Good Afternoon, Mr. Shivakumar,

This is Sharan here from MMS University (MMSU), USA, from our correspondent office in Bangalore. Hope you are doing well.

Thank you again for speaking to me, earlier today.

As you would already know, our team from MMSU met the Principal, Dr. Raman Dang at his office on the 16th of Jan, to discuss collaborative options between our organizations. After having a fruitful meeting, he directed me to you, to discuss when a symposium can be held for the students of KLE college of Pharmacy. Here are the salient points of the outreach session:

1. The outreach session will reflect on 'Careers in the Clinical Research'.
2. The outreach session will span **2 hrs**.
3. The ideal audience for the session follows:
