5.	10 th September 2019		<p>The Teacher's Day event held on Tuesday, the 10th of September 2019 at the 1200 seater of the Centenary Hall was a major success. The performances were put up exclusively by the faculty of various departments. The JNMC Student Council performed the council dance along with the Vice President of the JNMC Student's Association, Dr. Rekha Mudhol. A few of our ex students and senior students also performed for the function. There was active participation in all events of dance and music from every department and it was an unforgettable evening. The highlight of the programme would be the Fashion Show put up by various professors with our beloved Principal ma'am, Dr. N. S. Mahantashetti as the show stopper. The professors definitely proved that being a doctor doesn't stop you from being a star. Overall the event was a Hit</p>

THE LITERARY REPORT 2015-2016

The year 2015-2016 has indeed been an eventful year for the literary department of KLE's V.K.I.D.S. There was a plethora of events where the undergraduates, postgraduates and staff members of the college displayed their talents and participated with all their zeal and enthusiasm.

The year started with the NSS wings of the constituent colleges of the KLE University organising the essay writing competition.

This year's annual week ZEST stood true to its name. Participants actively involved themselves and participated with all their zeal and vigour, just as the title suggested "let the adrenaline rush begin.."

The quadrangle was decorated and for the first time ever the college looked completely decked up. Also many innovative new events were added this year.

Then came the pompous "Trinity", many students participated diligently and represented our college in all categories of literary events.

Lastly face painting was also organised by the NSS wing of our college, on account of national youth day.

It indeed proved to be a very eventful year for the literary committee.
