17th May 2019

Members present in the University Research Co-ordination Committee meeting held in the Board of Management Room of the KAHER held on 16th May 2019

Members present:

(As per the Attendance-sheet)

Dr. M.S.Ganachari, Member-Secretary and Deputy Registrar welcomed the members.

The Chairman briefed the members with the following information:

- Research is an important component in any academic institution to assess the performance of the University particularly by the accrediting agencies like NAAC / NIRF / NABH and other Committees like UGC Expert Committee, MHRD Review Committee, etc. and hence the faculty members need to actively involve towards research activities. The respective Principals of the constituent units shall periodically review the performance towards research activities and ensure that more number of research publications come out from their faculty members.
- The information relating to research needs to be shared with IQAC so that the University will be able to project in a well-focused manner.
- The University has Central Research Facility (Basic Science Research Centre) covering the constituent units at Belagavi and BSRC in Off-campus centres at Hubballi and Bengaluru wherein the required infrastructure both in terms of human resource and equipment is made available to facilitate the staff and students to conduct research activities.
- The University is in the process of revising the existing Research Policy by modifying the scope of research, quantum of assistance, creation of additional facilities, etc.

The Agenda was taken up for further discussion and consideration:

Item No.1 Plan of action proposed with regard to research under Criteria-III as per the new Manual of NAAC for Health Science Universities / Institutions.

Dr. B.S.Kodkany, Director, KAHER Research Foundation made presentation with regard to the Criteria-III as per the new Manual of NAAC for Health Science Universities and Institutions.

Resolution:

Resolved to take note of the same. While taking note of the same, the Chairman informed that the concerned Principals and the Heads of the Departments shall meet the deficit in those parameters wherein the University lacks by initiating appropriate measures.

Item No.2 Review of research publications in various constituent units at colleges – last one year (January 2018 to December 2018)

Item No.3 Review of research activities (on going and completed) by the faculty and students for the last one year (1st January to 31st December 2018).

Resolution:

Resolved to take note of the same.

- Item No.6 *Consideration of schedule for inviting applications for grant of research awards / incentives to the faculty, research scholars and students for the year 2019.*

The Committee deliberated on schedule for inviting applications for grant of research awards / incentives to the faculty, research scholars and students for the year 2019.

Resolution:

Resolved that the University shall initiate the process for grant of research assistance to the faculty members / research scholars and students for the year 2019. The Committee resolved that the process shall start from 1st June 2019 and is to be completed on or before 12th August 2019 so that the orders in this regard are issued and distributed by the University to the eligible candidates on the auspicious occasion of Independence Day i.e. on 15th August 2019.

- Item No.8 *Discussion on revision in the incentive amount for research publications by the faculty and students.*

The Committee considered the proposal for revision in the incentive amount for research publication by the faculty and students.

Resolution:

Resolved to agree in principle to consider 50% increase in the incentive amount for research publications by the faculty and students. The same is to be placed before the Finance Committee and Board of Management for further consideration and approval.

The Chairman informed that there is a need to review and monitor the progress of research activities being carried out by the faculty members / departments / institutions and also to have valuable inputs / suggestions on how the University can ensure compliance to each and every parameter under the Criteria pertaining to Research / Research & Consultancy, etc. and also to score more number of marks during the accreditation process by NAAC/NABH/NIRF, etc. After detailed deliberations and in order to comply with the same, it was resolved to constitute a Core Committee of the NAAC Co-ordination comprising of the following members in this regard:

MEETING HELD IN THE BOM ROOM OF THE UNIVERSITY ON 24th JANUARY 2020**

Agenda No.	Subject/Item	Discussion/Briefing	Resolution	Action Taken
		<p>Dr. M.S.Ganachari, Member-Secretary and Deputy Registrar welcomed the members.</p> <p>The Chairman in his introductory remarks briefed the members with the following information:</p>		
		<p>•The main objective of the University Research Co-ordination Committee is to get comprehensive picture about the status and progress of research in the University with regard to research activities / projects being carried / taken up by the faculty and students, review research publications, suggest measures for research, etc. The faculty members, who publish, get funded projects, who are involved in some clinical trials or are doing some projects should submit the data to IQAC and copy to Research Co-ordination Committee. It is observed that there is a lot of under-reporting and the same needs to be corrected. The Principals, IQAC Co-ordinators of the respective constituent colleges should ensure all the research and publication related activities be reported.</p>	<p align="center">--</p>	<p>Noted. The Principals and the IQAC Co-ordinators of the respective constituent units shall note and comply with the same.</p>
		<p>•The University has time and again emphasized the need and importance of research by the faculty and students. However, it is a matter of serious concern that the performance of the University in terms of research publications has come down significantly which may affect the ranking of the University and hence urgent corrective measures have to be initiated by all.</p>	<p align="center">--</p>	<p>The respective Principals shall review the progress of research including publications and take appropriate measures to boost research by encouraging the staff and students.</p>

		<ul style="list-style-type: none"> The University, based on the approval accorded by the Board of Management and the Finance Committee, has revised the quantum of financial grant to the research activities / publications, etc. These grants should motivate and encourage the faculty and students towards research activities and they should take up novel research projects / pilot studies, etc. and take benefit of these schemes. 	--	-do-
		<ul style="list-style-type: none"> The University has created state-of-art facilities both in terms of infrastructure and human resource for research activities which need to be utilized effectively by the faculty and students. The Heads of the Departments should make aware of the faculty about the various facilities available, particularly the young faculty, which will help in taking up research projects. 	--	The respective Principals and the Heads of the Departments shall note and comply with the same.
		<ul style="list-style-type: none"> The Principals of the constituent units shall identify one senior faculty from their respective institutions who shall co-ordinate with other faculty members to boost research publications. 	--	-do-
		<ul style="list-style-type: none"> It is mandatory on the part of the Post-Graduate students to publish at least one article from the dissertation or submit a manuscript for publication as a part of their PG program. **ACTION TAKEN REPORT ON VARIOUS RESOLUTIONS OF THE ADVISORY COMMITTEE OF UNIVERSITY RESEARCH CO-ORDINATION COMMITTEE
MEETING HELD IN THE BOM ROOM OF THE UNIVERSITY ON 24th JANUARY 2020**

Agenda No.	Subject/Item	Discussion/Briefing	Resolution	Action Taken
		<p>Dr. M.S.Ganachari, Member-Secretary and Deputy Registrar welcomed the members.</p> <p>The Chairman in his introductory remarks briefed the members with the following information:</p>		
		<p>•The main objective of the University Research Co-ordination Committee is to get comprehensive picture about the status and progress of research in the University with regard to research activities / projects being carried / taken up by the faculty and students, review research publications, suggest measures for research, etc. The faculty members, who publish, get funded projects, who are involved in some clinical trials or are doing some projects should submit the data to IQAC and copy to Research Co-ordination Committee. It is observed that there is a lot of under-reporting and the same needs to be corrected. The Principals, IQAC Co-ordinators of the respective constituent colleges should ensure all the research and publication related activities be reported.</p>	<p align="center">--</p>	<p>Noted. The Principals and the IQAC Co-ordinators of the respective constituent units shall note and comply with the same.</p>
		<p>•The University has time and again emphasized the need and importance of research by the faculty and students. However, it is a matter of serious concern that the performance of the University in terms of research publications has come down significantly which may affect the ranking of the University and hence urgent corrective measures have to be initiated by all.</p>	<p align="center">--</p>	<p>The respective Principals shall review the progress of research including publications and take appropriate measures to boost research by encouraging the staff and students.</p>

		<ul style="list-style-type: none"> The University, based on the approval accorded by the Board of Management and the Finance Committee, has revised the quantum of financial grant to the research activities / publications, etc. These grants should motivate and encourage the faculty and students towards research activities and they should take up novel research projects / pilot studies, etc. and take benefit of these schemes. 	--	-do-
		<ul style="list-style-type: none"> The University has created state-of-art facilities both in terms of infrastructure and human resource for research activities which need to be utilized effectively by the faculty and students. The Heads of the Departments should make aware of the faculty about the various facilities available, particularly the young faculty, which will help in taking up research projects. 	--	The respective Principals and the Heads of the Departments shall note and comply with the same.
		<ul style="list-style-type: none"> The Principals of the constituent units shall identify one senior faculty from their respective institutions who shall co-ordinate with other faculty members to boost research publications. 	--	-do-
		<ul style="list-style-type: none"> It is mandatory on the part of the Post-Graduate students to publish at least one article from the dissertation or submit a manuscript for publication as a part of their PG program. The Principals of the constituent units shall monitor and ensure that the PG students shall send the manuscript in the prescribed format so that it is likely to get published in the journals approved by SCI / UGC Care list / PubMed / Scopus, etc. 	--	-do-
		<ul style="list-style-type: none"> The KLE Dr. Prabhakar Kore BSRC may explore the possibility of recognizing the same as Drug Testing Laboratory of KLE College of Pharmacy, Belagavi. 	--	The Deputy Director, KLE Dr. PK BSRC shall brief the same in the meeting.
		<ul style="list-style-type: none"> The income and expenditure pertaining to KAHER Research Foundation and KAHER Clinical Research and Clinical Trials, etc. should be included in the Annual Budget / Annual Accounts of the University and get reflected as funds / grants generated and amount spent for research. 	--	The respective Principals In co-ordination with the Finance Officer of the KAHER shall initiate appropriate compliance action in this regard.

		<ul style="list-style-type: none"> The University has signed MoU with HealthMin for co-ordination with the faculty members for research publications, generating grants, etc. The officials have been advised to visit each of the Departments of the constituent units and discuss with the faculty and students to finalize the proposals / articles for publications / grants. 	--	Noted.
		<ul style="list-style-type: none"> The Principals of the constituent units shall ensure that the faculty members working in their institutions will preferably publish the articles 'ONLY' in those journals approved by UGC Care-List / PubMed & Scopus and in those journals considered by NAAC and NIRF. 	--	The respective Principals and the Heads of the Departments shall note and comply with the same.
