PLACEMENT CELL ANNUAL REPORT 2018

If you can dream it, you can do it - Walt Disney

The Placement Cell of KLE College of Pharmacy has had another fruitful year of placements in the academic year 2017-18 which saw various companies approach us in their hunt for fresh talent for their organizations. Each year, we invite and host companies on campus to hold recruitments for our students, and in spite of the job market looking bleak this time round, we saw many leading corporates recruit a considerable number of students from our campus.

The Placement Cell is headed by Dr. H.N Shivakumar and the Coordinator Mrs Shwetha Baliga B, Mrs. Dimple Pirgal and the Student Core Committee, which consists of students from final year B.Pharm and M.Pharm. We aim to invite companies from various fields in order to make opportunities available not just for our students but also for students of various pharmacy institutions.

The Placement Cell of KLE College of Pharmacy aims at making available quality placement opportunities for the students of the college. It acts as an interface between the students of the college and various companies that come for recruitment.

A pre placement talk was hosted by Raksha Bangera HR Manger Abbott Healthcare Pvt Ltd., A number of companies visited the campus for placements that started in the month of February with pool in campus interview by Mylan Lab Ltd., where in students from various college such as Govt. College of pharmacy, Vivekananda College of Pharmacy, M.S Ramaiah of Pharmacy and Mallige College of Pharmacy pooled in for the campus drive.

Companies visited are Mylan Lab Ltd, Aculife Healthcare Pvt Ltd, Raptakos Brett and Co, and Abbott India Ltd

For the academic session 2017-18, the cell has been successful in inviting several companies and maintaining a cordial relationship with them. Last year, we had set the target to widen the spectrum of companies that come for campus drives. Several regular as well as new companies visited the college for placements for this academic session.

With relentless support from Principal, professors and students, the Cell has been growing from strength to strength and is striving towards the ultimate goal of 100% placement for the student

Placement Cell Annual Report 2017

The Placement Cell started functioning with the appointment of the committee for the Academic Year 2016-17 which is listed below:

Faculty in Charge: Dr H.N Shivakumar

Staff Committee: Dr Anusuya Patil

Mr Chandan Warriar

Mrs Shwetha Baliga B

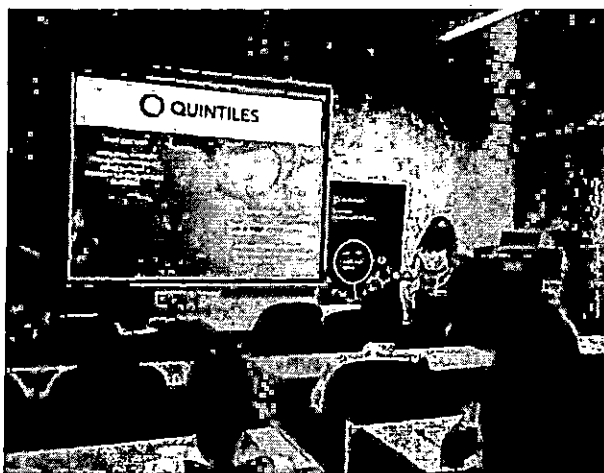

The Placement Cell started functioning with a very clear objective of ensuring a higher placement record and a better reach to the students of the college.

Mrs Prachi Mathur Director M/s GITS Academy on 7th October 2016 made presentation on Overview of clinical Research stressing upon the limited opportunities in the traditional pharmaceutical industry hence slowed career growth. The growing number CRO contributing to the global growth of pharmaceutical industry opens up unlimited options to pharmacy graduates and post graduates .

Companies visited & student selected in respective companies were as follows:-

Campus Recruitment Program by Quintiles (I) Research Pvt Ltd.

Quintiles (I) Research PVT LTD has arranged Campus Recruitment at Institute dated 12-02-2016 for the post of 'Clinical process Trainee and Safety Associate Coordinator Trainee' for Final Year Bachelor of Pharmacy Students. 12 students attended the interview out of which 2 student were
