ANNUAL ALUMNI MEET 2019-2020

The annual alumni meet held on 27th July 2019 in Sharada Sabhangana at KLE Society's College campus, Bengaluru. Twenty-three alumni across different batches participated in the meet and shared their experience. The alumni interaction was vibrant and informative. Proceedings started with welcome speech from Hon'ble Vice-Principal Dr. H.N Shivakumar followed by invocation and lighting of lamp by Hon'ble Principal Dr. Subhas S. Karki, Office bearers of association and few alumni. The Hon'ble Secretary of the association Dr. Prasanna G.S addressed the gathering and wished a grand success to the meet. He stressed on the need to remain in touch with the alma mater and to share their contribution in achieving the vision, mission and objectives of the institution.

Alumni gave their feedback and fondly remembered their days in the college. They felt happy and wished to extend their support.

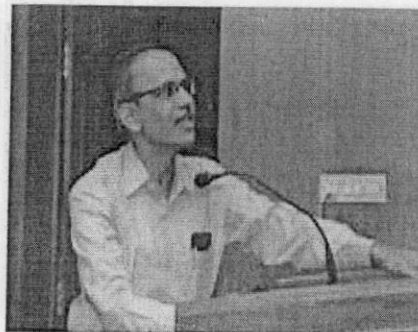

Notable suggestions received from the alumni include,

- Creation of a group to enhance the present student's knowledge in the area of basic skills, personal skills and communication.
- The gap between the industry and institutional learning to be bridged by arranging industry visits/guest lecture by industry personnel/interaction of alumni employed in industry with final semester / year students.
- More number of soft skill programs and talks to need arranged for outgoing students.

The meet ended with a promise to implement the suggestions from association and, vote of thanks from Dr. Purnima Ashok, HOD Dept. of Pharmacology.

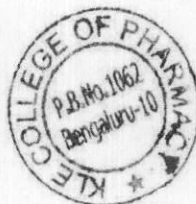

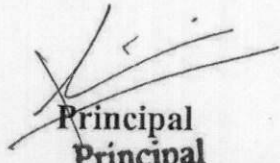

Inauguration of annual alumni meet

Healthcare Associated Infections & Infection Prevention and Control

- Healthcare associated infections (HAI) are the most common adverse healthcare delivery and a major public health problem with an impact on mortality and quality of life.
- Large percentage of HAI are preventable through effective IPC strategies.
- These measures are essential for the well being and safety of patients, staff, families, health workers and the community.
- First step towards implementing IPC is establishment of IPC program.
- Hospital Infection Control Committee (HICC) is the healthcare institution's IPC governing body.
- HICC:
 - Chaired by senior clinician.
 - Majority are staff of different disciplines and specialties.
 - Report to the local health authority and the IPC authority in the HAI.

Annual Alumni Meet 2018-19

The annual alumni meet 2018 held on 5th August 2018 in Asha Kirana Auditorium at KLE Society's College campus, Bengaluru. Twenty alumni representing different batches, few students and faculty attended the event. The proceedings started within invocation and lighting of lamp by the Hon'ble Principal, Dr. Subhas S. Karki, the Office bearers of the association and few alumni. Mrs. Rekha U. welcomed the gathering and the Hon'ble President of the association Dr. Sujeet Kumar welcomed the participants and, wished a grand success to the meet. He stressed on the need to remain in touch with the alma mater and to share their contribution in achieving the vision, mission and objectives of the institution. Prasanna GS, Secretary of the association, at the outset traced the progress of the alumni association and the agenda for the further cooperation between the alumni and institution for the coming years. Participation of current semester students, skill development programs, guest talks and career guidance from alumni discussed in detail in the meet. Majority of the alumni gave their feedback and fondly remembered their days in the college, wished to be in touch with institution and readiness to co-operate with the alumni association functions.

The meet ended with vote of thanks from Mrs. Rekha U., the alumna of B.Pharm 2005-08 batch.

Alumni Visit & Guest Lecture

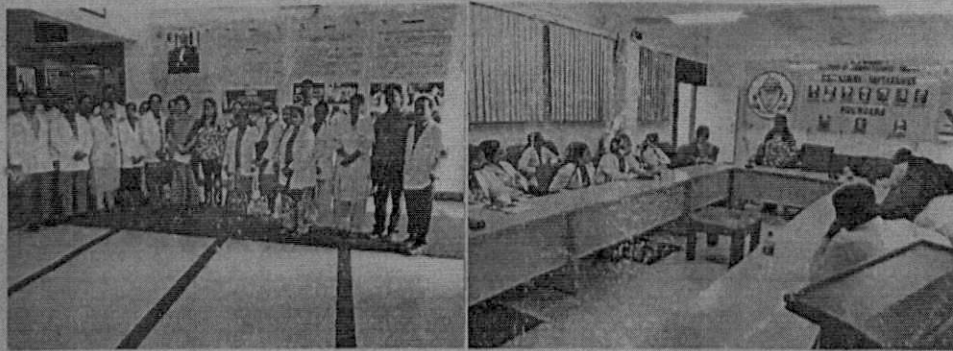

01 JULY 2017

The Alumni of KLEU's Institute of Nursing Sciences Belagavi, Miss Sheeba Visited on 1st July 2017. Miss Sheeba George Zachariah RN, DON, Administrator Dallas Texas, USA, expressed her view on Curriculum in India and America. She stressed on Efficient Teaching in India specially at KLE & regarding orientation programme, Technology differences & Procedures are same in India & America. She suggested on Implementation of wound bag technique at KLE which is practicing in USA.

My experience at KLEU's INS has meant: career advancement to a highly responsible and technically challenging position in leading- Health Care Organizations. Along with that goes an increased sense of self-esteem and a feeling of accomplishment and personal satisfaction.

I shall always look forward towards constructive contributions from the Alumni in terms of enhanced facilities for the needy students and also in helping senior students realizing their career dreams.

The lecture was attended by all faculty of KLEU's Institute of Nursing Sciences Belagavi.
