Experience Certificate

It gives me immense pleasure in writing this experience letter for Dr. TEJAS VIJAY NALAVADE_{M.D.S.} He was working at Ceramco Dental Clinic (Ceramco Dental Care LLP w.e.f. 01-04-2018) Lokhandwala, Andheri (west), Mumbai from June 2016 to September 2018 as a full-time Endodontist & Cosmetic Dentist for 42 hours per week. During this time of about 2 Years and 4 Months, I have found him to be extremely knowledgeable in the didactic aspect of General Dentistry as well as Endodontics, Restorative and Cosmetic Dentistry.

As a specialist dentist his duties were:

1. Examining patients and interpreting radiographs and diagnostics tests to determine the type and extent of dental diseases, disabilities or dysfunctions - Treatment Planning,
2. Restoring the form and function of carious, fractured or otherwise defective teeth.
3. Filling cavities using advanced restorative materials and matrix systems.
4. Fixing broken teeth using Inlays, Onlays, Overlays, Endocrowns and Fragment reattachment and Reimplantation of avulsed teeth.
5. Root canal procedures- Single sitting, multiple sitting, Post and Core build ups of badly mutilated teeth.
6. Sugical and Non-surgical Endodontic Retreatment (Re-RCTs) including Apicectomies and cyst enucleations.
7. Tooth preparation to receive crowns and bridges.
8. Smile Designing and Cosmetic corrections - Laminates and Veneers.
9. Teeth whitening (Bleaching) and Teeth cleaning (Oral Prophylaxis).
10. Tooth Extraction - non-surgical extractions, surgical extractions, placing and removing sutures.

During his tenure, I found him to be extremely knowledgeable, sincere, honest and hardworking. He possesses good communication skills and is excellent in clinical work. He possesses extremely gentle hands and is known for delicate handling of intraoral tissues leading to a painless root canal experience.

I would, without any reservation, highly recommend him and wish the best for any venture he wishes to undertake in the future.
