# I would love to do a Kannada film: Divya Dutta

By Krishna Kamble

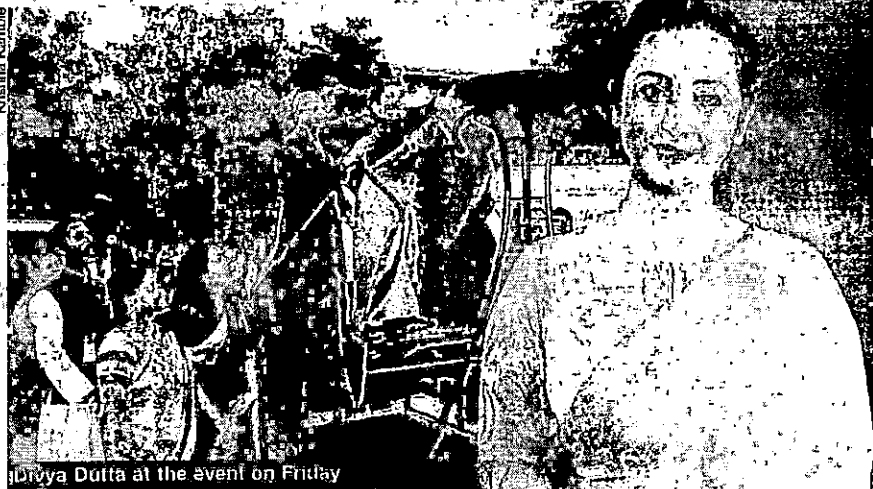

**B**ollywood actress Divya Dutta was in town over the weekend to be a part of KLE University's Trinity 2016 Centennaire Fiesta. This was her first visit to the city and the actress seems to have left with quite the impression about *namma* Belagavi. Divya spoke to *Belgaum Times* about the city and about Kannada films. Excerpts...

**This is your maiden visit here. What is your impression about Belagavi?**

It is a very nice city and I am very happy to be here. The city is well developed and what is interesting is that the weather is also very nice — it is cold in the nights and warm during the days. The people here are also very warm and welcoming.

**Have you got a taste of the local delicacies?**

Yes, the food is also very nice. I have had a simple meal of mixed bhaji and chapathi, which I enjoyed very much. But my favourite local dish has

Divya Dutta at the event on Friday

to be the sweet Kunda.

**Tell us about your journey as an actress so far...**

I have had some of the best experiences working in movies. I have been very lucky to have worked with big heroes. There's a lot more ahead; I am looking forward to doing more interesting and different roles.

**Any plans of working in**

**Kannada films?**

I am very interested in working in Kannada films. I will certainly do so if I get an offer.

**What is your message to the students?**

It's a simple, but important message — work hard and success will certainly be yours.
