buying yarn too.

Vithal. Devangmath, a caller from Vadagaon who already had stock of saris was not able to sell them. No one was ready to buy it nor was he able to go out and sell to other wholesalers. When he called KLE Venudhwani on 9<sup>th</sup> July 2020 he said he was under lot of pressure and depressed about it as he had no other way to feed his family.

Our team visited him to discuss further. Vithal said “Some buyers even called to say that they may return the saris that they had picked up much before the lockdown since they cannot sell them.”

**GENESIS**  
 Venudhwani community radio station was a dream of Dr. Prabhakar Kore, Chancellor, KLE Academy of Higher Education and Research, Belagavi. The station is the voice of Belagavi and focuses on providing a voice to the voiceless. The station aims at reaching out to society and catering to the interests of each citizen in the region. It's a useful platform that provides a perfect canvas for local talent to express their abilities and innovations.

**THEMATIC FOCUS**  
 Health, culture, folk, education, women empowerment, youth and agriculture.

**SIGNATURE PROGRAMMES**  
 Arogya Darshana, Chinnari Chikume, Sandhya Samaya, Yuvadhvani, Virjansvihar, Mahila Vedike, Marathi Samaya, Bhaktasangam, Namagagi Kinnara, Janpadakari, Gentsangama, Samskruti Sambhrama, Nimma Seveyalli and KLE Krushi Mitra.

**INNOVATIONS IN FORMAT**  
 The format gives preference to all the age groups from children to elderly people.

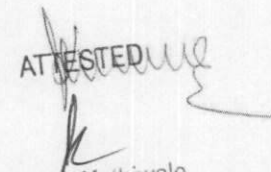

**KEY PARTNERS**  
 Dr. Prabhakar Kore Hospitals and Medical Research

Centre, Belagavi Science Centre, Belagavi Government Departments, Belagavi Schools and colleges of Belagavi.

**CORE TEAM**  
 Dr. Sunil Jalalpure, Veeresh Kumar Nandagaon, Marjunath B.N., Sunita D, Manisha S, Akshay Kulkarni and Shridhar Modagi.

**CRMC MEMBERS**  
 Dr. Vivek A. Saqi, Dr. V.D. Patil, Dr. Sunil Jalalpure, Veeresh Kumar S. Nandagaon, Dean of Colleges, Administrative officers of KLE Academy of Higher Education and Research.
