Greetings of the day from KLE college of Pharmacy, Bengaluru!

Dear Deepak,

Thanks for the phone calls and the mail. Sorry for the delay in reverting as I was out of office for a couple of days. We would be more than happy to conduct the Pool in Capmus interview this year too. We would be eager to have you at your campus. In this context I am hereby enclosing the list of the students who would be likely to participate in the campus drive. The dates that you suggested would be tentatively OK with us. Please finalize the dates and let us know.

Regards,

## Portable Stepper cum Stair Climber Donated By Alumni

DISHA Day care center is a closely knit that cares for children with special needs within a 60Km radius from Honaga. Children from the age of 1 to 18 with physical impairments are welcomed there.

KLE University, Institute of Physiotherapy, Belagavi serves this center with its physiotherapists and students helping these children reach their potential. Companionship is an important part of therapy, due to love for these children and in hope that they will achieve independence Dr Rohit Das, MPT Neurology, donated a portable stepper, on September 2016 which can be dismantled and together as a unit forms stairs. This enables the children who are unable to perform stair climbing to climb the stairs also helps them step and thus use their muscles for gait appropriately. And this increases their functional independence.
