The following member expressed inability to attend the meeting and was given leave of absence: Dr Sonal Joshi. and Mrs. Sharmila Kore – **Annx. I**

The meeting was conducted under video coverage. During the preliminary enquiry and discussion with the above members it was concluded the complainant was Mr. Krishna Aggarwal IV BDS student – **Annx. II**.

As per the written complaint the matter was taken for discussion point-wise.

1. The names of the two students mentioned in the complaint were called in person for enquiry. Mr. Rahul Nair presently doing Internship & Mr. Yash Deshpande Final year student at our Institute were called individually and interrogated by the committee. The following points were noted:-

a. Mr. Rahul Nair stated that during I BDS Krishna Agarwal was his roommate in Sangam Hostel of KAHER Campus, and they were friends. In the beginning of II BDS they had miscommunication which lead to verbal and physical fight. The students residing in the adjacent rooms rushed in to sort the fight. In this process Krishna was physical with Yash Deshpande and was pushed aside. After which he was reprimanded with an immediate apology, fine of Rs 1000/- and suspension from classes for 15 days. He was also removed from the post of class representative. His roommate was changed.

After this incidence Rahul Nair states that he did not interact with Krishna at all. After few months Krishna started approaching Rahul asking for friendship. Rahul maintained a cordial relation with him. Krishna would send sms and whatsapp messages to Rahul and other classmates. There were no further arguments or interactions other than some cordial exchange. This continued till III BDS course. As he did not clear all the subjects of III BDS he remained in the repeater batch. After which Rahul and Krishna were in different classes. From III BDS Krishna moved out of the hostel on his own wish.

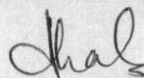

In the last six months Mr Krishna Agarwal has been behaving in indifferent manner by being rude, abusive and confrontative. He sends causal whatsapp messages to classmates and junior students. The girl students and friends have requested Krishna not to message but he persistently continues. Eventually the messages become abusive. On the last day of examination of Krishna Agarwal (2.8.2018) he had a confrontation with Rahul in abusive language and both of them replied abusing each other. **Annx. III**

b. Mr. Yash Deshpande is a final BDS student who has just appeared from the university examinations from **Theory** 5th to 14th July 2018 and **Practical** 23rd July to 2nd August 2018 to 2.8.2018. He stated during the enquiry that when he was in II BDS he heard heated arguments between Rahul and Krishna so along with other roommates he rushed to their room. In an attempt to separate and Rahul and Krishna who were in physical fight he pushed and separated both of them away. He stated that he was not otherwise involved in this matter. Subsequently along with Rahul he was also subjected to the punishment of suspension of classes for 15 days, Fine of Rs 1000/- and oral & written apology. Yash

also stated that after this he has never interacted in any way with Krishna. Though Krishna would send SMS and whatsapp messages and also Facebook messages he never responded to any of these. Though they took exam together they both have not confronted at all.

- Regarding the above matter the Principal stated that she was informed about the incidence by the mother of Mr Krishna Agarwal. As the mother said that her son's head was hit on the wall, she had to immediately confront the students and take action. The said students were asked to apologize to the mother and Krishna in front of the entire class. Subsequently the students involved other than Krishna, were suspended, made to pay a fine of Rs 1000/- hostel rooms were changed and written apology was obtained with warning not to repeat the same act.

Eventually he started sending personal messages to the girl batch mates, some of which were disturbing and abusive due to which his classmate started avoiding him. Other than this there was no social discrimination nor has any teaching faculty ever treated him contrarily.

The members of Anti-ragging committee and Anti-ragging squad who have also been his teachers expressed that Krishna Agarwal has been a very irregular student for classes, practical and clinics, and frequently missed the internal assessment examination. He shows aggression when asked reason for his absence. His behavior was of rudeness and dis-interest. He also stated that his change of behavior is because of his treatment for mental condition. All teaching faculty showed genuine consideration and tried to help him without discrimination. Extra classes and repeat exams were conducted specifically for him.

His absence from college and his misbehavior has been brought to the notice and discussed with his mother time and again. She has been co-operative with the faculty as she understands her son's behavior. She was advised to take help from the counselor appointed by the university. Based on which Krishna was referred to the counselor. The counseling session helped in the initial stages but subsequently the counselor felt the need to refer him to a psychiatrist **Annx. IV**. The mother continued his psychiatric treatment at his home town at Hyderabad.

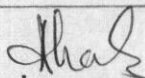

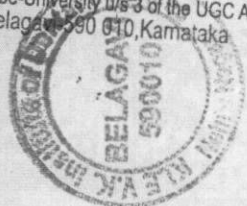

When he went to the final BDS he continued remaining absent from classes, clinics and IA examinations. Because of lack of attendance and obtaining minimum IA marks required, he was not permitted to appear for the final year subjects by the university other than in subjects of Oral Medicine and Radiology, Public Health Dentistry and Orthodontics in Dec 2017. Out of which he cleared the subject of Orthodontics and failed in Oral Medicine & Radiology. He did not appear for Public Health Dentistry. Hence he had to repeat Final BDS examination in July 2018. –

family and mental disturbance of organic mood disorder and depression as informed by mother, the Principal requested all the teachers to be considerate towards Krishna regarding his teaching learning activities.

Even after this, Mr Krishna Agarwal has uploaded deleterious message regarding University and Institute on social media. He was immediately counseled (though no disciplinary action was taken) for which he has given a written apology. **Annx. VI**

The very next day he again uploaded derogatory message blaming Rahul Nair and Yash Deshpande on the social media. He sent SMS to Rahul Nair stating severe physical harm (killing). The parents of both these students expressed their concern and worried about the wellbeing of their wards. Krishna was called to the Principal office and was strictly told to reframe from such activities and that the matter may be reported to the police. Upon hearing this Krishna suddenly become aggressive, abusive and started speaking in loud voice and attacking tone. Principal immediately called the security personnel to take him out of the room as he refused to leave the cabin.

This matter was immediately brought to the notice of the administrator of KAHER Mr. S. G. Patil. His maternal uncle who resides in Belagavi was also informed about the same. Mr. S. G. Patil immediately attended to the problem in our college and counseled him for several hours in the presence of his maternal uncles and senior faculty members. It was resolve to let Mr. Krishna Agarwal go home (Hyderabad) and study for the forth coming examination and that his attendance and IA marks will be granted to him (which is strictly against the norms of the university) and that he will directly come to appear for the university final examination. He submitted his apology letter for misbehavior and arrogance – **Annx. VII & VIII.**

Subsequently he came for the university examination which commenced on 5th July 2018. **Annx. IX.** During the theory examination it was observed that he was not abiding by the instructions and forcefully changing his seat, disturbing other students seating besides him and frequently visiting the washroom. During clinical examination he went to the departments without any prior preparation of appropriate instruments and patients. In spite of all this the internal examiners facilitated him to complete exam and helped him to the best of their ability maintaining the decorum of the examination. It is surprising to note his allegation that he will not be given patients nor marks.

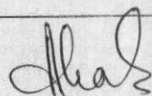

3. The complaint received from your office has been informed to Mr Krishna Aggarwal's mother telephonically, whatsapp message and mail and she was asked to report for this meeting. The mother expressed her surprise on hearing this and was apologetic about the complaint that her son has lodged. She expressed her inability to be present at such a short notice as she resides at Hyderabad. However she has informed that she will visit the Institute in 3rd / 4th week of August 2018.

4. The Anti-ragging committee and the Anti-ragging squad resolved the following :
- There has been no incidence of ragging of any kind
 - An incident that had happened three years back could not be considered to be sole cause of mental disturbance.
 - The external members and the police official were of the opinion that Krishna Agarwals messages were offensive and action could be taken against him.
 - The members felt there was no discrimination or negative feeling expressed by any teacher or others inspite of Krishna's unusual behavior.
 - They observed that the Institute has tried to help him, even foregoing the standard norms.
 - Keeping in view of his coming from disturbed family background, financial problems and mental status he was given full support in all possible ways.

Conclusion

The members concluded that the complaint lodged by Mr Krishna Agarwal is totally false and baseless and without any substance. He has been diagnosed with organic mood disorder and depression and that he is mentally disturbed.

February, 2016

Sub: Curbing the menace of ragging in higher educational institutions.

To Dr. G. M. Chari

25 FEB 2016
for implementation

Dear Sir/Madam,

In pursuance to the Judgment of the Hon'ble Supreme Court of India dated 8.5.2009 in Civil Appeal No. 887/2009, the University Grants Commission framed "UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009" which were notified on 17th June, 2009 and are to be mandatorily followed by all universities and colleges. The Regulations are available on the UGC website i.e. www.ugc.ac.in.
